The Canton Connection

STAINED GLASS is the topic of a discussion slated for 7 p.m. Thursday at the Canton Public Library meeting room in township hall, 1150 S. Canton Center Road. Mary Czarnowski, a member of the Michigan Glass Guild and the Stained Glass Association of America, will be the guest speaker. Czarnowski teaches advanced classes in the art. Call 397-0999 to register for Thursday's session.

A COMPUTER day camp for fourth through ninth-grade students is accepting registrants. Designed for beginning computer students who have little background in computers, the camp costs \$55 per student. The three one-week sessions, slated for June 27-July 1, Aug. 8-12 and Aug. 15-19, will be held at the Canton High School computer labs. Apple II computers will be used. For more information, call 455-1515.

SENIORS CAN enjoy food, fellowship and fun every Monday through Friday at the recreation center, 44237 Michigan Avenue in Canton. Donations of 75 cents are accepted but not mandatory for hot meals. For spouses or guests under 60 years old, the cost is \$2.50. Make reservations one day in advance for lunches, which are served at noon Monday through Thursday and at 11:30 a.m. on Friday. Home delivery service also is available.

For more information, call 397-1000, ext. 278.

IS TRANSPORTATION a problem for you? Nankin Transit will pick you up and take you home. Call 729-2710 from 8 a.m. to 3:30 p.m. two days in advance for a reservation. Seniors attending the Food, Fellowship and Fun lunch program can ride to the recreation center and bring a guest to take advantage of Nankin's two-for-one price.

ARTFEST '83 arrives Saturday at Kellogg Park in downtown Plymouth, featuring everything from chorus and drama to watercolors. Students from both public and parochial schools in the Plymouth-Canton area will be selling popcorn, cookies and culinary items, as well as contributing art works. Free to the public, the event is funded by parent-teacher organizations, clubs and individuals. The display of student art work and talent is designed to be enjoyed by all.

TONI of Canton is purring non-stop these days. Chosen from thousands of U.S. and Canadian entries, Toni captured regional honors in the 18th Annual All-American Glamour Kitty Contest.

Her owner, Stacey Michrina of Canton, entered the gray and white, glamorous beauty in the only international cat contest honoring a marvelous mouser, a terrific tabby and playful pussycat.

Toni and 99 other regional winners will compete for the 18 semi-finalist positions in hopes of reaching the finals in Sheraton Bal Harbour, Fla. In the quest for the Glamour Kitty title, entrants will compete in a kitty olympics and a poolside fashion show.

FREE HEALTH screening by the Peoples Community Hospital Authority is available Wednesday at Canton residents aged 60 or older at McNamara Towers No. 2, 19300 Purlingbrooke, Livonia. Vision, hearing, glaucoma, blood pressure, respiration and TB testing will be offered, as well as urinalysis, breast and blood chemistry exams. Information and counseling also will be provided.

Appointments are necessary and can be made by calling 722-3308.

ANYONE interested in submitting information about Canton Township for "Canton Connection" should send items to Canton editor Marybeth Dillon Ward, 461 S. Main, Plymouth 48170. We ask that you type or print the information and include your name and phone number in case we have any questions. Column items should be received at least 10 days prior to publication. The column runs each Monday.

Former resident stabbed

By Arlene Funke
staff writer

Ypsilanti police are investigating the stabbing death of a 26-year-old former Canton woman who attended Eastern Michigan University.

The body of Laura Jean McBride, 26, formerly of Mott Road, was found Tuesday afternoon in a wooded area west of LeForge Road near the Huron River in Ypsilanti. She was a sophomore majoring in dietetics at Eastern.

Fishermen found McBride's body near a pathway frequently used by students taking shortcuts from three apartment complexes to LeForge Road. The victim had moved in with her sister, who lives in one of the units, about four months ago, said Ypsilanti police Deputy Chief Dan Heliker.

McBride was last seen when she left for an 8 a.m. class Monday, Heliker said. The sister reported her missing Tuesday morning.

ACCORDING TO the Washtenaw County Medical Examiner's Office, McBride bled to death from multiple stab wounds. A knife found in the area was sent to the Michigan State Police crime lab in Northville for examination, Heliker said.

McBride had transferred to Eastern in the fall of 1982, said Andy Chapell, an Eastern spokesman. According to reports, McBride was an Air Force veteran.

Her student file includes college credits from a branch of the University of Maryland in West Germany. She also had attended Spokane Falls Community College in Washington state.

Bill Bresler/staff photographer

A polished, Polish performance in store

Those attending the Canton Country Festival are in for a sample of colorful, fast-paced Polish culture Saturday, June 18. Among the Centennial Dancers of Plymouth who'll be performing are (clockwise from lower left) Keith Gniwew, 6, from Hulsing School; Wendi Roberts, 11, from Livonia's Garfield

School; Roger Ygeal, 18, from Churchill High School; Bonnie Stanislawski, 16, from Ladywood High School; Dana Blaharski, 11, from St. Michael's in Livonia, and James Buda, 10, from Our Lady of Good Counsel. Decorative costumes worn by the 18-member group are the transported Pole's reminder of the blue

of the Baltic Sea, the wildflowers of the Polish woods, and the plaids of Poland's Kurpie hunting region. Canes carried by the performers in dance will bring back memories of wise, aged men who use the "ciugas" while walking in Poland's mountainous region.

On cocaine possession charge

'Delivery man' brings surprise arrest

A 32-year-old Canton man got a surprise last week, when he answered the door to accept a package from a "delivery man."

The "delivery man" turned out to be a Canton police officer dressed as a parcel carrier. The package, from California, contained seven grams of cocaine hidden in a hollowed-out book, police said.

They said they believe Kevin Cole of Brookpark was expecting the package and knew its contents. He was arraigned last Wednesday on a charge of knowingly or intentionally possessing cocaine.

Judge James Garber of the 35th District Court entered a not guilty plea in Cole's behalf. Cole was released after posting \$400 (10 percent of \$4,000 bond). Preliminary examination in district court will be June 6.

CANTON POLICE entered the case last week after being contacted by police in Irvine, Calif., near Los Angeles. Apparently a package addressed to Cole was opened by a California delivery firm because of problems with the address, said Canton police Lt. Larry Stewart.

Inside the package was a hollowed-out book containing a plastic bag with seven grams of a powder later tested and determined to be cocaine.

Value of the cocaine is \$700-\$1,050, Stewart said. Canton police — aided by Irvine police and the delivery company — decided to follow through and deliver the package.

A Canton officer, dressed in a delivery uniform, took the package to Cole, who said he was expecting the shipment, Stewart said. Other officers waited nearby with a search warrant.

Police arrested Cole and seized some drug paraphernalia from his apartment, according to Stewart.

Possession of cocaine is a felony which carries a maximum penalty of four years in prison upon conviction.

Cops give safety warning to youthful moped drivers

Along with dandelions, spring weather brings worries about the dangers of mopeds — small, motorized bikes with movable pedals.

Police will enforce regulations to reduce the possibility of someone becoming injured or killed, Canton Police Chief Jerry Cox said.

Last year, the police department issued tickets and confiscated several mopeds which were improperly used or licensed. The same policies will be followed this year, Cox said.

MANY MOPED drivers are under-aged youths who drive illegally, tie up traffic on roadways, and endanger themselves and motorists, Cox said. The slow-moving mopeds are "treacherous" and hard to see, he added.

"We're going to vigilantly enforce the law," Cox said. "They (mopeds) don't belong on the highway."

Township trustee Steve Larson was shaken last week as he recalled a recent near-miss. He said he almost hit two youths on a moped during evening hours at Sheldon and Warren roads.

Larson estimated the riders' ages at 10 or 12.

"He shot across Warren Road with no lights on," Larson said. "I think it's time and appropriate that we have to crack down. When I think how close I came to killing those two kids, it's scary."

MANY PEOPLE confuse a moped with a motorcycle, police said. Some drivers are unaware of laws regulating mopeds. Others ignore the law, police said.

According to some guidelines drawn up by Cox, a moped has two or three wheels, with operable pedals and a motor of less than 50 cubic centimeters. Top speed is 25 miles per hour.

A moped's pedal system incorporates less than 1.5 brake horsepower. Bikes without pedals which exceed 25 mph are considered motorcycles under the law, as are mini-bikes and motor scooters.

Guidelines are stricter for motorcycles than for mopeds. According to the Michigan Motor Vehicle Code:

- Minimum age to operate a moped is 15, with a special moped license from a Secretary of State's office.

Bicyclist hit by school bus

A 29-year-old Westland man suffered minor injuries Thursday afternoon when his bike collided with a school bus.

Brian Allport, 34630 Bayview, was treated and released from Oakwood Hospital Canton Center, according to a hospital spokeswoman.

Allport was riding a bike eastbound on Joy Road, east of I-275, according to Plymouth police reports. He was riding

on the north side of the road facing traffic when he collided with a bus turning into the Feigel Elementary School parking lot.

According to a witness, Allport tried to beat the bus across the driveway but failed, hitting the side of the bus.

No one in the bus, driven by Darlene Johnson of Plymouth, was injured, police said. No tickets were issued.

Cantonite is charged in sex case

A 37-year-old Canton man will stand trial on a charge that he fondled a 7-year-old neighbor boy during a recent camping trip near Chelsea.

Gary Coleman of Longfellow is scheduled to be arraigned today in Washtenaw County Circuit Court on a charge of criminal sexual conduct in the second degree.

Coleman earlier had waived preliminary examination in a district court in Chelsea, and was bound over for trial, said Washtenaw County Sheriff Detective Paul Wade. Coleman is free on \$50,000 bond.

ACCORDING TO Wade, the alleged assaults took place in April at the Bruin Lake Campgrounds near Chelsea. Filing a complaint were the parents of a 7-year-old Canton boy who lives near Coleman, Wade said.

Coleman also is suspected of fondling other neighborhood children during similar camping trips during 1981 and 1982, Wade said. During the investigation, several other parents also filed complaints, Wade said.

Criminal sexual conduct in the second degree is a felony punishable by 15 years in prison upon conviction.

GM's Roger Smith: New jobs are few at biggest of Big 3

By Suzie Rollins Singer
staff writer

'We've already got 100,000 plus people on layoff that have retire rights before we can bring any others on. We retire about 20,000 blue collar employees a year, but it will be a long time before we start hiring new people.'

'Sure, we're looking for people with more advanced degrees in technical training and personnel, but we need people who can write. We still need lit school people with a social consciousness.'

An engineering degree isn't the only tool college graduates need to pry open the employment door at General Motors.

"Sure, we're looking for people with more advanced degrees in technical training and personnel, but we need people who can write. We still need lit school people with a social consciousness," GM Chairman Roger Smith said in an interview with the Observer & Eccentric recently.

Smith said GM is recruiting about 1,000 college students a year from "key" institutions.

"Sixty-five percent are people with degrees in high-tech areas and about 10 percent have advanced degrees," he said, adding that in "normal" business times, between 3,000 and 4,000 persons are recruited annually.

Smith, 57, who joined GM in 1949, earned bachelor's and master's of business administration degrees at the University of Michigan. He said he likes to use young executives as recruiters.

"They can really relate to the students much better," he added.

GM's 1982 annual report reveals that there are 657,000 employees at the automaker, compared to 741,000 in 1981. In white collar jobs, 12 percent are minorities, and 17 percent are women. Of the corporation's board members two are women.

"We're finding a lot more women available with the skills needed for the jobs today," he said.

Hourly workers earn an average of \$21.50 per hour including benefits.

BLUE COLLAR jobs will be much harder to get than white collar ones, Smith said.

"We've already got 100,000-plus people on layoff that have retire rights before we can bring any others on. We retire about 20,000 blue collar employees a year, but it will be a long time

before we start hiring new people," he added.

Quality of Work Life programs are gaining popularity and acceptance at many GM plants, including the Livonia Cadillac division, where it recently debuted.

In the program, line workers are required to keep quality control statistics and meet with managers to implement improvements. In addition, if a line worker learns to operate various machines, his hourly salary rate is increased simultaneously with his knowledge.

"When the program got under way, management applications were screened by union leaders to make sure the applicant could work easily with assembly line workers."

"There is no executive dining room there, and there is no one set way of doing things," Smith said.

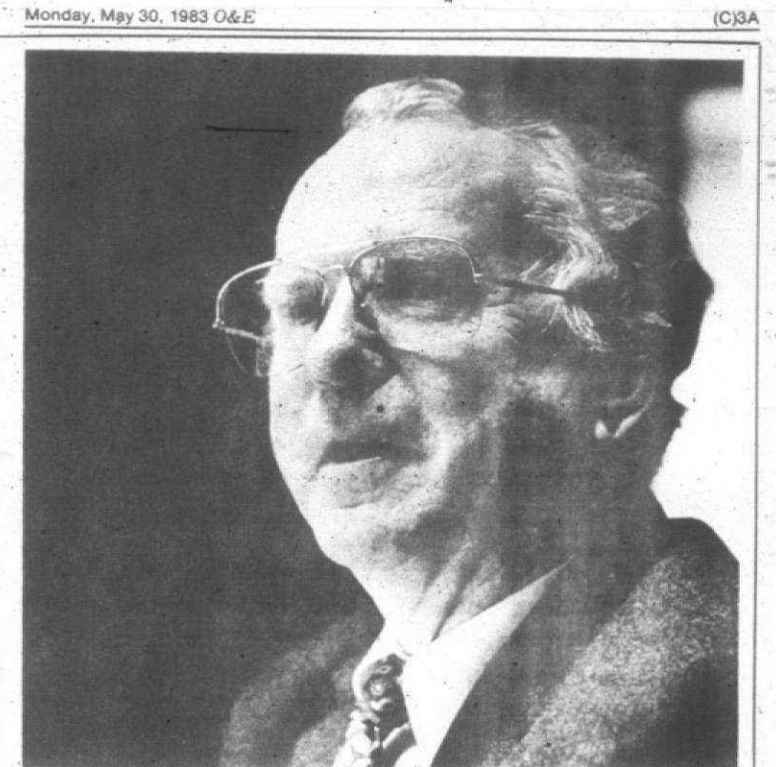

"We've had some problems because we got the people ready, and the management wasn't. But we sent them all to Black Lake to discuss the situation, and it seems to be working. Some say they feel like a part of a team, and there's a real spirit about the jobs," he added.

Prior to the program, GM didn't have a system of accepting employee input about its products, and he said the company is learning quite a lot from the people who put the cars together.

Smith, of Bloomfield Hills, said GM is doing all it can to stay in Michigan, but if workers' compensation and unemployment benefits payments don't decrease, the automaker will be unable to keep pace with the competition.

"If our competitors are going to Indiana where they pay \$340 per man for unemployment benefits, and we pay \$110 per man, then we have to worry about that," Smith said.

"We're trying to stay in Michigan, but we can't stay where we can't compete," he added.

'If our competitors are going to Indiana where they pay \$340 per man for unemployment benefits and we pay \$1,100 per man, then we have to worry about that.'

'We're trying to stay in Michigan, but we can't stay where we can't compete.'

County offering 1,500 summer jobs

More than 1,500 youth will be provided with a summer job this year through the Wayne County Employment and Training Administration (ETA), county officials said.

The Summer Youth Employment Program (SYEP) will begin Monday, June 20, and end Friday, Aug. 12. The program will place in-school and out-of-school youth who are between the ages of 16 and 21 into service jobs through Wayne County communities.

Youth will receive \$3.35 per hour (\$5 per hour for supervisory positions) for an average of 28 hours a week working as aides to a variety of occupational areas.

To qualify, you must be a 30-day resident of Wayne County (excluding the cities of Detroit, Dearborn, Livonia, and Downriver communities which each sponsor their own program), unemployed at least seven days or underemployed, and be able to meet other requirements set forth by the Comprehensive Employment and Training Act (CETA), to be replaced by the Job Training Partnership Act of 1982.

In addition, youth who are in school and have not participated in more than two Project Score/SYEP programs will receive priority for jobs. This stipulation will not affect youth between the ages of 18 and 21 and out of high school.

Wayne County ETA's programs authorized by Wayne County government are being federally funded at approximately \$1.5 million. The program agent that will be responsible for subcontracting eight separate programs including the county executive parks rehabilitation program is the Wayne County Intermediate Schools District.

The purpose of the Summer Youth Employment Program is primarily to help youth receive work experience that they can list on future resumes, that will in turn help them develop good work habits and attitudes enabling them to become qualified and dependable employees once they have entered permanent employment.

To apply, in-school youth should check for SYEP notification posted at their local high schools or seek assistance from their high school guidance counselors. Out-of-school youth should contact Wayne County ETA at 224-1317 to make an appointment. Youth 18-21 interested in working in parks and road projects in conjunction with the County Executive's program (approximately 200 positions) should call Jay Parker at 224-7240 for further information.

Unholy act in church

COME RIGHT IN: A Kingsbridge homeowner got a crash course in crime prevention — the hard way.

According to a May 20 police report, the resident went to bed, leaving an automatic garage door opener and wallet in his unlocked car in the driveway. A burglar stole the wallet and used the opener to gain entrance to the garage and into the unlocked house.

The homeowner, who woke up when his dog started barking, reported the theft of a purse, wallet, calculator, garage door opener and around \$325 in cash. The empty wallet was found on Royal Court, according to the report.

BUSY BURGLAR: A burglar also was very busy in the Royal Court vicinity May 20, according to reports.

One Royal Court resident discovered her door was open. When she looked outside, she saw someone's purse in her yard. Inside the purse were wallets reported stolen from Kingsbridge and from a Royal Court neighbor.

According to the report, the burglar pried open the Kingsbridge neighbor's door, took the car keys and stole the homeowner's 1983 Dodge. The car was found in the trail.

TREES DISAPPEAR: A North Drive resident reported the theft of some dwarf pines and spruces valued at \$300 May 22. According to the police report, the trees — described as a "rare species" — were planted in some stone-ware pots.

The victim told police a car stopped and two men ran toward him. When he tried to run away, they kicked and hit him several times until several witnesses arrived. The assailant is described as about 5-9, 160 pounds, with tattoos on both arms. He was riding in a yellow car.

SLASH AND STEAL: Someone slashed the top of a 1968 Chevrolet convertible and stole a cassette player, speakers and camera equipment inside the car.

A Mot Road resident reported the theft May 19. Total value of the stolen items was about \$1,000, according to the report.

UNHOLY ACT: Someone broke into the Grace Baptist Church

MISSING REAR TEETH

If all of the rear teeth in one side of your jaw are missing you may opt for a partial denture instead of a span of empty gum. Your dentist will have to rely on your front teeth for support in making such a partial denture. He'll also have to make maximum use of your gums and supporting bone to give the denture stability.

Even though this kind of partial denture is not as stable as the kind that hooks onto or is permanently affixed to supporting teeth on both sides of a tooth void, it is certainly preferable to the alternative of full dentures. The remaining natural teeth can continue to provide strength in chewing food and help maintain the shape of the face.

Without the help of supporting teeth in the rear to hold this type of partial denture in place, there is more pressure on gums and ridges. A certain means the partial denture will have to be adjusted from time to time. This will probably include relying on compensate for changes in your gums to make it fit securely. But, it is certainly better for your health, your appearance, and eating to have teeth rather than uncovered gums.

Hey Livonia!

5¢ and 150 calories!

GRAND OPENING
The Livonia Slimmery is back under New Management at Wonderland Center, and so is the 5¢ ICE CREAM.

Now through June 5th enjoy a delicious treat for only 5¢ and only 150 calories.

Come celebrate our opening and meet "THE CHEF" Manfred P. Zettl, C.E.C. Master Chef THURSDAY, JUNE 2nd.

Wayne-Westland School District

District to buy propane tank

The Wayne-Westland Board of Education has approved a \$38,303 bid for installation of a 18,000-gallon propane tank to serve the 11 additional buses which will be powered by propane gas by September.

At present, 20 of the district's buses are on propane and are served by a 1,000-gallon tank on the site. This tank won't be able to serve the additional

Board borrows \$8 million

Wayne-Westland Board of Education has approved a resolution authorizing tax anticipation notes for \$8 million. John Baray, assistant superintendent for business and finance, said the district will now seek bids on the notes.

Sealed bids are expected to be brought before the board June 14, he said.

The district has previously issued notes in anticipation of operating taxes for the fiscal year ending June 30, 1984. These notes total \$5 million and are due April 1, 1984.

Voting on the \$8 million tax anticipation notes took place at the May 23 regular meeting. Board Trustee David Moranty was absent. In casting his vote, Board Secretary Mathew McCusker said he was doing so "with the hope that this is the last time we have to borrow \$13 million."

Public Act 202 of 1943 authorizes the borrowing of money in anticipation of the collection of unpaid operating taxes for the current fiscal year to meet operating expenses. The amount cannot exceed 50 percent of the operating tax levy for the preceding fiscal year.

The amount included for operating expenses in the school district's tax budget for the current fiscal year ending June 30, 1983 is \$29.2 million.

Tylenol pulled from Westland store

discovered later that day at her home, the woman said.

WESTLAND police said the U.S. Food and Drug Administration (FDA) was to pick up the bottle and its contents for testing Tuesday. In the meantime, the item has been pulled off the shelf at the Danny's store in Westland.

"We're waiting to hear from the Westland Police Department and/or the McNeil Corp., which manufactures the item," a controller for Danny's said Tuesday.

The bottle wasn't one of the new tamper-proof containers from Tylenol, according to police. Manufacturers of over-the-counter drugs switched to tamper-proof packaging after a string of deaths occurred in the Chicago area. The deaths occurred after Extra-Strength Tylenol tainted with cyanide was ingested.

Police couldn't estimate when results would be available from the FDA.

"A lot of it depends upon what it is that they have to do to it," Westland Police Sgt. Larry Squier said. "The long and the short of it is, they of course know what is in Tylenol, but they don't know what else they are looking for, assuming that there is something."

"I am assured by the McNeil laboratories that it's a very, very small possibility that this was tampered with," LIVONIA resident Cheryl Druc said she bought the tablets from Danny's at about noon on Sunday. The Tylenol bottle was in a "completely sealed" box at the store, she said.

"There was no problem with the box whatever," Druc said. "I opened up the box at home and put the container in the medicine cabinet."

MENTAL ILLNESS MYTHS Myth #5
The Mentally Ill Rarely Recover

Recovery from many illnesses—physical and mental—is very possible.

The outlook for recovery from mental illness is improving every day. Nearly two-thirds of all mental health patients show significant signs of recovery; of these, half will never need treatment again.

Flower Festival

There will be something for everyone at the third annual Garden City Flower and Garden Festival this weekend.

Besides runners, the festival planners are looking for flea market sellers.

Hours for the festival are 9 a.m. to 5 p.m. on Saturday, and 10 a.m. to 4 p.m. on Sunday.

The flea market, which also includes a one-mile walk for handicapped persons, will be held at 8:30 a.m. directly behind Garden City City Hall, 6000 Middlebelt, with participants to be on hand at 8 a.m. to get their packets of information and free literature.

THE CHAMBER initiated the festival in 1981 to encourage shoppers in Garden City and neighboring communities to see the renovated downtown business sections. In the past two years, merchants and Garden City have cooperated on renovating the area north of Ford.

The arts and crafts exhibits will be available during festival hours for the three days.

Whipping up a storm is a Hair Hut beauty salon employee who took part in last year's combination disco dance-festival show, part of the free entertainment planned for the three days.

Arts and crafts exhibitors will be showing off their goods during three-day Garden City Flower and Garden Festival, to open Friday and run through Sunday at Garden Plaza, north of Ford and Middlebelt. The festival will also be a flea market across the street on Saturday and Sunday.

The Garden City Osteopathic Hospital officials and the hospital guild will be in the parade along with the Garden City Hospice Support.

Red Cross float and there will be more floats by the Knights of Columbus 4513 color guard and Squares.

The Navy will also have a float and more floats will be provided by the Garden City Jaycees.

Members of the Alhambra as well as the Garden City Athletic Booster Club will be participating. And then there will be a 1932 Chevrolet with Daryl DeLano and Bob Duprey.

American Legion Post 1271, provided by City Parent-Teacher-Student Association will be on hand as well as the van from McDonalds of Garden City.

The Parks and Recreation Department will be represented by its dancers and National Recreation Month display.

A float will be provided by the Early Engine Club, there will be marchers from Masonic Lodge 587, more music by the Riverside High School Marching band and a group from the Garden City Christian Center Church.

will be seen next with members of the Garden City Civic Theatre following them.

There will be a float presented by the Garden City Cub Scout Troop 808 as well as a Knights of Columbus 4th Degree color guard.

There will be a number of open cars containing city council members, District Judge Richard Hammer, state representative William W. Miller, state senator Keith Wayne County Executive William Lucas, Commissioner Kay Beard, Wayne County Sheriff Robert Fricano, and Sharon Sarris, Schoolcraft College board trustee.

Other floats in the parade will be the Leona of Lions, a float of the Garden City Police Department and the Garden City Fire Department.

The Keystone Cops will be there with their old time vehicles and a motor corps on Hondas will also participate.

THE LANCERS in little cars will be followed by an Oriental band and then a group of 20-30 bagpipers, the Highlanders are scheduled for the parade along with a horse troop. There

opinion

oral quarrel

Today's Oral Quarrel question is: 'How do you feel about the quality of police, fire and ambulance services in your community?' Following are responses of our readers: Plymouth Township. Once again I would like to state that I am very well satisfied with both the police and fire protection in the township and the city in which I live. However, once again King Maurice Breen in his wisdom decided he can do it cheaper than anybody else can do it. What we should be doing instead of trying to form our own department is to get away from this.

Namely to reform regional fire and police departments that would include not only the Plymouth area but taking in the Northville and Canton area. I think it has been proved many times in other areas that if you form a consolidated department that you would save on costs and in the process you would also develop better service. Plymouth Township. I think the quality of police service in Plymouth and Plymouth Township is excellent. The ambulance service and the new community medical service is excellent. I think everything is being done right.

City of Plymouth. Up until recently I have been very proud of our fire and ambulance service. With the permanent layoffs of three firefighters and the new private ambulance service I fear the health and safety of Plymouth residents are in jeopardy. I know for a fact that the private ambulance service isn't as fast on arriving on the scene as our firefighters are. The layoffs of three firefighters puts not only our property and lives at a greater danger but also the lives of the other firefighters. Plymouth residents I urge you to find out more about what's going on in our city hall.

to call for police and they've taken forever to get here and when we ask the officer he says because he was tied up and busy and there was only one other car on the road.

Plymouth Township. We are very satisfied with all three services. I am in favor of keeping Plymouth police as our police protection.

City of Plymouth. I think the ambulance service that the city of Plymouth fire department has is fantastic. I think the community EMS that they have that cost the taxpayers \$41,000 a year — I think it stinks. And there will be more following in a letter that may be published in the paper.

Canton Township. This is in regards to the Canton Township fire and police department. I as a citizen, who have had only a brief encounter with them, feel that they are professionally trained however very severely understaffed.

Resident blasts firm's policies

If I were you, I would change some policies. Mrs. Kathleen Brian Canton. I do not want anything more to do with this rotten "company policy." I wonder how many dissatisfied present and previous Omnicon customers there are who have not spoken up? The wheel that squeaks the loudest is the one that gets the grease. Let's hear from you.

Chamber prez praises couple

Recently the Canton Chamber of Commerce awarded the "Small-Business-Person-of-the-Year" award to Bob and Linda Card, owners and operators of both McDonald's restaurants of Canton. Congratulations! During Small Business Week, there is much attention directed at the small business establishments that offer products and services to the local residents. But there is something also equally as important, JOBS. Yes, small business provides 87 percent of the jobs in America. And we want to thank all the residents who help keep our doors open by shopping locally. A community is made up of several parts which make it work. We want to thank the groups that responded with their favorite small business persons. Namely, Canton Business and Professional Womens Club, Canton Jaycees, township employees and the Canton Police Department. Canton's people are truly the winners — thanks for making this project a success. Jack Koers, President Canton Chamber of Commerce

Influential woman gives tips

Long, long ago, while attending college, I dated a very handsome young man with a somewhat sarcastic sense of humor. He gave me a copy of "How To Win Friends and Influence People" by Dale Carnegie. I think he was trying to tell me that I was a tad surly. I soon paid him back, though, for his display of great wit. I married him. Over the years, I haven't given much thought to the winning of friends, but I have noticed that I bet even Dale Carnegie doesn't know about it. For instance, if you should be feeling lonely and would like very much for a friend to stop by for a visit, don't wash your dinner dishes. I know you may find it hard to see the connection, but take it from me, it works every time. Just leave your kitchen in the worse mess possible, go into the living room, plow down on the couch, and before you know it someone will be at your door. If you would like a visitor to stop by in the morning, all you have to do is leave those same food-encrusted dishes all over the kitchen counter overnight. If your friends are too busy to show up, at least get the Avon lady, who will pop in just long enough to witness the fact that you are one lousy housekeeper! Or perhaps you're in the mood to run into an old high school buddy or even an old boyfriend whom you haven't seen in years. No problem. All you have to do is go shopping. But it's important that you go looking REALLY BAD! It's talking "ugly city." You know, when your hair hasn't been washed in about a week and you're wearing the slacks with a rip in the knee because your good ones are all in the laundry. It works even better if you don't wear any makeup and have a pimple on your nose. Only then can you be positive that you'll soon hear a familiar voice screaming your name across the store. After that, someone from your past will rush over to embrace you, anxious to relive old memories and refresh old times. NO FAIR running for the exit. Actually you should feel very altruistic, having made your old chum feel so good. While you're falling apart, they're looking remarkably well by comparison. They'll love you for it. If you find you're in the mood to have relatives call with the announcement that they'll soon be arriving in town for a weekend visit, just neglect your housecleaning for a few days. In fact, if you can find yourself too busy to give it a good cleaning for a week or more, that's as good as an engraved invitation to get your mother-in-law to show up at your door. Believe me, I speak from experience. Incredibly, I find that I can even influence the behavior of my children. If I feel they're being too quiet, or perhaps they've been playing outside for too long, all I have to do is pick up the telephone and try to make an important call! In a matter of seconds, my sons will be mysteriously drawn to the immediate vicinity of the telephone and will proceed with screaming, shouting and peals of laughter. Ask any mother — this trick works like magic! Husbands are a little more difficult to influence. Even your most subtle tricks usually don't work on them because they know you better than anyone in the world. But if you're feeling a little neglected lately and in need of some affection, just develop a severe headache. It never fails. He'll be thinking "second honeymoon." While you're reaching for the Aspirin, he'll be reaching for the Aspirin. Ain't life grand?

brevities

Announcements for Brevities should be submitted by noon Monday for publication in the Thursday paper and by noon Thursday for publication in the Monday paper. Bring in or mail to the Observer at 461 S. Main, Plymouth 48170. Forms are available upon request.

PLYMOUTH YMCA MINI-AEROBICS
Tuesday, May 31 — Plymouth Community Family YMCA will offer two evening aerobics sessions with instructor being Lynne Jordan. An evening class will be held from 7-8 in the gym of Starkweather Elementary. Morning session will be from 8:45 to 9:45 in the Oddfellows Hall. For information or to enroll, call 453-2904.

REBOUNDER GARAGE SALE
Thursday, Friday, Saturday, June 2-4 — Plymouth Salem High boys' and girls' Basketball Rebounder Club will be having a three-day garage sale at two locations: 6132 New England, north of Ford Road and east of Sheldon; 1405 Maple, south of Ann Arbor Trail and east of Sheldon, across from West Middle School. The hours will be from 8 a.m. to 5 p.m. Thursday and Friday, June 2, 3, and 8 a.m. to noon Saturday, June 4. Items to be sold include toys, clothes, athletic equipment, dishes, and knick-knacks.

COMPUTER PIX
Wednesday, June 1 — The Computer Pix program again will be held in the Dunning-Hough Library in Plymouth for young adults. Come in and be matched with books chosen for you by a computer.

FIEGEL ICE CREAM SOCIAL
Thursday, June 2 — Fiegel Elementary School on Joy Road between Haggerty and Hix will have its ice cream social from 5-9 p.m., sponsored by the Fiegel PTO. There will be prizes, hot dogs, ice cream sundaes and a dunk tank.

PROGRAM ON ALZHEIMER'S DISEASE
Friday, June 3 — A program entitled "Living

with Alzheimer's Disease" will be presented 10:30-11:30 a.m. in the Spindle Room of Tonquish Creek Manor, 1160 Sheridan, Plymouth, by Cindy Beel-Bates, who is a clinical nurse specialist in the office of health promotion, Catherine McAuley Health Center. Free hypertension screening, sponsored by McAuley Health Center, will be available 9:30-10:30 a.m. Lunch, at 75 cents for senior citizens, will be provided by the Wayne County Nutrition Program to persons who make reservations by phoning 453-9703 by Wednesday, June 1. Menu will be baked fish, scallop potatoes, broccoli, and melon balls. Senior citizens who need transportation may call 455-3670. No admission charge for program. A discussion will follow the videotape.

BIKEATHON '83
Thursday, Friday, June 2-3 — Students at Plymouth Christian Academy, 53065 Joy, Canton, will participate in a bikeathon to earn money for the school's building fund. Beginning at 9 a.m. on Thursday, June 2, kindergarten students will cycle on the school's parking lot, riding alternate hours to build mileage for pledges. Students in grades 1-12 will use the same course on Friday, June 3. Prizes will be awarded to individuals traveling a specified distance and to students who gain above-average pledge totals.

STARKWEATHER ICE CREAM SOCIAL
Friday, June 3 — Starkweather Parent Tacher Club will sponsor a family ice cream social from 6:30-9 p.m. Ice cream sundaes, made by Friendly Ice Cream, will be sold for \$1. There also will be games for the children on the school grounds at Holbrook and Spring streets in Plymouth. Proceeds will be used for recreational and educational equipment.

MILLER ICE CREAM SOCIAL
Friday, June 3 — Miller Elementary School will have its ice cream social 6:30-8:30 p.m. at the school. Activities will include a visit from Chuck E. Cheese, moon walk, dunk tank, and cake walk.

Items to be sold will include ice cream, pop, popcorn, and balloons. Tickets at four for a dollar will be available at the door.

CAR WASH
Saturday, June 4 — The Western Wayne County Children's Leukemia Foundation will have a car wash from 9 a.m. to 4 p.m. at the Shell Gas Station at the corner of Ford and Canton Center roads in Canton.

FREE AEROBICS DEMONSTRATION
Saturday, June 4 — A free aerobics demonstration will be offered by the Plymouth Community Family YMCA from 10-11 a.m. in the gym of Starkweather Elementary School. The demonstration is for co-ed adults, teens, and youth. Reservations can be made by phoning 453-2904.

CANTON CRICKETS
Saturday, June 4 — Registration begins 10 a.m. Saturday, June 4, for Canton Crickets (Canton's preschool program for ages 3, 4). The sessions are from 9:30-11:30 a.m. and 1-3 p.m. Tuesdays and Thursdays beginning July 5 and July 7. Activities include crafts, low-organized games, story hours, special events, snack time, and a picnic at the end of each session.

PANCAKE BREAKFAST
Sunday, June 5 — The Ladies Auxiliary to Mayflower Post 6695 Veterans of Foreign War will have a pancake breakfast from 8 a.m. to 1 p.m. at the post home at 1426 Mill south of Ann Arbor Road, Plymouth. Menu will include pancakes, sausage, eggs, French toast, and beverages. Price per breakfast is \$2 and \$1 for children 5 and younger.

DWIGHT CARLSON LECTURE
Tuesday, June 7 — Dwight Carlson, founder and president of PERCEPTION in Farmington, builders of robotic vision machines, will speak on the positive aspects of the economy in Michigan at 2 p.m. in the Dyer Senior Citizens Center, 36745 Marquette west of Newburgh Road in Westland. He also will bring information and advice on the small business venture. He is the son of Mr. and Mrs. Clarence Carlson of Plymouth.

Summertime's Best--Summer Fruits

Sound the trumpets and roll the drums. It's summertime, holiday-time, get-together and reunion-time. And, of course, this also means good eating time. In fact, there are those who say that summertime eating is the best of all the year. If they're right, it's because summer is nature's time to flaunt her very finest, sweetest, most tender and perfect fruits. The abundance and excellence of summer's fruits just naturally lead to the tradition of bringing each and every summertime eating celebration to a close with a bit of fanfare and one...two...even three or more show-stopping fruit desserts.

In some families and annual summer gatherings the tradition of closing the meal with a triumph of fruit delicacies has led to a friendly cooking competition. For anyone who just happens to want to show off a bit, and prepare a spectacular fruit dessert without undue effort, the makers of corn syrup have created a whole table full of summer-fruit masterpieces. Whenever possible, use fruits that are at their peak of goodness. Reserve the prettiest of all for garnishing or for serving in a compote, lace-cookie cup or in the center of a sherbet. Berries, melons and tree fruits that are only slightly imperfect,

blemished or overripe need not be discarded; however, use them in cakes, pies, sauces, sherbets or conserves. Avoid over-sweetening or over-embellishing fruit desserts. Their own natural beauty and flavor need little tampering. This is one reason why corn syrup has long been a good companion to fruit. Its light flavor only enhances nature's own. In a sauce or a glaze it accents the color and shape of fruit with an attractive sheen. And in conserves and sherbets, corn syrup helps to prevent large crystals from forming, produces glossier product—and one that stores the joy of summer fruit for celebrations yet to come.

Honeydew Sherbet Mold

1 envelope unflavored gelatin 3 cups cubed honeydew
1/2 cup milk 1 cup light corn syrup

In small saucepan sprinkle gelatin over milk. Stir over low heat until dissolved. Place in blender container with honeydew and corn syrup; cover. Blend on high speed 30 seconds. Pour into 9 x 9 x 2-inch pan. Cover; freeze overnight. Soften slightly at room temperature, about 15 minutes. Spoon into large bowl. With mixer at low speed, beat until smooth; but not melted. Pour into 4-cup ring mold. Cover; freeze about 4 hours or until firm. Unmold onto serving plate. Makes about 4 cups. If desired, fill center of mold with 3 cups assorted cut-up fresh fruit.

Watermelon Sherbet: Follow recipe for Honeydew Sherbet Mold. Omit Honeydew. Use 3 cups cubed watermelon. Makes about 4 cups.

Cherry Jubilee Sauce

2 tablespoons corn starch 3/4 pound (about) sweet cherries, pitted (2 cups)
1/2 cup light corn syrup 3 tablespoons kirsch or brandy
1 tablespoon lemon juice

In 2-quart saucepan stir together corn starch, corn syrup and lemon juice until smooth. Add cherries. Stirring constantly, bring to boil over medium heat and boil 1 minute. Remove from heat. Stir in kirsch. Serve warm over ice cream. Makes about 2 cups.

Strawberry Jubilee Sauce: Follow recipe for Cherry Jubilee Sauce. Omit cherries. Use 1 pint (about) strawberries, cut in half. Makes about 2 cups.

Lace Cups

1/4 cup sifted flour 2 tablespoons firmly packed brown sugar
1/4 cup finely chopped pecans 2 tablespoons corn oil
2 tablespoons light or dark corn syrup margarine

Line small cookie sheets with foil. In small bowl stir together flour and pecans. In 1-quart saucepan stir together corn syrup, brown sugar and margarine. Stirring constantly, bring to boil over medium heat. Remove from heat. Gradually stir in flour mixture. Using one heaping tablespoon for each cookie, drop mixture onto prepared cookie sheet, 3 inches apart. (Bake only 2 cookies on each sheet.) Bake in 350° F oven 10 to 12 minutes. Cool on wire rack until foil may easily be peeled off, 3 to 4 minutes. Remove foil. Place cookies lace side down on foil-lined cookie sheet. Heat in 350° F oven 1 to 2 minutes. Remove from foil, 1 at a time. Place over inverted (5 ounce) custard cup or muffin cup; press sides down to form cup. Cool slightly. Remove. Cool completely on wire rack covered with paper towels. Store in tightly covered container. Fill with ice cream or fresh fruit. Makes 6.

Strawberry Chiffon Pie

1 cup sliced strawberries 2 to 4 drops red food color (optional)
1 envelope unflavored gelatin 1/4 cup sugar
1/4 cup cold water 1 baked (9-inch) pastry shell, cooled
3 eggs, separated
3/4 cup light corn syrup

Place strawberries in blender container; cover. Blend on high speed 30 seconds or until smooth. In 2-quart saucepan sprinkle gelatin over water. Stir in egg yolks, corn syrup and strawberry puree. Stirring constantly, cook over low heat until gelatin is completely dissolved, about 5 minutes. Stir in food color. Turn into large bowl. Refrigerate, stirring occasionally, about 1 hour or until mixture mounds slightly when dropped from a spoon. In small bowl with mixer at high speed beat egg whites until soft peaks form. Gradually beat in sugar until stiff peaks form. Fold into strawberry mixture. Spoon into prepared pan. Refrigerate 4 hours or until firm. If desired, garnish with whipped cream and strawberries. Makes 8 servings.

Peach-Berry Swirl Dessert

2 cups sliced peeled peaches 2/3 cup light corn syrup
1/4 cup light corn syrup 1 teaspoon vanilla
2 eggs Crust Mixture (recipe follows)
1/3 cup sugar Berry Swirl Mixture (recipe follows)
1 cup milk
1 cup heavy cream

Place peaches and 1/4 cup corn syrup in blender container; cover. Blend on high speed 30 seconds or until smooth. In large bowl with mixer at medium speed beat eggs until light and frothy. Gradually add sugar, beating until sugar is dissolved. Add milk, cream, 2/3 cup corn syrup and vanilla; beat until well blended. Beat in peach mixture until well blended. Pour into 9 x 9 x 2-inch pan. Cover; freeze about 3 hours or until firm. Spoon into chilled large mixer bowl. With mixer at low speed, beat until smooth, but not melted. Spoon into prepared pan. Freeze until slightly firm. With small spatula, swirl Berry Mixture through ice cream for a marbled effect. Cover; freeze until firm. Makes about 12 servings.

Crust mixture: In small bowl stir together 1 cup graham cracker crumbs, 1/4 cup sugar and 1/4 cup softened corn oil margarine until well mixed. Press into bottom of 8 x 3-inch springform pan. Refrigerate.

Berry swirl mixture: Place 1/2 pint fresh raspberries or blueberries (about 1-1/2 cups), 2 tablespoons light corn syrup and 1 tablespoon sugar in blender container; cover. Blend on high speed 30 seconds or until smooth. Pour into 1-quart saucepan. Stirring occasionally, bring to boil over medium heat and boil gently 10 to 15 minutes or until mixture is reduced by half. Turn into small bowl. Cover surface with waxed paper or plastic wrap. Cool to room temperature. Makes about 1/2 cup.

Apricot Cream Roll

(Not Shown)

3 eggs 1/2 cup light corn syrup
1 teaspoon baking powder 1 teaspoon grated lemon rind
1/8 teaspoon salt 1 cup sifted cake flour
1/2 cup sugar

Apricot Cream Filling (recipe follows)

Grease 1 (15 1/2 x 10 1/2 x 1-inch) jelly roll pan. Line bottom with waxed paper; grease paper. In large bowl with mixer at medium speed beat together eggs, baking powder and salt until well blended. Gradually beat in sugar. Add corn syrup, in a thin, steady stream, beating until mixture is thick and light in color. Beat in lemon rind. Fold in flour. Spread batter evenly in prepared pan. Bake in 375° F oven about 15 minutes or until cake springs back when lightly touched. Loosen sides. Immediately turn out onto cloth dusted with confectioners sugar. Remove waxed paper. Roll up cake from short side in cloth; cool on wire rack. Unroll and spread with Apricot Cream Filling. Roll up cake. Refrigerate. Just before serving, sprinkle with confectioners sugar. Slice to serve. Makes 16 servings.

Apricot cream filling: In 1-quart saucepan stir together 1 tablespoon corn starch and 1/4 cup light corn syrup until smooth. Add 1 cup chopped apricots; toss to coat well. Stirring constantly, bring to boil over medium heat and boil 1 minute. Cover surface with waxed paper; cool. Fold in 1/2 cup heavy cream, whipped, until well blended. Makes about 2 cups.

Nectarine cream roll: Follow recipe for Apricot Cream Roll. Omit apricots. Use 1 cup chopped peeled nectarines.

Peach Cantaloupe Conserve

(Not Shown)

2 1/4 pounds firm ripe cantaloupe 1/2 cup golden raisins
2 pounds (about) fully ripe peaches 1 cup light corn syrup
2 tablespoons grated lemon rind 3 cups sugar, divided
1/2 cup lemon juice 1 cup coarsely chopped walnuts

Peel, seed and cube cantaloupe. Measure 4 cups. Rinse, peel and pit peaches. Cut into cubes. Measure 4 cups. In 5-quart stainless steel or enamel saucepot stir together cantaloupe, peaches, lemon rind, juice and raisins. Stirring occasionally, bring to boil over medium heat. Gently stir in corn syrup until well blended. Gently stir in 1 cup of the sugar. Return to boil; boil gently 10 minutes. Remove from heat. Cool to room temperature. Return to boil over medium heat. Stir in 1 cup of the sugar. Stirring frequently, boil gently 20 minutes. Remove from heat. Cool to room temperature. Return to boil over medium heat. Gently stir in remaining 1 cup sugar. Stirring more frequently as mixture thickens, boil about 25 minutes. Add walnuts; stirring frequently, cook 5 minutes longer or until mixture is desired consistency. Remove from heat; skim, if necessary. Immediately ladle into clean hot 1/2-pint jars, leaving 1/4-inch headspace. Wipe top edge with damp cloth. Seal according to jar manufacturer's directions. Process in boiling water bath 15 minutes. Cool jars on wire rack or folded towel. Makes about 6 (1/2-pint) jars.

Pillsbury tells of bake contest rules

America's best known recipe and baking contest — Pillsbury's BAKE-OFF — will mark its 31st year with a \$40,000 grand prize and several major contest changes.

New to this year's contest, which will be held February 18 to 21, 1984, in San Diego, Calif. are:

- a microwave cooking category
- 10 additional winners, for a total of 110 finalists
- \$130,000 in cash prizes plus major kitchen appliances to 20 winners of the baking contest

The BAKE-OFF contest also has three new groups in which recipes can be entered: leisure foods, regional American foods and family favorite recipes.

The original 1949 Pillsbury contest was planned to uncover treasured family recipes and to honor the cooks who shared them. In those days when baking mixes were still a novelty, only flour recipes were eligible.

In this 31st BAKE-OFF contest, refrigerated flaky biscuits and refrigerated crescent dinner rolls also are eligible, as well as pudding-included cake mix, pancake mix and quick bread mix.

The food company advises anyone entering a recipe in this year's family favorite recipe group to read the entry blank carefully. In this group only, the type of eligible recipe is specified for each product.

For example, flour qualifies only when used in any type of cookie or bar recipe. Products like yeast bread or cakes would be disqualified in this particular group.

Pancake mix, a new entry in the package mix category this year, must be used in pancake or waffle recipes. Recipes such as quick bread or casserole toppings are not eligible for this family favorite recipe group.

Texas-Sized Almond Crunch Cookies, a money winner in the last contest, is quickly becoming one of the classic BAKE-OFF recipes. These big, crisp cookies, which call for both whole wheat and all-purpose flour, are topped with chopped almonds and almond briclé baking chips. The recipe makes 3 1/2 dozen super-sized 4-inch cookies. Make them smaller, if you prefer, and hide part of the batch in the freezer.

There's no question but that these cookies are winners in any family favorite group of recipes.

Pancakes can make an easy, economical supper main dish, as well as a breakfast treat. Apple Sausage Pancakes with Cider Syrup combines cooked pork sausage and shredded apples with pancake mix. The flavor is enhanced with the homemade syrup made by adding spice and lemon juice

to lightly thickened apple cider or juice.

This is real down home eating any time of day. Another easy, economical and good tasting pancake or waffle recipe could be a winner in the family favorite recipe group.

Recipes submitted in the leisure foods and regional American groups are not restricted to type of recipe. The microwave category is open to most Pillsbury and Giant products.

Entry blanks are available now by writing BAKE-OFF Entry Blanks, P.O. Box 1938, Minneapolis, MN 55460. Contest deadline is October 15.

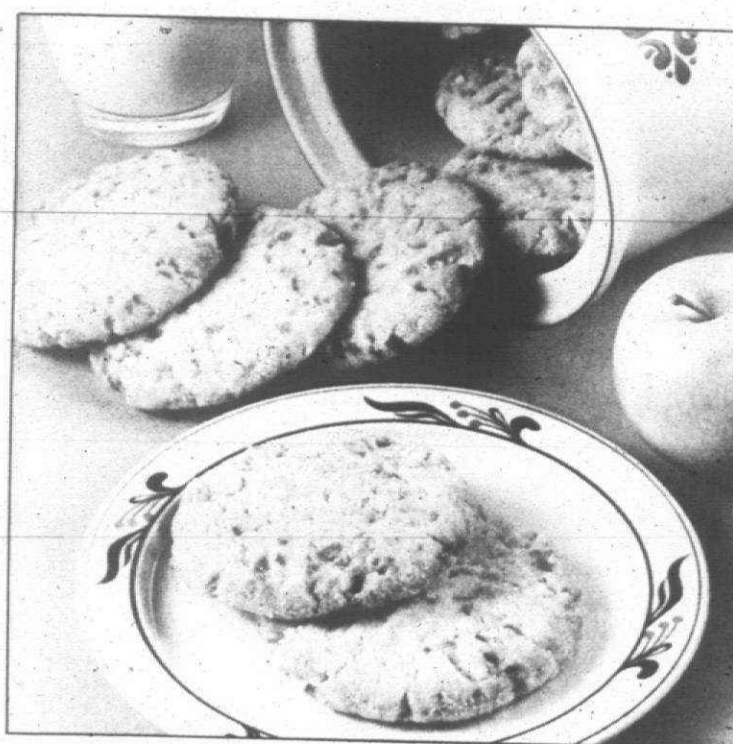

TEXAN-SIZED ALMOND CRUNCH COOKIES
 1 cup sugar
 1 cup powdered sugar
 1 cup margarine or butter, softened
 1 cup oil
 1 tsp. almond extract
 2 eggs
 3/4 cup all purpose, unbleached or self-rising flour*
 1 cup whole wheat flour
 1 tsp. soda
 1 tsp. salt
 1 tsp. cream of tartar
 2 cups coarsely chopped almonds
 6 or 7.8-oz. pkg. almond briclé baking chips
 Sugar

Heat oven to 350°. In large bowl, blend sugar, powdered sugar, margarine and oil until well mixed. Add almond extract and eggs; mix well. Lightly spoon flour into measuring cup; level off. Gradually blend in all purpose flour, whole wheat flour, soda, salt and cream of tartar at low speed. By hand, stir in almonds and briclé chips. Chill, if desired. Shape large tablespoonfuls of dough into balls; roll in sugar. Place 5 inches apart on ungreased cookie sheets. With fork-dipped in sugar, flatten in crisscross pattern.

Bake at 350° for 12 to 18 minutes or until light golden brown around edges. Cool cookies 1 minute before removing from cookie sheets. 42 (4-inch) cookies.

*If using self-rising flour, omit soda and salt.

APPLE SAUSAGE PANCAKES WITH CIDER SYRUP
 SYRUP:
 1/2 cup sugar
 1 tsp. cornstarch
 1/4 tsp. pumpkin-pie spice
 1 cup apple cider or juice
 1 tsp. lemon juice
 2 tsp. margarine or butter
PANCAKES:
 1 egg

Texas-Sized Almond Crunch cookies are 4 inches in diameter. You could make them smaller though, but why spoil the fun?

1 cup buttermilk, extra light or complete pancake and waffle mix
 1/2 cup milk
 2 tsp. oil
 1/2 tsp. cinnamon
 1/4 cup shredded fresh apple
 1/2 lb. bulk pork sausage, browned and drained

Heat griddle to 375°. In small bowl, beat egg on high speed until thick and lemon colored, about 5 minutes. Lightly spoon pancake mix into measuring cup; level off. Add sausage, browned and sausage. Lightly grease griddle before baking each pancake. Pour a scant 1/2 cup batter onto hot griddle. Bake until bubbles appear, about 2 minutes on each side. Serve with hot cider syrup. 8 pancakes.

In medium saucepan, combine sugar, cornstarch and pumpkin-pie spice; stir in apple cider and lemon juice. Cook, stirring constantly, until mixture thickens and boils, about 1 minute. Remove

campus news

• CRAIG SCHAUNDER
Craig Schauder was among 37 students at Albion College who were named recently to Phi Beta Kappa, the nation's oldest honorary scholastic society. The son of Mr. and Mrs. Stewart Schauder of Tennyson, Plymouth, he is a 1979 graduate of Thurston High School, Redford.

• ALMA GRADS
Sondra Blischke, Susan Gerish and Deborah Swartzweller of Plymouth are among those who will be graduating this year from Alma College. Blischke, daughter of Joann Koski of Plymouth and James Blischke of Redford, is a mathematics major. Gerish, daughter of Janet and Arthur Gerish of Portsmouth Crossing is a business administration major. Swartzweller, daughter of Nancy and Dean Swartzweller of Lighthouse Court is an English major.

• HENRY FORD HONOREES
The following Plymouth residents were named to the dean's list for the fall semester at Henry Ford Community College, Dearborn:
Robert Webb, Allison Roggenbeck, Marie Morrow, Brian Kleinsmith, Tom Mitroff, James Parsell, and Sharon Falzon.
Kurt A. Keilhacker, son of Mr. and Mrs. Richard Keilhacker of Woodbrook Drive, Canton, is one of 63 students from Wheaton College, Wheaton, Ill., to spend their spring break in a 14-day relief effort in Honduras under sponsorship of World Relief in Wheaton.

The group led to build 200 homes in Choloteca for victims of tropical storm Aleta, to build a milking barn at El Sembrador, a vocational farm school for peasant boys in Catcacamas, and to help relocate Miskito Indians.

• CANTON HF HONOREES
The following residents of Canton were named to the dean's list for the fall semester at Henry Ford Community College:
Theresa Deraud, Michael Harris, Terri Liddle, Judith Hutton, Anita Clark, Jeffrey Luke, and Lesa Monroe.

• EMU GRADS
The following residents are among those to earn degrees this past year from Eastern Michigan University, Ypsilanti:
Canton residents earning advanced degrees at winter commencement were: Valerie Bludgers of Fordham Circle, an MA degree; Jane E. Calhoun of Ryegate, an MBE; Kathleen Edgar of Corbett Drive, SpA; Christine Hamilton of Saltz, SpA; Roger Ketchum of Ridge, MA; Ellen Kwiatkowski of

Canton still alive; Salem slips

To win consistently, a team has to be good. But it doesn't hurt to be lucky either.

Plymouth Canton's softball squad found that out Friday. The Chiefs struck for two runs with two out in the bottom of the seventh inning to nip Romulus, 2-1, in a state pre-district qualifier played at Canton.

The victory boosts the Chiefs to the state district tournament at Ann Arbor Huron, with a 12:30 p.m. game Saturday against Ann Arbor Pioneer. Pioneer advanced to the districts by eliminating Plymouth Salem Friday, 11-5, at Salem.

softball

CANTON FELL behind in the fifth, as Romulus pushed a run across on a double and an error by Chief pitcher Janine Carpenter. That was the only flaw in Carpenter's performance. She allowed just one other hit and walked one, although she hit two batters in the second.

The Chiefs rallied in the seventh, with Lou Ann Hamblin leading off with a bunt single. She stole second, but the next two batters were retired, putting Canton on the brink of elimination.

Missy Aiken grounded to shortstop, but was safe on an error, with Hamblin taking third. Carpenter then stepped to the plate, misread Canton coach Max Sommerville's sign for Aiken to steal second and bunted. The Romulus pitcher threw the ball away, Hamblin scored and Aiken went to third.

With Kathy Young at the plate, the Romulus pitcher uncorked a wild pitch

and Aiken raced home with the winning run.

SALEM ENDED its season at 18-4 with the defeat to Pioneer. The Pioneers led all the way, scoring three unearned runs in the first inning and six in the game to sideline the Rocks.

Sarah McKenna and Cindy Runge had RBI singles for Salem. Debbie Glomski and Lynne Gamache each drove in runs with bases-loaded walks in a three-run Salem seventh. Mary Prysak's ground out brought in the other. Diane Murphy absorbed the pitching loss.

McNamara gem puts Salem into districts

baseball

Barry McNamara turned in a splendid mound performance, throttling Farmington Harrison on just four hits, to send Plymouth Salem to a 3-1 victory Friday in a state pre-district baseball qualifier at Harrison.

McNamara struck out five and did not allow a walk in going the distance to earn the victory. Salem now advances to the state district tournament against the Milford Lakeland-Walled Lake Central winner at 12:30 p.m. Saturday at Plymouth Canton.

The Rocks scored the winning

runs in the fourth. Dan Carlson singled, Tom Moore walked and, after a ground out, both runners scored on Scott Anderson's double.

That made it 3-0, Salem. The Rocks scored in the first inning on a single by Dave Slavin and a double by Carlson. Harrison got its only run in the bottom of the fourth.

The victory lifted Salem's record to 14-8.

Canton ties up Bentley

By Paul King
special writer

Livonia Bentley wrapped up the Lakes Division and tied Northville for the overall Western Lakes Activities Association (WLAA) title Thursday by tying Plymouth Canton, 2-2.

Bentley, sporting its best record in the school's history, finished 15-1-3 overall and 10-0-3 in league play. Canton is 4-7-2 overall.

Amy Weber scored Bentley's first goal on a header from Kim Patterson. Lisa Russell then scored unassisted for Canton, but Bentley took a 2-1 halftime lead thanks to Lisa Rigstad's 30th goal of the year from Missy Weber.

Canton's Lori Engel scored the equalizer with 18 minutes to go in the match. Russell drew the assist. Bentley outshot Canton, 30-7.

ON WEDNESDAY, Bentley routed visiting Farmington, 7-1, as Amy Eichhorn and Colleen McQueen each scored twice.

Rigstad added a goal and two assists, and Patterson got credit for three assists. Sheri Wolfe and Amy Finzel also scored for Bentley.

PLYMOUTH SALEM 7 NORTH FARMINGTON 0

The Rocks got two goals and two assists from Julie Tortora Wednesday at home to raise their overall season record to 12-6-1.

Other Salem goals were scored by Dani Morin, Shelly Staszal, Tracy Greenhaigle, Kelly Clarke (her first of the year) and Ruth Knoerl.

Morin and Staszal added two assists each. Goalie Sarah Wallman posted the shutout.

PLYMOUTH CANTON 4 LIVONIA FRANKLIN 2

The Chiefs broke out to a 2-0 halftime lead and held on Wednesday at Franklin.

Engel led the way with two goals. Kim Reeves and Russell, who also added two assists, rounded out the scoring for the winners.

Brda tallied both Franklin goals.

The battle for the ball between Salem's Shelly Staszal (11) and North Farmington's Heather McPhillips was won by Staszal. Salem bounced the Raiders, 7-2.

BILL BRESLER/staff photographer

LIVONIA FRANKLIN 3 LIVONIA LADYWOOD 2

Dawn Brda scored from Sharon Cancilla with 2:36 to go in the third overtime to give Livonia Franklin the victory in a girls' soccer state regional semifinal contest against Livonia Ladywood.

The game was played Thursday night at Livonia Bentley.

Franklin (7-10) met Livonia Churchill (15-4-1) for the regional title on Saturday at Bentley, while host

Stevenson faced Bloomfield Hills Lahser in another regional final. (Results of those games and the state semifinals will appear in Thursday's Observer).

Ladywood, which bowed out at 7-2-3, led 2-1 until 75:25 of the second half, when Franklin's Toni Fair scored unassisted.

In the first half, Brda scored unassisted, and Julie Moylan scored the first of her two goals for Ladywood as the two teams went into the dressing room tied at 1-1.

Moylan then scored at 54:34, but the lead stood for only 19 minutes.

Relay win lets Rocks claim division crown

The strong legs of Dawn Johnson carried Plymouth Salem to an exciting 64-59 Western Lakes Activities Association (WLAA) girls' track win Friday over visiting Livonia Stevenson.

The Rocks captured the Lakes Division dual-meet title with a 4-1 record. Stevenson finished at 3-1. The 10-team WLAA meet will be Wednesday at Livonia Churchill. (The running events are to start at 7 p.m.)

Johnson, a junior won four events including the long jump, 16-11 1/2; 100-yard dash, 12.0; 220 dash, 27.8, and 440 run, 1:03.1.

But Salem clinched the meet by winning the final event, the mile relay, in 4:17.6.

The closeness of the meet was reflected in the shot put as Salem's Cheri Muneio and Sue Hollman both threw 29-10, but Muneio took the first-place points because of a longer second

girls track

throw. Stevenson's Sherry Evans was third at 29-9 1/2.

OTHER SALEM individual winners includes Cindy McSurely in the high jump (5-2) and Carol Lindsay in the 330 low hurdles (49.7). The Rocks also captured the 440 relay in 54.3.

Sue Tatigian led Stevenson with victories in the mile (5:47.6) and two mile (12:33.0). Other Spartans' recording firsts included Hollman, discus, 108-3; Kallie Roesner, 110 hurdles, 16.5, and Maggie Karr, 880 run, 2:28.8.

Stevenson won the 880 relay as Brenda Belleville, Amy Rozman, Michelle Wolfe and Beth Mier combined for a clocking of 1:52.9.

Road race on way

On your marks, road runners. The track and cross country alumni from Plymouth Salem High have got a race for you.

In cooperation with the City of Plymouth and Plymouth Parks and Recreation Department, the alumni club is sponsoring a "Rocks' Run" at 10 a.m. June 12.

Two races are scheduled, one covering three miles and another going five miles. Both are fairly flat, paved single loops through Plymouth neighborhoods.

Races start at Kellogg Park at Main Street and Penniman Avenue.

Registration cost is \$6 (which includes a T-shirt) until June 4 and \$4 after (no T-shirt).

PROCEEDS FROM the race will go

toward buying sweatsuits for Salem High athletes.

Entry forms can be picked up in Plymouth at the Parks and Recreation office in the Cultural Center, at Sportventure, Trading Post and Plymouth Community Federal Credit Union, at the Livonia Family Y and other area locations.

Late registration is from 9 to 9:45 a.m. on the day of the race. Free refreshments will be offered after the race.

Awards will be presented for first place, overall in male and female divisions in both races and for first through 10th in each age category.

For more information on the race, contact Rocks' Run, c/o Plymouth Cultural Center, 525 Farmer, Plymouth 48170.

Tindall, White ignite Salem to dual victory

By C.J. Risak
staff writer

Second best isn't all that bad. That's the place Plymouth Salem's boys' track team has counted on all season. It was second that enabled the Rocks to blast Walled Lake Central Wednesday, 97-35, in their final dual meet of the season.

The victory gave Salem a 4-3 overall record. The Rocks finished the Western Lakes Activities Association (WLAA) campaign at 3-3.

The object of any race is to win. Winning is the reason for staging dual meets as well. But to accomplish the second, a team doesn't necessarily need to dominate the first.

SALEM HAS PROVEN that all season. Against Central, the Rocks won only seven of the 13 individual events.

However, their depth was again the difference. Salem swept the relays and took all 13 scoring seconds (seconds in relays do not earn points).

Marc Tindall and Mike White set the pace for the winners. Tindall was associated with four firsts. He captured the 100-yard (10.39 seconds) and 220-yard (24.02) dashes on his own and then teamed with Dan Lingg, Jeff Arnold and Glenn Medalle for a 440 relay win (46.3) and with Dan Harkness, Dan Allinger and Arviner Sooch for a mile relay victory (3:47.8).

White was nearly as impressive with three firsts, including triumphs in the high jump (6 feet 1 inch) and long jump (19-11 1/4). White also combined with

Allinger, Arnold and Craig Morton to capture top honors in the 880 relay (1:38.6).

OTHER FIRSTS for the Rocks went to Lingg in the pole vault (14-0), Medalle in the 120 high hurdles (15.35) and Sooch in the 330 low hurdles (42.4).

Salem seconds in field events went to Dave Houle in the shot put (41-4), Keith Urban in the discus (135-11), Dave Bertell in the high jump (5-3), Arnold in the long jump (19-8), and Mike Harwood in the pole vault (11-0).

On the track, Rock second-place finishers were Sooch in the 120 hurdles (16.25), Allinger in the 330 hurdles (43.3), George Condash in the 100 (10.89), Morton in the 220 (24.8), Jerry Smith in the 440 (55.7), Eric Pederson in the 880 (2:14.9), Skip Whittaker in the mile (4:58.8) and John Keros in the two mile (10:52.9).

ALL THAT REMAINS on the Salem track schedule is the WLAA championship meet Wednesday at Farmington and the state finals Saturday in Jackson.

Livonia Churchill is the heavy favorite to dominate the WLAA meet. Salem coach Gary Balconi figures several teams have a shot at second place in the meet, including the Rocks.

"Off the top of my head, I would have to say Salem, Farmington, Livonia Stevenson and Walled Lake Western would certainly be in the running for second," the Rocks' coach said.

After a season like this, what better place for Salem to finish?

BILL BRESLER/staff photographer

The Rocks' Marc Tindall was involved in four firsts against Central.

Runner back on track

By C.J. Rineak
staff writer

Dr. Ken Carman has this book.
It contains a list of his athletic accomplishments and workouts. For seven years, while growing up in Cresko, Iowa, and then at University of Iowa, there was lots to fill his book with.

After graduation from Iowa, there was a lull in Carman's book. A 30-year hiatus.

That void is over now. Carman's book is again active, so active that he may need a new one soon.

At 55, Carman has become one of the top runners in the nation in his Masters age division.

ON MAY 6 at the Southeast U.S. Masters Track and Field Championships at North Carolina State, Carman shattered the national record for 55-59-year-olds in the men's 3,000-meter run. His time of 10:12.5 bested the mark of 10:19.0, set one year before by Ann Arbor's Jim Forshee.

Carman also won the steeplechase in 11:36.0.

Two more entries for the Garden City resident's book, a listing he really doesn't require. Nearly everything in it he could recite without need of reference.

"One reason I did so well," he said of his recent record-setting race, "was that I ran with younger runners. I was fourth overall. One college guy and two 30-year-olds finished ahead of me. I beat everyone else entered."

"I had a tremendous finishing kick. I ran the last 200 meters in 30.5. I can't remember ever doing that, not even in college."

"Never, never had a kick like that."

IN HIS HIGH school days in Iowa, Carman ran the mile and, while at Iowa, wrestled and ran cross country. "It was an unusual combination," he admitted.

But few of the things Carman does could be called normal for a 55-year-old man. When he began his professional career some 30 years ago

Dr. Ken Carman — a successful return to racing after a 30-year hiatus.

sport shorts

• SCRAMBLES GOLF
The third annual Canton Festival Golf Tournament is scheduled for an 11 a.m. tee-off on Sunday, June 19 at Fellows Creek Golf Course. The tournament will consist of three-man teams playing in a scrambles concept. Awards will be presented to the top three teams, and for the longest drive and closest to the pin.

Cost for the tourney, sponsored by the Canton Parks and Recreation department, is \$33 per team. Deadline for entry is June 17. For further information, call the Canton Parks and Rec department between 8:30 a.m. and 5 p.m. at 897-1000.

• DOUBLES TOURNEY
Tennis players should start preparing now for Canton's annual Mixed Doubles Tennis Tournament, slated for Saturday and Sunday, June 25-26 at Plymouth Canton High School's courts.

United steams to win at soccer invitational

Livonia United, sparked by the goal-scoring of John Gelinski, won the Midland Invitational soccer tournament last weekend (May 21-22).

The 16-and-under team for boys won three straight games to capture the championship.

In the final, Gelinski brought his tourney goal total to seven with a pair of scores in an 8-0 triumph over the Grand Blanc-Genessee Stars.

Other United goal scorers included Joe Novak (two), John Hotka, Joe Mase, Jim Carney and James Redaback.

"They played an excellent game and I think they're coming on strong now," United coach Steve Vakratsis said.

United downed the Midland Strikers, 4-1, as Gelinski, Mase and Novak scored for a 3-0 halftime lead. Hotka added a second-half goal and netminder Jeff Vakratsis came up with a big save to kill a Striker rally.

In the second round, United topped the Saginaw Wheels, 6-1, behind four Gelinski goals. John Drouillard also scored and Kevin Bielski rounded out the scoring with a penalty shot goal.

United will return to action at 7 p.m. Wednesday at Livonia's Jaycee Park in a State Cup quarterfinal match.

Fencers foil foes

Thomas Kleckner must be a good teacher.

As coach of the Schoolcraft College Fencing Club, Kleckner watched with delight as his team snapp'd up first and third places in Women's Foil, and first, third and fourth in Men's Foil at the Novice Fencing Tournament, May 14 at the Schoolcraft College.

Schoolcraft has become a meeting place for area fencers, some coming from as far away as Mt. Clemens to compete. Saturday's day-long event was no exception as there were 32 men's and 11 women's entries.

PEGGY O'KEEFE of the Schoolcraft club earned first place in Women's Foil. Sue Judy of Lion and Sword and Angela Zrull of Schoolcraft finished second and third, respectively.

Robert Ahn of Schoolcraft was the Men's Foil champion. He was followed by Jim Cunningham, second place. Neighborhood Club, Terry Wolfe and Randy Rice, third and fourth, respectively, from Schoolcraft.

Participating with the Schoolcraft club were members of the Fencing Academy of Michigan, coached by Maestro Istvan Danosi (recently inducted into the Wayne State University Athletic Hall of Fame); John Bailey, Lion and Sword coach; Betty Chesna, Cranbrook coach; Joel Stone, Neighborhood Club coach; Francis Wood, Condo-tierre coach.

Anthony Perkins is back at the old Bates Hotel, as a recently released mental patient in the thriller "Psycho II."

Sequels 'n' froth will predominate through summer

If you aren't escaping on a vacation (or even if you are), the summer movie season will be a film canyoned for fall release.

Summertime at the cinema has become froth and fantasy time with a couple of dramas thrown in for good measure and a complement of sequels.

Opening the season... the movie "Jaws 2" is the third chapter in the middle trilogy of George Lucas' nine-part adventure saga that began with "Star Wars" and continued with "The Empire Strikes Back."

The regulars are all back, as Luke Skywalker (Mark Hamill) and Princess Leia (Carrie Fisher) venture to the planet Tatooine to rescue Han Solo (Harrison Ford) from the deep-freeze. Sir Alec Guinness and Billy Dee Williams appear in reprise roles, and some new creature characters have been added to the already interesting galaxy of Chewbacca, Yoda, R2-D2 and C-3PO.

Steve Martin, still looking for that elusive hit after "Dead Men Don't Wear Plaid" and "Pennies from Heaven," will be on the screen in a cranial sequel, "The Man with Two Brains." Martin stars as a famous brain surgeon who invents a screw-top method of brain surgery.

Canton bowler shoots for state singles title

These are long, trying days for Judy Griwicki, the All-Star bowler from Canton Township, who staked out a claim for the state singles title several weeks ago when she led the field with a 662 total.

Only a few more weeks remain in the event as most of the top teams have already finished competition, making Griwicki's favorite.

Should she be successful, Griwicki will not only become the state champion, but she rolled 1,800 in the all-events to currently sit in fourth place.

While Judy is waiting, several other Detroit area bowlers are in the same fix. Penny Behn's Bonanza team is in line for the team title with a 2,801 total. Behn is holding second place as well in the all-events division with a 1,810.

LARRY WALKER, another Canton bowler, won his first title in the Bonanza Majors Association tournament at Oak Park Lakes.

He won each of his 12 matches after pacing the qualifying round, walking off with \$1,600. He averaged 218 in the elimination rounds.
