## Sewer funding sought in suit

By Gary M. Cates  
staff writer

Township boards in Plymouth and Canton will be asked Tuesday night to concur in a decision to file a lawsuit to recover money pumped into planning the now defunct Supersewer project.

Notices of claim — alerting the named parties of the townships' intentions — were sent last week to some 30 governmental agencies allegedly involved in the decision to exclude seven northwestern Wayne County communities from the project.

The remaining Supersewer communities are proceeding with a scaled-down version of the project — expected to solve sewer capacity problems for the southwestern Wayne County and down-river municipalities.

The two townships plan to seek some \$200 million in damages from the 30-member group which includes Wayne County, Detroit, the Detroit Water and Sewer Department, the state of Michigan, the Michigan Department of Natural Resources, the federal Environmental Protection Agency and the Southeastern Michigan Council of Governments (SEMCOG).

"All these people have acted together to the extent that these two townships are not in Supersewer," said Brian James of the Plymouth Township attorney's office.

we now want to find out why it happened," James said.

The \$200 million sought includes the townships' investment in Supersewer planning and the calculated damages for "stunting the growth of the two townships" by denying them increased sewer capacity, he said.

The two township boards will be asked for authorization to file the lawsuit in either federal or county circuit court.

"There is absolute reason and justification for the lawsuit," said Canton Township Supervisor James Poole.

"When I'm told in 1983 that Canton was included in a project for six years just for financial reasons, I begin to wonder about the motives," Poole said.

The Supersewer ordeal was the "ultimate fleecing of the taxpayers of Canton Township," Poole said.

**PLYMOUTH TOWNSHIP** Supervisor Maurice Breen said the lawsuit would seek reimbursement for the planning money, or else credits toward the construction of an alternate sewer system.

In the planning stages is a new project — the so-called Son of Supersewer — that calls for constructing a sewage line to Detroit that would be parallel to the existing Rouge Valley interceptors.

Both supervisors believe the lawsuit could help insure that the parallel system is built.

## Grants target heating bills

Federal funds are available to help Plymouth-Canton residents winterize their houses.

More than \$100,000 is being made available through the Wayne County Energy Conservation Program, according to Paul Sincok, Plymouth grants coordinator.

The program offers residents loan reduction assistance for energy conservation improvement loans from qualified institutions.

"Just about any home energy improvement qualifies as part of this program," Sincok said.

Allowable projects range from window caulking to furnace replacement and repairs.

The targeted types of work are insulation improvements, upgrading heat-

ing and cooling units, and installation of solar and wind devices.

In most cases, the work must be done by a contractor participating in the program.

Participants must have an energy audit conducted on their home before they qualify for assistance.

**THE PROGRAM** requires the homeowner to acquire a loan from an authorized bank for the total amount of the energy improvements. Once the work is completed a check will be issued for the determined amount.

Assistance levels will be determined according to the income guidelines outlined in the program, Sincok said.

"For example, if a homeowner earns less than \$24,640, they can qualify for up to \$1,250 in grant monies," he said.

"Homeowners can earn as much as \$46,200 and still qualify for some monies under this program."

"The money will be given out on a first-come, first-served basis. They want to have 40 percent of the funds committed by the end of the year," Sincok said.

Residents interested in more information about the program should contact:

- In the city of Plymouth — Paul Sincok at 455-6623.
- In Plymouth Township — Barbara Pray at 453-3840.
- In Canton Township — Terry Carroll at 397-1000.

Information packets and applications for the program are available at the respective municipal halls.

## Canton widow battling over mobile home

By Joanne Maliszewski  
staff writer

When Agnes Leasure talks about the three-bedroom mobile home she bought from a Farmington Hills dealer after her husband's death a couple of years ago, she gets tired.

Less than 90 days after the Canton Township resident settled into her new mobile home, she discovered that the 1981 model she bought for \$16,000 in cash, actually is a 1979 model that then retailed for \$12,900.

Leasure says she was misled and cheated of about \$4,000 when she bought the unit from Matt Rauker, owner of Little Valley Mobile Home Sales on Eight Mile. The title and bill of sale both say she bought a 1981 Liberty mobile home, Leasure said, and she might never have known otherwise if the home hadn't immediately needed repairs. "They issued me a wrong title," said Leasure, who lives in the West Point Manor mobile home park on Old Michigan Avenue. "I don't understand why if this business (Little Valley) is ethical, would they let this happen to me."

Rauker, however, claims the fault lies solely with the Liberty mobile home manufacturers.

"WE'RE TRYING to get them to take care of it," Rauker said. "This is the manufacturer's fault, definitely."

"We went by the invoice," Rauker said, adding that Liberty said the mobile home was a 1981 model. The only other way to determine a unit's model year is by the manufacturer's stamp on

the inside of the mobile home's utility closet.

And that's how Leasure discovered she had bought a 1979 model. Leasure says she stumbled across the manufacturer's stamp after she had to pay for repairs that generally are covered by warranty.

"I wouldn't have do so much checking if they had done the warranty work," Leasure, referring to Little Valley Mobile Home Sales.

Rauker, however, claims "I did the warranty (repairs) for her," adding he also had the mobile home moved to her current address the day she brought in the \$16,000. "I moved the guys from another job to move her in the same day."

But Leasure's discovery of the manufacturer's stamp in late 1981 began a two-year struggle and shuffle between state agencies, the state attorney general's office, the state Mobile Home Commission and the Oakland County Circuit Court.

Donald Baumhart of Ypsilanti, Leasure's third attorney, is pressing for a resolution of her problems. Following the advice of an Oakland County Circuit Court mediation panel, Baumhart and Leasure have filed a lawsuit against Rauker and Liberty mobile home manufacturers in 47th District Court, claiming "misrepresentation amounting to fraud."

"WE'RE ALLEGING that in July 1981, Mrs. Leasure purchased a mobile home represented as a 1981 model and it was a 1979 or 1980 model," Baumhart said. "Mrs. Leasure tried to rescind the contract but that was not

acceptable to Little Valley Mobile (Home Sales)."

"They (the mobile home dealership) never formally offered to do anything. She originally asked for recision and

they said no. Nothing has been satisfactory to them."

The still unscheduled hearing in district court is the latest rung on a long ladder of actions taken by Leasure, Baumhart said. She began her fight in

December 1981 by "calling the Mobile Home Commission, the watchdog agency over mobile home dealers," in Lansing. After an investigation, the

# New insurance plan projects savings

Under provisions of a new insurance plan, Canton's liability and property damage losses would be limited to \$75,000 in any calendar year.

The plan was unanimously approved last week by the Township Board.

Previously, there was a \$50,000 limit per claim, with no limit on the number of claims per year. Under the new plan, which has yet to take effect, there is a \$75,000 limit, regardless of the number of claims in the year.

"Under the old plan, if we had three claims for \$40,000 each in any one year, we'd have had to pay the whole \$120,000," explained Mike Gorman, the township's finance director.

"Under the new plan, we pay out \$75,000 and the plan picks up the rest."

BOTH PLANS Gorman referred to are administered by the Michigan Municipalities Risk Management Plan, which Gorman estimates has 25 mem-

ber communities throughout the state. Included in the plan are Plymouth Township, Dearborn Heights, Westland, East Detroit, Ecorse, Farmington, Garden City, Plymouth, Redford Township, Van Buren Township and Wayne.

According to Gorman, the communities contribute assigned amounts to the MMRMP each year. Claims settled against a community are paid by the plan, minus the deductible.

Under former provisions, Canton's deductible was \$50,000 per claim. Gorman said. Under the new provisions, the deductible will be \$75,000 per year.

The decision to change the terms of Canton's coverage must be approved by MMRMP's nine-member management board. Gorman said the approval is a formality, with the change expected to be in effect before Jan. 1.

Gorman said the township paid \$120,000 into the plan last year. He said the plan paid out \$30,000 in insurance settlements against the township in the year.

"But it would have cost us \$180,000 to get that coverage if we had to go through a private insurer," Gorman said.

THE MONEY Canton contributes each year, minus payouts and overhead costs, collects interest at market rates, Gorman said. The MMRMP assesses the next year's coverage costs for a community based on the surplus money in the community's account.

"The change in coverage won't cost us much," Gorman said. "What they're going to do is take 5 percent of the money currently in Canton's surplus account and put it into a new pool. So all we'll be losing is the interest on that five percent."

Canton has yet to pay out in insurance settlements an amount equal to its deductible in the two years Canton has belonged to the municipal plan, Gorman said.

But, in an age of large settlements against communities, Gorman said, it is wise for the township board to limit its payouts in future years.

Last year, the city of Troy lost a suit for \$75 million following the shooting death by two policemen of Troy resident David Prior. The private companies that insured the city refused to pay the claim for the city, which then sued the companies.

Troy won that suit. The insurance companies then made a settlement of the suit by Prior's relatives.

Though Troy ended up with no liability in the settlement, the city could have faced financial chaos if it had lost the suit against the insurance companies.

# Plymouth eyes public safety plan

By Gary M. Cates  
staff writer

A six-member committee has recommended the city of Plymouth combine its police and fire personnel to form a public safety department.

After some five months of investigation, the recommendation was made as the committee presented its report to the city commission Monday night.

"This concept is not without some controversy," said Michael Pollard, committee chairman.

While the report is not the unanimous consensus of the committee on every point, Pollard said it represents the "middle" feelings of all six members.

"IT IS THE consensus of five of the six citizens members of the committee that the city of Plymouth should consider the adoption of a public safety department as an alternative to the present traditional method of police and fire protection," the report states.

"Public safety presents an opportunity to preserve the current high level of service while at the same time creating a more efficient operation with attendant cost savings."

The City Commission decided to receive the report and allow the city administration to review it before taking any action.

"I hope the report gives the city a basis to begin further study," Pollard said.

Although the report indicates the police and fire units would oppose the implementation of a public safety department, Pollard said both have decided to take a "wait and see approach" to the concept.

Included in the committee's discussions were members of the unions, as well as members of each department's non-union leadership.

PUBLIC SAFETY DEPARTMENTS have increased in popularity during the past 20 years, the committee wrote.

"A number of jurisdictions have chosen to introduce some type of combined fire and police service, anticipating increased efficiency without sacrifice of community safety."

The concept is usually implemented in smaller communities, such as the city of Farmington. Some larger communities, such as Kalamazoo, have also adopted the plan.

The basic idea of the public safety concept is to cross-train police and fire personnel to perform both duties, while eliminating the need for separate administration.

The problem with the concept, the committee noted, is phasing it in to the satisfaction of all involved.

"In each of the communities which has adopted a public safety operation, a major factor in the success or failure of the program has been the attitude of the police and fire personnel," the report states.

BECAUSE OF this, the committee recommends the city consider a five-year phase in, which allows some personnel to retain current duties.

Implementation of the concept would require an initial cash outlay for equipment and training. The committee believes those costs would be recovered through the long-term savings of a combined department.

The committee also considered the current contract with Plymouth Township for police services, and the effects a combined department may have.

"It appears that the contract would not preclude the adoption of a public safety operation," the report states.

"The short-term nature of the present city/township contract renders it of minor significance to the overall adoption of the plan."

The city administration now plans to review the report and look into the different approaches to public safety, including a system which calls for training DFW workers as volunteer firefighters.

# Leaky greenhouse wins new dry look

"You have a unique greenhouse," joked Maria Smith's mother. "When it rains, you have an automatic watering system."

Maria Smith didn't laugh. She and her husband Eugene moved into their new dream house 11 months ago. Since then, whenever it rained, water poured in through the three skylights in the greenhouse — a 10-foot-by-10-foot room at the back of the Smiths' impressive, two-story home set back off Verdun Court.

Water poured in. Plants were hung or placed under the leaks to catch the water, but still it flooded the floor, soaked the furniture, peeled off layers of drywall and stained the concrete. The formal dining room faced into the greenhouse, presenting a shabby view to guests.

AFTER ONE bad recent storm, Smith invited an Observer photographer into her home. She sat glumly, her frown reflected in the pool of water beneath her.

The builder, who had kept promising to come out and fix things, acknowledged the leak was his responsibility, and said a string of circumstances had delayed the project.

Last Thursday, a day after an Observer reporter talked to the builder, Mrs. Smith's frown turned into a smile.

A crew of three had attacked the room, replacing the drywall and raising the skylights.

No more wet look.

A leaky room in Maria and Eugene Smith's Canton home has been a problem for several months, but was apparently corrected recently by the builder.

# State signing up for par-value plan

More than 20 Michigan communities appear ready to join a travel promotion program in which Canadian dollars would be accepted at par with American dollars, says Jack Wilson, Michigan Travel Bureau Director.

The cooperative par value program, sponsored by the Michigan State Chamber of Commerce, the Michigan Travel Bureau and local chambers of commerce, was inspired by a highly successful experiment initiated in Plymouth last year by Scott Lorenz, general manager of the Mayflower Hotel.

"Plymouth — in ignoring the approximately 22 percent differential between Canadian and U.S. dollars — has attracted thousands of Canadian tourists and brought some \$300,000 into the local economy," Wilson said.

"As a result of the success in Plymouth, involving state and local support, and previous successes by individual properties in many areas of Michigan, the voluntary community participation concept has experienced a very positive response from a large number of communities and expressions of interest from still more local units."

The names of the communities will be released after the local chambers of commerce confer further with their business members.

"THE NUMBER of communities willing to get involved in this program shows a broad-based and growing support which will permit us to move forward with this important, imaginative program," said James Barrett, president of the Michigan State Chamber of Commerce.

"Participation by local chambers of commerce is voluntary and the program clearly is targeted to build travel activity during non-peak periods," said Wilson.

"The state chamber, the travel bureau, and participating communities will cooperate in advertising in Canadian newspapers in brochure development and in processing the resultant inquiries."

"This is an excellent example of public and private sector participation and initiative to further strengthen local economies and that of the state as well," Wilson added.

Scott Lorenz (right), general manager of the Mayflower Hotel in Plymouth, was honored recently by the Metropolitan Detroit Convention and Visitors Bureau as a recipient of the Detroit Ambassador award for his ingenuity and dedication in promoting tourism throughout metropolitan Detroit. Presenting the award is Richard Kughn (left), board chairman of the bureau.

### NIGHT CRAMPS

A problem that plagues a number of people is being awakened from sleep by leg cramps. Relaxation of muscles occurs in Stage IV sleep. In contrast, in Stage III sleep the muscles are in a state of tension, and prolonged time at this sleep level causes muscle cramps. An abrupt awakening to stop this pain becomes necessary when the body, for unknown reasons, cannot relax muscles by reaching R.E.M. sleep.

Treatment of night cramps consists of medication to encourage R.E.M. sleep. Certain drugs used to treat depression, when taken at night, are effective for this purpose. Anyone suffering from night cramps should seek medical aid; therapy is possible, safe, and reliable.

## A Halloween Cake For All Ages

Halloween is one of the happiest days of the year for children, particularly when it is capped by a gathering of family and friends. This year, plan to meet for an extra-special treat of Jack-O'-Lantern Cake, a centerpiece dessert that will disappear like magic.

The Jack-O'-Lantern Cake is a treasure trove of treats — with candy baked inside as well as tumbling out. Its zesty taste results from crushed sour orange hard candies that also give it a light orange color. Two bundt pans are required to create the perfect pumpkin shape. The cakes are trimmed slightly of their rounded tops, stacked inverted so the bases face each other, and then iced with a gay pumpkin-hued buttercream frosting.

The center "well" of the cake is filled with confections, a charming way to reflect the tradition of the holiday. Cider or a simple punch made festive by adding sparkling club soda provides the perfect liquid refreshment.

An informal party is right in keeping with the "Meet 'n Treat" program urged by the National Confectioners Association for more than ten years. The program encourages parents to accompany their children on treating rounds, observing safety rules outlined by the NCA and the National Safety Council, and then climax the day's celebration with family, neighborhood or community parties.

The party can be kept very simple — no more than just a sharing of the "goodies" as parents watch — or it can be a full-scale production, featuring haunted house recreations and dinner. The point is to experience the sharing of an occasion with one another, which will insure that everyone has a truly happy Halloween.

|--|--|
| 4 1/2 cups unsifted all-purpose flour    | 1 tablespoon orange extract              |
| 3 1/4 teaspoons baking powder            | 6 large eggs, at room temperature        |
| 1/2 teaspoon baking soda                 | 1 3/4 cups milk                          |
| 1/2 teaspoon salt                        | 3/4 cup finely crushed extra sour orange |
| 1 1/2 cups butter or margarine, softened | hard candies (6-ounce package)           |
| at room temperature                      | Assorted candy for decoration            |
| 2 cups sugar                             |  |

Sift together flour, baking powder, baking soda and salt. In a large bowl cream butter and sugar until light and fluffy. Add orange extract. Beat in eggs, one at a time. Alternately add milk with dry ingredients to creamed mixture. Blend well. Stir in crushed candies. Grease two 10-inch bundt cake pans. Preheat oven to 350°F. Divide batter between two prepared pans and bake 40 to 45 minutes or until cake tester inserted in center of cake comes out clean. Cool 15 minutes in pan. Turn out onto cooling racks. Cool completely. With a sharp knife trim bottom of cakes so they lie flat. Invert one cake flat side up; frost with Orange Frosting\*, place remaining cake on top so two flat surfaces are together; frost outside of cake. Decorate with licorice sticks and fill center with assorted Halloween candies. YIELD: 20 to 30 servings.

- |   |   |
|---|---|
| 1/2 cup (1 stick) butter or margarine, softened | 4 cups confectioners' sugar (1-pound box) |
| 1 egg   | 1 to 2 tablespoons milk                   |
| 1/2 teaspoon orange extract                     | Yellow and red food coloring              |

Beat butter until light. Beat in egg and orange extract. Gradually stir in sugar. If necessary, add milk until frosting is of spreading consistency. Stir in yellow and red food coloring to make frosting orange. Use to frost Jack-O'-Lantern Cake.

## Halloween Safety Recommendations

- \* Wear light-colored clothing short enough to prevent tripping, and add reflectors
- \* Make sure your children can see well through face masks
- \* Accompany young children
- \* Go out in daylight and carry a flashlight in case of delay
- \* Stay within the neighborhood and only visit homes you know
- \* Watch for traffic
- \* Only give or accept wrapped or packaged candy
- \* Examine candy before allowing children to eat it

- \* Cross streets only at corners, never between cars or diagonally across intersections
- \* Look in all directions before crossing the street
- \* Obey all traffic signals
- \* Always walk — never run — across streets
- \* Walk on the sidewalks, not in the road
- \* When waiting to cross the street, stay on the sidewalk, not on the curb
- \* Watch carefully for cars that may be backing out of driveways

**No tricks to find in these party treats**

Capture the look of autumn with colorful arrangements of dried leaves and flowers, with a bowl of big red apples, a spray of Indian corn on the door and pumpkins everywhere. Then, capture the season's flavor with a fresh new pumpkin dessert. Made with whipped topping, the dessert has a nutty graham cracker crust topped with a pumpkin-pie-spiced, creamy mixture of marshmallow creme, pumpkin, gelatin and whipped topping. Frozen topping right from the freezer - blended with orange juice makes another great treat for ghosts, goblins and other Halloween revelers.

**FLUFFY PUMPKIN DESSERT**  
1 cup graham cracker crumbs  
1/4 cup margarine, melted  
1/4 cup finely chopped nuts  
2 tbsp sugar  
2 envelopes unflavored gelatin  
1/4 cup cold water  
1 cup milk  
1 7-oz jar marshmallow creme  
1 16-oz can pumpkin  
1 1/2 tsp pumpkin pie spice  
1/4 tsp salt

**DREAMY ORANGE SHAKES**  
1/4 cup orange-flavored drink or pure 100-percent unsweetened pasteurized orange juice  
1 8-oz container (3 cups) frozen whipped topping

Cut frozen whipped topping into pieces. Place orange juice and whipped topping in blender container. Cover, process on high speed until well blended, 2 cups.

1 8-oz container (3 cups) whipped topping, thawed  
Combine crumbs, margarine, nuts and sugar; press onto bottom of 9-inch square pan. Bake at 350°, 10 minutes. Cool.

Soften gelatin in water, stir over low heat until dissolved. Add milk. Cool. Combine marshmallow creme, pumpkin and seasonings, mixing with wire whisk or electric mixer until blended. Chill until thickened but not set; fold in 2 cups whipped topping. Pour over crust; chill until firm. Top with remaining whipped topping, 6-8 servings.

**Carve a pumpkin for dinner**

Pumpkins, although traditionally used to carve into Jack-O-Lanterns or bake into pies, make a surprisingly good vegetable to eat. The Oakland County Cooperative Extension Service recommends selecting pumpkins which are heavy for their size and which have ribs that are smooth and free from spots. Pumpkins will keep 2 to 3 months, if stored at 50-55° with 70-75 percent humidity.

Prepare by cutting in half, removing seeds and stringy portions. Save seeds for roasting.

To cook in water: cut halves into small pieces; then pare. Add pumpkin to small amount of boiling water and cover. Simmer gently for 25-30 minutes or until tender. Drain well and put through sieve or blender.

Bake by cutting pumpkin in halves or quarters. Remove seeds. Place cut side down in a shallow pan and bake in a 350° oven for 1 hour or until pumpkin becomes tender and begins to fall apart. When cool enough to handle scrape the pulp from the shell and put through a sieve or blender.

Freeze by cooling and packing into airtight freezer jars or plastic containers leaving 1/2-inch head space. Seal and freeze. 1 1/2 to 2 cups of pumpkin will make one 9-inch pie.

**Dressing old as salad**

Salad dressings have a long and interesting history, dating back to ancient times. The Babylonians used oil and vinegar to dress greens, and the Chinese have used soy sauce for possibly 500 years. Romans used salt to bring out the flavor of the herbs they preferred.

In fact the very word "salad" comes from the Roman word for salt, "sala." In Latin, salads were called "herbes salatae," salted herbs, which became "salad" in English.

Almost everybody is familiar with oil and vinegar and the mayonnaise-based dressings, such as Thousand Island. Made from foods commonly found in the kitchen, you can mix them yourself or buy them bottled. To get even fresher flavor, use one of the packaged dressing mixes. These are convenient and easy to make, just add milk and mayonnaise. Each of the many flavors contains different herbs, spices and cheeses, adding to the delicate flavors so complimentary to salad greens.

**Because of the sauce These enchiladas a favorite**

**pilot light**  
**Greg Melikov**

The daily bread of Mexico is more than a passing fancy in this country, thanks to Texas and California. Mexican cooking is in today and the tortilla is as important to it as the crepe is in the French kitchen.

One of the tastiest creations is the enchilada, a corn tortilla briefly fried in oil or lard, wrapped around a filling of beef, pork, chicken or cheese and onion, then topped with a sprinkling of cheese or onion or both or a sauce.

Frankly, I found the enchiladas in Central and Southern Mexico less to my liking. I'll never forget the chicken enchiladas I didn't enjoy in Taxco, the Silver City. They were much too dry, the chicken wasn't chopped fine enough and missing was the melted cheese topping.

My wife's favorite is cheese and onion enchiladas, topped with a little beanless chili and melted cheese. She makes them regularly and I gorge myself.

**CHICKEN ENCHILADAS**  
1 1/2 cups tomatoes and green chilies  
1 pkg (3 oz.) cream cheese, softened  
1 tsp salt  
2 cups finely chopped cooked chicken  
1 green onion, finely chopped  
Cooking oil  
12 corn tortillas  
Sour cream sauce, heated  
1 cup shredded medium sharp Cheddar cheese

Combine tomatoes and chilies, cream cheese and salt in mixing bowl; stir in chicken and onion. Line skillet with oil, heat on medium and fry tortillas one at a time until limp, 5 seconds per side, and drain. ## Central rally costs Rocks victory, title

By Chris McCosky  
staff writer

You look at the statistics and wonder how it could have happened.

How did Plymouth Salem lose?

Quarterback Mark Tindall ran for 121 yards. Fullback Scott Jurek ran for 111. The Rock offense put 25 points on the board. The Rock defense held Walled Lake Central's premier tailback Wayne Adams to just two yards rushing. In fact, Central amassed just 86 yards on the ground all night.

So how did Central win 28-25?

"I guess it was just their night," said a dejected Salem coach Tom Moshimer afterwards. "We got all the breaks last week against Bentley. Tonight, Central got the breaks. It all comes around in the end."

**CENTRAL QUARTERBACK** Tom Menard was the difference in the game. He rushed for 79 yards, but more

important, he completed 8 of 12 passes for 148 yards. It was Menard who ignited Central's stunning fourth-quarter comeback.

With the score deadlocked at 15 at halftime, Salem drove from its 20-yard line to the Central 8 in its first possession of the second half.

The drive was similar to the Rocks' two first half scoring drives. The Rocks took the game's opening kickoff and drove 72 yards in 14 plays to score on a 13-yard Tindall to Craig Morton pass.

Tindall, running the wishbone to perfection, battered the right and left sides of the Central line for big chunks of yardage. Tindall rushed for 48 of the 72 yards in that drive.

**SALEM THEN** crossed the Vikings up by running Chris Raymond around left end for a 2-point conversion.

A 41-yard punt return by Central's Paul Henry, set up Menard's 5-yard TD on the final play of the first quarter.

Then Menard hit Jeff Schneider with a 2-point conversion pass to tie the score.

Salem, on its next possession, marched 73 yards in 12 plays to score on Jurek's 1-yard plunge. Central altered their defense to stop Tindall on the outside, so the Rocks gave the ball to Jurek up the middle.

After Mark Dixon's point after, Salem was ahead 15-8.

Central tied the score on Menard's 24-yard run with five minutes left in the half.

**THAT BRINGS US** to the third quarter with the score tied at 15. Another long Salem drive stalled. With a fourth down on the Central 8, Dixon put Salem ahead 18-15 with his 25-yard field goal.

Salem appeared to have things sewn up when Tindall fooled everybody on a bootleg around left end for a 12-yard touchdown. Dixon's point after gave the Rocks a 10-point lead with just nine minutes left to play.

Things looked even better when, with eight minutes left, Steve Sobditch picked off a Menard pass.

That's when Menard took over.

He picked off a Tindall pass at the Rock 37. He hit Dave Chwalibag twice, once for 19 yards and once for 10 to set up Adams' 6-yard TD run. Central's 2-point conversion bid failed and with 4:47 remaining, Central cut the lead to 25-21.

**SALEM AGAIN** failed to move the ball. With 3:15 left, Menard was back in business.

He hit Adams with an 18-yard pass that was tipped by the Rocks' Chris Raymond. Then Menard missed on three passes in a row, which set up a fourth-and-10 situation.

Quarterback Mark Tindall was brilliant in defeat Friday night. The senior quarterback ran the patented Rock wishbone to perfection and gained

121 yards rushing. He also threw a 13-yard TD pass.

## Canton advances

## Bentley zips Shamrocks

By Paul King  
special writer

Jeff Wilkinson recorded his seventh shutout of the season as Livonia Bentley upset Redford Catholic Central 2-0 in state pre-regional boys soccer action Friday afternoon.

The win enables the Bulldogs (9-3-4) to advance to regional semifinal play against crosstown rival Livonia Churchill.

After a scoreless first half, Bentley took the lead for good when Keith Archambault poked in a loose ball in the CC crease. Dennis Patchett drew the only assist on the goal six minutes into the second half. Just four minutes later, however, the Bulldogs would have some insurance, courtesy of Patchett.

The junior netted his 15th goal of the season when he beat CC goalie Pat Stocker with a penalty kick. Meanwhile, the CC offense was stagnated as the Shamrocks could muster only 10 shots for the game at Wilkinson.

The Bulldogs kept the pressure on Stocker most of the afternoon especially in the second half, when they peppered him with 16 of their 21 total shots.

The loss ended the season for the Shamrocks, which finished at 10-4-3.

**CANTON 3, A.A. PIONEER 1:** Pioneer took the early lead but Canton roared back with three second half goals to get the pre-regional win.

Tom Wright started the Chiefs scoring run at the 10 minute mark. Brian Whiteley and Steve Morell soon followed as the Chiefs went over .500 at 7-6-0.

**ANDOVER 5, N. FARMINGTON 0:** It was a big day for Andover, which was led by forwards John Artz and Chris Tennant, who each scored two goals.

Raider goalie Dan McCarthy stopped 15 of 20 Baron shots but lacked support from the offense.

**CHURCHILL 4, FRANKLIN 1:** Churchill won the battle of Livonia Friday, breaking open a close 2-1 game to advance to the next round.

After the Patriots opened the scor-

ing, Churchill evened matters when Phil Lussier beat goalie Brian Terski on a penalty kick. Ray Glasso then put the Chargers in front to stay with his sixth goal of the year.

Senior John Neff rounded out the scoring with two second half goals for the Chargers.

**FARMINGTON 2, GRAND BLANC 1:** The shots were even, but Mario Said's two goals were the difference as Farmington advanced.

Falcon goalie Mark Pingree, meanwhile, stopped 15 Bobcat shots. The win upped Farmington's overall record to 8-6-3.

Wednesday also belonged to Said, as he tallied two goals and added two assists as the Falcons beat Livonia Franklin, 5-1, on their home turf. Doug Prince also helped the Falcon cause with two goals.

**NOTRE DAME 3, GARDEN CITY 1:** The Irish used two goals by Matt Bergtold to beat Garden City and advance to regional semifinal play.

The Cougars, in only their second year of varsity soccer, finished the season with a fine 13-2-0 mark.

The Irish, which did all their scoring in opening half, got started on a goal by Mike Puchalski. Paul Pummill brought the Cougars even when he netted his 29th goal of the year with assists going to Andy Muglia and Ramon Escobar. That's when Bergtold took over.

**STEVENSON 9, ANDOVER 0:** It was a field day for the Spartans as they rolled to the next round behind three goals from Dan Divens. Not to be outdone, teammates Eric Pence, Rob Costanza and John Gelmini each added two goals each.

Terry Harshfield had an easy night in the nets as he registered his eighth shutout of the year.

On Wednesday, Stevenson upped their record to 15-2-1 as they blanked Farmington Harrison, 5-0. Pence had another big day with three goals while teammate John Gelmini added two giving him 24 on the year.

Hawk goalie Kelly Burningham was heroic in defeat, stopping 45 Stevenson shots.

Canton's Greg Houston looks for an open teammate. Canton defeated Ann Arbor Pioneer to stay alive in the state soccer regional.

# Salem defense puts the clamps on Chargers

The scoreboard read 6-0 after one quarter.

A football game right? Plymouth Salem leads Livonia Churchill 6-0 on a Mark Tindall touchdown, right?

Wrong.

The Salem girls basketball team is showing the rest of the Western Lakes Athletic Association what good defense is all about.

The Chargers, scoreless after one quarter Thursday night, could not just seven baskets and two free throws the entire game. The final score: Salem 31, Churchill 16.

"Our defense was really, really good tonight," said Rock coach Fred Thomann, whose team allowed just 25 points against Farmington Tuesday night.

"We played them really hard. We took away their pattern and forced them into taking long shots. And we didn't allow them any second shots," he said.

A team will win a lot of ballgames that way.

Salem (11-3 overall, 8-3 in the WLAA) didn't exactly overwhelm Churchill offensively. But, that's of no concern to Thomann.

"YOU CAN'T worry about how many points you score. It's how the game flows. Obviously, we had just as hard a time scoring as they did. We got most

of our scoring off the perimeter. But, neither team scored from the (free throw) line. They were two of 10 and we were one of nine — you won't score many points doing that," Thomann said.

Fran Whittaker led all scorers with 11 points. Pam McBride had six and Dawn Johnson and Kelly Bernis each had four.

Churchill's top scorers — Patty Smith and Tracy Greenwald — each had four points.

Salem has an important WLAA contest Tuesday as it plays host to Livonia Bentley, Bentley, 10-1 in league play, defeated the Rocks earlier this season.

"We're playing well," Thomann said. "We will be in the game. I don't know if we are going to win or not, but when it comes down, we'll be there. And that's all that matters."

BENTLEY 51, CANTON 28: Canton played a strong first half against the talent-rich Bulldogs, but a 17-6 third-quarter spurt salted the game away for Bentley.

Amy Weber triggered the third-quarter Bentley rally. With the Bulldogs leading 20-15 entering the second half, Weber made three quick steals off the press and converted them into easy layup baskets. Weber finished with 11 points. Bentley's Laurie Day scored 15 to lead all scorers. Day also pulled

down 10 rebounds.

Tami Budlong and Laura Darby each scored 10 points to lead the Chiefs.

"We didn't really have much trouble tonight," said Bentley coach Tom Lang. "We shot poorly in the first half. We got

ahead slowly, then put them away with a good third quarter."

Canton, who had come off two im-

pressive wins against Churchill and Northville, saw its record fall to 5-6 in the WLAA, 5-8 overall.

## Chief gridders' rally falls just short

Dan Gilmartin threw three touchdown passes, two of them to his favorite receiver Rick Rozman, as Livonia Stevenson held on Friday night to beat Plymouth Canton 27-21 in a Western Lakes football game.

Trailing 27-0 at the half, the Chiefs rallied for a pair of fourth quarter TDs, but simply ran out of time.

Canton's final score, a 15-yard run by wingback Matt Flower, came with just 54 seconds remaining in the contest.

Gilmartin opened fire with short range artillery, hitting senior Tom York with a 30-yard TD pass. Huddy added the extra point and Stevenson

The Canton faithful had very little to cheer about in the early going as Stevenson took command early.

In the opening quarter, senior defensive back Bill Uile romped 35 yards with a Tony Aiken pass to put the Spartans in front. Peter Huddy's PAT gave Stevenson a 7-0 lead.

CANTON, however, was about to be introduced to the Gilmartin and Co. airshow as the second quarter began.

Gilmartin opened fire with short range artillery, hitting senior Tom York with a 30-yard TD pass. Huddy added the extra point and Stevenson

was up by 14.

Next, Gilmartin decided to change receivers, teaming up with Rozman for an 18-yard TD play. Huddy remained perfect with the extra point and the Spartans were comfortably in front, 21-0.

Finally, Gilmartin brought in the heavy artillery as he connected again with Rozman for a field covering 75-yard score, but Huddy missed the PAT as Stevenson enjoyed a 27-0 advantage at intermission.

Canton finally came to life in the second half as Aiken found Jim Kaske

with 30-yard pass for a TD.

THE CHIEFS, who rolled up 293 yards worth of total offense, began mixing their attack effectively against the Stevenson backups.

Early in the fourth, junior Rod Boyd, who ran 101 yards on 22 carries, ran in from 10 yards out for a TD.

Canton then made things even more interesting when Aiken scored on the two-point conversion, which made the score 27-15. But Stevenson refused to break despite the late TD by Flowers.

In all, the two teams combined for 547 yards total offense.

## Rock women runners capture crown

The Plymouth Salem cross country teams went to Oakland Community College Thursday in quest of two Western Lakes Athletic Association Lakes Division titles.

They brought home one.

The Salem girls completed their perfect 4-0 league dual-meet season by smothering Farmington 21-38.

Shelly Simons won individual honors with her time of 21:19. That ousted second-place Falcon runner Laura DeAngelis by five seconds.

Trish Donnelly (21:38) and Heidi Dupret (22:19) ran third and fourth. Amy Miyazaki (23:06), Paru Bhavsar (23:07), her best time ever, and Michelle Donnelly (23:59), placed sixth, seventh and eighth to round out the Rocks' field.

Salem has its sights set on the WLAA league meet Tuesday. Coach Tom Williams said his team, Livonia Churchill and Livonia Stevenson will be the teams to beat.

THE SALEM BOYS were defeated in their bid for a Lakes title, 20-35, despite a fine performance by Scott Steiner.

"Steiner ran a super race," Williams said. "He was behind after about a mile, mile and a half, and he came on. He's just got a lot of guts."

Steiner's 16:56 gave him first place, but the next five runners to cross the finish line wore the Farmington blue and white.

"We just couldn't break up their

pack," Williams said.

Those five Falcon runners finished six seconds apart, three of them crossed the line together in 17:19.

Salem's Eric Pedersen (17:33), Bill Morely (17:55), Phil Madis (18:03) and John Keros (18:04) finished in places 7, 8, 9 and 10.

"I'm real happy with the way the season went," said Williams, whose Rocks ended up 7-3 in dual meets. "We lost four seniors from last year and I really had no idea we could even be this close. Next year, I'm looking to have almost everybody back."

Salem will try to pull some upsets at the WLAA league meet on Tuesday.

THE PLYMOUTH CANTON BOYS

cross country finished its season on a winning note, ousting Farmington Harrison, 24-35, Thursday.

The Chiefs' Mark Crotty finished second, just three seconds behind Harrison's Mike Esker. Crotty ran a 17:10.

Tim Collins came in third with a 17:29. Brian Teller (17:41), Ken Rosal (17:57) and Ken Bidding (18:23) placed fifth, sixth and eighth for the Chiefs.

THE CANTON GIRLS lost their finale to a tough Harrison squad, 23-34.

After surrendering the first two places to the Hawks, Kelly Murphy (21:49) and Ida Williams (22:17) took third and fourth. Jan Alvarado (22:28) placed sixth for the Chiefs.

## Rocks take tumble

Continued from Page 1

Menard dropped back to pass. He was rushed heavily, but, as he did all night long, he eluded the tacklers. He then threw a pass low to Chwalling. The Rock coaches and players screamed it was a trap, but the referee's signaled the pass complete. Central had a first down at the 24 with 2:21 remaining.

On the next play, a long run by Menard was nullified by a clipping call. That made it first-and-16 from the 30 with 1:32 left.

That's when all the smiles turned to tears on the Rock bench. That's when Menard threw a beautifully disguised screen pass to Adams who broke two tackles in the Rock secondary to score the game-winning TD.

"WE HAD THEM," said Moshimer. "We gave it our best shot and we came up short."

Moshimer praised the efforts of

Menard.

"They got a lot of quickness at quarterback. He made a lot of big plays. That's what really hurt us. Big plays. Take away the punt return, and the two long runs in the first half and we have a different ballgame. When you score 25 points against this team, you expect to win," he said.

The win gave Central first place in the Western Lakes Athletic Association Lakes Division. They will have a rematch with Farmington Harrison, the champions of the Western Division, Friday night at Walled Lake to determine the WLAA champion.

Salem will host the Western Division's second-place Northville team Friday night.

"I told the kids we got two more left to play. We are 6-1. We can still have one heck of a season. We're going to just go to pick up our heads and go at them," Moshimer said.

Joanna Cassidy and Nick Nolte find romance and danger as American journalists caught up in Nicaragua's civil war in "Under Fire."

the movies  
**Louise Snider**

## Involved audience responds vocally at 'Under Fire'

This is not a movie that leaves one neutral. At the end of the screening, the audience was very loud and very positive in its approval. Shouts of "liberty" rose above the applause. The movie that prompted this reaction is "Under Fire" (R), a tension-filled, political thriller.

The time is 1979. The place is Nicaragua. The event is the overthrow of the dictatorship of Anastasio Somoza by the Sandinista revolutionaries.

Journalists, like predatory animals on the track of prey, have poured into the country in anticipation of the carnage.

Nick Nolte, Joanna Cassidy and Gene Hackman are three Americans covering the civil war. Nolte is Russell Price, a photographer. His cameras hang from his neck like appendages and go with him wherever he goes. And whatever the situation — while being shot at, while at a party, even right after making love — he keeps up a rapid-firing sequence with his camera. Hackman (Alex) and Cassidy (Claire) are reporters.

THE THREE HAVE come to Nicaragua from Chad, where they were neutral onlookers of another war. They got their stories, sent back their photos and found time for romance.

Alex and Claire were lovers, but when they left Chad, they split. He wanted to upack, settle down and take on an anchorman's spot with a television station in New York. She wanted to keep moving. He leaves and Russell moves in.

However, as Russell and Claire cover this war, things happen that change them. They begin losing their objectivity and detachment. Instead of just photographing and reporting events, they let their sympathies for the rebels lead them to involve themselves.

"I don't take sides. I just take pictures," Russell says when he arrives in Nicaragua. By the time he leaves, he's doing both. He's making the news and reporting it.

If Russell is moved, so is the movie audience. The movie is very effective in conveying the horror of war for the civilian population, whether in cities or villages. From one street to another, one vegetable patch to another, there is chaos. No one knows who is in control, who is firing shots, what places are safe, what roads are drivable.

"UNDER FIRE" was filmed in Mexico and has a very authentic look to it. It's fast-moving and superbly edited and photographed. It captures the immediacy of the news photographer on the scene of dramatic action.

Nolte is the single most effective and dominating character in the movie. Cassidy is an attractive and moderately credible sidekick. Hackman, unfortunately, doesn't develop any depth to his role. He seems less a real character and more a mere device for setting up the movie's climactic ending.

Ed Harris distinguishes himself as a mercenary who scarcely knows what side he's fighting for. At one time, in Chad, he actually gets mixed up and joins the wrong troops.

People might find fault with the movie's portrayal of the good guys (Sandinistas vs. the bad guys (Somoza's forces). But whatever has transpired since the Sandinistas took power, in 1979 they were the good guys. I have yet to hear anyone find anything good to say about Somoza.
