The Canton Connection

CANTON Township Supervisor James Poole has made a personal appeal to the thief who made off with a \$13,500 pump from the Brookside subdivision on Cherry Hill Road east of Lotz Road.

The Gormon Rupp Pump, which is blue and measures 6 feet high by 8 feet long, is used to pump out storm sewers when heavy rains threaten to flood basements.

"When you steal from the citizens that's bad enough," Poole said. "But some of the kids that live in the homes where basements flood have respiratory problems. I've seen them choke."

Poole said the pump weighs three or four thousand pounds. "That's like stealing an elephant. But I guess if you need the money . . ."

Poole, who said he was not entitled to offer a reward, said he would retrieve the pump himself if anyone knows where it is and said if the thief returns it, there will be "no questions asked."

LIBRARY AND Township Hall visitors, frustrated at having to dodge potholes, should be happy to hear that the township is in the process of securing bids to have the parking lot repaved.

Chief Building Official Aaron Machnick said some areas of the parking lot "are badly deteriorating because of poor drainage and high traffic."

Machnick said the township engineers suspect "subsurface drainage problems" because of improperly installed or silt-filled drains causing a substantial amount of water to collect underneath the pavement.

Officials are considering a phased repaving process, which would involve the replacement of 22,500 square feet of the most damaged pavement, or a total repavement which could cost up to \$100,000.

A GRANT APPLICATION has been filed with the Michigan Office of Services to the Aging for the funding of the local Tele-Care Program.

Community Development Block Grant Funding for the countywide telephone reassurance program for senior citizens was cut during the middle of the budget year causing communities to locate other funding methods.

Other communities included in the grant application are cities and townships of Plymouth and Northville. Three Tele-Care workers contact about 110 seniors in the five communities once a day to check on their health, medical needs or other problems.

Canton Township will serve as the lead financial agent between the state and the other communities and will advance 25 percent of the cost of service until the final state audit.

DIABETES EDUCATION is the topic Thursday evenings 7-9 p.m. at Oakwood Hospital Canton Center. Sessions will be held through Oct. 11 and include such topics as "Learning to Live with Diabetes" and "Physical Activity and Exercise." Call the hospital at 459-7030 for more information.

CANTON SENIOR citizens are invited to participate in the 17th Annual Michigan Recreation and Park Association Mackinac Island get-together Oct. 29-31.

A \$192 fee includes transportation and double-occupancy accommodations at the Grand Hotel as well as other activities. To register and for more information, call the Canton Senior Citizens at 397-1000, Ext. 278.

Voters' verdict on millage due

Plymouth-Canton residents will vote tomorrow on increasing their property tax by 1.74 mills for school operations for seven years.

The 1.74 mills or \$1.74 per \$1,000 state equalized valuation (SEV) for the first year will produce added income of about \$1.7 million and will prevent the district from facing a deficit of \$1.6 million in fiscal 1985-86.

Plymouth-Canton Schools Associate Superintendent Ray Hoedel estimates the deficit would increase to \$3.9 mil-

lion in 1986-87 without the millage increase.

Superintendent John M. Hoben said, however, that the district must balance its budget; therefore cuts of \$5.5 million would be required over the next two fiscal years without the millage increase.

Voters should go to regular school district election precincts tomorrow, not the municipal voting precincts. The polls will be open from 7 a.m. to 8 p.m. Anyone standing in line at 8 p.m. will

be allowed to vote.

The school district has not increased its millage in the past five years.

THE REQUEST for 1.74 mills was voted down last June, but the turnout was low and the margin of defeat small, so the school board decided to try again this month hoping for a larger turnout and clearer mandate from voters.

If approved, the 1.74 mills would cost the owner of a home valued at

\$60,000 an additional \$52.20 a year, for an \$80,000 house an added \$69.60 a year, and for a \$100,000 house an additional \$87 the first year.

If the millage is approved, says Hoedel, Plymouth-Canton Community Schools' taxes still would be 23 percent less than Wayne-Westland Community Schools, 9.4 percent less than Northville Public Schools, 6.9 percent less than Ypsilanti Public Schools and about the same as Livonia Public Schools.

In a comparison of money spent on each pupil, Hoedel points to the following districts: Grosse Pointe, \$5,015 per pupil; Southfield, \$4,627 per pupil; Bloomfield Hills, \$4,445; Plymouth-Canton, \$2,629; Roscommon, \$2,511; and Sturgis, \$2,481.

SCHOOL BOARD members said the 1.74 mills, if approved, would be used to keep:

Transportation services, library service, Talented and Gifted program, elementary physical education, art and music; athletic programs at the high schools, a full student day at the ele-

Can it be? It seems unbelievable, but the Plymouth Salem football team lost its third game in four tries — the worst start for the Rocks in many seasons. Paul Makara, above, tries to skirt the

Ballots aren't all equal

Some voters — those who registered between Sept. 5 and 24 — will get special treatment when they cast their votes on the Plymouth-Canton Community Schools' proposed additional millage tomorrow.

Unlike others, they'll receive beige-colored ballots. Local election officials are taking the action because of a Sept. 19 snafu in the Michigan House of Representatives. House Speaker Gary M. Owen adjourned the legislative session that day for the election recess before Senate-approved House Bill 5475 was voted on. The bill would have certified voters who registered during the month prior to the Oct. 2 special election. Normally, voters must register 30 days before elections.

Because the Legislature routinely has approved such bills in the past, officials are confident late registrants will be certified retroactively when the House reconvenes Nov. 13.

In the event "there is a challenge to voters who registered after Sept. 5," however, the district is using colored ballots.

"We are electing the option to permit everyone who registered to vote, but providing the option for separating the ballots if such separation is mandated after the election," said Richard Egli, community relations director for the district.

Voters using the special ballots will retain anonymity, Egli added. Speaker Owen adjourned the legisla-

Podiatrist indicted on drug charges

A Canton podiatrist was indicted by a federal grand jury on felony drug charges Sept. 17 in U.S. District Court in Detroit.

Dr. Jess Kraft of Southfield, who has offices in the Canton Professional Park, appeared before a U.S. Magistrate Sept. 21. He is free on a \$25,000 personal bond.

Kraft is scheduled to appear before U.S. District Judge Robert E. DeMascio, but no trial date has been set.

Caps 2-year joint investigation

Kraft was indicted on charges of engaging in a continuing criminal enterprise at his two offices in Detroit. The indictment includes 15 counts of mail fraud and 18 counts of distributing a controlled substance, painkillers Dilaudid, Demerol and Percodan.

ACCORDING TO the indictment,

Kraft issued drugs outside the usual course of podiatric practice for no legitimate medical purpose. The indictment said Kraft performed unnecessary surgery on patients who possessed valid Blue Cross/Blue Shield identification cards. Drug dealers allegedly would buy prescriptions for pain killers from the patients. Blue Cross/Blue

Shield was then billed for the surgery.

Conviction of engaging in continuing criminal enterprise carries a mandatory minimum sentence of 10 years in jail and a maximum sentence of life imprisonment.

A FORFEITURE of all property

and assets acquired as a result of the criminal activity also may be required if convicted.

The indictment was the result of a two-year investigation by the FBI, the Michigan State Police and Blue Cross/Blue Shield of Michigan.

Kraft, who had no comment on the case, referred all questions to his attorney, Robert Gittleman of Southfield.

Sewer down drain, other projects funded

By Gary M. Cates

Chances of stopping the U.S. Environmental Protection Agency (EPA) from spending grant money sought by Wayne County for the North Huron Valley/Rouge Valley wastewater system (Son of Supersewer) are gone.

"The money will be gone by Monday," said Richard Hinshon, director of the Michigan Department of Natural Resources' (DNR's) community assistance division.

As of late Friday afternoon, Wayne

County had yet to file a lawsuit to stop EPA from sending the money to other communities on the state's priority list for grants.

The county had intended to file suit today in Wayne County Circuit Court, according to Mike Conway, a spokesman for the Wayne County Executive's Office.

AS OF YESTERDAY, however, all of the money intended for Son of Supersewer has been sent to the other Michigan communities receiving EPA

grants, according to the DNR's Hinshon.

DNR serves as an agent for EPA grants in Michigan by setting the priority list for funding and processing grant applications.

EPA announced last month that Son of Supersewer wouldn't receive funding in 1984 and that other projects on the priority list would be funded, with the \$21 million reserved for the first phase of the \$120 million sewer project.

"Some of the other communities al-

CEP Marching Band captures 1st place

The Plymouth Centennial Educational Park (CEP) Marching Band captured a first place recently in a competition held in Utica.

The band, directed by James R. Griffith, went to Utica for the first of seven scheduled Michigan Competing Band Directors Association (MCBDA) competitions.

Winning six of seven division, the Plymouth-Canton band placed first in Flight I containing five high schools.

The CEP musicians won for best percussion, best color guard, best winds, best marching and maneuvering, best overall, and first place.

The MCBDA competitions take place for seven weeks leading up to the association's state competition to be held at the CEP home field on Saturday, Oct. 27.

BAND MEMBERS worked intensely preparing their show for this year's football halftime presentations and for the competitions at a one-week marching camp held in Northport, Mich.

For the 160-plus members of the band the camp was a requirement of participation. The musicians spent five hours a day marching and perfecting their drill, and two hours in sectional rehearsals.

The 1984-85 show contains three pieces of music especially arranged for the band, combined with exciting fact-moving drills. The show begins with the fun music of the Flintstones, the slower jazz music of "Night in Tunisia" follows, and the ending is the music from the Broadway show "Cats" with what else but cat faces.

This past Saturday the band entered a competition at Clarkston. Future competitions are Sunday, Oct. 7, Michigan Invitational in Flint; Saturday, Oct. 13, Lakeview Invitational in St. Clair Shores; Saturday, Oct. 20, Durand Invitational in Durand; Saturday, Oct. 27, the MCBDA State Marching Contest in Canton; and Saturday, Nov. 3, Western Michigan Invitational in Kalamazoo.

The CEP Marching Band exhibitions can be seen at halftime for both the Plymouth Canton and Plymouth Salem football games each time one of the teams play at home.

Bakery outlets costs less dough

By Sandra Armbruster and Diane Gale staff writers

A large public outcry accompanied the skyrocketing price of gasoline when it topped \$1 a gallon. Less noisy, but still having a similar impact on the consumer pocket, was the rising cost of baked goods.

Like gasoline, a loaf of bread tops \$1 a pound for many brands, but discount outlets for bakeries and distributors now offer a reasonable alternative to alert shoppers.

"Weight Watchers bread normally sells for \$1.07 a loaf, but we sell four loaves for \$1. That's a very big savings," said Cassie Cassar, manager of Farmland Distributors Inc.

"THE BAKERY" distributor, on Newburgh at Ford Road in Westland, was the original discount outlet in the area, according to Cassar. She said it opened in about 1967 under a different name and now is a privately owned business.

"People think (discount outlets) are a good mine. They open and close," she said, admitting that the growing number of such outlets has slowed their business.

"A couple years ago, we couldn't serve all our customers. People would shop as they stood in line at the cashier, but it's still pretty good," Cassar added.

Most of the products sold in the thrift shop from a variety of bakeries is fresh; however, the shop also stocks day old items at savings of more than 50 percent. Additional 10 percent discounts are offered senior citizens on Mondays through Wednesdays. Church groups who phone orders in advance also receive additional discounts.

Because the distributor receives direct shipments from bakeries and routes the products to supermarkets, it can offer those discounts. But being a distributor offers another advantage, according to Cassar.

"If you go to a company store, you only find their product," she said.

FOR AWREY Bakeries, a thrift shop isn't just a way to unload goods no one else wants.

"The concept of thrift stores started as a place to unload surplus and a little day-old goods, but it's gone so well that we even set up a 'hot shop' in the thrift store where you can buy goods that aren't sold anywhere else," said Tom Awrey, retail sales manager.

"Because Awrey Bakeries Inc., 12361 Farmington north of Plymouth in Livonia, is next door to the thrift shop, baked goods sold don't have to include shipping charges or supermarket rental fees.

For those whose taste includes natural products, the Brownberry Natural Bread Thrift Store, 31221

Five Mile, offers a discount since it buys wholesale. Senior citizens receive a special discount everyday, and Tuesdays are bargain days for everyone.

"They're not day-old products, like most people think," said Lisa Furguson, assistant manager. "Our idea is to give customers fresh products at the store, but at a reduced price."

ONE OF THE newer discount outlets is Entenmann's Bakery Inc., 13230 Newburgh in Livonia.

"The reason it's called a thrift store is that the product sold is a non-saleable product in the grocery store. It's returned from the grocery store," explained Jack Klausung of the marketing division.

The store codes products in terms of how long they will be fresh.

"The resale store is for day-old products, which means if it is a three-day fresh item, on the fourth day it would be in the store," he said.

Offering a variety of fresh and day-old products is the Koepplinger Thrift Store, 6547 Wayne Road in Westland.

The store carries a variety of baked goods from such makers as Sanders, Keeblers and Voortman's, in addition to Koepplinger's.

Only Koepplinger's products are discounted, according to Donna Michalak. Others are offered at supermarket prices or below. Senior citizens receive a 10 percent discount on Tuesdays.

At 19, Michalak may be one of the youngest store managers. She took over the operation last April after having worked for Koepplinger's as a co-op student at John Glenn High School. Michalak graduated in 1983.

present level of Special Education services, vocational education programs at the high school, support for crossing guards, support for music programs and for districtwide text purchases.

"While it is difficult to specify the exact cuts which would be required, personnel, supplies, athletics and maintenance would be among the areas which would be considered if cuts were necessary."

Administrators expect that defeat of the millage would result, among other things, in increased class sizes at some buildings and reduction of special education services to the minimum level of legal requirements.

In its campaign, school trustees and administrators are addressing the fact that 70 percent of the families in Plymouth-Canton don't have children in school. The literature points out that "Good schools help maintain or increase property values for all citizens. The best proof of this is to look at districts where there is little support for schools. In such districts property values generally are declining. Many people have moved to Plymouth-Canton because of the school system here. In general, quality in schools makes for quality in a community."

Hosel estimates that with the millage increase the fund balance at the end of the current fiscal year will be \$2.7 million, then \$1.9 million next fiscal year, and \$1.5 million the following. Without the increase, the current fund balance of \$1.9 million would drop to \$977,000 the end of the current fiscal year and then be wiped out next year forcing \$1.6 million in cuts.

The district now leases 35.26 miles for operations.

The letter voiced the Speaker's intention to do everything possible to assure (H.B. 5475's) passage," the spokeswoman said.

Egli said voters with questions may call the Supervisor of the Election at 451-6401.

Podiatrist faces drug charges

Gittleman said the U.S. government did not initiate the investigation of his client, but that it was initiated by Blue Cross Blue Shield of Michigan which, in his opinion, is unqualified to conduct such an investigation.

"WE HAVE a fiduciary responsibility to our subscribers to verify the dollars we spend in services," Anderson said.

"After our investigation, we presented our findings to the Michigan State Police and they in turn called in the FBI. Both agencies cooperated in the investigation that followed as did Blue Cross Blue Shield of Michigan."

"It was the result of this investigation that led to the indictment," Anderson said.

"We have investigated hundreds of tips leading to the arrest and prosecution of health-care providers encompassing the entire medical field," Anderson said.

GITTLEMAN SAID there is no mention in the indictment of malpractice by his client, who has been practicing for "well over a dozen years."

"BLUE CROSS is on a witch hunt," Gittleman said. "Blue Cross rates have been going up and they have to go into areas of least resistance," he said.

"Podiatrists and chiropractors are the most vulnerable," Gittleman said, because they are fewer in number and they lack the support of a steady clientele such as that of a family doctor.

A person's activities with drugs "doesn't mean he's not entitled to the same treatment as any other patient," Gittleman said.

A DRUG addict also requires stronger pain-killers prescriptions because his "pain threshold is much higher because he's so used to having drugs running through his system," Gittleman said.

A doctor's responsibility for his patient continues until the patient's discharge, Gittleman said, but a doctor's responsibility for a prescription ends when the patient walks out the door. "A doctor has no control if a patient sells a prescription," Gittleman said.

Kraft graduated in 1972 from the New York College of Podiatric Medicine in New York City and did his residency at Kern Hospital for Special Surgery in Detroit. He is a member of the Michigan and National Podiatry associations.

Gregory Anderson, director of the Blue Cross Blue Shield financial investigation division in Detroit, said "We began our investigation of Dr. Kraft in response to an independent allegation of fraud."

"It was the result of this investigation that led to the indictment," Anderson said.

Sewer project stopped up

ready have received the money, and I expect the EPA to work over the weekend to finish it up for the others," Hinshon said Friday.

Starting today, the beginning of a new fiscal year, all EPA contributions by law drop to a maximum of 55 percent rather than the 75 percent available in earlier fiscal years.

WAYNE COUNTY officials hoped to obtain a court order prohibiting EPA from spending the Son of Supersewer money until a judge could rule on the decision to bypass funding for 1984.

EPA claims planning for the sewer project is incomplete. It cited engineering flaws which still allow for pollution of the Rouge River.

County officials argue that the DNR, acting as an agent of the EPA, dictated the design of the system.

Without 75 percent federal funding, many believe the long-sought project will not be built because the cost to local communities will surpass financial abilities.

The project is aimed at correcting pollution problems with the existing Rouge Valley wastewater system and increasing sewerage capacity for all of the 17 participant communities. These include Plymouth Township, Canton, Livonia, Westland, Garden City and Redford.

An earlier attempt was made by Plymouth and Canton townships to stop the EPA from spending the grant money. But the townships backed off their attempts to seek a court injunction because the county is the grant applicant.

County EXECUTIVE William Lucas announced he would file a lawsuit in U.S. District Court after the EPA refused funding. County officials said they were aware of the need for a timely filing but failed to prepare the necessary paperwork before today.

Hinshon said the county's only hope of stopping the money from being spent is to seek injunctions against the successful grant recipients, Hinshon said.

Lucas' office was uncertain whether it would take such action, Conway said. County officials believe there is a question as to whether the money is actually gone.

Conway didn't offer an explanation as to why the lawsuit will be filed in circuit court rather than federal court, as earlier announced.

Canton man dies in car blaze

Garden City Police are investigating the fiery traffic death early Friday morning of a Canton man, Joseph Henry Miller, 33, died inside his car after crashing into a tree on Warren west of Burnly in Garden City.

Police said the car was at the side of the road pinned against a tree and in flames which rose 10 feet into the air.

The engine compartment and interior of the car were totally engulfed in flames which rose 10 feet into the air.

Thriving turkey industry now falling to pieces

By W.W. Edgar
staff writer

After playing the role of "The Turkey Man" for the Plymouth community for the past 40 years, Lloyd Sharland, now living in retirement, is amazed at the great changes that have taken place in the turkey business since he left it.

Sitting in the living room of his home on North Territorial Road in Plymouth, with his wife who also has retired from the trying tasks of slaughtering and taking care of the birds for their customers, he recounted the changes and fact that the turkey no longer is a bird just sought after on Thanksgiving Day and some of the other holidays in the year.

"It no longer is a one or two day business during the year," he said as he looked out of the window to the feeding ground for the 800 birds his son will have for the coming holiday.

"We used to buy the birds when they were chicks and then raise them, which was quite a trick. We had to have them nice and plump by the time the holiday came around. And oftentimes it was quite a job.

"But things are different now," he went on. "Some wise businessmen figured that if the turkey was in demand for the holidays it should be sought for other days of the year, too."

"So, they decided to cut up the bird and sell it by special pieces in the market."

"That's why you can go into the market today and buy different pieces of the bird, done up in special bags. There you'll find legs, wings, breasts, and all other segments of the bird and it is quite a change from the days we knew when all you bought was the whole bird."

With that he picked a paper that carried the news that the Bill Mar Foods, Co. near New Zealand, Mich., had lost by fire its largest plant — a plant that handled an average of 25,000 birds daily.

"Just imagine that," Sharland went on. "When we were at our peak out here we handled at most 4,000 birds a year. Now they cut up and handle 25,000 in a day. So, you can see the vast changes that have come about. It sure isn't like the old days."

SPEAKING of the old days, Sharland has lived through vast changes. He has seen and helped with the passing of the bronze (dark-feathered) turkey as it gave way to the white bird.

This change came about because Mother Nature gave the white bird a larger breast (and more white meat) than the bronze bird. So, it took over the market.

And now, in the past 10 years, there has been the other big change — the marketing of the bird by pieces instead of the entire body.

While he didn't say so — and neither did his wife who still is nursing a damaged leg and no longer can help with the dressing of the birds — he estimated the vastly greater number of dollars that can be made today compared to the sums that the old-fashioned method brought.

And, as they sat there, looking far off to the pens where their son will have about 800 turkeys this year, they were doing some mental arithmetic in dollars and cents. And the difference became quite large since they started the turkey business for the Plymouth community four decades ago.

But, like the old saying, you can take the boy out of the country but you can't take the country out of the boy, the one-time "Turkey Man" is going to get back into action this year by helping his son get rid of the 800 birds that will keep the name "Sharlands" in the turkey business.

'Our' baseball heroes hailed from places afar

In a few more days, we will be entering into what the sports world knows as baseball's Fall Classic and it will be interesting to know where the heroes of the championship series came from as few of them are home grown.

For instance, the best-known and best-remembered of the Detroit Tigers is Ty Cobb and he was a native of the fruit-belt in Georgia. In fact, he often is referred to as the Georgia Peach.

And Babe Ruth, a hero to the youngsters around the baseball world came out of a boys home in Baltimore to become the Home Run King of all time.

And that's the interesting part of looking at these players who are

THE MOST FAMOUS of this group is Charlie Gehring whom many consider the best second baseman of all time. Charlie, now a member of baseball's Hall of Fame, came off the fruit-belt in Georgia. In fact, he often is referred to as the Georgia Peach.

And Babe Ruth, a hero to the youngsters around the baseball world came out of a boys home in Baltimore to become the Home Run King of all time.

And that's the interesting part of looking at these players who are

themselves as a second baseman. He is a former manager of the Tigers and still is rated as one of the best second basemen. Another coal mine product was Steve O'Neill, a catcher who managed the Tigers in the 1945 World Series. A good steady player he always has been rated as the best.

AL KALINE, another Tiger Hall of Famer, served his apprenticeship in baseball on the sandlots of Baltimore where he still is a favorite.

"Dizzy" Trout, who cut quite a caper in the American League in the '30s and '40s, was a native of Sand Out, Ind. Meanwhile Lou Gehrig is a native of New York City.

Bill Freehan, one of the Tigers great catchers, came off the University of Michigan campus to earn a place in the majors. And that's where Dick Wakefield got his start.

Harry Hellman, another famous Tiger who is a Hall of Famer best known as the player who won the American League batting championship four times — three of them on alternate years in the 1920s.

So, if you go down the list you'll find many surprises and very few of the stars will be natives of the cities in which they rose to greatness in what is commonly referred to as the national pastime.

This shot of St. John Neumann Pastor Edward Baldwin (left), the Rev. Kenneth Gruebel of Geneva United Presbyterian Church and the Canton Supervisor James Poole inspired a host of readers to enter the Canton Observer's "Caption contest."

Catchy caption wins it

The Canton Observer has selected an entry submitted by Laura Williams of Edenbrook Farms as the winner in its Caption Contest. Williams suggested "Eddie, we told you it wasn't cute to fling your hat into the Time Capsule. Now you'll just have to live without it," as a caption for the photo of the Rev. Edward Baldwin, pastor of St. John Neumann Church, the Rev. Kenneth Gruebel of Geneva United Presbyterian Church and Supervisor James Poole taken at the recent burial of the sesqui-

Paper ballots aren't needed

The possibility of having to use paper ballots in Canton Township for the November election has been averted by "critical technical maneuverings," according to a Wayne County election official.

ALTERATIONS TO the voting booths, including installing shelves at writing level; also have been averted by the adjustments to accommodate the so-called "bedsheet ballot," the election official said.

Despite the adjustments to the voting machines, no additional technical difficulties are expected on election day, he said.

The deadline for registering to vote in the Nov. 6 presidential election is Oct. 9.

Canton Township residents can register at the Clerk's Office in the Township administration building or at any Secretary of State's office.

After the application is processed, the voter will receive a card in the mail listing the precinct and location of the appropriate polling place.

Staff members in the Township Clerk's office are expecting 50 to 75 percent of the township's approximately 25,000 registered voters to turn-out for the November election.

crime watch

A CAVALIER Road resident reported that an Irish Setter, who had gotten loose from a neighbor's yard, attacked her black Labrador Retriever while taking a walk Sept. 19. Her dog suffered bruised eyes and a cut lip and required four stitches for a cut on its back. The neighbor said his dog normally is kept behind a fence but had gotten loose when children left the gate open. The setter does not like other dogs, the owner said.

A 71-YEAR-OLD Livonia man was arrested for shoplifting at Meijer Thriftly Acres Sept. 21. The man, who said he needed money for the dentist, was caught trying to steal a phone-answering machine valued at \$170.

TWENTY GALLONS of Shell Super No-Lead gasoline was siphoned from a Chevy Caprice parked at a home in the 41000 block of Southwind the evening of Sept. 22. The gasoline was valued at \$25.

A \$1,700 stereo system was stolen from a home in the 7000 block of London Court sometime between Sept. 21 and 23. Thieves entered the home through a rear basement window and ransacked both bedrooms before leaving through a sliding glass door. Also reported missing were a leather jacket, two class rings and a jar containing \$20 worth of pennies.

A WINDSHIELD and two head lights were broken on a motorist's car at the I-275 overpass on Palmer Road about 8 p.m. Sept. 22. The motorist, a Woonsocket Drive resident, said something had been thrown or dropped from the overpass onto the oncoming traffic causing the damage to his 1981 Pontiac.

Millages are OK'd

Canton Township millages for the next fiscal year received final approval by trustees Tuesday night.

Trustees voted to keep next year's millage the same as this year for a total of 13 mills. That figure is broken down into police fund, 4.07 mills; fire fund, 3.06 mills; and general fund, 2.0 mills.

Approximately \$4.5 million is generated from those mills, which will account for 59 percent of the total township revenues in 1985.

Employment program opens doors in several fields

Applications now are being accepted for the Employment Dynamics program being run by Growth Works Inc., a non-profit community service agency in Plymouth.

Program activities include job search skill training and job placement assistance.

Participants have an opportunity to earn wages during each phase of the program, based on their performance in the training sessions.

Growth Works also will, in many cases, negotiate payment of training wage subsidies to private sector employers who hire participants from the program.

THE EMPLOYMENT program has been operated for seven years by Growth Works.

"We have consistently been ranked as one of the top youth employment programs in Wayne County, particularly in terms of our job placement rate," says Paul Chamberlain, program director.

Chamberlain expects the 1984-85 program to be just as successful.

"With our new emphasis on a wider variety of work experiences, we will be able to provide participants with job auditions in their fields of interest. We have commitments from several work sites throughout western Wayne County who will train our participants in fields including clerical, computer input, food service, landscaping, and others."

The Employment Dynamics program is funded through the Job Training Partnership Act (JOTPA), formerly CETA, of the U.S. Department of Labor.

Because of this funding, applicants must meet the following federal requirements to qualify: age 16 to 21, and a resident of a western Wayne County community — an area which includes Plymouth, Canton, Northville, Livonia, Wayne, Westland, Garden City, and Inkster.

Participants also must meet economic requirements.

Young people interested in more information about the Employment Dynamics program should call Growth Works at 455-4093 or 455-4090 from 9 a.m. to 4 p.m. Monday through Friday.

Families who are receiving unemployment benefits, disability payments, or receive limited income from working, and youth who provide some or all of their own support, generally meet the federal income requirements.

for your information

- EMPLOYMENT DYNAMICS**
The Growth Works Employment Dynamics Program is enrolling participants through June 1985. Purpose of the program is to help young people find permanent employment. The federally funded program for ages 16-21 offers job search skill training, work experience and job placement assistance. Persons may enroll at Growth Works at 271 S. Main, south of Pennington Avenue in Plymouth.
- PLUS PRESCHOOL REGISTRATION**
Registration is being taken for parents and children for the PLUS program for fall 1984-85. Children must be age 4 or before Dec. 1 and live in the attendance areas of Field, Eriksson, Gallimore and Starkweather. The program, which is celebrating its 10th birthday, offers classes for parents and children in Plymouth-Canton Community Schools at Central Middle School from September to June. Registration blanks are available at the schools or applicants may call PLUS at 451-6656. Class day will be determined following an orientation and testing session in September.
- SPECIAL EDUCATION SERVICES**
Preprimary special-education services for children 5 and younger are available through Plymouth-Canton Community Schools. If you have a child who may be mentally or emotionally impaired, have a physical or visual disability, a hearing or speech impairment or learning disability, call the Infant and Preschool Special Education Program at Farrand Elementary School, 402-0363, for information.
- BIRD SCOUTS**
There still are openings in Bird Scout Brownie and Junior Girl Scout troops. Any girl in grades one-six interested in joining a troop should call Judi Clemens at 453-3615.
- ALLEN BOY SCOUTS**
Boy Scout Troop 743, sponsored by Plymouth Elks, meets each Monday at 7 p.m. at Allen Elementary School. New members are welcome.
- GREAT BOOKS**
The Adult Great Books discussion group of western Wayne County will meet 8-10 p.m. the first and third Thursday of each month in the Carl Sandburg branch library, 30100 Seven Mile (next to Livonia Mall), Livonia. For information and reading list, call Zo Chisnell at 349-3121.
- WRITERS UNLIMITED**
Writers Unlimited, a creative writers' club, meets on the first and third Tuesday of each month at the Canton Public Library. Members read and critique manuscripts; the focus is on getting published. New members are welcome to attend the next meeting or call 420-0604 for more details.
- HEARTSAVER COURSE**
A CPR heartsaver course will be offered beginning 7 p.m. the second Monday of each month at Oakwood Hospital/Canton Center, 7300 Canton Center Road at Warren. To register, phone 459-7030.
- HEART SUPPORT GROUP**
A support group for men and women who have suffered a heart attack will be held once a month at Oakwood Hospital's Canton Center, 7300 Canton Center Road, beginning in October. The group will meet 7-9 p.m. the third Thursday of each month. There will be a \$2 fee per session.
- Group members will have the opportunity to meet with others who have undergone an experience similar to their own, and who are facing the lifestyle changes necessary after a heart attack. For further information, call 459-7030.**
- TELE-CARE**
Senior citizens in Plymouth-Canton may partici-

rate in a "Tele-Care" program in which telephone contact is made daily with senior citizens to check on their well-being. For more information, Canton residents may call 397-1000, Ext. 278, and Plymouth residents may call 453-3840, Ext. 37, or 453-2671 at Plymouth Township Hall.

DANCE SLIMNASTICS
Dance, stretch, pop, hop... it's all in the moves with Dance Slimnastics. Aerobic dancing is a rhythmic mixture of simple movements and dance steps set to music, designed to improve and maintain cardiovascular/physical fitness. Participation is not limited by age, sex, or shape. Class meets 7:30-8:30 p.m. Mondays and Wednesdays for eight weeks at the Plymouth Cultural Center, Farmer at Theodore. For information call 455-6620.

AEROBIC FITNESS
Aerobic Fitness classes are offered at St. John Episcopal Church on Sheldon Road in Plymouth in the morning and evening Monday-Saturday. Be-

Fall Brunch

CORNUCOPIA

RAISIN-WALNUT CRESCENTS

- 2 cups Bisquick baking mix
- 1/2 cup cold water
- 1 tablespoon granulated sugar
- 3 tablespoons margarine, softened
- 1/4 cup packed brown sugar
- 2 tablespoons raisins
- 2 tablespoons chopped walnuts
- 1 egg yolk
- 1 tablespoon water
- Glaze (below)

Heat oven to 425°. Mix baking mix, 1/2 cup cold water and the granulated sugar until soft dough forms; beat vigorously 30 seconds. Gently smooth dough into ball on surface well floured with baking mix. Knead 10 times. Roll or pat dough into 12-inch circle; spread with margarine. Mix brown sugar, raisins and walnuts; sprinkle over margarine. Cut into 12 wedges. Roll up, beginning at rounded edges. Place crescents, with points underneath, on ungreased cookie sheet; curve slightly. Mix egg yolk and 1 tablespoon water; brush over crescents. Bake until golden brown, 10 to 12 minutes; cool slightly. Prepare Glaze; drizzle over crescents. 12 crescents.

Glaze

- 1/2 tablespoon margarine
- 1/2 cup powdered sugar
- 1/4 teaspoon vanilla
- 2 to 3 teaspoons water

Heat margarine over medium heat until delicate brown. Mix margarine and remaining ingredients until smooth and of desired consistency.

CREPE CUPS LORRAINE

- Crepes (see recipe at right)
- 2 cups (8 ounces) shredded natural Swiss cheese
- 2 tablespoons all-purpose flour
- 1 cup half-and-half
- 1 teaspoon salt
- 1/8 teaspoon pepper
- 2 eggs
- 8 slices bacon, crisply cooked and crumbled

Prepare Crepes. Heat oven to 350°. Grease 12 medium muffin cups, 2-1/2x1-1/4 inches. Toss cheese with flour. Mix half-and-half, salt, pepper and eggs; stir into cheese mixture. Stir in bacon. Fit crepes in muffin cups; fill each with 2 tablespoons cheese mixture. Bake 30 minutes. 6 servings.

"Come for brunch." It's the best way to entertain friends in a relaxing manner.

With the advent of fall's cooler weather, you can choose a brunch menu to take advantage of delicious baking ideas plus the season's plentiful fruits.

Guests will delight in classic quiche baked in crepe-lined muffin cups. They taste as good as they look. Simple chicken salad wrapped in biscuit dough is another main-dish idea. Top it with a smooth cheesy sauce just before serving.

Fresh-baked fruit and nut crescents add a sweet touch. For a burst of color 'round the buffet table, enjoy a fruit salad complemented with cream cheese topping laced with lemon.

Brunch—you and your guests are going to love it.

Crepes: Lightly grease 6- or 7-inch skillet; heat until hot. Beat 1 cup Bisquick baking mix, 3/4 cup milk and 2 eggs with hand beater until smooth. For each crepe, pour 2 tablespoons batter into skillet; rotate skillet until batter covers bottom. Cook until golden brown. Gently loosen edge with metal spatula; turn and cook other side until golden brown. Stack crepes, placing waxed paper between each.

Do-ahead Tip: Prepare Crepes. Stack 6 cooled crepes between waxed paper. Wrap in aluminum foil and refrigerate up to 2 days.

CHICKEN SALAD TWIST WITH GOLDEN SAUCE

- 2 cups cut-up cooked chicken
- 1/2 cup thinly sliced celery
- 1/2 cup toasted slivered almonds
- 1/2 cup mayonnaise
- 2 tablespoons lemon juice
- 1 tablespoon finely chopped onion
- 1/8 teaspoon salt
- 2 cups Bisquick baking mix
- 1/2 cup cold water
- 1 egg yolk
- 1 tablespoon water
- Golden Sauce (below)

Heat oven to 425°. Mix chicken, celery, almonds, mayonnaise, lemon juice, onion and salt; reserve. Mix baking mix and 1/2 cup cold water until soft dough forms; beat vigorously 20 strokes. Gently smooth dough into ball on surface floured with baking mix. Knead 5 times. Roll dough into rectangle, 14x11 inches; place on ungreased cookie sheet. Spoon chicken mixture lengthwise down center of rectangle. Make cuts, 2-1/2 inches long, at 1-inch intervals on 14-inch sides of rectangle. Fold strips over filling. Mix egg yolk and 1 tablespoon water; brush over dough. Bake until light brown, 15 to 20 minutes. Prepare Golden Sauce; serve with twist. 6 servings.

Golden Sauce

- 1/2 pound pasteurized process cheese spread, cubed
- 1/4 cup milk

Combine process cheese spread and milk in saucepan; stir over low heat until smooth.

FRUIT SALAD SUPREME

- 1 8-ounce package cream cheese, softened
- 1/4 cup milk
- 1/2 teaspoon grated lemon peel
- 1 tablespoon lemon juice
- 1 cup whipping cream
- 1/2 cup powdered sugar
- 4 cups apple slices
- 3 cups honeydew melon chunks
- 3 cups seedless green grapes
- 1/2 cup chopped pecans

Mix cream cheese, milk, lemon peel and lemon juice. Beat whipping cream and powdered sugar in chilled small bowl until stiff. Fold cream cheese mixture into whipped cream mixture. Mix 1/2 cup of the cream cheese mixture and the apple slices. Layer melon, apple mixture and grapes in 3-quart bowl. Top with remaining cream cheese mixture; sprinkle with pecans. 12 servings.

Warm up for fall with these Tex-Mex fire and ice eggs

Clever cooks have found that a few eggs and a little imagination can go a long way toward creating easy-to-prepare main dishes that are perfect for any meal of the day. When old familiar egg recipes are spruced up with San Antonio style, they take on new family-pleasing taste appeal.

In Mexico picante means hot and spicy. In San Antonio it refers to a spicy blend of garden-fresh flavors found in a popular sauce with authentic Mexican taste. A standby for eggs prepared any style, picante sauce makes a lively flavor difference in standard egg recipes when substituted for all or part of the liquid or used as a topping. For instant Huevos Rancheros, a Southwestern menu favorite, simply pour picante sauce into the skillet in which you've fried or poached eggs to warm it through before spooning on top.

Fire and Ice Eggs combines eggs with bacon, cheese and rice in a satisfying casserole that's a snap to fix. The "fire" of picante sauce and the "ice" of dairy sour cream provide the palate-pleasing contrast so typical of Tex-Mex specialties. Bake until the eggs are as done as you like them, and serve San Antonio style, with additional picante sauce.

Whether you call it quiche, egg and cheese pie or custard tart, this popular dish is "easier than pie" to prepare and ideal for brunch, lunch or supper. Picante Quiche quickly combines cheese, eggs,

half and half and picante sauce to bake without fuss in a convenient frozen pie crust. As the hearty-flavored quiche bakes, an easy topping of picante sauce and fresh tomato is simmered for spooning over individual servings. A favorite of those who love assertive flavors but can do without excessive calories, picante sauce provides only 6 calories per tablespoon with no fat, cholesterol, preservatives or additives.

FIRE AND ICE EGGS
5 strips bacon, cut into 1-inch pieces
3 cups hot cooked rice
1 1/2 cups (6 oz.) shredded Colby, Cheddar or Monterey Jack cheese
1/2 cup dairy sour cream
1/4 cup picante sauce
1/4 tsp. salt
5 eggs

Cook bacon until crisp, drain well. Combine rice, 1 cup of the cheese, sour cream,

Picante Sauce and salt; mix well. Spoon into 8-inch square baking dish. Make 5 deep indentations with the back of a spoon in the rice mixture. Drop an egg into each indentation. Arrange bacon around eggs and sprinkle with remaining 1/2 cup cheese. Bake at 350 degrees for 30 to 35 minutes or until eggs are cooked to desired doneness. Serve with additional Picante Sauce. Makes 5 servings.

PICANTE QUICHE
1 cup (4 oz.) shredded Monterey Jack cheese
2 tsp. flour
1 cup picante sauce
1/2 cup half-and-half
1/2 cup chopped red or green pepper
4 strips bacon, cooked and crumbled
3 eggs, beaten
Dash salt and pepper
1 1/2-inch frozen pie shell
1 small tomato, chopped

Toss cheese with flour in large bowl. Add 1/2 cup of the Picante Sauce, half-and-half, red pepper, bacon, eggs, salt and pepper; mix well. Pour into pie shell. Bake at 350 degrees for 35 to 40 minutes or until set. Remove from oven; let stand 10 minutes. While quiche stands, heat remaining Picante Sauce with tomato in small saucepan. Serve-sauce over quiche. Makes 6 servings.

Add dash to campfire meals with dehydrated onion and garlic

The aromas of sauteing onion and garlic invariably prompt people to call out "What wonderful things are you cooking?"

The news today is you can keep those compliments coming without peeling, waste, muss or fuss. What saves the day — and the cook — is onion and garlic in their dehydrated form, either instant minced, or powdered, or garlic and onion salts. And when you're cooking at the beach, mountains or on a picnic outing, these spices have the added virtue of being compact and light to carry.

In our first recipe (so easy) the catch-of-the-day is coated with cornmeal mixed with onion and garlic powders and sauteed quickly. For vegetable go-alongs, shake onion and garlic powders over sliced fresh tomatoes, or sprinkle on corn-on-the-cob. An easy fish stew in an Italian accent can be made by heating a can of tomatoes

with onion and garlic powders, oregano and crushed red pepper (tote the spices in tightly twisted plastic bags if you like). Simmer until thickened, add fish chunks and get your plates ready.

CAMPFIRE FISH STEW
1 can (16 oz.) whole tomatoes, broken up
1 tsp. onion powder
1/2 tsp. oregano leaves, crushed
1/2 tsp. salt
1/4 tsp. garlic powder
1/4 tsp. crushed red pepper
1 lb. fish fillets, cut into 1-inch pieces

In a large skillet place tomatoes, onion powder, oregano, salt, garlic powder and crushed red pepper. Bring to a boil. Reduce heat and simmer uncovered until mixture is slightly thickened, about 4 minutes. Add fish. Simmer uncovered until fish flakes easily when tested with a fork, about 4 minutes. Serve over slices of toasted Italian bread, if desired.

about 3 minutes on each side. Remove from skillet. Repeat with remaining fish.

CAMPFIRE FISH
1 cup cornmeal
2 tsp. onion powder
1 tsp. salt
1/4 tsp. garlic powder
1/4 tsp. ground black pepper
2 lbs. fish fillets (1/2-inch thick)
4 tsp. vegetable oil

Combine cornmeal, onion powder, salt, garlic powder and black pepper. Coat both sides of fish with cornmeal mixture, shaking off excess. In a large skillet heat 2 tablespoons of the oil until hot. Add 2 of the fish fillets. Fry until browned and fish flakes easily when tested with a fork,

Co-op nursery has openings
Plymouth Children's Cooperative Nursery has a few openings for 4-year-olds in the Tuesday and Thursday afternoon classes. The pre-school co-op is in the little red school house on the corner of Warren and Haggerty roads in Canton Township. For information, call the membership chairman, 459-3235.

Mystery plant
Guss Stoyanoff wishes someone would identify the plants in his front yard. The seeds, planted in the spring, came from Macedonia. They grew strong and tall, almost like Jack's beanstalk. The strong center stock, almost beet-red in color, is about two inches in diameter at the base. It grew to a height of more than eight feet, then the long, dark-red "things" began to grow down from the crest. Stoyanoff compares them to long braids of hair. Botanists may see the plant on the corner of Aspen and Parkview in Plymouth Township.

Oktoberfest — just like an evening in Munich

Members of the German-American Club of Plymouth are getting out their dirndls and lederhosen for a celebration.

Their annual Oktoberfest party at the Plymouth Cultural Center begins at 8 p.m. Saturday, Oct. 6. Residents of all ethnic backgrounds flock to the local counterpart of the great Bavarian festival. Participants dance and sing to the traditional German music of The Melodias. Imported German beer and wine is available for the occasion as well as big soft pretzels, knockwurst and sauerkraut, German potato salad, cake and, at the end of the evening, those special open-faced sandwiches.

Admission is \$4 and advance reservations are advised by calling 420-0857

or 453-5839. There may be some tickets available at the door.

THE CLUB marks its 10th anniversary this year with a double celebration. Sixty members will be at Schoolcraft College's Waterman Center Friday evening for the Gourmet Club Oktoberfest. The German-American Club of Plymouth will be recognized during a full-course dinner prepared by Schoolcraft's inimitable culinary arts department.

Bob Fitzner recalls the first mention of the possibility of a German-American club early in 1974. During a conversation with Ken Garner at the Cultural Center, the talk drifted to possible new uses for the center. Festivals,

dances and dinners were suggested and "How about a German Club?"

FITZNER checked with Welcome Wagon for names and began calling some German families. Six couples met in the center's lounge to discuss an organization for German people, their descendants or anyone interested in preserving and enjoying German culture.

The idea was accepted and in April 1974 an organizational meeting was held. Officers were elected, bylaws adopted and the German-American Club of Plymouth was off and running.

Club goals were to preserve and promote German culture, to provide assistance in scholarship funding, to pro-

vide a platform for social and cultural exchanges in programmed monthly meetings and to sponsor public events such as German festivals throughout the year.

THE CLUB grew under the guidance of presidents Tim Schelling, Fitzner, Gus Oesterle, Chuck Ploughman and Roger Feller.

Maria Mulzer is now president. Serving with her are Fritz Sanders, vice president; Edith Scherer, secretary; Mary Ann Sudhoff, treasurer; and Dean Deppert and Karl Ehrenfeld, auditors.

Elected officers meet as a board of directors one week before the regular membership meeting on the third Thursday of each month. The board

handles club business and schedules all events.

Membership meetings are mostly social gatherings topped off with good kuchen and coffee.

Scholarships have been awarded each year to outstanding German language students in area high schools.

CHRISTMAS is celebrated German-style with a family party.

There are potluck dinners, a summer picnic, wine and cheese evenings. Special speakers and films are scheduled. The club plans trips to the theater, other clubs and festivals.

The scholarship award night is one of the highlights of the year.

Two festivals each year are open to the public and fill the Plymouth Cultur-

al Center auditorium. Before Lent, there is Fasching, a German festival with costumes, and in the fall, there is the Oktoberfest.

Not all the members of the club are German, nor is German heritage a requirement for membership. Members come from Plymouth, Canton, Northville, Livonia and surrounding communities.

Ten years ago, when the club was organized, Bob Fitzner could not speak a word of German. Ten years later and after several trips to Germany, he speaks the language fluently.

During the Oktoberfest celebration, all nationalities enjoy the singing, dancing and eating. Speaking German is not a prerequisite for joining the fun.

Falcons throw Rocks for loop

By Rich Swenson
staff writer

'At halftime, I thought we were going to win it. We had the momentum, but we gave the ball up on our first drive . . . and they came down and scored.'

— Tom Moshimer
Salem coach

Are the Farmington Falcons for real? Who would've thought the Falcons would have a legitimate shot at capturing the Western Lakes Activities Association (WLAA) Lakes Division crown this season?

They made firm believers of Plymouth Salem Friday night, coming up with a convincing 23-16 win over the Rocks.

The visiting Falcons dominated the game both offensively and defensively, and head coach Don Kuick couldn't have been happier with the result.

"IT WAS A whale of a game — we came to play," said Kuick, whose team won its third game in four outings. "The kids really played well tonight. We controlled the game in the second half."

Now in his second season as head coach, Kuick believes the Falcons have finally turned their program around.

"I don't think we've won three games in a season in the last seven years," he said. "The league title is up for grabs. If we continue to play well, we can win it."

The Falcons used a ball control offense, amassing 253 yards on the ground while rushing the ball 62 times. They compiled 16 first downs in the game, while holding Salem to just five.

Junior tailback Jim Laird was the workhorse, carrying the ball 22 times for 66 yards. Senior Dave Cunningham rushed for 62 yards on 12 carries, including a touchdown and Bruce Kelsey added 64 yards on 13 carries. He scored the Falcons' final touchdown.

"Our running game was good and our blocking was great," Kuick said. "We've had a few problems with our passing game, but we threw for a TD tonight."

THE FALCONS jumped out to a 9-0 lead, taking advantage of several Rock turnovers.

Salem quarterback Steve Sobditch fumbled on the Rocks' opening possession.

recovered by the Farmington's Craig Petersmark at the 34-yard line. The Falcons drive stalled at the 7-yard line, but placekicker Bruce Kratt connected on a 23-yard field goal to give the Falcons a 3-0 lead.

Farmington struck again after another Rock turnover — an interception of a Sobditch pass by cornerback Joe Bob Wenson that gave the Falcons the ball at the Salem 49-yard line. Farmington moved the ball deep into Rock territory. Then, on third and one, quarterback Chris Green hit receiver Ab Hazen with a 14-yard scoring strike to make it 9-0.

Kratt missed the conversion when he collided with one of the linesmen while making his attempt.

The Rocks came back late in the half to make it close. Sobditch was replaced by junior quarterback John Storm, who hit four straight passes to give Salem its only sustained drive of the day.

AFTER CONNECTING with split end Brian Tiller for a 40-yard gain, he unloaded a 19-yard scoring strike to Steve Brodzik, who made a circus catch at the 5 and carried it into the end zone.

Placekicker Mark Dixon took a pitch from Sobditch on the fake extra point attempt and dashed into the end zone untouched, making it 9-8 at the half.

But Farmington came out storming in the second half, scoring on its first two possessions — a 4-yard run by Cunningham and 1-yard plunge by Kelsey to make it 23-8.

"At halftime, I thought we were going to win it," Salem coach Tom Moshimer said. "We had the momentum, but we gave the ball up on our first drive in the second half and they came down and scored."

Salem made a last ditch effort to catch the Falcons late in the game on Brian Tiller's brilliant 50-yard punt return for a touchdown. The Rocks made the two-point conversion to pull within seven points.

But Salem's onside kick on the ensuing kickoff fell harmlessly into the hands of Farmington's Dave Bottrill.

FOR SALEM, the game was a comedy, or tragedy, of errors. The Rocks committed six turnovers, including four fumbles and two interceptions. And they managed just 22 net yards on the ground.

"You can't turn the ball over that many times and generate any offense," Moshimer said. "It puts too much pressure on the defense."

"The defense played well at first, but were worn out at the end. It was discouraging. Our offense wasn't mentally ready — there was no execution."

The Rocks, now 0-2 in the WLAA and 1-3 overall, had to play the game without star split end Craig Morton, who hurt his shoulder in last week's disappointing loss to Livonia Bentley.

But Moshimer was pleased with the play of Storm, who did a fine job in relief of Sobditch. The 5-foot-11 junior hit on 7 of 15 passes for 129 yards and one touchdown.

"I WAS PROUD of Storm," Moshimer said. "He came in under a difficult situation. He hasn't practiced much. He came in cold and did a heckuva job."

Sobditch may have lost his starting quarterback position to Storm, but he played an outstanding game on defense. He made two, touchdown-saving interceptions in the end zone that kept the Rocks in the game in the second half.

For Salem, things don't get any easier. The Rocks meet Stevenson (1-1, 3-1) next week.

"We'll just have to get tougher," Moshimer said.

Rocks' Brian Tiller scores on a 50-yard punt return, one of the few bright moments during Friday night's loss to Farmington.

Chiefs blow lead, game

For the third week in a row, the Plymouth Canton football team snatched defeat out of near-certain victory.

The Chiefs wasted two 14-point leads in Friday night's 24-21 loss to Northville.

David Knapp scored on runs of 35 and 2 yards to put Canton up 14-0 at the half.

Northville made it 14-7 in the third, but Canton answered with an 80-yard kickoff return by Matt Flower to make

football

it 21-7.

Undefeated Northville, scored 17 points in the final quarter to bury Canton.

The winning field goal came with three minutes remaining. "Who knows?" said Canton coach

Rich Barr when asked about his team's failure to hang onto leads. The Chiefs blew a 28-15 third quarter lead last week against Livonia Churchill. "We kept giving up the big plays."

The Chiefs also keep coughing up the football at inopportune times. Like in the fourth quarter Friday. They were up 21-7 and were threatening the Northville goal line again. But, they fumbled it away at the Mustang 20. Northville is 4-0, Canton 1-3.

Canton discovers zone-buster in time to top Dearborn, 39-28

For awhile Thursday night it appeared as if Dearborn's sagging zone defense would smother the Plymouth Canton girls basketball team.

After one quarter the score read Dearborn 6, Canton 3. It was an ugly quarter.

Canton's wife-husband coaching team, Phyllis and John Mulroy, asked the appropriate question between quarters: "Who you gonna call?"

"Zone-buster!"

The zone-buster Thursday night proved to be Laura Darby. Darby scored eight points in the second quarter to lead a 15-4 Chief uprising and eventually to a 39-28 victory at Dearborn.

girls basketball

"WE FINALLY solved their zone," said John Mulroy of Dearborn's 1-2-2 defense. "We switched to a different zone offense in the second quarter and did a serious job on the boards. It was our best board game all season."

Darby, who finished with 10 points, also grabbed 10 rebounds. Diana Knickerbocker had seven points and six rebounds.

Well, if Darby was Bill Murray (the

ghost, er, zone-buster), then Kathy Ross must have been Dan Aykroyd (the mastermind of the operation). It was Ross, the point guard, who was able to draw Dearborn's zone out higher which freed Darby inside.

It was a big win for Canton. They missed an opportunity Tuesday night to share first place in the Western Division when they lost to Farmington. The victory Thursday helped avoid a huge depression.

It also upped Canton's record to 3-3 (2-2 in the Western Lakes) — and considering five of those six games were played on the road, the Chiefs have to feel good about their start.

Salem survives late rally

By Brad Emons
staff writer

Plymouth Salem girls basketball coach Fred Thomann knew Thursday night's game with Livonia Stevenson wasn't going to be easy.

The host Rocks, who posted their biggest win of the season Tuesday against state-ranked Walled Lake Western, made the right plays down the stretch to hold off the upset-minded Spartans 47-43.

"The hardest thing is coming back and playing after a win like that," said Thomann, whose team is 7-1 overall. "I thought we had Stevenson put away at half, but they came back and played as fine and as good a game as I've ever seen them play."

The Rocks held a commanding 27-15 lead at the half thanks to Reggie Rojeski's jumper at the buzzer. But Stevenson, using a zone trap, cut the deficit to eight at the end of three quarters and led once, 38-37, on Lisa Bokovoy's layup with 5:17 to play in the final period.

The Spartans also tied it at 43-all with 1:03 to go on Joan Frysinger's hoop.

BUT THE ROCKS answered back as Kendra Hostynski scored the go-ahead hoop with 42 seconds remaining to break the deadlock. Stevenson then coughed up the ball on the transition and Salem regained possession. Fran Whittaker then connected on two free throws with only 12 seconds remaining to put the game away.

"We were looking for the drive (to the basket) or the 'baby-J' (jump shot)," Thomann explained. "We didn't want to hold it at the end of the game."

Mary Beth Weast scored 12 first-half points and finished with 16 points to lead the Rocks. Whittaker, who played a fine all-around floor game, added 14.

The loss, a bitter one, dropped Stevenson to 5-2 overall.

BILL BRESLER/staff photographer

Salem senior Fran Whittaker put on a solid performance in Thursday night's victory against Livonia Stevenson. She scored 14 points.

"They took it hard," said the Spartans' second-year coach Wayne Henry. "To get better, we have to make the inside shots. And we have to believe in ourselves a little more. We have to come in with the confidence that we can pull an upset."

"SOME OF our practices have lacked intensity. Maybe this will help."

Stevenson utilized its tall frontline in the second half by throwing lob passes inside to Frysinger.

The 6-foot-1 senior enjoyed a banner night on the boards. She finished with 22 points to lead all scorers.

The 6-1 Bokovoy, who helped trigger the Spartans' second-half charge, contributed 13 points.

"At times we handled their pres-

sure well and at other times we didn't," Thomann said. "Our players didn't make mistakes (on the lob passes). They just can't get up there. Stevenson is good at going over the top." The difference may have been pace.

Salem showed a little more savvy in the final minutes of play. Stevenson, meanwhile, was hit by a costly technical foul, two missed layups and two turnovers.

"We haven't peaked, but nobody has," Henry said. "The teams we're playing have all been to summer camps. Three of our starters didn't play at any camp. We haven't caught up."

Maybe the Spartans will have caught up in time for the rematch — Tuesday, Oct. 23, at Stevenson.

VanHoose paces 1st Eagle win

Debbie Van Hoose was on the loose Friday night.

The senior forward scored 12 of her game-high 14 points in the opening quarter to give Plymouth Christian a 37-32 girls basketball win over Grosse Pointe University-Liggett in a game played at Pioneer Middle School.

The Eagles jumped out to a 15-5 first quarter lead and then held on for the

victory.

"We played man-to-defense, full court most of the first half," explained Plymouth Christian coach Jeff Cook. "Debbie got most of her points from steals. Then she got in foul trouble."

Guard Kim Allen, who did a fine job of penetrating the Knights defense, added 11 points for the winners.

"Both Debbie and Kim played real

well," said Cook. "And Val Andres (6 points) got a key bucket for us when the game was tied in the fourth quarter."

Sue Cleek and Samantha DeSmet tallied 14 and 12, respectively, in a losing cause.

Christian travels Tuesday to Detroit Bethesda before coming home Friday to face Lutheran Northwest at Pioneer.

Rock girls remain undefeated, Salem boys fall to Farmington

The Plymouth Salem girls cross country team advanced its undefeated record in Western Lakes dual meets to 3-0 by beating an improving Farmington contingent 25-30, Thursday at Cass Benton.

Denise Durrer, the All-Area runner who transferred to Salem from Redford Union, led the way for the Rocks with her first-place 20:52.

Farmington's Nicole Jelley (21:08) placed second, Anna Quenneville and Diana Wickham tied for third (21:56) and Lisa Mickey took eighth (23:22). It was the best performance of the season for Farmington despite the loss.

Salem got a third from Amy Miyazaki (21:28), a sixth from Brenda Boyd (22:12) and a seventh from Erica Bashor (23:01).

The win puts Salem in the drivers

cross country

seat in the Western Lakes Lakes Division.

"I don't really know what Walled Lake has and Stevenson will give us a fight," said Salem coach Tom Truesdale. "We look good in our division. On the other side, Northville and Walled Lake Western will be tough opponents." Salem is 3-1 overall, Farmington now 2-4.

THE FARMINGTON boys cross country team, ranked No. 2 in Observerland and No. 9 in the state coaches poll, won its sixth straight dual meet of the season at the Rocks' ex-

pense Thursday, 15-48. The Falcons won it in typical fashion, they took the first six places, all six finishing within 38 seconds of each other.

"Farmington," said Tom Truesdale, "is just awesome this year. That's really all you can say."

Chris Inch took first with a 16:29 clocking. Al Stebbins was second (16:40). Bruce Kratt (16:59), Bryan Lawton (17:02), Dave Dunneback (17:03) and Bruce Kerr (17:07) followed them home.

Salem (3-2), minus its best two runners, Scott Steiner and Tony Atwell who are out with injuries, got a seventh from Eric Paderson (17:40). Rick Routson took eighth (17:55) and John Keros ninth (17:59).

Ocelot kickers topple Michigan

Sue Ferguson is big, strong and talented. By herself, she can physically wear down a team.

Ask any member of University of Michigan's soccer team, Ferguson, a Farmington native, made believers of the Wolverines Wednesday by scoring all four of Schoolcraft College's goals in a 4-1 triumph at Schoolcraft.

"She had a very good game — again," said Schoolcraft coach Ed Dudek of his star striker.

To say the Ocelot offense relies on Ferguson, or even that it is built around her, would not do her justice. Ferguson is the Schoolcraft offense.

The team has scored 14 goals in five games (three wins, a loss and a tie). Ferguson has scored 11 of them. She has assisted on the other three.

AGAINST MICHIGAN. Schoolcraft started slowly. U-M tallied first off an indirect kick early in the opening half.

Ferguson evened the score the same way, drilling in a shot following an indirect kick to make it 1-1 at the half.

Schoolcraft was already taking control by the latter stages of the opening half, keeping play deep in the Wolverine end of the field. By the second half, the Ocelots — and Ferguson — started to capitalize.

"It was the first game we actually had some depth out there," said Duke of his squad, which was beset by injuries early in the season. "In the second half we just totally exhausted them."

FERGUSON SAPPED any momentum Michigan might have carried into the second half quickly, scoring seven minutes after intermission. She added two others before retiring for the day. Lori Engle, from Plymouth Canton, picked up three assists and Mary Taylor, from Southfield, and Amy McCauley, from Sterling Heights, added single assists.

The improved injury report brightened Duke's outlook before what may be the most important weekend of the season (prior to the NJCAA tournament). The Ocelots travel to New York for games against Monroe Community College in Rochester Saturday and Alfred State College in Alfred Sunday.

Monroe is one of the top-rated teams in the NJCAA.

Ginnie Johnson won the 200-IM and the butterfly in Canton's win against Bentley Thursday night.

Chief tankers blast Bentley

There were a couple of interesting motivating factors working for the Plymouth Canton swim team in its 101-69 win against Livonia Bentley Thursday.

First of all, the Chiefs had lost their season opener in frustrating manner to rival Plymouth Salem last week. The Chiefs took nine of 11 firsts in that meet.

Second, coach Hooker Wellman gave his Chiefs a little history lesson. "I reminded them that this is the last year we will be swimming Bentley," Wellman said. Bentley High School is closing after this school year. "Last year was the first time we had ever beaten them. I wanted to let them know this was their last shot at them."

The pumped up Chiefs blew the Bulldogs out of the water. They took eight firsts and six seconds.

Ginnie Johnson and Lynn Massey led the assault with two firsts apiece. Johnson, a state-class performer, won the 200-yard individual medley (2:24.24) and the 100 butterfly (1:03.88). Massey won the 50 freestyle (28.59) and the 100 free (57.57).

Johnson and Massey also swam the last two legs of Canton's winning 200 medley relay. They teamed with Kelly Kirk and Margaret Gilligan on a 2:01.98 clocking.

Canton also got firsts from Michelle Stackpole (1:10.34 in the 100 backstroke) and Sue Schendel (1:22.08 in the 100 breaststroke).

The Chiefs' Kelly Daily (173.10) and Megan McGow (162.60) went 1-2 in the diving competition.

Ann Schaeffer won both the 200 free (2:03.54) and the 500 free (5:30.90) for Bentley.

Afterwards, Wellman praised the Bulldog program. "They have been a powerful swim team throughout the years. Coach Keith Wright is an outstanding coach and person. You know, his swimmers were given an option of transferring to another school before this season. But, most of them have stayed. He's really done a good job."

PLYMOUTH SALEM had an easy time Thursday disposing of Walled Lake Central 125-47.

The Rocks won 10 of 11 events and there were no double winners.

Theresa Shaffer won the 200 free (2:22.4). Karen Dalpe won the 200 IM (2:38.1) and Ellen Foley won the 50 free (29.5).

Other winners were: Cury Silver, diving (points unknown); Kristal Taylor, 100 butterfly (1:09.7); Laura Shaffer, 100 free (58.0); Erin Boughton, 500 free (6:12.7); and Lindsay Olson, 100 breaststroke (1:21.1).

Olson, Cindy Elliott, Shannon Murphy and Taylor won the 200 medley relay in 2:06.8. Laura Shaffer, Sue Bennett, Jennifer Barr and Dalpe won the 400 free relay in 4:12.2.

This is Central's first full year of swim competition.

Salem is 2-0 in the Western Lakes, 3-1 overall.

Mark Flower (white jersey), battling Jim Carney in a recent game against Stevenson, and his Plymouth Salem teammates ran into a buzzsaw Thursday.

Junior hoops signup

The Plymouth-Canton Junior Basketball Association (PCJBA), a successful youth basketball program for boys and girls grades 3-12, has scheduled two registration dates.

● 8:30 a.m. to 1 p.m. Saturday, Sept. 29.

● 8:30 a.m. to 1 p.m. Saturday, Oct. 6.

The registration, for all boys and girls living in the Plymouth-Canton School District, or living in Canton Township, will take place at the Canton High School Phase III gymnasium.

The PCJBA divides itself into three leagues for girls and five leagues for boys.

The girls leagues are: C League (3rd, 4th and 5th graders), B League (6th and 7th) and AA League (grades 8-12).

The BOYS leagues are: C League (3rd and 4th), B League (5th and 6th), A League (7th and 8th), AA League (9th and 10th) and AAA League (11th and 12th).

The registration fees are \$25 for girls and boys C and B leagues, \$25 for girls AA and boys A, and \$30 for boys AA and AAA leagues. The fees will not exceed \$75 for families registering simultaneously.

Interested players, accompanied by a parent, should bring the registration fee to one of the registration dates.

All PCJBA players are put on a team. No one is cut. Tryouts are held to ensure balanced teams. Every player will play at least a quarter of each game and not more than three quarters.

Also, the PCJBA needs referees. Young people interested in officiating the games should register at the above times. You don't have to be a member of a school basketball team to referee.

Adult coaches are also needed and should inquire at the registration periods.

Spartans power past Canton, 2-1

The final score was 2-1, but according to all accounts, the match wasn't that close.

No. 1-ranked (both in Observerland and state coaches polls) Livonia Stevenson knocked off Plymouth Canton in a Western Lakes confrontation Thursday.

"We just couldn't put it in there (the net)," said Stevenson coach Pete Scerri. "The kids are feeling the pressure. We had plenty of chances in the second half but just couldn't score."

The play was in the Canton zone most of the match. Stevenson scored twice in the first half, goals by Joe Novak and Chris Wiegel.

Canton got its lone goal from Brad Neville in the second half. After Neville's goal, however, the Chiefs were hard-pressed to advance the ball past midfield.

That's not a knock on Canton's team, rather, it is a tribute to Stevenson's overall strength — they aren't 10-0 for nothing.

Canton's record is now 6-2. It was the Chiefs' first loss in the Western Lakes.

NORTHVILLE 3, PLY. SALEM 1: Salem coach Ken Johnson described it this way: "We ran into a buzzsaw last night."

Pretty apt description. Northville, as a result of an embarrassing 3-3 tie with Livonia Franklin last week, came out with fire in its eyes Thursday night.

The Mustangs scored twice in the first four minutes of the match.

"Northville came out so fast in the first half I couldn't believe it," Johnson said.

The Rocks settled down and began carrying the play in the second half. But, by that time it was 3-0.

Dave Dameron scored the lone Salem goal on an assist from Kevin Sultana. It was his fifth goal in three games.

Joe Knoeri, Salem goalie, played a strong game. He saved 25 of the 28 shots that came at him. Salem retaliated 21 shots on the Northville goal, most in the second half.

Salem ranked No. 4 in Observerland, is now 7-2. They had been ranked No. 7 in the state coaches poll. Northville is now 5-2-1.

RECORD-SETTER

Gerrilyn Repasky started the school year at Bowling Green the same way she ended the summer in Livonia.

Repasky, after finishing runner-up three times in the Observer & Eccentric women's golf tournament, shot a 79 and won it Aug. 22. At the time, the Livonian said, "This is the best I've played in a year and a half. This is the first time I've broken 80 in a year and a half."

It didn't take her long to break 80 again. A sophomore at Bowling Green, Repasky shattered the school record by firing rounds of 76, 74 and 77 for a 227 and a third-place finish overall at the Michigan State Fall Invitational last weekend.

Her play helped Bowling Green place fourth in the 13-team event. Indiana was first, followed by Michigan State and Illinois State. Repasky finished three strokes behind medalist Sara DeKraay of Indiana (224).

BRONCO SCORER

Western Michigan was unbeaten after five soccer games, with junior forward Jim Berry contributing three goals and two assists.

The Broncos (4-0-1) ripped Spring Arbor 6-1 Sept. 21. With Berry, a Livonia Stevenson grad, notching two goals.

FIRST GOAL

Keith Reynolds, a junior from Plymouth, scored his first collegiate goal for Central Michigan in a 5-1 victory over Albion recently.

Reynolds' goal came late in the first half and gave the Chippewas a 3-0 lead. The CMU win was its second in five games.

SCORING DEMON

Steve Tracy has been putting some points on the board for Michigan Tech this football season.

The Livonia Churchill grad, now a junior, caught two passes for 34 yards, including a 12-yard touchdown reception, and booted three extra points in Tech's 41-14 win over St. Norbert Sept. 16.

The next week, Tracy caught one pass in nine yards and kicked six PATs to help the Huskies rout Lakeland 56-3. Another Tracy, freshman Bob, Steve's younger brother, carried the ball three times for nine yards and caught a pass for 16 yards.

TITANS TERRIFIC

Freshman Ken Dubois continued to sparkle for University of Detroit's cross country team, pacing the Titans with a school record-breaking performance at the Western Ontario Invitational last Saturday (Sept. 22).

Dubois, from Livonia Stevenson, finished 18th overall in 28:29. That clocking was 27 seconds faster than Dan Ryan's former school record, set last year.

PASSING FANCY

Mike Gatt, a Livonia native and a Redford Catholic Central grad, continues to impress as Hillsdale's quarterback through three games, the junior has completed 40 of 65 passes (62 percent) for 486 yards and six TDs. He has thrown just one interception.

Sophomore Tom Zakrzewski, a Redford Catholic Central alum, placed third among Titan runners and 45th overall (29:32). U-D was seventh among 15 teams.

The U-D women did not fare as well, placing 13th out of 16 teams. Louise Shaheen, formerly of Redford Bishop Burgess, placed 77th overall (17:33) and third among the Titans.

Falcon linksters roll

The Farmington golf team won its eighth dual match in nine tries Wednesday, beating Northville 200-219 at Godwin Glen.

Mark Bailey had the low round, a 1-over par 36. Dave Casaroll and Gordie

Wright shot 40s for Farmington, Keith Atkinson 41 and Tom Waling and Karl Borbi carded 43s.

The Falcons are 6-1 in the Western Lakes.

Howard E. Rollins Jr. stars as Capt. Richard Davenport, an Army officer investigating the murder of a black sergeant at a southern U.S. Army base during World War II, in "A Soldier's Story," directed by Norman Jewison.

the movies
Dan Greenberg

'Soldier's Story' is most authentic

This "Soldier's Story" may not be a pleasant one, but it has the ring of truth to it. Most important, it is a story that needs to be told, the story of what the pressures of white America have done to black Americans and what black Americans do to each other. "A Soldier's Story" is the tale of Capt. Davenport's (Howard E. Rollins Jr.) investigation into the murder of Sgt. Waters (Adolph Caesar). The time is 1944 when the United States Army was still segregated and black American soldiers, even ones like Waters who had served overseas combat roles in World War I, were largely confined to custodial duties.

Waters' unit is stationed in Arkansas and suspicion of guilt falls on two white officers when his body is discovered. Washington sends Davenport, an attorney and one of the first black officers, to investigate the murder.

What follows is an engrossing hour-and-a-half as Davenport threads his way through the troubled waters of southern politics-of-accommodation to the ugly truths of prejudice and segregation.

PRODUCED AND DIRECTED by Norman Jewison, and based on the original stage production by the Negro Ensemble Company which played the Fisher Theater recently, "A Soldier's Story" is an extremely well-mounted production that captures the bittersweet essence of black American survival in the South, in the Army, and in each others' way. "A Soldier's Story" is not only about white America's pressure on black America. The real impact of the film lies in its frank approach to the many sub-groups within the black community and their various attitudes about how best to face the white world. Thus "A Soldier's Story" offers a free-wheeling discussion of class inter-relationships within the black community.

In addition to Charles Fuller's thoughtful scenario based on his stage play, the film looks authentic. It was photographed by Russell Boyd with a soft, nostalgic quality.

THE VISUAL MOOD of the film is appropriate for a historical film that stresses the intellectual and emotional rather than the action modes. In the few action sequences, the lighting and filtration shift to suitably harsh qualities. The production was designed by Walter Scott Herndon, who represents the look of the times: the barren barracks, the dry, dusty southern roads and the cluttered, smokey aura of the soldiers' bar where Big Mary (Patti LaBelle) pours out the whiskey and the blues.

As a matter of fact, the trip to the movies is worth it just for those sequences and for the singing of Larry Riley as C.J. Memphis Riley's singing, solo and with LaBelle, captures the blues idiom and the film's emotion. LaBelle evokes memories of Bessie Smith and the black southern tradition of survival.

CERTAINLY THE acting and the direction of those actors, is crucial to a thoughtful film with limited action in the conventional sense. This time out is no exception.

Davenport's investigation leads to testimony by Waters' men, testimony given in flashbacks that gradually characterize a tortured man, a portrait drawn by meaningful comments from his closest associates.

That the film works well is a testimony to the emotional power generated by the confrontations between Waters and his men and to the strength of feelings projected by Davenport as he deals with the base commandant, Col. Nivena (Trey Wilson), with the various white officers and with the black soldiers. One touching vignette of inter-racial relationships, handled with sensitivity, comes when the colonel's wife, Ida (Patricia Brandkamp), brings the colonel's breakfast while Davenport is visiting. Her obvious discomfort at the presence in her home of a black officer is muted by her sense of good manners. She doesn't offer the captain coffee, as is her duty as a good hostess and southern lady, but she does offer to have someone get some for him — a small but subtle and significant difference.

Adolph Caesar stars as crusty Sgt. Waters in "A Soldier's Story," written by Charles Fuller and based on an award-winning play. It opens at area theaters next week.

what's at the movies

ALL OF ME (PG). Carl Reiner's latest, greatest comedy, with Steve Martin and Lily Tomlin.
ANOTHER COUNTRY (Unrated). Adapted from British stage but about politics and homosexuality in an English boys school.
BODY ROCK (PG-13). The flash, style and excitement of today's pop culture, with hunk Lorenzo Lamas.
THE BOSTONIANS (Unrated). The story of a 19th century love triangle between two women and a man. One of the women is a militant suffragette, the young man a struggling attorney. The other woman is a gifted but naive orator who would be used for the cause by one lover, and loved by the other for herself. Stars Vanessa Redgrave, Madeline Potter and Christopher Reeve.
CAREFUL, HE MIGHT HEAR YOU (PG). Australian film exploring the bitter struggle between two sisters to gain possession of young boy whose mother died in childbirth.

CH.U.D. (R) That's an acronym for Canabaltic Humanoid Underground Dwellers. Need we say more?

THE EVIL THAT MEN DO (R). Charles Bronson in story of man's vengeance when the system fails.

EXTERMINATOR 2 (R). Sounds like a terrible film of revenge with a cast of unknowns.

GHOSTBUSTERS (PG). Billy Murray, Dan Aykroyd and Harold Ramis as parapsychology research students trying to rid New York of menacing ghosts.

GREMLINS (PG). Technically well-done story of exotic pet whose offspring turn mean. Hoyt Axton, Zach Galligan and Phoebe Cates in a Spielberg film too gross for the under-12 set.

IMPULSE (R). Romantic thriller about peaceful
