Dead of multiple injuries is Munna Mohla, 4, of 5894 Wedgewood, Canton Township. Injured in the collision and listed in satisfactory condition at Wayne County General Hospital are Priya Sriraman, 5, of 43119 Hanford and Jesse Perkins, 23, of 1912 Marlowe, Canton, driver of one of the two cars involved in the accident. Mrs. Sue Goodchild, one of the crossing guards, said she didn't see the actual collision, but when she looked up moments later, "both cars were 50 feet in the air.

Mrs. Billie Whitely, formerly safety representative from Miller, said the school has been trying to get a full phase traffic signal at the intersection for several years. Presently there are only a pair of small yellow blinking lights on the roadside and one road sign indicating children cross at the intersection.

"In 1974 we sat down with the Wayne County Road Commission and asked for a full phase stop and go signal. They said absolutely not, the traffic didn't warrant it.

# Feds to study funding of development rights

By RICHARD GOLD

A story in a recent issue of a Detroit newspaper suggesting that U.S. representatives William Ford (D-Taylor) and James O'Hara (D-Utica) "lauded" Canton's newly passed land use plan brought strong responses from both congressmen.

Both Ford and O'Hara said while they were interested in the plan because of its different approach to land use planning. neither endorsed it "in any way."

"Mr. (Canton Supervisor Robert) Greenstein brought the proposition to us several weeks ago," Ford explained, "to see if there is any existing federal legislation that might be utilized.

'We turned the matter over to legal researchers at the Library of Congress to an-

swer the question. "It's an interesting proposition, and of course when he submitted it to us he was quite enthusiastic-but all we're doing is identifying possible sources of federal funds to buy development rights.

"You can't take a proposition like that and throw it up in the air and hope it sticks somewhere—there has to be a legal basis for getting funding.

"But under no circumstances are we attempting to advise the people of Canton how to plan for land use," the congress-

man added emphatically. "We are doing what we do for any local official in my district. Any official that has

Greenstein estimates that it would take approximately \$11 million to buy the development rights to about 5,600 acres of land that would become agricultural if the plan s implemented.

On several occasions, he has said that federal funding might be available to buy those rights and that Canton might become a pilot project for the nation.

When Ford held his annual local officials conference in early May, Greenstein and Treasurer Carl Parsell approached the two congressmen about the possibility of federal funding for the plan.

"We spent the whole afternoon with Ford and O'Hara." Parsell said. "We answered questions, but when we left, we had no idea what they were going to do. I don't think they were convinced when we left that this was a valid plan.

"The last word we got was that they would check into it and get back to us later. So far we haven't heard anything from them.

William Phillips, administrative aide to O'Hara, said, "we're not lauding or endorsing (the plan) or anything else. We don't even know if there is a federal role in this thing at all.

"All we've done is asked for a feasibility study for funding of it. It's the first time

we've seen a plan like this and that's why we've asked the researchers to take a look at it-but it is by no means an endorsement or anything more than an inquiry.

"It 's not a high priority item because the researchers are concerned with legislation coming up and that takes precedence over a study like this.

"But the plan does have far reaching implications for the entire state, and the federal government has been looking at land use for some time."

Phillips said because the research has been "put at the bottom of the barrel" it may be as long as six months before the congressmen have an answer.

Frank Rathbun, administrative aide to Ford, concurred that the research might take time. "We're having it run by the experts, but if it were to be put into legislation, it would take a long time. It won't

happen next week or next year. "I don't know what is available in the way of federal funding but I don't think anything exists that is that encompass-

While Ford said he wouldn't reject any research on the basis that a plan might not work, he did admit to having some questions about the plan to buy development rights.

# Culbert to run for trustee

NOEL D. CULBERT

A Livonia-based attorney has joined four other Democrats and two Republicans in the race for two trustee seats on the Can-

ten Township Board. Noel Douglas Culbert, 29, of 1706 Woodbridge Ct., Canton, has announced his intention to seek the Democratic nomination for a four-year trustee position.

Other Democrats seeking the posts are incumbent Gerald Cheske, Joyce Willis, Lynne Goldsmith and Gene Daley, Republicans in the race are Jim Poole, an incumbent, and George Hall.

In his candidacy announcement, Culbert emphasized the need for balanced zoning with the need for some farmland, less stringent commercial zoning regulations, wider residential lots, and industrial

Culbert called the land use advisory question, which appeared on the presidential primary ballot, an example of "shoddy politics at its best.

"The voters were given two choices." Culbert said, "full development with a population of 200,000, or a rural community with only 100,000 persons. The City of Livonia used to be a township the same geographical size as Canton. Livonia is now almost fully developed, and its population is only about 110,000. "NO COMMUNITY in its right mind

would have full development as proposed on the last ballot. To say this was a victory is an insult. It's like saying, 'Heads I win, tails you lose.' The voters should have been given many choices. We were given an irrational and improbable choice." Although Culbert favors the retention of

# YMCA day camp, classes to begin

The Canton, Northville, Plymouth YMCA is ready to begin its summer program with classes from June 7 through Aug. 27 and day camp from June 21 through Aug.

The one-week sessions for day camp are for boys and girls age 5-10 years or kindergarten through fifth grade. Registration is June 9-11 for the eight one-week sessions. Persons should register at least one week before each session begins by calling 453-2904 or in the YMCA office at 292 S. Main,

THE CAMP program is divided into two groups-kindergarten through second grade, and third through fifth grade.

The camps will be at Bird Elementary, 220 Sheldon, Fiegel Elementary, 39750 Joy, and Starkweather Elementary, 550 Holbrook. The playground and classrooms will be used at Bird and Fiegel and playground and gym at Starkweather. At all locations, hours will be from 9 a.m. to 2:30 p.m.

Each child brings a sack lunch and beverages will be provided. The Y doesn't provide transportation to and from the site. A registration fee of \$5 is required for each session and the weekly fee is \$15 for YMCA members and \$18 for non-members. The camp sessions are June 21-25, June 29-July 2, July 6-9, July 12-16, July 19-23,

July 26-30, Aug. 2-6, and Aug. 9-13. REGISTRATIONS are now being taken for summer classes and activities which begin today.

Activities at Deer Creek Park Apartments, in the lounge, 8375 Deer Creek, Canton, include: New Ways for Summer Cooking, June 24; Tumbling, June 22; Swimming, June 21. Later dates in the summer also are slated for these activities.

Miller Elementary, 43721 Hanford, Canton, will be the site for: Baton Twirling, June 24; Tumbling, June 17. Folk guitar begins June 22 at West Middle School, in the choral room. There also are other dates in the summer for these classes.

A baseball skills program will be conducted, starting June 29, at the Starkweather playground conducted by Dick Johnson. Golf for beginning through intermediate players starts June 16 at the Oasis Golf Center, 39500 Five Mile, Plymouth Township

Tennis programs will be offered starting today at the Plymouth Canton High tennis courts, 8415 Canton Center Road, and starting June 17 at the Western Racquet Club, 17250 Newburg, Livonia. The next session at Canton is July 26 to Aug. 26, with sessions scheduled July 15-Aug. 5, and Aug. 12 to Sept. 2 at the racquet club.

The Kreatives Pre-School program begins June 28 in the downstairs community room of the Plymouth Community Credit Union. Other starting dates are July 19, Aug. 2, and Aug. 16. Class size is limited to 10 children per class. The program features creative group experiences such as art, crafts, games and movement education. Fees are \$8 for members and \$12 for non-members.

Tom Yack, Plymouth Board of Education member, pointed out there is no uniformity between the governmental units on sharing recreation activities. "In Canton, for instance, you are only allowed four non-residents on a softball team and there are some recreation activities open to Canton residents only.

Yack and Gerald Cheske, Canton Town ship trustee, pointed out that the current misunderstanding between Plymouth and Plymouth Township indicates the need for a recreation workshop to discuss the value of and extent to which recreation facilities and programs can be shared by the Plymouth-Canton community plus Salem and Superior townships.

The discussion on holding a public hearing on the crossing guard issue began as a result of a recent legal opinion from Atty. Gen. Frank Kelley. Kelley ruled that neither the school district nor a municipality was under any legal requirement to provide crossing guards and that either could voluntarily pay or share in the expense.

It was felt that, in light of this opinion, a hearing to air the issue might be in order before the school board reaches the point where it decides it necessary to eliminate

# Reserves to get .357 magnums

After relative calm for most of the May 25 meeting, township board members erupted into argument over arming the Canton auxiliary police force.

Treasurer Carl Parsell and Supervisor Robert Greenstein said they had been busy preparing regulations and rules for the officers and that all items needed for the auxiliary force could be purchased without delay, except for handguns and campaign

Greenstein asked the board for advance approval on purchasing the hats and the guns needed for the 30 officers.

Saying he had done a "lot of soul searching" on the matter. Greenstein asked the board for its approval to purchase 15 .357 magnum hand guns for the 30 officersadding that the officers would be required to use 38 caliber ammunition.

Greenstein said the heavier .357 magnum capability of the gun and the fact that it was a "heavier duty gun" made sense.

'We've looked all over and we can get them for \$98 apiece," the supervisor said, "but we have to order soon if we want them by the time the Jaycee fair starts on

After a motion by trustee Bob Myers to table the matter failed, trustee Jim Poole raised the question of where the weapons would be stored.

Greenstein responded that the shift officer would be responsible for dispersing and collecting the guns, and that the guns would be stored in the township safe when they were not in use.

BUT MYERS was dissatisfied with the choice of guns. "I want to check into the weapons, I don't think they need .357 mag-

Greenstein asked the trustee if he was deaf, referring to the fact that the reserves would be using .38 caliber ammuni-

"They could buy armor-piercing bullets if they wanted-why don't you back off. I'm not dumb," Myers responded.

Greenstein replied that the guns were capable of using the heavier magnum load and the normal .38 caliber police issue.

"It was suggested by everyone," the supervisor said "If you want to buy an elephant gun to kill people," Myers suggested sarcasti-

cally, "why don't you get .44 magnums." Trustee Gerald Cheske said Myers' comment was ridiculous and added, "The issue is whether or not we give them guns.

Greenstein said, "The reason for the .357 is that they're better, safer, heavier and they give us the option of the .357 load in the case of future emergency.

"Six months ago we came up with this and now Myers says he wants to hold off. Mr. Myers is trying to sabotage the po-

Parsell commented, "It's unfortunate that Mr. Myers says anyone is going to be killed.

Myers said that while it was the intention of the township that the officers use .38 ammunition, there was nothing to "preclude the officers from purchasing " dum dum bullets or armor piercing ammu-

CHESKE MOVED the purchase be approved and after Parsell seconded the motion, Poole asked if the township also should purchase bazookas.

Poole asked why it was necessary to have the police armed and ready for the Jaycee fair.

"It's a travesty to say they'll be killing

Greenstein added that the "most progressive reserve force," in Farmington Hills carried .357 magnums.

Then growing more irritated by Myers remarks, he said, "This is the first time we brought this up and you come up with the worst, most brainless statement.

"I ask you to rethink it, Mr. Myers, before it appears in the papers. A man would have to be an absolute slob to come out with such idiotic statements."

"Do I get a rebuttal?" Myers asked. senting, and trustee Brian Schwall absent.

## Culbert to run for trustee

(Continued from Page 1A) the tax base and keep residential taxes

"Our commercial zoning regulations can't be so strict that they scare off businessmen," Culbert said "I get the impression that the current administration is trying to discourage business development in Canton

We need an industrial strip similar to those created by other cities," he continued. "This would contain industry to certain areas, instead of allowing industrial development to be spread piecemeal over the township.

Culbert took issue with a recent 4-3 decision of the board of trustees to discontinue taping of township board meetings after a taping system was installed in the township meeting hall.

"ANY ELECTED official who does not want to go 'on the record' at a public meeting should not be holding elected office." Culbert said. "The recent spectacle of the supervisor calling in sheriffs to remove two trustees (who were taping the meeting) was shameful and casts a black mark on the administration.

Culbert continued, "I am worried that a political machine exists in Canton-that is. Mr. (Supervisor Robert) Greenstein and those who go along with him.

"The only way we can have true representation of the community is to have officials speak their minds and not rubber stamp the views of the imcumbent political machine, or play ball with that machine. I like to think I am an independent thinker who does what he thinks is best for the community.

Culbert also stressed the need for road improvement in the township.

A Canton resident since February, 1975, Culbert graduated from the Detroit School of Law in 1973 and received a liberal arts degree from Michigan Tech in 1968. A graduate of Livonia Bentley High School, he served two years in the U.S. Army and spent one year in South Vietnam as an in-

# Many feel courts protect law-breakers

By ELMER E. WHITE

If you figure the courts have gone too far in protecting law-breakers, you're not alone. Three-quarters of the Michigan population agrees.

And if you go a step father, believing that the courts are too lenient in their dealings with defendants, you're still with the majority of fellow Michiganians. Some 60 per cent say the same thing.

Such are the results of a scientific survey conducted at the request of the Office of Criminal Justice Programs.

Three years ago, 58 per cent felt the courts had gone too far in protecting those who violate laws, and 55 per cent said they felt the courts were too lenient.

In line with these feelings, just over onehalf of the 800 surveyed said they'd do away with the system that lets judges decide just how long a person's jail sentence

They said they'd abolish judicial discretion and put mandatory sentencing with increasing severity for multiple offenders - in its place.

Plea bargaining, a prevalent practice whereby a person agrees to a guilty plea for a crime of lesser degree than the one he's charged with, found disfavor with those surveyed. 76 per cent disapproved.

Personal ownership of handguns, casino gambling and the death penalty also were included in the myriad of questions asked of survey participants.

Sixty per cent opposed a handgun ban, there was a near even split (46 per cent for, 47 per cent against) on legalizing ca-

sino gambling, and 64 per cent said they favored use of capital punishment in specified cases

DO STUDENTS take out loans, finish their educations and then say "Forget it" - refusing to repay the money they've bor-

No sir, at least not where Michigan's Guaranteed Loan Program is concerned, reports the state department of education. Of the more than \$80 million in student loans that have matured since the program began 14 years ago, only slightly more than six-tenths of one per cent have

been officially written off as losses. "There's no question that the default rate is up - this past year it stood at around seven per cent, versus 3.5 per cent in 1970 - but when you view the program as a whole, and especially the fact that almost all defaulted loans are eventually repaid, you find very few instances in which a student was actually trying to renege on his or her commitment," says John Porter, state superintendent of public instruc-

# DNA research approved at UM

Recombinant DNA research can now proceed at University of Michigan because a committee appointed to examine the social, legal and ethical implications of this research has given it a seal of approval.

Recombinant DNA is the process of joining genes from one type of species to those of another, resulting in new genes for which no natural formation is known. Genes, which are composed of DNA (deoxyribonucleic acid), are the basic units of heredity.

Experiments like this have been used in germ warfare research and are capable of producing strains of organisms of a highly. resistant and deadly nature.

The possibility of recombinant DNA research at UM has caused some consternation among the college community. Committee B. composed of 11 UM faculty members from various fields, was established last fall for that reason, and

The committee's recently issued report recommended that the research "should,

in principle, go forward so long as it is submitted to appropriate controls." One committee member dissented on the final re-

Controls mentioned in the report included a recommendation that the research should conform to guidelines prepared by the National Institutes of Health, with an added restriction that no high risk experiments requiring strict laboratory containment be permitted without the consent of the UM Board of Regents.

The committee also restricted the use of anything for experiements except specially enfeebled organisms unlikely to exist outside the lab-unless an experiment specifically requires otherwise.

In addition to approving Committee B's report, UM regents directed that procedures be developed for constant monitoring and safety of the research, and that periodic appraisal of these review mechanisms be carried out by the university and reported at least annually to the board.

# Facts of millage need voter review

I notice that in a recent issue you took a middle-of-the-road approach to the June 14 millage issue and asked each voter to do a little thinking. I would like to offer residents some facts on which to base their decisions. While I will use Plymouth Township as the example, the rest of our area is generally affected

Last year our tax rose 12 per cent due to county equalization. We just passed the jail millage. The county has added 4.45 per cent more to our homes through equalization. On the August ballot there will be levies for police and fire departments. Schoolcraft College wants a half mill. Schools want 4.75 mills

If all millage passes, the total increase for this year could the equivalent of 10.5 mills or 20 per cent over 1975.

What are the basic facts of the school millage? The information being given us by the school administration bears questioning. Figures given in their newsletter showing increased enrollments and number of teachers hired over the last five years works out to 21 pupils per teacher? The Observer & Eccentric of May 27, quoting the school administration, states 13,595 enrolled with 940 teachers or 14.5 pupils per teacher. We need answers.

And now, let us look at the money pic ture. Contrary to what has been indicated, our SEV (tax base) has gone up and not down. Keep in mind that the loss in the published SEV figure has been replaced by the single business tax. The state reimburses us for this loss plus six per cent yearly. On top of this, we had a growth in actual SEV of \$47.5 million or 10 per cent over 1975, equalling a total of \$524 million. If we approve an additional 4.75 mills, this will add another 16 per cent for operation (current 29.01) or a grand total increase of 26 per cent over this year. A 26 per cent increase in one year is too much in my

Over the years the school administration has consistently supplied us with SEV figures which are always low in order to influence voters to approve millage. Last year they were 10 per cent low in their forecast as was proven when the actual figure was released by the county. Why do they do this? Surely the voters could be trusted to analyze factual information and use reason as a basis for their vote. Consider your priorities on all tax issues and vote accordingly.

In closing, the union negotiators are biding their time, waiting to see how big'a cut they can get from a larger pie. No doubt the schools need our sympathy on this score. They have mine. I realize that anyone opposing school millage publicly will get no plaudits

FRANK MILLINGTON. Trustee Plymouth Township

# Bad experience with modular plan

It has been brought to my attention that there could be serious flaws in the Plymouth School Board's modular scheduling program.

I recently talked to a Plymouth Canton tenth grader, Linda P, and her parents who told me the following story. Linda only has two classes: basic writing and intermediate writing. Unfortunately, basic is required for intermediate and, incredibly enough, here she is taking both classes at the same time. She is, understandably, having trouble in intermediate writing.

She started the school year also with algebra but, for some unexplained reason, her teacher dropped her from the class. Linda now has less than two hours a day actually spent in class and the rest is free time. She receives little or no counselling. She now has lost almost an entire year of education because of modular scheduling. She should have had counselling to help her schedule her classes; yet, she never received it. Linda will not be able to graduate on time

Furthermore, modular scheduling is supposed to be optional with the students. She picked the traditional program, yet was placed into modular scheduling. She has

many friends in the same situation. Also, teachers apparently never take attendance, and if they do, parents are rarely notified of their child's class-cutting.

Linda's story is shocking. I cannot see how a responsible school board can let something like this happen. There is no telling how many other students' educational programs are ruined like Linda's. I am a resident of Canton Township and pay taxes which should provide a quality education. I now have serious doubts as to whether modular scheduling is providing quality

MORE THAN 50 coffees are being held around the Plymouth Community School District to present millage facts to neighbors of millage supporters. School administrators attend each of these coffees to provide information and answer questions.

An ANSWERLINE telephone service is available each weekday evening from 5-9 p.m. at 453-0200 for citizens who have questions about the school election

The third telephone survey on school financing has just been completed. Volunteers from League of Women Voters and the American Association of University Women have called three different random samples of about 400 households each.

The results of the surveys are being used to determine what kinds of information the public wants and in what form. Indication from responses are that the millage election will be very close.

Personal contact to provide facts about the need for additional school millage is being coordinated through PASS teams. PASS stands for "People Are School Supporters." Each school has a team composed of parents and staff to reach out to residents of its attendance area.

Some of those working on these teams are listed below, although it's impossible to include everyone because of the large numbers of parents and concerned residents involved in the millage campaign. Members of the PASS teams include:

# Salem toppled by Patriots

By BILL COLLINS

Plymouth Salem's bid to defend its state championship was erased Saturday in the district semi-final game with Livonia Franklin. The Patriots rallied for three runs in the sixth inning by taking advantage of four walks and making the most of their three hits during the contest to eliminate the Rocks by a 6-5 count.

Salem led 5-3 after five innings when righthand ace Brian Wolcott was lifted from the game in favor of reliever John DenHouter. Wolcott had given up two hits and one earned run, but had walked seven

Larry Urben led off the sixth by reaching base on an infield error. With two out, DenHouter walked two batters on 10 pitches to load the bases. He went to 3-0 on Ken Scarpace before Salem Coach Brian Gilles replaced DenHouter with Wolcott who returned to complete the walk narrowing the gap to one run, at 5-4.

The decisive hit of the contest came when Jerry Pollard lined a single to rightcenter scoring two runs which eventually proved to be the winning margin

"I've gone with that combination all year long and it's worked. It wasn't Franklin's hitting that beat us. We simply made

some mistakes that they capitalized on,"

Franklin held a 2-0 lead in the second inning Salem erupted for five runs to take cammand of the battle. Salem's five-run rally saw Franklin coach Ron Hellier engage himself in an argument that saw his hasty ejection from the game by the home

After DenHouter walked, Charlie Johnson doubled to rightfield. DenHouter scored on an overthrow from the outfield and Johnson was awrded the base he was going, which was third, plus another base, which enabled him to score, tying the game at 2-2, and prompting the argument from Hellier that led to his dismissal.

The key hit of the inning was Bruce Gerish's pinch-hit single to right that brought home two runs to put Salem up 5-2. But a triple by Gordie Wheeler brought Franklin to within two and the upsurge in the sixth sent them into the finale against Redford Thurston, who defeated Garden City West 3-2. Franklin won the final 7-4 with a seven-run sixth inning

Monday, June 7, 1976

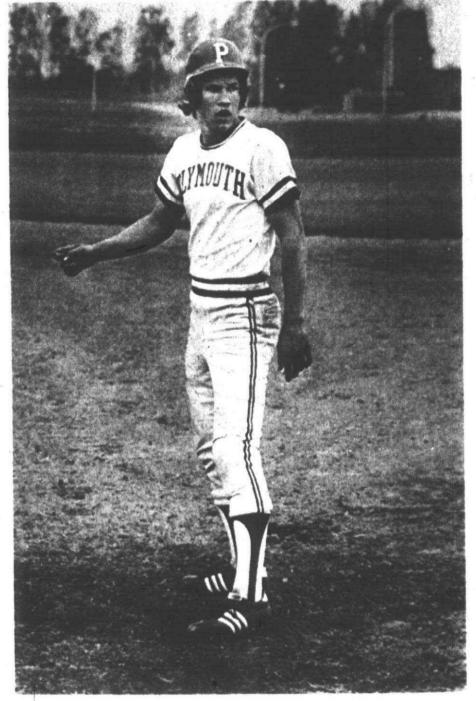

The Rocks left the bases loaded in the first and third frames and accoring to Gilles, "was a factor in the outcome."

'We knew we were going to have to hit, and hit big to beat Franklin...Our club knew what the pitching situation was and we weren't able to come through against their pitching," said Gilles.

In retrospect, Gilles shared some thoughts on the season. "It was a very good year for us, 17-5 is nothing to be ashamed of, although once you win the state you feel you should be there again when you have a team like we did this spring.'

'It was a good year for us. . . although once you win the State, you feel you should be here again when you have a team like we did this spring.'

# Canton girls grab loop title

Winning is fast becoming a tradition for Canton's girls, as they picked up three victories in their last three softball games to earn a share of the Western Six league title, and advance in pre-district action for the state crown.

Nipping Walled Lake Western 8-6 last week garnered the Chief girls a piece of first place in the Western Six, as they tied with Waterford Mott

On Wednesday the Chiefs disposed of Brighton, 6-4, to move on to more pre-

district action against Milford Saturday. Following Wednesday's victory, the Chief girls eked out a close win over John Glenn, 11-10, in a nonleague tilt. All of Canton's players got a chance to

play as the Chiefs powered Lucy Howe to her eighth win overall against one loss. With one run scored in the first inning and bases loaded, Kim Clarke belted a double, driving in two runs. Kathy Soch-

acki and Clarke ended the scoring on passed balls. In the second inning, Kathy Peck

walked, Jan Haarer singled and Laura Bulter ripped a double for two RBI's. A double did the trick again in the fourth inning when Kim Verduce smacked a twobagger to score Evie Pasek and Sochacki. In the sixth frame, the Canton girls added one more run to their totals when Sue Rekuc scored on an error

The Chiefs ended their attack in the final inning when Judy Frieman singled, scor-

Canton pitcher, Lucy Howe racked up another win to total 8-1 overall. She walked seven and gave up 12 hits.

The big play of the game came in the second inning when Chiefs' Zoladz fielded a ball tossed it to Butler at shortstop who then fired to Pasek at first to complete a . double play and finish the inning. In the predistrict game Wednesday, the Chiefs overturned Brighton 6-4, in six in-

# Basierbe leads Salem in league

By ANDY MELIN

Dearborn High School won the Suburban-8 league meet held last Wednesday, with 111 points, while Dearborn Edsel Ford was second, followed by Trenton in third, and Belleville in fourth place.

Plymouth Salem finished in seventh place with 2914 points, but had some good individual performances

Salem discus thrower, Bob Dasher and shot putter Rich Gladstone, placed third in their respective events. Dasher's throw was 135-feet-101/2, his personal best, and Gladstone threw the shot 47-feet-5, also a personal best. Rock long jumper, Bob Spisich, took

third in that event with a leap of 20-feet-

The Salem 880-yard relay team of Greg Davis, Tom Kindree, Chris Ritchey and Jerry Basierbe, finished fifth, and tied Salem's school record when they ran the distance in a blistering 1:31.6.

Salem half-milers, Bill Bournias and Jeff Mangan, ran their best 880s ever. Bournias ran a 2:03, and Mangan a 2:04. Neither Bournias or Mangan placed, be-

cause they couldn't reach the finals. Rock hurdler Mike Christie, also didn't make the finals but he did set a personal best in the 120 high's with a time of :15.8. Salem's Mike Cavell, ran a :21.7 in the 180 low's but he didn't place

Two Salem milers, Dan Lybarger and Bob Stiffler, had personal bests in the meet preliminaries breaking five minutes. Salem's 440-yard relay team took fourth place, with a time of :44.7. The team was made up of Davis, Kindree, Larry Rightler and Basierbe.

Chris Ritchey didn't place in the 440 for Salem, but did manage a respectable :52.2

The Rocks mile relay team of Spisich. Rightler, Mangan and Bournias had their best time of the year. Even though they didn't place, they ran the required distance in 3:34.8.

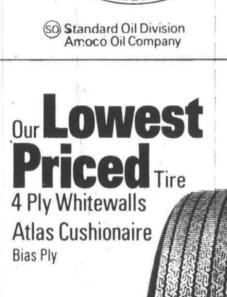

Salem's best performance of the day was turned in by the Rock's two best 220 men, Jerry Basierbe who finished third with a :22.6 clocking and Tom Kindree who finished fourth in :22.8.

The Suburban-8 league meet marks the end of Salern's track season. Coach Balconi said, "Our kids ran as hard as they could. I am very proud of the individual efforts, as well as the team effort.'

Salem is still a young team, and with athletes like Basierbe, Kindree, and Dasher returning next year, Coach Balconi feels that, "the day will come when we'll harvest the benefits of those athletes." He added, "I think it's going to be great next

# Chiefs cop 2d 'Six' league baseball crown

By BILL COLLINS

The citadel of Plymouth Canton's athletic program delivered its second consecutive baseball championship by conquering Livonia Churchill Thursday afternoon in a scoring fest that wasn't decided until Tom Close blasted a two-run homer in the sixth inning to propel the Chiefs to a 12-10 victory.

Cfose had a field day at the plate, going three for four, belting two home runs, driving in six runs and scoring three times. As far as the game winning blow was concerned. Canton mentor Fred Crissey said. "It couldn't have happened to a better player than Close. He's been pressing himself for the whole season and has been playing under a lot of stress after being pursued by so many college and pro scouts," said Crissey

Canton led 7-1 after three innings when Bill Parson and Steve Morman delivered a pair of singles that scored four runs in the early going. Morman went three or four for the afternoon, knocking in three runs and scoring three times.

Chief starter Mark Perkins was driven from the mound in the fourth inning when Churchill tallied five times on four walks and one single with the big hit of the inning coming in the form of a bases loaded double by Ron Griffen to make the score 7-

# Salem 4th in Sub 8

Livonia Bentley girls last week won the majority of the individual battles, but the gals from Redford Union emerged as team champion at the initial Suburban Eight League track and field conference meet.

The Panthers, coached by Mike Krafchak, concluded a stellar campaign by garnering 901/2 points at the league carnival. Bentley accumulated 75 points for the runner-up spot and Plymouth Salem, the other area Sub Eight team, placed fourth with

RU took only three firsts during the entire meet and two of those were won by Diane Sovinski. She threw the shot 33 feet 10 inches and established a new Hilbert track record with a toss of 101 feet eight inches in the discus.

Robin Austin sped to victory in the 100yard dash for the Panthers' only other gold-medal showing.

It was RU's ability to earn valuable points by placing in the second through fourth positions of most events which spelled 'team championship.

'We took only three firsts in the whole thing (league meet), but I'll tell you we've got depth," Krafchak said. "That's what won it for us-all kinds of seconds and thirds

Bentley, as expected, had several outstanding individual performers, but the Bulldogs did not have enough talent to catch the Panthers.

Sharon Dreyer won both the long jump and the 440-yard dash for the Bulldogs, setting a new track record with a clocking of 59.3 seconds in the latter.

Bentley's Pam Beernink broke a track standard with a 2:25 first-place effort in the 880-yard run, Jeri Reum set a new track mark with a 12:35.4 time in the twomile run and the Bulldogs' mile relay quartet set a new track record with a 4:11.4 victory in that event.

Debbie Mays tied the track record in the high jump with a leap of five feet one

Jeanne Sellman, who bested the field in the 220-yard dash, was Plymouth Salem's only individual champion. However, the Rocks' 440-yard relay foursome cracked the track record in the sprint relay with a time of 51.8 seconds.

RU, which sported an unblemished 6-0 conference dual-meet mark, reigns as league champion as a result of its overall performance at the conference meet.

# McMurray takes over 1st

The Canton Township Slow Pitch Softball League began the week with its top two teams pitted against each other. McMurray Insurance blanked Massey Cadillac 3-0 with Mark Immerfall tossing an unheard of one-hit shutout against a hardhitting Massey team.

Bob Scherel and Carl Basquez hit back-

to-back doubles after two outs in the first inning, to score the only run McMurray

In the third, Bernie Jackson belted a towering home run onto Canton Center Road to drive in Marty Bliven, who had tripled, ahead of him. The rest of the game was filled with fine defensive plays on both sides, as the seven-inning contest lasted only 45 minutes. McMurray now stands on top of the A Division as the only undefeated team. They also defeated Perlongo 12-3. In other action in the A Division, Smith Realty picked up two wins as it beat Plymouth Construction, 14-10, and Latin Quarter, 13-10. Massey squeaked by surprising Plymouth Construction 9-7, and Latin Quarter defeated winless Perlongo 9-

In B Division action, Dearborn Fabricating picked up three consecutive wins in three nights as it edged Star Furniture 8-7, walloped Meijer's 10-2, and beat winless Deer Creek 9-4. The only two undefeated teams in B Division. Clark Block and Little Caesars, squared off Wednesday night and battled to a 14-14 tie. Little Caesars went into the bottom of the seventh behind 14-8, and scored six runs with seven hits to pull even.

With two outs Jim Raimer lined a single to drive in the final two runs of the inning to tie the game. With Raimer standing on second. Gatti lined a shot right at the short stop to end the game.

Kmart picked up two wins this week beating Meijer's 11-7 and edging Strock 10-9. Little Caesars beat Star Furniture 14-8 and Good's Nursery squeaked by Deer Creek In the Women's League. Moeller re-

mained the only undefeated team as it stomped College Park 17-8 in a five-inning

contest called because of darkness. Moeller pounded out 17 hits, with first baseman Pam Nanny belting two singles, a double, and a triple to lead the attack. Meijer's walloped Mobil Lounge, 22-0, in

the other women's contest as Kris and

Karen Sarnecki teamed up to pitch the shutout

Trudy Watkins led the Meijer's 27-hit attack with two singles and two doubles. The upcoming week will see action only

three nights because of the holiday and the annual Plymouth-Canton Slow Pitch Softball Tournament which begins 6:15 p.m. Friday at three locations: Canton Fields, Canton Center and Cherry Hill; Plymouth-Canton Field, next to Canton High School; and Massey Field, on Plymouth Road across from Burroughs.

This double elimination tournament will see action between the 16 best slow pitch teams in the area and will run Friday night. all day Saturday, and wind up Sunday afternoon at Massey Field.

· Approval of Congress' eliminating the federal debt and initiating a constitutional amendment requiring a balanced budget. It passed 34-14, with one delegate arguing, "Don't clutter the constitution" with legislative matters.

· Approval of "reform of the welfare system" through a "work-incentive program designed to get cheats of the rolls and provide more assistance for those in real need." The vote was 49-2.

 Encouragement of private enterprise to develop energy sources "to enable the U.S. to become independent of foreign energy supplies." The vote was 49-1.

·Unanimous voice vote approval of a proposal to put a question on the Wayne County ballot to elect a county executive.

## Stempien asks Hays quit post

Marvin Stempien, running for Congress in the Aug. 3 Democratic primary in the 2d District, has called for U.S. Rep. Wayne Hays (D-Ohio) to resign his chairmanship of the house committee on administration.

Stempien wrote to House Speaker Carl Albert and urged that House Democratic leaders approve a resolution calling for the resignation of Hays from the chairman-

The candidate, a Livonia lawyer, discussed the controversial Hays who has admitted hiring a woman as a committee secretary for \$14,000, with whom he had sexual relations.

The congressman is under investigation by the U.S. Justice Department for alleged illegal use of federal funds.

Stempien discussed the Hays issue recently while answering questions from senior citizens in a Monroe center for the el-Stempien said that the integrity of the

committee and the confidence of the public in its government is at stake. "Whether he is eventually found guilty

or innocent of a crime. Hays should imme-

diately step down from his position of trust regarding the expenditure of public funds," he said. Until the Justice Department and house ethics committee completes its investigation of the Hays controversy, "the

seriousness of the charges casts grave

doubts in the minds of average citizens about the basic honesty of the committee operation under Hays," Stempien said. The candidate told the seniors that he has said many times in the campaign that "citizens have been rightly demanding

openness, honesty and a return to morality to their public officials. Hays would "do much to encourage those principles in the public view by step-

ping down until the charges against him are cleared," Stempien said.

### Same-day surgery. It saves you time and money.

For certain conditions, some patients can now check into a hospital, have surgery and return home the same day.

The schedule might go something like this: 11 o'clock, operating room; 12 o'clock, recovery room; 6 o'clock, home once more.

Same-day surgery performed in a hospital or a doctor's office is a benefit available under your Blue Cross and Blue Shield of Michigan contract. Other cost-saving benefits

include home care for certain hospital patients. Your appropriate use of emergency care benefits contributes important savings, too.

Inflation and other factors are increasing health-care costs at an alarming rate. If we are to maintain the high standard of care all of us want and expect, all of us-not just doctors and hospitals but all of us who use these services-must help save in every way we can. Ask your doctor how you can help.

THE END, or literally the tail end, of Plymouth's Fourth of July parades for the past five years has been marked by a pair of elephants—an adult followed by a baby pachyderm.

This may be the end of the elephant era unless Fred Hill can find a pair. His former source. King Animals, cannot supply

"I don't know where to get them," said Fred. "I called the Detroit Zoo and all I can get is a recording. If anyone has any ideas. I'd appreciate it.

Fred can be reached at John Smith of Plymouth. Anyone who can come up with a pair of elephants within the next couple of weeks will rate a big vote of thanks from Hill and the thousands of area youngsters who may not believe the parade is over until they see the sign on the back end of the baby elephant

"Under the Yum Yum Tree," a two-act comedy that was a hit on Broadway and a successful movie, is the final production of the Plymouth Theatre Guild's 1975-76 sea-

The play opens June 11 in the Plymouth Cultural Center for a three-day run. Curtain time will be 8 p.m. June 11 and 12. and 2 p.m. for the matinee on June 13. As usual, the audience will be seated cabaret fashion at tables and refreshments will be available between acts.

Written by Lawrence Roman and first produced on Broadway in 1960, the play still has a smooth sophistication. The original cast included Gig Young and Dean Jones. The action takes place in the San Francisco apartment of Robin Austin. The 19-year-old college student has some interesting thoughts on what to do with her newly acquired freedom.

ROBIN IS PLAYED by Susan Taranowsky of Westland, a member of the Westland Civic Players. Livonia-Redford Theater Guild, and PTG.

No stranger to area theatrical productions, she appeared in "Arsenic and Old Lace," "Death of a Salesman," and "Man with a Load of Mischief." She was selected Miss Westland Spring Festival earlier this year and is a professional Hawaiian and Tahitian dancer. She is a student at Schoolcraft Community College. majoring in speech and dramatics.

Fred Brown, a three-year member of the guild, is the milkman. Brown lives in Plymouth Township and although he prefers backstage work, he appeared in "Barefoot in the Park" last season. Terry Sumpter of Livonia is the girl. She also had a role in "Portrait in Black."

Clemie Clyburt, upcoming president of the guild, is producer. She directed "Seven Nuns in Las Vegas" and, during her 10year membership, has performed in several plays. She lives in Canton Township with her husband Lou and three children. She also finds time to be a foster parent.

PAT BRAY of Northville is director. She was assistant director of "Portrait in Black" and appeared in "All My Sons" and "Barefoot in the Park." A graduate of Livonia Stevenson High School, she performed in many school plays.

Patricia Troth, a member of the board of directors of PTG and in charge of publicity, is assistant director. She lives in Plymouth and teaches in the Inkster School District. She had a role in "All My Sons" and has been on a number of backstage committees

# Penal system is debated

The question of whether the penal system should be improved in the U.S. was the subject of debate at a recent discussion tournament at Plymouth Canton

The Plymouth Salem and Plymouth Canton forensic students debated the question: "What programs should be adopted to improve the penal system in the U.S.?" Purpose of the tourney was to rate students' discussion skills. Those receiving excellent and superior ratings qualified to advance to the student congress next September. Earning excellent ratings were Rochelle Collins of Plymouth Canton, Chris Voytas, Jeff Ivey and Chuck Lowe of Plymouth

Canton students earning superior ratings were Dan Harsh, Lisa Lambert, Sinda Nichols, Harry Bott, Dan Kafila, Janet Mills, and Dave Horn. Salem students earning superior ratings were Steve Thoburn, Rick Mosteller, Mary Ploughman, Sue Smith and John Moote.

# Plymouth Newcomers install officers

A Friday luncheon in the Mayflower Meeting House marked the end of the season for the Plymouth Newcomers Club. New officers and group chairpersons were installed as their predecessors presented each a long-stemmed red rose.

Outgoing president Carolyn Anulwicz turned over her gavel to Kathi Toole. Melanie Murphy is new vice-president, Kathy Piasta is corresponding secretary, Sharon Neville is recording secretary, and Dee Matson is treasurer.

Heading committees will be: Sandi Page, couples social; Janice Grant, membership; Kim Lee, nursery; Anne De-Roche, publicity; Carol Wilson and Eleanor Shevlin, programs; and Sally Burns. Activities over the year included monthly luncheons with special speakers, a fashion show, and hair and makeup styling.

The couples group enjoyed a football outing at the university of Michigan, a night at Northville Downs, a '50s party and a treasure bunt

Special groups were organized to attract members interested in bowling, tennis, antiques, needlecrafts, holiday crafts, gourmet foods, ceramics, card playing, and

Club members put on a party for patients at the Plymouth Center for Human Development and assisted the Area Bicentennial Commission in moving school displays into the museum.

#### PERMANENT WEIGHT LOSS THROUGH BEHAVIOR MODIFICATION

Behavior Modification is now widely accepted by professionals and by the popular press as being the *only* professional program to achieve

The Weight Control National program is the non-diet approach which addresses the psychology of why people overeat, Clients learn directly and concretely to counteract the emotional, social, and physical situations which cause excess eating. As one actually acquires the eating patterns of a normal weight individual, it becomes natural and automatic to maintain a chosen weight. Free Introductory

### Robert Bake-Realtor

A gracefully designed Colonial in Plymouth's "BEA-CON HILL" off N. Territorial, effectively captures the spirit and charm of the past. Ideally located and in perfect condition, it provides 4 bedrooms, 21/2 baths, a large formal dining room, family room with fireplace. 1st floor laundry, full basement, and 31/2 car side entrance garage. THE MASTER BEDROOM CON-TAINS ITS OWN HANDSOME FIREPLACE. Central Air and an easily assumable mortgage enhances this fine offering. \$89,900. 453-8200

PLYMOUTH'S "HOUGH PARK" identifies that popular in-town location characterized by beautiful settings and individualized homes. And, this example boasts 4 bedrooms, 21/2 baths, formal dining, 2 fireplaces, family room with cathedral ceiling, 19x14 Garden Room overlooking the rear yard, and attached heated garage. Central Air and an inground heated pool are comforting extras for the summer days ahead. \$89,900. 453-8200

The Classical formality or this two story Plymouth home with its imposing columns is, indeed, a grand home capable of responding to all the demands of an active family. An estate sized setting with circular drive and mature landscaping. 4 bedrooms, 21/2 baths, formal dining room, large foyer with circular stairway, a study, family room with fireplace, 1st floor laundry, finished basement, and side entrance 23/4 car garage. CEN-TRAL AIR plus countless other extras. Asking \$97,500. 453-8200

PLYMOUTH'S "WOODBROOK" is another exceptional location of fine homes. A richly appointed interior complimented by an unusually developed yard that is landscaped to perfection. 3 bedrooms, 21/2 baths, formal dining room, a study, family room with fireplace, 1st floor laundry, full basement, and attached 21/2 car garage. Central Air, a 11 zone underground sprinkler system, a children's playhouse, and other extras contribute heavily to this superb offering. \$79,900. 453-8200

MERCURY LINCOLN

The CitiCar is coming-at under \$3,000. The non-polluting electric car can go 40-50 miles on a charge, and has a top speed of 35 m.p.h.

# Plug it and leave it

If you want to hum to work, roll into Tamaroff Buick-Opel and look over the CitiCar.

The electric CitiCar should be delivered to the Southfield dealership before July 15.

The CitiCar base price is \$2,988, but options such as a rally stripes; tinted glass and cigar lighter are available.

Spark plugs, water pumps, pistons and transmissions are not available. The car doesn't have any.

THE CITICAR, a two-passenger, multi-purpose vehicle, is a non-polluting electric car that has a top speed of 38 miles per hour and has a maximum range of 40-50 miles per charge (100 miles per day with intermittent charging). It can be plugged into any standard 110-volt household outlet for an overnight recharge, and in the morning be ready to perform a day's work.

It is being promoted as a second car for the tamily and for hundreds of other uses within towns, cities and metropolitan areas.

The battery powered car is independent of the available supply of gasoline. The car has 12 cubic feet of storage space behind the seats.

The CitiCar came onto the market in 1974. Since then. 2,000 CitiCars have been mass-produced at the Florida factory. It has full doors, sliding side windows, and improved door hardware. The 'thrumotor heater defroster system allows operation in Michigan cold.

A TOUGH, impact-resistant plastic material is used for the body of the CitiCar. The CitiCar is essentially rustproof and corrosion-resistant. With a rectangular aluminum chassis and tubular aluminum body support, it weighs in at 1,300 pounds. These features, together with steel beams, rugged

880 Pontiac

urethane bumpers, make the CitiCar one of the safest small cars.

Visibility has been considered in choosing the red, vellow, orange, blue, green and white bodies being offered by Sebring-Vanguard, Inc. Other safety features include four-wheel drum brakes, seat belts, headrests, low center of gravity, wide track, and a parking brake interlock system. CitiCars have covered more than five million

miles with no fatal accident. The 94"x55" vehicle has a turning circle of 22 feet. Acceleration from 9-20 in five seconds enables quick starts when necessary

THE CITICAR will go about 3.5 miles on 1 KWH of electricity. Translated into fuel consumption at the power plant where the electricity is generated, the CitiCar gets 296 miles on one gallon of crude oil (and an assortment of coal, hydroelectric and nuclear power), weighted nationally.

CitiCar is primarily intended as a commuter and errand-running car for families wishing to save money on gas, oil, and automobile maintenance. CitiCar is easy to drive and park and the cost of battery recharging is one cent per mile. CitiCar is one of the better buys in the car market today, and in these days of rising costs of gasoline and auto repairs, Sebring-Vanguard believes CitiCar is "a better way to go" for a good part of American driving.

National Sales Offices for the distribution of the CitiCar have been established at Sebring Industrial Park, Sebring, Florida, Robert L. Balfour, Director of Marketing, and his staff are handling sales on a nationwide scale. The National Service and Parts Departments stock dealer inventories and conduct service schools to train servicemen around the country.
