The 6-0 ruling was a defeat for the city of Livonia and a homeowners group in Southfield.

The trial is the first of six scheduled to take place before Wayne County Circuit Court Judge Sharon Finch. It began Nov. 12 and ended with the

jury's verdict Thursday. Wayne County prosecuting attorney

said she had no comment on the out come, except to say that Morey had been found guilty exactly as charged. Seymour Berger, Morey's attorney

said he planned to appeal the verdict. His client remains in the Wayne County Jail in lieu of a \$500,000 cash

bond set by Van Buren Township 34th District Judge Henry Zaborowski.

The Canton Township Board of Supervisors took an important step toward the resolution of a lawsuit between the township clerk and township supervisor during a special meeting Thursday night.

The meeting, chaired by trustee Steve Larson, almost ground to a halt several times-but Larson kept it moving and the result was the first real diaogue between the board and Clerk Lin-

da Chuhran, who filed the lawsuit against Supervisor James Poole.

Chuhran's lawsuit, filed in Wayne Circuit Court, could be termed a custody battle — she has sought custody of all the records, books and papers of the township, custody of vouchers, and custody of all incoming mail.

The clerk also has sought the author-

ity to appoint a deputy clerk.

The lawsuit also seeks to "restrain and enjoin" Poole from interfering with her powers and duties as township

She has claimed Poole wrongfully moved records from the clerk's office to the Finance Department and took authority over those records, that Poole has refused to adhere to an agenda policy (requiring that items placed on the agenda be submitted on a form and be accompanied by documentation), and that Poole discharged employees deemed necessary to do the

DURING THE meeting, Larson set forth "objectives to be met to drop the lawsuit.'

The issues to be resolved included granting the clerk accessibility to records, the right to receive incoming mail addressed to the township, clerical office staffing, and the posse of financial records

Chuhran said she would like records she requests "in a reasonable period of time. I should be able to get a docu-

ment without red tape."

She said she has been told that she

eeded clearance from Poole's office to obtain certain documents. Poole said some of Chuhran's de-

sest for vehicle maintenance records for the past seven years. Trustee Loren Bennett asked Chuhran, "Do you allow people to come

"But we're talking about the person

Thanksgiving A day Lincoln rescued

By W.W. Edgarstaff writer

When we sit down at the family table to enjoy our annual Thanksgiving Day dinner, we should offer a silent prayer of thanks to Abraham Lincoln. When his name is mentioned, it always is conected with his freeing of the slaves and his memorable Gettysburg Address.

But few fully realize that he'is the president who brought harmony out of chaos by proclaiming Thanksgiving Day be celebrated on the last Thursday of November each year. This was in 1863 after he had been prodded by

women's groups to set aside a day of Thanksgiving. Until then, the day of Thanksgiving had been celebrated during many months of the year in many different state For instance. George Washington, our first president, issued a proclamation that a Thanksgiving

Day should be set aside to give thanks for the good crops and the pleasures of a new country. He didn't set a date. But each area held its own.

Until Lincoln, sitting in Gettysburg and thinking what was needed, issued his proclamation that ended the chaos. He asked that the last Thursday in November be set aside as a national Thanksgiving. This was in 1863 and it held good until Franklin

(President Washington issued the first

national Thanksgiving Day proclamation in

Now therefore I do recommend and assign

1789, the year of his inauguration. It read, in

Thursday, the 26th of November next, to be de-

voted by the people of these States to the service

of that great and glorious Being, who is the Be-

neficent Author of all the good that was, that is,

or that will be; and that we may then all unite in

rendering unto Him our sincere and humble

thanks for His kind care and protection of the

people of this country, previous to their becom-

and the favorable interpositions of His provi

dence, in the course and conclusion of the late

war, for the great degree of tranquility, union

and plenty which we have enjoyed; for the

peaceable and rational manner in which we

have been enabled to establish Constitutions of

Government for our safety and happiness, and

particularly the national one now lately institut-

ed; for the civil and religious liberty with which

we are blessed, and the means we have of ac-

quiring and diffusing useful knowledge; and, in

general, for all the great and various favors,

which He has been pleased to confer upon us."

Delano Roosevelt, entered the White House

WITH THE THOUGHT of helping the businessmen in the country by giving folks more time for holiday shopping, Roosevelt proclaimed that the third Thursday be the day to be set aside. This worked. But when Roosevelt died, the day he was set back to the fourth Thursday. And it has

een that way since. The history of Thanksgiving is most interesting. The idea originated with the Pilgrims after they landed in New England and set up a day of thanks to show appreciation for the successful crops.

To make it a day to be thankful, Governor Bradford made his plea for a special day. To make it more thankful, Chief Massasoit and his tribe of Indians were invited. Strangely there were no turkeys. Instead, the Indians brought four deer, duck, geese and seafood.

This big day was celebrated over a three-day pe-

riod in Plymouth, Mass. MILES STANDISH had been one of the major domos for the big celebration, but it wasn't duplicated until two years later when the crops were

good and the turkeys were available as one of the

main dishes.

ing Day as a holiday and many of the southern states followed that lead. On Oct. 3, 1863. President Lincoln issued his Thanksgiving Proclamation making Thanksgiving a na tional holiday. The document is a reminder of the North-South conflict which prevailed when Lincoln penned the following words:

"The year that is drawing toward its close has been filled with the blessings of fruitful fields and healthful skies. To these bounties, which are so constantly enjoyed that we are prone to forget the source from which they come, others have been added, which are of so extraordinary nature that they cannot fail to penetrate and soften the heart which is habitually insensible to the ever watchful providence of almighty God In the midst of a civil war of unequalled magnitude and severity, which has sometimes seeme to foreign states to invite and provoke their aggressions, peace has been preserved with all nations, order has been maintained, the laws have been respected and obeyed, and harmony has prevailed everywhere except in the theatre of military conflict. . . . I do, therefore, invite my fellow citizens in every part of the United States and also those who are at sea and those who are sojourning in foreign lands, to set apart and observe the last Thursday of November next as a day of thanksgiving and praise to our beneficent Father who dwelleth in the heavens. . ."

Thanksgiving for the Fast track

SED TO BE that Thanksgiving-dinner chefs could take several days (and difficult days at that) to prepare for The Big Meal. Wonderful aromas permeatthe house, extending the holiday for days and whetting appetites more with each passing evening.

But in today's fast-paced world of two-career families and one-day holidays, week-long preparations are no longer feasible, nor do 1980s chefs want to spend the whole holiday trapped in a stifling kitchen away from visiting family and friends.

Despite that, the family still expects the traditional Thanksgiving dinner with all the trimmings - a succulent roast turkey, bread stuffing, cranberry potatoes, ma and gravy and a pumpkin pie to top it

Where shall the twain meet?

BY PLANNING ahead and following a few time-saving shortcuts, a traditional Thanksgiving dinner can be prepared to meet the expectations of the family and still meet the chef's time limits in a fast-track world.

The microwave oven is the perfect solution to most food-preparation dilemmas. Thaw the turkey ahead in the the microwave. (See directions below.)

But it's Thanksgiving Day.

Who you gonna call? How about the Turkey Talk-Line? A staff of 45 operators will be working from 9 a.m. to 7 p.m. Thanksgiving Day to answer any turkey ques-

tion you'd ever want to ask. The toll-free number, operated by the makers of Butterball Turkeys, is in its fifth year of service, accoring to talk-line supervisor Janet Howerton. Regular hours are 9 a.m. to 9 p.m. Monday through Friday and 9 a.m. to 7 p.m. on weekends. The suburban-Chicago hotline will be open throughout the holiday season until 7 p.m. Christmas Eve.

Last year, the operators fielded 50,000 calls and answered 113,000 questions, Howerton said. The most-frequently asked question is how to

O THE TURKEY isn't fully roast a turkey, she said, although how gaining in popularity.

> THE RESPONSES to all questions are individualized for each caller, but Howerton said of the responses to the most common questions: "We have it down to a science."

> In most cases the Thanksgiving dinner is salvageable, despite anything the cook might have done to the turkey, Howerton said. But a Thanksgiving Day power outage in Washington state last year did throw some cooks for a loop. Improvised solutions included going to a neighbor who had a gas stove or cooking the turkey on a barbecue grill, Howerton said.

> Callers should expect a short wait on Thanksgiving Day, particularly during peak dining hours, Howerton said. To avoid the wait, she recom-

mends calling early. Each caller will receive a free re cipe booklet including roasting and microwaving instructions and charts.

Microwave tricks for a golden bird

JOU CAN'T brown things in a per pound. If the turkey is more than

How many times have you heard that line? Microwave retailers and proficient microwave chefs will tell you a diffent story - you can, in fact, have a lovely browned look to most foods, including Thanksgiving turkeys, if you follow a few simple tricks.

A microwave oven can be used to thaw a frozen turkey, following the oven's manufacturer's instructions for the size turkey that will fit in your oven, the minutes per pound and the power level to use for thawing. Leave it in the original package, but be sure to remove the wire clip from the turkey's legs before placing in the mi-

After thawing, wash the bird and pat it dry with paper towels before you stuff the cavity. Fill it loosely, n tie the legs and wings close to the body with string.

TO GIVE your microwave-cooked Thanksgiving turkey a browned look, try any of the tasty glazes below. Brush the bird generously with glaze or sauce before cooking and again when you turn them while cooking. st browning, brush with the sauce after cooking and before covering with a greased, wax paper tent.

 A delicious golden color can be achieved with a soy sauce glaze on small birds that cook too fast to be naturally browned. To make one cup of glaze, combine 2 teaspoons of cornstarch and ¼ cup soy sauce in a small bowl, Stir until well-blended. Stir in % cup water. Microwave on high for 21/4-3 minutes or until thickened, stirring 3 times. Brush glaze over entire turkey, place greased, waxed paper (greased side down) over the bird, forming a tent.

• Prefer a basting sauce with a wine base? Make one cup of sauce by combining 2 tablespoons cornstarch and a little dry red wine in a small bowl until mixture is smooth. Stir about one cup of red wine and 1 teaspoon of a browning agent/flavor enhancer. Brush sauce on turkey. Cover with greased wax paper tent.

• To make a browning glaze from turkey drippings, remove the turkey drippings from the pan when you turn the bird. Mix them with unsalted butter and a half-teaspoon of a browning agent and flavor enhancer. Baste the turkey several times with this mixture to ensure an appetizing golden brown finish.

THE PLYMOUTH Community Chorus will perform at Cobo Hall Thanksgiving Eve, taking part in the spectacular Festival of Trees. The festival in the Riverview Ballroom at Cobo opens Tuesday, Nov. 26, and runs through Dec. 1.

It is a benefit for Children's Hospital of Michigan and has been referred to as a five-day holiday fantasyland. Designers from the metropolitan area will decorate 100 trees, each with a special theme. Their creations will be eligible for seven festival design awards in the ategories "A Child's Dream," "The Spirit of Detroit," "A Christmas emembered," "Holiday Spirit," "The Best of Festival," "The People's Choice," and "Designer's

Admission to the Festival of Trees is \$2 for an adult and \$1 for a child. Hours will be 10 a.m. to 9 p.m. Wednesday, Nov. 27; 11 a.m. to 4 p.m. Thursday, Nov. 28; 10 a.m. to 9 p.m. Friday and Saturday, Nov. 29 and 30; and 10 a.m. to 4 p.m.

THERE ARE MANY other attractions as well as the 100 decorated trees.

Twenty-four area chefs will build the sweetest place in the world, the Gingerbread Village. Jeffrey Gabriel, executive chef for the Grosse Pointe Yacht Club, is coordinating the event and prizes will be awarded.

He and Ray Hollingsworth, chef at fairfields in Sterling Heights, will add the finishing touches to the village - streets, sidewalks, curbs, street lights and so on.

Chefs must limit the size of their buildings to 18-by-24 inches. Structures must be made of entirely edible ingredients.

The individual house will be offered for sale at the festival with proceeds going to the hospital.

Other attractions are: appearance by Santa Claus from the Michigan Thanksgiving Day Parade; elaborate model train display; historical doll display; aisle of wreaths; children's tress decorated by festival visitors; a holiday gift shop; and continuous entertainmen

If the other entertainment is near the caliber of the Plymouth Community Chorus, it should be stupendous.

Inspiring plans have been developed to restore the Statue and to create at Ellis Island a living monument to the ethnic diversity of this country of immigrants. But nless restoration is begun now, ceremonies marking the nundredth anniversaries of these two landmarks in America's heritage could be held in commemoration of

visitors. The 230 million dollars needed to carry out the work is needed now. All of the money must come from private donations;

the federal government is not raising the funds. This is consistent with the origins of the Statue. The French people themselves paid for its creation. And thousands of American school children contributed to its construc tion and to the pedestal. The Statue of Liberty-Ellis Island Centennial Commis-

Defensive des-Troy-er

Turnovers costly as Shamrocks get blanked

By Jim Hughes

It took a while, but Troy High finally played its last football game of the 1985 season.

Outdoors, that is

The Colts won their third-straight Class-A state-playoff game as an underdog, stunning Redford Catholic Central, 10-0, Saturday afternoon in the semifinals at Allen Park High School. It was the 10th-straight win for Troy 11-1), and it puts them indoors for the state championship game 1 p.m. Saturday at the Pontiac Silverdome.

It'll be a TC vs. TC matchup with the Troy Colts taking on Traverse City. The Trojans qualified for the title game with a 19-10 win over defending state champion Ann Arbor Pioneer

THE MATCHUP makes a dream, literally a dream, come true for Troy senior running back John Spinosi. The 5-foot-8, 160-pound running back had a dream the night his team lost to Berk-

'I dreamt we won the state championship," Spinosi said after the victory over Catholic Central. "It was the night we lost to Berkley, and I dreamt we won the state championship. Right as the buzzer went off, so did my alarm

Troy's opportunistic defense helped Spinosi's dream stay on course as the Colts recovered five fumbles and had

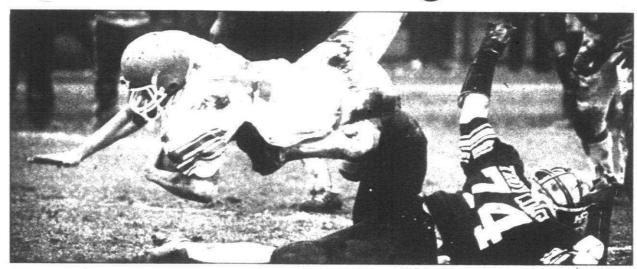

Lamb, who had the interception early in the fourth quarter, picked off another pass in the first quarter and returned it 55 yards for a touchdown, but the play came back on a pass interfer-

Both of Troy's scores came as a result of turnovers, and both came in the frist eight minutes of the game. On the Shamrocks' opening possession, a thirddown play that went for a first down resulted in a fumble, which was quickly revovered by Chris Lin at the CC 45 The Colts moved the ball to the 18, picking up most of the yardage on a John Locker reception and a face mask penalty, which set up Scott Kania's booming 35-yard field goal.

The Shamrocks coughed it up again on their second possession when a third-down snap was botched. Wayne Pasciak recovered, which gave Troy the ball on the Catholic Central eight-

AFTER TWO incompleted passes under heavy pressure, Troy quarterback Kurt Schram hit Eric Jenkins on a sideline pattern at the one, and Jenkins beat the gambling defender for the touchdown. Kania booted the extra point, which concluded all the scoring in the game.

'I've never seen that many turnovers in our histroy," CC coach Tom Mach said, "and it seemed like everybody had a hand in it. No way are you going

to win if you give the ball away like we

Their offense took advantage of it. They didn't do anything different, but we sure did.

Nothing was different about the Troy win. It was a typical performance by the Colts, who lived through 11 wins with big plays and have yet to trail in a state-playoff game.

"We keep coming up with the big plays," Troy coach Jeff Keller said. We've been a big-play team all year. These kids surprise me week in and week out. They come up with the big plays somehow. I think the key to a good team is coming up with the big

Troy's other fumble recoveries came at key times. Although the Colts didn't muster any points from the miscues, they kept the ball out of the hands of

BILL HAYES, last week's hero in a 17-6 victory over Sterling Heights Stevenson, picked up a CC fumble off a pass reception at the Troy 23 and returned it to the Shamrocks' 37. The Colts missed a scoring opportunity when Kania's 25-yard field-goal attempt from the right hashmark sailed wide left.

Lamb had a fumble recovery later in the first half, and Locker recovered a fumbled punt late in the third quarter.

Troy's only turnover came on a razzle-dazzle play in the closing moments of the first half when Schram threw the ball to Locker, who in turn tossed the ball downfield where it was picked off Shamrocks, as they took over on their own 28 and reeled off 24 yards in four carries - two each by Tim Lafferty and Chris Kassa. But CC was stopped on an offensive pass-interference call, and an 11-yard loss on a reverse carry by Ken Wandzel.

Statistically, Catholic Central had the overwhelming advantage. The Shamrocks, who started Mark Stieve at quarterback but switched to Greg Haeger for three quarters, had 76 passing yards and 107 rushing. Lafferty was the leading rusher with 54 yards on

TROY WAS HELD to negative rushing yardage and Schram completed eight-of-18 passes for 61 yards. Locker was on the receiving end of four passes for 32 yards.
"Defense was the key for us," Keller

said. "Catholic Central has only given up two points in the last two games, and we got 10, and our defense played a big role in that."

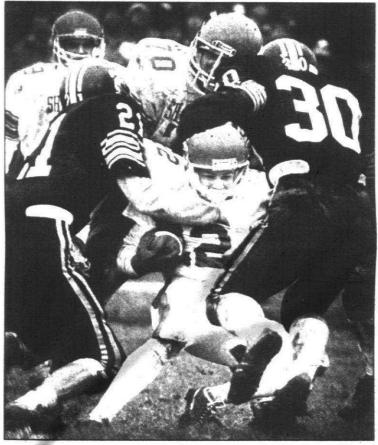

The defense made it a frustrating afternoon for Mach.

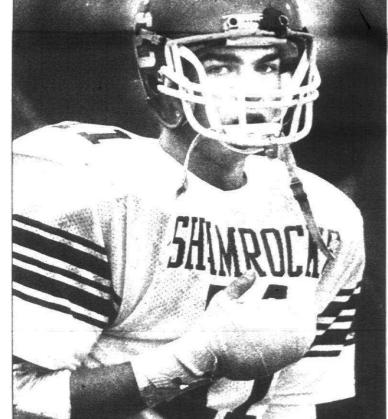

"When things are going that way, it's hard to come back. It seemed like every time we had something going, we'd made a turnover or we were penal-

'Great Wall' rises to occasion in semifinal

By Brad Emons

Catholic Central's student cheering section affect tionately refers to their defense as a "Brick Wall But after Troy's 10-0 blanking of CC in Satur-

day's Class A semifinal tussle, Shamrock fans may have gotten a glimpse of "The Great Wall." Troy's defensive effort could be described as con

crete and slab, girder and steel.

The Colts scored all 10 of their points as the result of CC turnovers. Five different Troy players recovered fumbles during the course of the game Chris Lin, Wayne Pasciak, Bill Hayes, Dave Lamb and John Locker

Lamb also intercepted two passes. On one of his

pick-offs, Lamb raced 55 yards into the end zone for an apparent Troy touchdown, but the play was nullified when another Colt defender was called for

Not only did the Colls stymie CC's ball-control offense, but they also drew the frustrated Shamrocks into a number of penalties.
"We practice stripping the ball every day," said Troy defensive coordinator Gary Griffith. "We call

it 'bite the ball.

"And when the weather is cold, the ball is harder to hang onto. We expect turnovers. We've done it all

The Colts' defensive line giving up almost 20 pounds per man, held its own against CC's huge

And Troy's secondary, led by John Milewski, kept CC's outstanding wide receiver, Ken Wandzel, from having another big day.

"I think Milewski is as good as anybody in the state," said Griffith. "And I'm kind of disappointed he hasn't gotten more recognition this season. We put him on No. 88 (Wandzel) a lot of the time, and

he's as good as anybody. Another unsung Troy defensive hero was No. 20. junior linebacker Brian Dawood, who is filling in admirably for the injured Chris Scott.

"Brian's been playing the last two weeks and he's responded well," said Griffith. "I just can't believe what a job everybody did today

Start believing, coach. Nobody thought they could ever build a "Great Wall."

Canton clears its initial hurdle with victory against Northville

staff writer

It's a cardinal rule basketball coaches firmly believe and constantly preach: Offense comes and goes, but a good defense will keep you in the

Plymouth Canton's girls team has learned that lesson well. The Chiefs proved it with a 41-30 victory over Northville in a state district tournament opener Thursday at Canton.

It wasn't anything revolutionary employed by the Chiefs that shut down Northville, limiting the Mustangs to a mere two baskets in the second and third quarters. By that time Canton's offense had put 16 points on the board, turning a 14-11 deficit after one quarter to a 27-20 lead after three.

"They have two real nice players in (Tricia) Ducker and (Sue) Schrader,' said Canton coach Rob Neu, "and we were just trying to keep the ball out

"(Diana) Knickerbocker did a good job sagging off to help, Karen Boluch did a super job on Ducker and Vicky Ferko covered Schrader real well.'

DUCKER LED Northville with 12 points but managed just four after the first quarter. Schrader scored only three points, all in the opening period.

Canton's tenacious player-to-player defense forced 20 Northville turnovers. But in the first half, the Chiefs' offense didn't have much success trying to solve the Mustang 2-1-2

Canton did not allow Northville a basket in the second quarter, surrendering just two free throws by Ann Griffith. But the Chiefs had only two baskets themselves and six points, giving them a 17-16 halftime lead.

It was the third quarter that proved votal. Baskets by Laura Darby and Knickerbocker and four-straight points from Ferko, sandwiched around a Ducker field goal for Northville, gave Canton a 25-18 advantage.

BETH FRIGGE iced it for the Chiefs with seven fourth-quarter points, including a pair of baskets in the first 49 seconds that put Canton up 31-22. The Chiefs' offense awoke in the second half to outscore Northville

"In the Salem game (a 37-20 Canton loss) we got careless with the ball," said Neu. "One thing we worked on was to get the ball into the right people's hands.

Neu also credited assistant coach Bob Blohm with a part in the secondhalf surge. "He spotted something and made some adjustments in the third quarter," Neu said. "That created some openings for us.'

Knickerbocker used those openings to score a game-high 16 points. Frigge finished with nine, Darby had seven and Ferko six. Northville's next highest scorer after Ducker was Griffith with six.

The Mustangs concluded their season with an 11-10 record.

Plymouth Canton upset; Salem and Churchill in district cage final tonight

By Larry O'Connor staff writer

The PLymouth Salem girls basketball team might feel a bit stood up to-

The Rocks anticipated date for the district championship, city rival Plymouth Canton, won't be showing up. The Chiefs were upset by Livonia Churchill 47-34 Saturday in the district semifinals at Canton's gym.

Tonight, Churchill (14 and 6) battles Salem (18 and 3) for the district title at Canton.

Salem coach Fred Thomann, whose team buried Livonia Stevenson 53-16 in semifinal action Saturday, doesn't want his squad to dwell on Canton's absence. "Right now, we can't worry about

that," said Thomann. "We have to worry about our next game." IF THE Chargers repeat Saturday's

performance Thomann's concern is warranted. Churchill took full advantage of a Canton off night to take an early lead and never let the chiefs re-

"We had good balance," said Thomann "That's what we like to see "

Defensively, Salem held Stevenson to only 4 points in the second half. Kelly Kowalski scored early in the third quarter and the Spartans didn't score again until three seconds left in the game when Denise Vince hit a basket.

Kowalski, who averaged 20 points a game in the regular season, was held to

"Part of the time, (Salem) fought through the picks," said Stevenson coach Wayne Henry, whose team finished with a 6 and 15 record. "Part of the time, we didn't set themn."
