### Senior hunger

Comfort Keepers in Plymouth and Canton hosted two food drives in the last month at Hiller's Market in Plymouth for resident to donate to the STOP Senior Hunger campaign. The two food drives, plus other donations including the Plymouth Senior Center and Chicks 4 Charity, have resulted in 437 pounds of nonperishable food items.

"Hunger Action Month is in September, but seniors go hungry all year," said Jeanne Trumpy, owner of the Plymouth/Canton franchise. "We cannot fight every factor affecting hunger, but we can start here in our community by creating awareness about the issue and helping family members become more aware of the signs of hunger and malnutrition."

Comfort Keepers has placed donation boxes at Livonia Church of Christ, First United Methodist Church in Plymouth and Christ the Good Shepherd Lutheran Church in Canton.

For more information, contact the Comfort Keepers office in Plymouth at (734) 397-1111.

## Dragging case could spur new charge

By Darrell Clem  
Observer Staff Writer

A Westland driver accused of hitting another man and dragging him as a crowd gathered outside a Canton house could face a new, higher charge of assault with intent to murder, authorities have confirmed.

The defendant, 20-year-old Rodney Manning, already had been ordered to stand trial in Wayne County Circuit Court on charges of operating a vehicle while intoxicated causing seri-

ous injury, felonious assault and reckless driving causing serious injury. However, Wayne County authorities have remanded the case to 35th District Court for a new hearing to consider an attempted murder charge against Manning. He is charged in a horrific incident July 2 that police say occurred when a motorist drove off Beck

Road near Woodlong Drive and struck an 18-year-old victim, who became trapped under the car and was dragged toward Saltz Road.

The victim, also a Westland man, suffered severe injuries and spent just over two months in a hospital, Canton Detective Tim Wright has said.

Manning appeared Friday before 35th District Judge James Plakas, who adjourned the new hearing until Nov. 18 amid claims by prosecuting attorney Kenneth Simon that there are

"reluctant witnesses" in the case. Simon's allegations prompted Plakas to warn that he will jail any witnesses who refuse to cooperate.

Plakas also issued a warning that anyone involved in the case could find themselves in legal trouble, if they attempt to threaten or harass others. That warning came amid allegations by a defense attorney that threats have been made against Manning on Facebook and that vehi-

Nichole Welz already is enjoying her new job as the Canton Public Library's program specialist for children, tween and teen services.

## Canton's young library patrons have a new friend

By Darrell Clem  
Observer Staff Writer

Nichole Welz still seems as thrilled by libraries as she did that childhood day when her family took a little cockapoo mutt named Benny Waffles to a pet show.

Two years after they had rescued him from a dog pound, they marched him right up to a Bay County library branch housed in a trailer. So what if the pet show didn't catapult Benny Waffles to stardom. It became a lifelong memory for Welz, who has had strong ties to libraries most of her 41 years.

"I wasn't the biggest reader," Welz recalls of her childhood days, "but I loved dog books. I always had a love of the library."

Welz hopes to instill a similar love for libraries in children after being hired as the Canton Public Library's new program specialist for children, tween and teen services. She was hired from among 10 finalists to replace Kristen Kostielney, who took an out-of-state job.

Welz has become the new face of the Canton library for local children, and she welcomes her new role.

"I love it. It's great," she said, smiling during an interview in

the department where she works.

Welz doesn't mind the commute from Lansing, where she lives with husband Karl Ericson — a Lansing Community College instruction librarian — and their two children, Hazel, 8, and August, 6. Welz last worked for the 13-branch Capital Area District Library, selecting materials and spearheading programs for children and teens.

Welz applied in Canton after hearing of the vacancy and considering the solid reputation of the local library and its employees.

## Turn your life around, judge tells ex-teacher

By Matt Jachman  
Observer Staff Writer

A former Plymouth High School history teacher appeared remorseful Friday as a Wayne County Circuit Court judge, with references to the Book of Ecclesiastes and folk music, sentenced him to probation for unlawfully carrying a pistol.

"I'd like the opportunity to turn everything around and start fresh, and I think that can happen tomorrow," Raymond Schepansky told Judge David Allen Friday morning.

Allen, quoting the Pete Seeger song *Turn! Turn! Turn!*, which was famously recorded by The Byrds in the 1960s, then said he wants Schepansky to get his life back on track.

Schepansky could have received up to three months in jail under sentencing guidelines. There's a time to get things together, "and a time to screw things up," Allen told him.

"I do believe in redemption, Mr. Schepansky, and if you shovel as much s-t as I do around here, you have to, to stay sane," Allen said.

Schepansky, a popular teacher who had attracted student support during his legal ordeal, pleaded guilty to the weapons charge last month. It stemmed from an April 14 incident in which police found a 9-mm pistol in his car as he arrived at the high school. Schepansky was in a dispute with Erin MacGregor, the assistant prin-

## Support for I-275 project grows as hearing nears

By Darrell Clem  
Observer Staff Writer

Calling the I-275/Ford Road area "a traffic problem hot spot for years," state Rep. Kurt Heise, R-Plymouth, has formally joined the push to address safety issues near the beleaguered interchange.

Heise issued a statement Friday, just four days before the state Senate Transportation Committee comes to Canton for a milestone public hearing on I-275/Ford Road traffic problems.

Canton officials, drawing support from many local, county and regional leaders, hope fed-

eral authorities will approve a \$20.3 million grant to fix the traffic-clogged area and end a nine-year push for interchange improvements.

Heise has joined a list of officials who plan to address the Senate committee during a hearing set for 6 p.m. Tuesday at the ballroom of Summit on the Park, 46000 Summit Parkway west of Canton Center.

Local officials hope to pack the hearing with area officials and residents, in a show of support for fixing the interchange.

"This area has been a traffic problem hot-spot for years," said Heise, who formerly

served on the Southeast Michigan Council of Government's Transportation Advisory Committee. "It's time we take residents' safety seriously by making the changes needed to create safer and less congested alternate routes."

Intersections along Ford Road near I-275 are among the highest-crash spots in Michigan, local officials have said.

Local officials hope to receive \$20.3 million in federal TIGER — Transportation Investment Generating Economic Recovery — dollars. They say the project would fix a troubled area, create jobs and ease traffic congestion

along Ford Road.

On Tuesday, the Canton Township Board of Trustees also adopted a resolution supporting improvements and urging the Michigan Department of Transportation to include the project in the state's long-range road plan.

The project calls for adding new ramps, or slips, to let drivers on the south I-275 exit ramp access Haggerty Road without going onto Ford. It also calls for a service drive on the east side of the interstate from Cherry Hill north past Ford Road.

principal at the time, the day before, testimony in 35th District Court indicated.

Three additional weapons charges — carrying a weapon with unlawful intent, carrying a weapon in a weapons-free school zone and possessing a firearm when attempting to commit a felony — had been dis-

missed earlier by Judge Mike Gerou in district court. Schepansky's guilty plea last month came on the day Allen was to hear testimony on a motion by the county prosecutor's office to reinstate those charges.

Schepansky must also undergo a psychological examination, complete an anger management course, and own no weapons and refrain from using alcohol and illegal

drugs during his probation.

Allen said he wouldn't object to transferring the case to Tennessee, if Schepansky relocates there, but defense attorney Richard Convertino said later that while moving to Tennessee was a possibility for his client, it's not a certainty.

"He's trying to lift himself up by his bootstraps," Convertino said outside the courtroom.

Schepansky had taught in the Plymouth-Canton Community Schools for more than a decade. He was fired by the district following his April 14 arrest and also submitted a letter of resignation.

Wearing a dark gray suit and sporting a beard, Schepansky declined to answer questions as he left the courthouse.

cles have been driving past his house late at night since the incident, possibly in an attempt to harass him.

Plakas also warned Manning not to have any

firearms. Manning said in court that he doesn't have any.

Manning is charged in an incident that Canton Detective Sgt. Dave Schreiner has said occurred during "a large gathering of young adults and teens."

Manning was charged

amid allegations he drove off the shoulder of the road onto a grassy area, striking the 18-year-old victim and dragging him for what police called a considerable distance.

Authorities have said the driver initially didn't realize the victim was

No details have yet emerged to indicate what may have triggered the incident.

"They are very well-known across the state," she said. "They are very impressive. Their enthusiasm is contagious."

Welz embraces the chance to work in a single-branch library where she can develop closer ties to children, their parents and her co-workers.

Welz grew up in the Bay City area, one of three children born to Marilyn and Edward Welz. She received her undergraduate degree in telecommunications from Michigan State University and her master's degree in library and information science from Wayne State University.

After receiving her undergraduate degree, she volunteered for a year in Toronto with Covenant House, an organization that provided food and shelter for homeless youths ages 12-18 while trying to steer them to better lives.

"I remember taking them to the library. I helped some of them get library cards," Welz said. She believed that linking them to knowledge and information could only help them overcome difficult situations.

While in college, she worked in Michigan State's business library as part of a work study program, and prior to her Lansing job she was employed as a children's librarian in Grand Rapids.

involvement with youth and her positive outlook for children's programming.

"She sees the big picture of things," Golden said.

Welz said she enjoys seeing children become young readers after they first develop an appreciation for pictures and words.

"It's just that first stepping stone into literature," she said.

Welz plans to continue longtime traditions, such as children's storytime sessions. She also said she wants to develop ties with community organizations and cultural groups to nurture their involvement in youth programs.

Although she just started her job, she already has been impressed by the dedication of Canton library employees and the diverse community the facility serves.

"I'm very excited to work in a community like this," Welz said.

Benny Waffles would be proud.

# District cooks up food service successes

By Brad Kadrich  
Observer Staff Writer

Kristen Hennessey and her staff in the Plymouth-Canton Community Schools food services department have done such a good job in-house, they've now taken their show on the road.

After a 2010-11 school year in which the program — brought in-house two years ago after a long relationship with Sodhexo two years ago — grew by leaps and bounds, the food services staff is now handling similar programs at Livonia schools, and providing meals, for the first time, to Our Lady of Good Counsel in Plymouth.

That expansion of duties comes after a year in which the program

Plymouth-Canton staffers Patty Russo and Kristen Hennessey, along with Board of Education members Dianne Gonzalez and Adrienne Davis, made the trip to Washington, D.C., to accept honors for Dodson Elementary School's performance in the HealthierUS program and First Lady Michelle Obama.

contributed \$188,000 back into the general fund after spending \$92,000 to upgrade equipment at seven schools.

The results are showing in the bottom line.

Growth is occurring nearly everywhere in the program. Lunch participation has seen a 3-percent annual growth over the last two years, while breakfast participation

has soared an average of 29 percent.

Daily meals have gone from 8,398 per day to more than 10,000, an increase of some 743 meals per day.

"I measure everything with growth; if we're feeding more students, we're meeting the need," Hennessey said. "The staff has embraced the program. They're doing a great job."

That work has shown up inside and outside the cafeterias, enough so that first lady Michelle Obama took notice. Hennessey recently returned from Washington, D.C., where she and other Plymouth-Canton representatives were honored for the Bronze Award recently won by Dodson Elementa-

ry School for its healthier-choice initiatives.

### Healthy choices

Healthier choices caught on so well that Hennessey and her staff rolled out a new, healthy menu and hope to earn similar honors for the rest of the district's elementary schools.

"We rolled out the menu at all 16 elementaries," Hennessey said. "Hopefully, any day now, we're going to hear all 16 elementary schools are at least at the Bronze level."

The district has also now fully implemented the PaySchools program, which allows parents to see what their children are eating and also lets them pay into their students' meal accounts

online. Parents used the program to the tune of some \$546,000 last year, and deposited some \$136,000 in September alone this year.

"It's a very worthwhile program," Hennessey said. "It's reducing the amount of cash we're dealing with."

The performance, particularly the increase in participation, drew praise from the Plymouth-Canton Board of Education.

"It's wonderful to see the growth, especially in the breakfast meals," Trustee Barry Simescu said. "So many kids come to school not being prepared because they haven't had a good meal."

## Poker games raise money for Canton Lions

Canton Lions Club members will be at Trip Kings Poker Room, 8669 N. Lilley south of Joy in Canton, noon to 2 a.m. Friday through Sunday, Nov. 11-13, for a fundraiser, Lion Bill Van Winkle said.

The club will sell poker chips to people who play Texas Hold 'Em and other games. The money raised will help the Penrickton Center for Blind Children, the Leader Dog School for the Blind and local residents who are in need. The funds also will help purchase eyeglasses for schoolchildren and elderly people who require visual and hearing aids.

According to Lion Club President Larry Wegrzyn,

the money will allow Lions to meet pressing needs in the community including those who need assistance due to economic problems. Lions have issued a statement saying those who help during the fundraiser "are truly helping Lions make a difference in our community."

Canton Lions Club has 45 members and meets at 7 p.m. on the fourth Monday of the month at the Cherry Hill Schoolhouse at Cherry Hill and Ridge roads. For more information or to get involved, contact Lion Bill Van Winkle at (734) 254-9404 or visit Cantonlions.org.

## Tenth anniversary honors Dodson school namesake

By Maggie Wunderlich  
Correspondent

When George Dodson learned a Canton elementary school would be named after him, he was overwhelmed with the tribute. Ten years later, at a recent Dodson Elementary anniversary celebration, he still feels overwhelmed.

The staff gathered to honor the namesake of their school, who is "an inspiration and shining example," according to Principal April Quasarano.

"We promise we will continue to grow and do everything we can to continue to make our students and community stronger and very successful," Quasarano said. "We stand behind our motto at Dodson that we are learning today and leading tomorrow."

The staff presented Dodson with special gifts from each grade in the form of service projects, including planting bulbs, grounds beautification and upkeep. The staff also gave Dodson a framed picture of the Dodson students.

"You obviously left some big footprints here and are remembered so fondly and so lovingly," Dr. Jeremy Hughes, the Plymouth-Canton superintendent who was a guest speaker, told Dodson.

Born in Kentucky in September 1925, Dodson overcame many hardships, including the Great Depression and World War II. During his WW II service, he earned two Purple Hearts and three Bronze Stars for Valor. He also came in contact with hungry and ragged

George Dodson accepts a gift from Dodson Elementary School Principal April Quasarano as the school that's named for him celebrates its 10th anniversary.

children. This memory stayed with him years later and greatly influenced his decision to change careers from real estate to teaching.

### Artwork pleases

The 86-year old Dodson was overjoyed with the gifts from the Dodson staff and especially loved the children's artwork and pictures of smiling faces. His first teaching job was at Geer School in 1965, where he worked in the one-room schoolhouse for two years. He then taught sixth grade at Allen Elementary, for two years. Around that time, he developed an elementary counseling program to help disadvantaged children and was a counselor for three years at Stark-

weather and Gallimore Elementary.

Dodson became principal at Gallimore in 1972 and in 1980 at Smith Elementary, until his retirement in 1988. He was called out of retirement, in 1996, to act as interim principal at Gallimore and, later, at Fiegal Elementary. Lastly, from 1999 to 2000, he served as Interim Director of Transportation.

Dodson reassured current teachers that there are teachable moments.

"When you hit one, dwell on it and stay with it. Kids will learn," he said. "Laughter is life's music. Every day you should laugh with your kids."

Family is Dodson's greatest joy in life. He's been hap-

pily married to Melba for 60 years, and together they are proud of their two sons, one daughter, eight grandchildren, five great grandchildren and are excited for the upcoming birth of a new great grandchild. His face lights up at the mention of his family.

Dodson has seen various educational changes since his early days.

"There are unbelievable electronics in the classrooms today and there's better teacher training. Kids are better prepared," he said.

Dodson Elementary will have more anniversary celebrations throughout the year, including school-wide and community events. Look for them on the website [www.dodson.pccs.k12.mi.us](http://www.dodson.pccs.k12.mi.us).

### SCHOOL BRIEFS

#### Job fair

# Township eyes parking ban for commercial vehicles

By Darrell Clem  
Observer Staff Writer

Bowing to concerns by residents about children's safety, traffic hazards and neighborhood blight, the Canton Township Board of Trustees has embraced a new ordinance prohibiting large commercial vehicles from parking on residential streets.

The new measure appears certain to receive board approval amid complaints that Canton Township Attorney Audrey Robinson said have arisen in residential pockets across the community.

Elected officials introduced the latest traffic ordinance last Tuesday, and a second reading is expected Nov. 22 before the new rules take effect Dec. 1.

Residents of the Forest Trails subdivision near Sheldon and Joy implored the township board to approve the

ordinance, saying large tow trucks have caused problems in their neighborhood.

"It's a blight condition ... and a safety issue," longtime resident Daniel Okarma said.

Forest Trails resident Michael Morelli, a Canton resident nearly 40 years, agreed and said tow trucks hauling cars, apparently as part of a business, have disrupted the neighborhood and posed safety hazards for drivers and children crossing Leslie Lane and other streets.

"We're very concerned about this," Morelli told the township board.

Although he didn't address the board, father of four Jonathan Kearney, who has children ranging from 14 months to 4 years old, said he attended Tuesday's meeting to show his support for the new ordinance.

Complaints from Forest Trails and other neighborhoods prompted the new ordinance, designed to "eliminate visual and traffic obstructions caused by large commercial vehicles parked on residential streets."

It applies to solid waste collection vehicles, tanker trucks, tractor and semi-trailer trucks, dump trucks, concrete mixers, tow trucks, snow-plowing trucks and heavy construction equipment, among others. It doesn't apply to emergency response vehicles, pickup trucks and vans.

The proposed ordinance reads: "No large commercial vehicle may be parked on any residential street or near any church, school or alley in the township, except when picking up or discharging passengers or

when temporarily parked pursuant to the performance of work or service at a particular location."

Canton Police Special Services Lt. Todd Mutchler said the penalty for violating the ordinance would be a \$75 fine.

Robinson said police officers will enforce the new rule, though they will not specifically patrol to look for offenders.

"The enforcement of this will really be complaint-based," she said.

Township Supervisor Phil LaJoy assured those who attended the meeting that they will have a remedy to their neighborhood problem come Dec. 1.

"In a few weeks," he said, "you won't have that problem."

physical training, weapons systems, and building searches. They had to successfully complete a physical skills test along with an extensive

written exam on all systems and procedures taught during the course.

Canton Police Officer Matthew Burdt and Firefighters Matt Niemczewski and Frank Palumbo were among 22 graduates to successfully complete the strenuous two-week program and earn state SWAT certification, local authorities said.

Since its inception in 1989, this was the consortium's 16th SWAT class, and it was the first class in which all participants graduated.

Participants took part in extensive

Niemczewski and Palumbo will serve as Tactical Emergency Medical (TEMS) officers with Burdt and four other Canton police officers currently assigned to the Western Wayne Special Operations Team, which now consists of 19 officers and four TEMS officers from Canton, Livonia, Northville, Northville Township, Plymouth, Plymouth Township, Redford, Van Buren and Wayne.

## CRIME WATCH

### Gun confiscated

Canton police arrested a 42-year-old woman after receiving a call that she had a handgun sticking out of the back of her pants while she was inside Hayden's Grill & Bar at Ford and Lotz shortly after 2 p.m. Friday.

After an employee contacted police, an officer went inside the restaurant, approached the woman from behind and grabbed the gun. The woman told police she didn't realize the gun was visible while she was sitting in the eatery.

The woman told police she was on her way to the Firing Line gun range in Westland. She was placed under arrest for a violation of carrying a concealed weapon.

### Fleeing the scene

Police arrested a woman accused of leaving the scene of a car accident that occurred shortly after 9 p.m. last Thursday at Ford and Lotz roads.

Police received a call from a victim who said she had stopped for a red light on eastbound Ford at Lotz when the other woman struck her from behind while driving a red Ford Focus. The

force pushed the victim's car into another car.

The victim got out of her car and made arrangements for the suspect to meet in the Sam's Club parking lot, but the suspect instead drove off. She was described as a white female in her mid-20s.

Police spotted the damaged Ford Focus on southbound Beck near Geddes. When she was stopped, she admitted her involvement in the accident and was cited for leaving the scene of a property damage accident and having no proof of insurance.

### Tools taken

A man who lives in the 1400 block of Hendrie, northeast of Saltz and Beck, told police that someone stole a Craftsman toolbox and various tools from his garage sometime prior to Oct. 19.

The man told police he didn't believe he left the garage door open.

### Larceny arrest

Canton police arrested a 30-year-old South Lyon woman, who was wanted on a larceny warrant, after making a traffic stop near Belleville Road and Michigan Avenue

shortly after 11 p.m. last Thursday.

The woman was driving northbound on Belleville Road in a pickup truck when police noticed she wasn't wearing a seat belt. Police learned after stopping her that she had a warrant out for her arrest from Wixom.

The woman was taken into custody and turned over to Wixom authorities.

### Missing guitar

A 40-year-old man reported his guitar was stolen sometime Oct. 19 from a residence he rents along with several other people in the 1400 block of Hampshire, north-west of Haggerty and Palmer.

The man told police he rents an upper-level room of a home but had left his guitar on a lower level because that is where he often plays it. He described it as a Washburn electric guitar.

The man checked around and was told by Garden City Exchange that someone had come to the store trying to sell the guitar. The incident remained under investigation.

# Auditors: W-W finishes 2010-11 with better than expected balance

By Sue Mason  
Observer Staff Writer

A larger than usual check from Wayne County for delinquent property taxes and better than anticipated savings related to right-sizing of the elementary program helped improve Wayne-Westland's bottom line in fiscal 2010-11.

That was the message from the district's auditing firm of Plante Moran, which gave the district an unqualified or clean audit, the highest level of assurance auditors can provide.

"This is the result of some very difficult decisions made by the board," said Nathan Troyer of Plante Moran. "It has some benefit and is important as the district goes forward."

"There are a lot of uncertainties, a lot of challenges, and this fund balance will really help the district meet those challenges head-on in a proactive

way," added auditor Jeff Higgins.

The district finished the fiscal year 2009-10 with \$7.8 million in the bank, enough money to continue school operations for 11 days, if there was a catastrophic event and state funding ended. That amount represented 6.61 percent of expenditures. The fund balance for fiscal 2010-11 came in at \$12.4 million or 11.45 percent of expenditures and enough money to keep schools open for 19 days.

The dramatic shift is the result of stepped up efforts by Wayne County to collect delinquent property taxes, providing an additional \$1.6 million, as well as \$250,000 in profit in food services. According to the auditors, the district's belt tightening produced savings in salaries, health care, retirement, purchased services and supplies, much of which was related to its 21st Century initiative that included closing

six schools to right size the district.

The district had projected revenue at \$111 million and expenditures at \$112.7 million, but in actuality took in \$112.7 million and spent just \$108.8 million. The variance for revenue was less than 1 percent, but was more than 22 percent for expenditures.

In 2003, the district had a fund equity of \$23 million, but that has amount has steadily eroded, mirroring the effect of state funding issues happening to districts around the state. Citing the loss of federal stimulus money and the increase in retirement costs to 24.46 percent of payroll, "there's a significant amount of money that is out of the district's control," Troyer said.

"With an elongated state aid payment plan, there's \$16 million owed to you after the end of your fiscal year and that creates a lot of cash flow issues," Troyer said.

With 91 percent of its revenue coming from the state foundation allowance, the district has "little ability to effectively improve revenue every year," he added.

School board President Carol Middel pointed out that Deputy Superintendent Gary Martin, the district's chief financial officer, had promised that she would eventually see the savings from a board decision to close six schools and right-size its educational program.

"Now I do see the savings coming through in this audit," she said.

Martin told the board the savings are built into the budget, but the district has experienced \$2.7 million in additional savings above and beyond what had anticipated because of the school closings.

"There were synergies in closing those schools that kept building, they were unanticipated and continued to snow-

ball, he said, pointing to food service. The school closings provided greater savings in labor and when the board voted to offer universal breakfasts at some schools, the district was able to use the existing staff.

"We were able to make it a much bigger and more profitable program," he said.

And while the fiscal picture improved for 2010-2011, this year's picture is murky at best. The district has lost more than \$9 million in revenue from the state, including \$6 million related to its Wayne-Westland language. Coupled with increased retirement costs and increase health care costs, the shortfall balloons to \$13 million.

According to Martin, the "synergies of the 21st Century Initiative" and cost containment will help mitigate some of the losses.

## Home invasion suspect headed to trial

By Darrell Clem  
Observer Staff Writer

Sitting in a wheelchair, a wounded suspect who police say was shot during a home invasion on Canton's west side was ordered Friday to stand trial after he waived his preliminary examination in 35th District Court.

Shan Shahid, an 18-year-old Brownstown Township man, is facing trial in Wayne County Circuit Court for home invasion for an incident that Canton police say occurred shortly before 1 p.m. Oct. 12 inside a home on Townsend, near Ridge and Saltz roads.

In a move that avert-

ed testimony Friday, Shahid waived his hearing in front of 35th District Judge James Plakas, who sent the case to circuit court for disposition.

Shahid appeared in court in a wheelchair with his right leg in a cast. Police say he was wounded after the Townsend homeowner fired shots at him.

A not-guilty plea has been entered for Shahid, who could face up to 20 years in prison if he is convicted as charged. He is free on a \$25,000 personal bond as he awaits trial.

No one else has been charged, though police have said the case

remains under investigation due to the possible involvement of a second suspect.

The homeowner, described as in his 40s, called police after the shooting to report that he had just shot an intruder, Canton Detective Sgt. Dave Schreiner has said.

Police rushed to the home and found the intruder being held at gunpoint by the homeowner, who had a handgun. The resident wasn't injured.

Police haven't divulged any other details of the case.

Many people are wrongly rejected when they apply for Social Security Disability benefits. # 'Intelligent' light poles are launched in Farmington Hills

By Susan Steinmueller  
Observer Staff Writer

If you thought you saw light poles along 10 Mile in Farmington Hills beaming different colors or playing music recently, it probably wasn't your imagination.

For the last several months, eight new "intelligent" light poles have been tested outside of Illuminating Concepts, between Orchard Lake and Middle Belt.

The digitally controlled light poles are only limited by what people want to use them for, say develop-

ers at the company — and that includes light shows and music, in addition to allowing for attached digital illuminated signs with pedestrian, traffic and weather notifications, festival ads, videos and much more.

"The potential for such systems has been obvious to everyone who has seen the technology at work," said inventor Ron Harwood, president of Illuminating Concepts.

The technology is called "Intellistreets."

"Intellistreets is adaptable to what its environment needs, when it

needs it," Harwood said.

The wireless system also allows for reduced energy costs with dimmable, programmable and "smart" LED lighting, which draws less energy than traditional lighting and is controllable from a remote Internet-based command module.

**'One of the best and brightest'**

On Friday, the Intellistreets system was officially launched to the public in a ceremony at

the company attended by state, county and local officials and other dignitaries.

Harwood told those attending that the idea was born partially of his experience at Disneyland, where visitors leaving were given way-finding technology to tell them where to go when the park was ready to close.

It was also because of 9/11, Harwood noted, saying it became obvious that people in an emergency needed way-finding and audio alerts.

The resulting technology is the result of collaboration between area universities, Oakland and Wayne county executives, the city of Farmington Hills, police and fire and his staff, Harwood said.

"I'm only the guy who was smart enough to hire people smarter than me," he said.

"The great thing about Illuminating Concepts is that it represents one of the best and brightest companies that we have in Michigan," U.S. Rep. Gary Peters said in his remarks. "I think what's exciting about this project is that this is something Illuminating Concepts can sell all over the world."

## At the forefront

"This is another example of Farmington Hills being at the forefront of innovative technology," Farmington Hills Mayor Jerry Ellis said.

The city invested federal grant money that supports green technology initiatives into the company, making Farming-

ton Hills the first site in the world to feature Intel-listreets.

The city would have to buy the system, however, in order to have it on other streets. The light poles on 10 Mile will remain as demonstration light poles for clients.

After remarks by dignitaries, the ribbon was cut at the entrance to the company property, after which the light pole began playing *It's a Beautiful Day*.

More demonstrations were then given inside the building.

Jeff Stribbell, marketing director of Outdoor Media Group at Illuminating Concepts, said the company is expecting to receive orders now that it's launched the product.

"We've had significant interest. It's incredibly fun," he said, showing with a tablet how the pole can be programmed.

## Lots of possibilities

Farmington Hills Fire Chief Corey Bartsch said he was intrigued.

"Anytime we have the opportunity to reach out to the public to tell them about various hazards, that's good," he said.

"It will be interesting to see the applications and if this is affordable as well," Farmington Hills Police Chief Chuck Nebus said. "There is a wonderful list of wonderful applications."

The celebration was company-wide. While he didn't work on the project, Larry Park, industry designer at Illuminating Concepts, said, "It's great because there's a lot of excitement around the product. It's great to be in a company, especially in Michigan right

now, that is investing in creating new technology."

The technology was touted by the company as "revolutionary technology that combines homeland security, energy conservation, entertainment, concealed audio control, traffic direction and rerouting, aesthetic applications and much more, into a public fixture — the urban light pole."

Founded in 1981, Farmington Hills-based Illuminating Concepts is one of the world's largest lighting and media design firms.

# Paddling down the Rouge wasn't easy but definitely encouraging

**W**ell, we did it. It took us pretty much most of the daylight hours over a three-day period, but we were able to canoe the Rouge River from Canton all the way to Dearborn — a journey of about 22 river miles. Of course, along the way we had to duck under, climb over, or trudge around well over a hundred logjams of varying size. But we did it.

And I'm happy to report that nobody in our group of about a dozen foolhardy souls died or was seriously injured during our exploratory venture.

The group — which included myself, members of Friends of the Rouge, and some officials from Wayne County, Canton Township and the city of Wayne — shoved off on the morning of Friday, Oct. 7 at Beck Road in the western portion of Canton. On Sunday evening, just as the sun was setting in the west, we pulled up near Fairlane, Henry Ford's historic estate in Dearborn. Ford's estate, located on the campus of U-of-M Dearborn, sits majestically on the main branch of the Rouge River, near its confluence with the Lower Rouge River, which is the branch we floated on. Our trip took us through most of Canton, Wayne, a portion of Westland, Inkster, Dearborn Heights and finally Dearborn.

Day one was perhaps the most grueling. The river is smaller in western Canton, and it winds quite a bit. As a result, it

is just littered with fallen timber that has created dozens and dozens of logjams. That meant us finding any means necessary to get past each one — many had to be portaged around. We quickly became experts at figuring out either to duck under, pull over or just get out and walk around the logjams. By the end of the day, we had only made it to Lilly Road, which was far short of reaching our goal of getting half way through Wayne. We were also very sore.

Day two began at Lilly and we made our way east, traveling under I-275 and towards Hannan Road and into the city of Wayne. There weren't as many logjams as the previous day. By the end of the day, we had reached Wayne Road, where we pulled out at Goudy Park — the site of a dam, which was appropriate because this dam (under Wayne Road) was the reason for our trip in the first place. The Michigan Department of Natural Resources long ago declared the dam a nuisance, because it impairs the ability of fish to move up and down the river to spawn. More significantly it is the only dam on the Lower Branch of the Rouge.

After years of efforts to find the money for the project, it was recently announced that the National Oceanic and Atmospheric Administration and the Great Lake Restoration Initiative would provide grant money to remove the dam, most likely in 2012.

Friends of the Rouge, a group with a long history of trying to save the Rouge, saw the dam removal project as a way to also promote the recreational opportunities of the river, especially fishing and canoeing. That's when the idea for our trip was hatched.

Bill Craig checks out a giant outfall in Wayne that was built to send storm water runoff from streets directly into the Rouge River. There are many along the river.

So at the end of day two, a couple of us decided to shoot over the dam, which is only about six feet high. Fortunately we survived. While it now seems foolish, it was pretty exhilarating at the time.

Day three was by far the most rewarding. Because of the work volunteers have been doing over the last decade or so, most of the river is open through the city of Wayne, east of Wayne Road. We actually got to paddle continuously for very long stretches, making it to Inkster Road by lunch. We paddled on into Dearborn Heights. At Telegraph Road, we had a debate. It was about 4:30 p.m. The plan had been to take out there, and finish the trip on a fourth day. Some of us wanted to complete the journey that day though — Fairlane was only a couple miles away. We took a vote, and we decided to finish the trip that day. It was a great decision, because as we pulled up at Henry

Ford's elegant home next to a large waterfall he built on the river, there was a perfect sunset. It was an appropriate end of our journey.

I have to say, I have been on a few adventures in my day, including some backpacking trips out West and back country camping trips in Canada, and this three day paddling excursion on the Rouge ranks right up there. It was tough, but in the end it was a memorable accomplishment.

This was all about letting the public know of the potential of the Rouge River — and its recreational possibilities. I can say without any hesitation, this long forgotten and ill-treated river is on its way back. It could be a great resource and add to the quality of life of our area, especially in the communities it passes through. It also goes through a really nice forested corridor, which in many places is reminiscent of northern Michigan. Over the course of our three day adventure, we saw plenty of wildlife. There were plenty of fish in Canton, including some big pike. We

Matt Mulholland of Wayne climbs over a large logjam. There were more than 100 logjams along the route.

saw deer and raccoons, mink and plenty of species of birds, including some egrets and blue herons that squawked at us for disturbing them when we got out of the canoes and visited a really nice man-made wetlands area in Inkster.

The Rouge River is never going to be the AuSable or the Manistee, two of the most beautiful and popular rivers in the state. Or even the Huron for that matter. The Rouge River watershed is home to more than a million people. And that many people cause lots of problems for a river like the Rouge — storm water runoff, garbage, and even dumping of raw sewage (which we found a couple cases of in Dearborn Heights). But

the Lower Rouge could be a real nice canoe route, especially from Canton to Inkster Road. It is something that Canton, Wayne, Westland and Inkster should really try to promote, not to mention Wayne County, which owns most of the land along the river.

With a little more attention, it could be a nice draw to our area. It is in our backyard. If we were able to make it a viable canoe route, which I really believe is a possibility, it would be a heck of a legacy to leave to future generations.

# Shakespeare meets Players in 'I Hate Hamlet'

It's a love story, a ghost story and a comedy. And if you've never experienced theater up close and intimate, you won't want to miss *I Hate Hamlet*, presented by Spotlight Players Nov. 11-13 and 18-20, in the Biltmore Studio at the Village Theater at Cherry Hill.

The story revolves around Andrew, a successful young television actor, who is offered the role of Hamlet for Shakespeare in the Park. Set up in a temporary apartment once used by the great Shakespearean actor John Barrymore, he finds himself visited by Barrymore's ghost and becomes a reluctant student of the great master as the ghost begins training him for the part.

Soon his virginal girlfriend Deirdre, his agent, Lillian, Felicia, the real estate agent, and his entrepreneurial friend Gary are drawn into the mess. Mayhem and romance ensue.

The show is performed with the audience on three sides and the content is not recommended

for children.

"The show is a celebration of actors and acting," said director Mike Cuba. "It is a comedy that pokes fun of Shakespearean actors while at the same time showing us why they are so wonderful at what they do, and why they work so hard to do it."

"It is a comedy that manages to work four romances into a show with only six characters! And where else can you see John Barrymore, the greatest Hamlet of them all, live on stage," he added.

*I Hate Hamlet* is a loving look at live theater, and the crazy talented people who make it their home. It's also a celebration of the greatest work of the greatest author in the English language, William Shakespeare.

Dave Durham of Garden City is John Barrymore, suave debonair ladies' man and a ghost. Rebecca Winder of Canton is Deirdre McDavay, the swooning, emotionally supersaturated girlfriend. David Fedewa of Canton is Andrew Rally, successful young

TV doctor, and doubt-ridden potential Hamlet for Shakespeare in the Park.

Also appearing in the production are Lindsay Frischmuth of Plymouth is Felicia Dantine, New York City real estate agent and sometime psychic, Pat McKane of Canton, the self-centered

Hollywood entrepreneur Gary Peter Lefkowitz and Raychel Rork of Canton is Lillian Troy, elderly theatrical agent for Andrew, who once had a fling with Barrymore.

Shows will be at 8 p.m. Friday, Nov. 11 and 18, 2 p.m. and 8 p.m. Saturday, Nov. 19 and 2 p.m. Sun-

day, Nov. 13 and 20, at the Village Theater at Cherry Hill, 50400 Cherry Hill, Canton. The 2 p.m. performance on Saturday, Nov. 19, will feature two sign language interpreters for the hearing impaired community.

Tickets are \$15 for adults, \$13 for senior cit-

izens and students under age 19. They're available at the theater box office by calling (734) 394-5300 or (734) 394-5460, online at [www.spotlightplayers-mi.org](http://www.spotlightplayers-mi.org) or in person at The Summit on the Park or at the door. The box office opens one hour prior to showtime.

Dave Durham of Garden City, who plays the ghost of the famous John Barrymore, dances with Rachel Rork of Canton, who appears as Lillian Troy, an elderly theatrical agent for Andrew, who once had a fling with Barrymore, in 'I Hate Hamlet.'

# Walsh wants separate business court

By Ken Abramczyk  
Observer Staff Writer

Walsh

Legislation was introduced Wednesday to create a new business court system in Michigan.

State Rep. John Walsh, R-Livonia, introduced a bill that would create a new court division with four regions.

The business court would consist of circuit judges assigned by the Michigan Supreme Court in a number based on the volume of business litigation filed in a particular region. The court would have jurisdiction of cases in which the amount in controversy exceeds \$25,000.

Walsh said a separate business court, similar to how family and criminal divisions operate, will help streamline the legal process. He expects the

legislation will be discussed by the House Judiciary Committee during its discussions expected in January on judicial reform on the number of circuit judges throughout the state.

Walsh said his proposal won't cost taxpayers money.

"Business cases are more complicated and they take a long time," Walsh said. Denser populated areas with larger caseloads would incorporate the new business divisions.

"It would help with the caseload similar to drug courts, where the parties are familiar with the law

and circumstances," Walsh said. "It's less frustrating to all the people involved. If you have a judge in front of you who knows the law, it's less frustrating and more efficient."

Judges won't be jumping between different laws in deciding cases, Walsh said. "They're trying to multi-task, switching from criminal to business to family law," Walsh said. "There's a loss of efficiency when they switch."

Walsh said these judges could hear cases on banking or commercial transactions. Companies may be disputing contracts on when payments are made or how the company will be financed.

"When they go to business court, there may be more consistent judgments and fewer appeals," Walsh said, thus

driving down costs. That will help the state's economy, Walsh said.

Walsh said a few other states, such as Delaware, are using a business court division. "I wouldn't say it's prevalent, but it's growing," Walsh said.

Under House Bill 5128, the new court division would be divided into four regions. Region 1 would consist of Calhoun, Hillsdale, Lenawee, Monroe and Wayne counties. Region 2 would include Genesee, Macomb, Oakland and Shiawassee counties. Allegan, Barry, Berrien, Branch, Cass, Eaton, Ionia, Jackson, Kalamazoo, Kent, Muskegon, Newaygo, Ottawa, St. Joseph, Van Buren and Washtenaw counties would be in District 3. The remaining counties would fall under District 4.

## Schoolcraft welcomes author of Gospel of a Cab Driver

The Pageturners book discussion group will welcome local author Roger M. Aljuni, M.D., who will be discussing his book, *Gospel of a Cab Driver*, at 1:15 p.m. Wednesday at Schoolcraft College, Livonia.

This special Meet the Author event is free and open to the public. It will be held in the VisTaTech Center on the college's main campus in Livonia, Haggerty Road between Six and Seven Mile roads.

*Gospel of a Cab Driver* is the story of Zechariah, an illegal immigrant and the son of a Muslim father and a Jewish mother. It is also the tale of America's recent political,

religious and cultural entanglements. Set around the events of Sept. 11, 2001, the novel addresses themes of identity, geopolitics, and cultural and religious tolerance — all within the frame of a love story.

Aljuni was born in Palestine and moved to the United States in 1954. He lives and practices medicine in Michigan. He and his wife have four children. *Gospel of a Cab Driver* is his first novel.

Copies of *Gospel of a Cab Driver* are available for a discount in the Schoolcraft College Bookstore and will be available for purchase at the Meet the Author event.

# HARP might provide relief for struggling homeowners

By Rick Bloom  
Guest Columnist

Money Matters  
Rick Bloom

**Q:** Dear Rick: Five years ago, I purchased a new home. I paid \$475,000 and I had a \$450,000 mortgage. At the time I bought the home, I had some problems on my credit and because of that I'm paying a little over 7 percent. I've tried to refinance, but since my home is now worth about \$375,000, the mortgage company says I can't refinance. I love my home and I don't want to screw up my credit rating by walking away from my mortgage. Do I have any options?

**A:** Normally I would tell you that there is very little that you can do at this point in time. Typically, mortgage companies will only refinance a home if you have equity in the home. In your case, since the home

is worth less than the mortgage, there is no equity. Therefore, in most cases there would be no opportunity to refinance and take advantage of the lower rates. There is, however, a potential solution to your situation.

The government just announced new rules for the HARP plan. HARP (Homeowner Assistance Refinance Program) is a federal program that was established a couple of years ago. The program was supposed to help about five million people in your situation refinance; however,

not unlike most federal programs, it failed to deliver as promised. That being said, they have just amended the rules for HARP and with those new rules you may have the opportunity to refinance your mortgage.

The new rules were just announced and it will be a few more weeks until all the rules are out, however, the basics of the plan state that if your home is worth less than the mortgage and the mortgage is guaranteed by Fannie Mae or Freddie Mac (which over half the homes in America are), then you meet the basic requirement for this program. There are also other requirements that you must meet. These include that you can't have missed a mortgage payment over the

last six months, and in the last 12 months you can have missed only one payment. In addition, under this plan you still would have to meet certain income requirements to qualify for the loan.

Based upon the information that you have provided, it does appear that you should be able to take advantage of this program and be able to reduce your interest rate from over 7 percent to a little over 4 percent. One further caveat about the program is there are costs. Even though the refinance costs have been reduced, there is still a cost. However, an interesting tidbit about the program is that if you reduce the term of your mortgage to less than 20 years, then the cost of refinancing will

be waived. A further note, I am not sure if all mortgage companies will have the same fee for this program; therefore, it pays to shop a round.

The government's new HARP plan is not for everyone and will not solve the housing crisis in America; however, it can make a significant difference to many Americans. If the mortgage on your home is greater than the value of your home and if you have been making your mortgage payments, I would recommend that you contact your mortgage lender over the next few weeks to determine if you qualify. Interest rates are at historic lows and this provides a great opportunity for people who were previously unable to refinance their

home. My advice is don't delay and contact your mortgage company as soon as possible. Not all mortgage companies will offer this program, however, I suspect many will.

Like all government programs, there'll be some twists and turns and more paperwork than is needed. However, if you can reduce your mortgage payment by a couple of hundred bucks a month or knock five to 10 years off your mortgage, I would suspect it's worth putting up with a little hassle.

Good luck!

## Chiefs late field goal crushes 'Cats

By Tim Smith  
Observer Staff Writer

For a while Friday night, a new "Fox Theatre" was opening at Plymouth-Canton Educational Park thanks to the power running of Plymouth senior Donte Fox.

Fox reeled off two huge gainers, one a 53-yard touchdown run in the second quarter and a 59-yarder setting up his one-yard TD plunge in the fourth to even the Division 1 pre-district football game against Canton.

But in the end, the Chiefs pulled the red carpet out from under the defending D1 finalists. Junior kicker Scott Piwowar calmly split the uprights from 35 yards as time expired to give Canton a thrilling 24-21 victory.

"Just do everything you do in practice and put it right through the uprights," said Piwowar, recalling what his holder said to him just before the crucial kick. "And that's

### DISTRICTS NEXT

All three Plymouth-Canton Educational Park schools will have their girls volleyball teams playing Tuesday at the Novi-hosted Division 1 districts.

Following is the schedule for opening games, according to the MHSAA website:

- Tuesday, Nov. 1: 5 p.m., Northville vs. Plymouth;
- Nov. 1, 7 p.m., Canton vs. Salem.

### BOYS SOCCER REGIONALS

## Canton wins 3-0 in D1 regional semi

By Tim Smith  
Observer Staff Writer

Whenever Canton needed an offensive spark Wednesday night, junior forward Daniel Ovesea was there to provide it.

And at the other end of Saline High School's rain-soaked soccer field, the defensive side was nailed shut by Canton senior goalkeeper Steven Murphy.

The result was a 3-0 victory over Dearborn in a Division 1 boys soccer regional semifinal. Canton (21-1-4) will square off at 1 p.m. Saturday against Ann Arbor Pioneer in the regional final, also at Saline's Hornet Stadium.

"Pioneer's a great team. We just got to keep playing how we're playing," Chiefs senior co-captain Mitch Posuniak said. "We went through a tough district, and now one of the tougher games in regionals."

"Basically our whole season's been preparing us for this. We had a really hard schedule."

Posuniak slipped a couple of times on the wet turf with nobody in his vicinity. Others also lost their footing.

But he more than made up for that with Canton's second goal — expertly set up by Ovesea, who happened to score the two other goals.

"I knew Dan was just waiting for the opportu-

nity to just slot it across because we've been working on that," Posuniak said. "He came to the end line and played it across, so when I saw it come across, I just kept my composure and tapped it in."

That goal came with 25:25 remaining in the second half to give the Chiefs a 2-0 advantage.

Murphy maintained that lead with several daring plays. He ranged far out of his goal area to beat Dearborn players such as junior forward Ali Jawad and prevent empty-netters.

"Steven Murphy stood on his head today. He did a great job of keeping the shutout going," Can-

ton head coach George Tomasso said. "He made key saves in key moments of the game."

"If there was a game ball to give out, Steven Murphy would definitely get it."

### Cherry on top

Just for good measure, Ovesea tallied his second of the night and 20th of the season with only 15 seconds to play.

Following a Tyler Wingham corner kick, sophomore forward Griffin Parks threaded a pass to Ovesea, whose blast from outside the box looked to be stopped by Dearborn senior goal-

In this game from earlier this season, Canton's Mitch Posuniak (No. 12) and Ken Krolicki (No. 14) rush down the field. Posuniak scored a goal in Wednesday's regional semifinal win against Dearborn and both players played well defensively in a 3-0 victory.

### Holes in one

Fox Hills Golf & Banquet Center continues to be the place where golfers score aces.

• Patricia Noel of Garden City scored a hole in one on Oct. 4. She used a Burner Driver and Srixon golf ball to ace the 139-yard No. 2 hole at the Lakes course.

• On Sept. 17, Michael Leahy of Oxford scored a hole in one on the 170-yard No. 12 hole at the Golden Fox course.

The 34-year-old Leahy used a 3-wood for his impressive shot.

### Pioneer ends Blazers' run

Stephanie Terrell tallied a pair of goals Thursday as Ann Arbor Pioneer earned a 3-0 state semifinal girls field hockey victory over Livonia Ladywood in a match played at Dearborn Edsel Ford.

Shelby Supica tallied the other goal for Pioneer and goalie Cameron Evans made two saves to post the shutout.

Ladywood senior goalie Mackenzie Holme had five saves.

"The score wasn't indicative of how we played," Ladywood coach Kris Sanders said. "The girls played great. Reaching the Final Four was an awesome accomplishment with a 15-3-3 (overall) record."

ie Andrew Pietrzak. But the ball slowly trickled through Pietrzak and over the goal line, just inside the right post.

"Daniel Ovesea's been playing great," Tomaso said. "He's been proving himself game in and game out."

It was Ovesea who put the Chiefs on the board early in the contest.

At 8:20 of the first half, he blasted a 10-yarder from the middle of the box that got past Pietrzak, who did get a

piece of the shot. Sending a through-ball up the middle on the play was senior midfielder Sean Krockicki.

"It's always key to the get the first goal because then you're in control at that point," Tomaso said. "But after we got the goal, Dearborn (19-4-1) did a great job to pressure us and they had a couple chances of their own."

In Wednesday's other regional semifinal, Ann Arbor Pioneer (17-1-4) earned a 5-1 victory against U-D Jesuit.

# Technicians stymie Churchill

By Brad Emons  
Observer Staff Writer

They don't call Detroit Cass Tech the Technicians for nothing.

And it was the Cass defense that put on a clinic in Friday's 35-6 victory over host Livonia Churchill in the Division 1-Region 4-District 1 football playoff opener.

The Chargers, making their fourth playoff appearance in school history, were limited to a mere 157 yards total offense and end their season at 6-4 overall.

"Those guys over there were big and physical," Churchill coach John Filiatraut. "We knew we had to get some misdirection to find some room. Defensively, they're a terrific team. Nothing changed tonight. We found a little room with some misdirection and some reverses — still couldn't get in the end zone. Our touchdown was a defensive touchdown. Hats off to Cass Tech."

The Technicians (7-3) took away Churchill's two main offensive weapons — 5-foot-11, 234-pound junior running back Romello Brown and 6-3, 175-pound deep threat Jaylin Freeman at wide receiver.

Brown had little space to travel, finishing with just 29 yards on 13 carries, while Freeman had only one catch for 11 yards, and that didn't come until late in the third quarter.

"They really have a lot of good defensive players," Filiatraut said. "Their kids up front were much better than I thought they'd would be. Their linebackers

and secondary were as advertised. They're good players.

"They did a great job on Jaylin (Freeman) and Romello (Brown). I thought Romello played hard, but that's a good team we played. I'm not going to sit here and say our mistakes cost us the game. "We played hard. We needed some things to go our way and they didn't."

Despite being down 7-0, Churchill's defense stood its ground during the opening half, causing a pair of Cass Tech turnovers.

The Chargers intercepted Cass freshman quarterback Campbell Jayru on the opening possession when Hunter Rimatzki jarred the ball loose after a catch by Lewis Jordan as the ball popped into the hands of Andre Abrams Jr.

Cass, however, got the lead with 29.7 seconds left in the first quarter on a 12-yard run by 6-1, 205-pound sophomore running back Deon Drake, who finished the night with 140 yards on 23 carries.

Churchill sophomore linebacker Charlie Yost also picked off a Cass pass with 5:45 remaining in the second quarter. The Chargers then drove to the Cass 30 during the final minute, only to stall on fourth-and-three when quarterback Seth Suida was sacked by linebacker Royce Jenkins-Stone, who is headed to Michigan.

The third quarter proved to be a disaster for the Chargers as Cass tacked on seven more points on just the second play of the half when a snap from center sailed

over the head of Charlie Hicks Jr. and linebacker William White recovered the loose ball in the end zone.

Drake then added an 8-yard TD run with 7:57 left in the third and Jayru hit Lile Ruben on a 37-yard scoring pass with 4:30 remaining in the same quarter after another Churchill turnover to make it 28-0 (following Kenneth Snapp's fourth straight extra point).

Churchill's Derek Jakubowski blocked a punt with less than a minute to go in the third quarter, but the Chargers couldn't move the ball again.

They got their lone touchdown with 8:12 remaining in the game on the defensive side when Brown, playing linebacker, stripped the ball from Drake and raced in from 28 yards out to make it 28-6.

Cass tacked one more score on the board with 4:42 to play on 4-yard run by Jenkins-Stone.

Churchill's rushing attack was non-existent as the Chargers had just 46 net yards on 35 attempts. Suida was 9-of-23 for 96 yards with two interceptions.

"It's kind of hard, but we have to keep working at it," Cass coach Thomas Wilcher said. "Defense should be the calling card. That's what it's all about. Basically, we've got to find an offense that complements our quarterback, too. We had to put in some new things, too. We have a good quarterback, we've just got to keep working."

Meanwhile, the Technicians had 343 total yards

on the night with Jayru, the ninth-grader, hitting 10-of-13 for 139 yards.

"I'm just happy everybody played to their potential today," Wilcher said. "I think we hit that stride — now we've got to keep that stride. I keep telling our team, 'Our worst enemy is ourselves.' That's it."

"I think the key thing is that we changed the running back, a bigger back back there that can handle it. We know we're going to be a 3- and 4-yard team. But we have to eliminate the turnovers. Turnovers have beaten us the last few weeks. One game we had 12, the next game we had six. Last game we had four. So turnovers have been killing us. We win the turnover battle and we're not losing. I like that a lot. That's the most important thing — hold onto the football."

Cass Tech had four turnovers counting the two interceptions, one fumble and blocked punt.

Yet the defense played exceptionally well and did not allow a touchdown led by the 5-11, 160-pound Jordan, who blanketed the dangerous Freeman in one-on-one coverage all night.

"Number one (Lewis Jordan) is a great player," Wilcher said. "He's one of our best players, one of our top players. Our number one cornerback didn't play this game, so J.D. (Jordan) had to step up and be that guy. We're happy we stepped up and got to lock up some people, and let some other guys free."

# CHIEFS

Continued from page B1

district quarterfinal at Novi High School, with the first serve slated for 7 p.m. Tuesday.

That game will follow the 5 p.m. matchup between Plymouth and Northville.

According to Kryska, the Chiefs must sharpen up because it was against district host Novi that they "tanked" in the bracket final on Oct. 22.

For KLAAs South Division and Kensington Conference champion Canton to win districts, they might have to go through the Central champ Wildcats yet again.

"We lost big," said Kryska, about Canton's 18-25, 6-25 loss to Novi. "And (we) lost the game mentally and could not recover."

"We struggle when we hear the name Novi. We need to pick it up before districts next week."

## Good start

The Chiefs had rolled to four wins out of five matches earlier in the tournament.

In pool play in the Gold Bracket (including the top three teams from each division), they knocked off Northville (25-17, 25-23) and Walled Lake Northern (25-19, 25-16) before falling to Livonia Churchill (23-26, 16-25).

In the opener of bracket play, 5th-seeded Canton won 25-9, 25-18 over Walled Lake Central and followed up

with a 26-24, 25-20 victory over Brighton.

"We started off playing Walled Lake Central, we played well," Kryska noted. "Serve-receive improved as the day progressed and communication was great."

"We moved on to semifinals and played Brighton. ... We played a smart game and paid attention to the other team's blockers and defense to really work on not hitting directly into the block and put it in places they were not."

But the tables quickly turned in the matchup against Novi, to Kryska's chagrin.

For Canton, Alaina Turner (45 kills, 32 digs, seven blocks, six aces), Kristen Muir (49 digs, six aces), Erica den Boer (43 kills, 40 digs), Maggie Deloy (38 digs, four aces) and Lauren Martin (101 assists, 19 digs) were key contributors.

Kryska said Jordan Tubaro, Becca Middleton, Jordan Diedrick and Alex Bryden also played well.

The team the Chiefs will play in the district opener, Salem, also had some success at the KLAAs tourney — albeit in the Silver Bracket (for teams placing 4-6 in their divisions).

Salem, meanwhile, lost 25-21, 25-22 to South Lyon in the bracket finals after defeating South Lyon East and Howell in the quarterfinals and semifinals.

exactly what I did."

Canton head coach Tim Baechler, whose 8-2 squad will play the winner of Saturday's game between Northville and Novi-Detroit Catholic Central, credited his offense for an efficient, 62-yard final drive that moved the chains down to Plymouth's 18 — right in front of the goal posts.

"It's only the second one he's made, we've only attempted four on the year," Baechler said. "But it was right down the middle of the field and I'm like 'You know what, with high school kids today a 35-yarder is nothing.'"

## No problem

Just before Piwowar lined up to make his attempt, the Wildcats called a timeout to make the kicker think about things a bit. The strategy, which if successful would have forced overtime, did not work.

"It did nothing," Piwowar said. "There was nothing I could have thought of that would have shook me off track. It didn't hurt at all. "If anything it gave me more momentum because it means they have to do everything they can to try to get me off my game."

After Piwowar's make avenged an earlier missed field goal and capped off the win, Canton fans swarmed the PCEP varsity turf field.

Meanwhile, Plymouth players squatted in agony over the abrupt close to the season.

Fox in particular was in anguish as he and the Wildcats (8-2) were denied the opportunity to try for another Ford Field trip.

In 2010, Plymouth knocked out Canton in the district final and that started the team's long run of playoff success.

"I'm very, very, very proud of these kids," Plymouth head coach Mike Sawchuk said. "These kids played their hearts out, and that's two damn good football teams

JOHN KEMSKI

Plymouth junior linebacker Stefan Turrentine (No. 19) puts a licking on Canton senior running back Zac Merillat (No. 21) during Friday's Division 1 pre-district game.

playing right there.

"Either one of these teams can take it all the way."

## Back and forth

From the opening whistle, the pre-district game — taking place just three weeks after a stirring Plymouth comeback earned the Wildcats a 31-30 victory over Canton — proved as good as advertised.

Canton broke the ice with 1:25 left in the first quarter when senior running back Kevin Buford (18 rushes, 69 yards; 115 all-purpose yards) pushed through the line from 1-yard out.

The Chiefs were on the move again with their next possession, with a first down from the Plymouth 7-yard line.

But the drive stalled as Plymouth's defense held firm. On third down, Buford was tackled for a loss by senior Faris Abraham and junior Matt Janke.

Piwowar's subsequent 33-yard field goal attempt was wide to the right.

It then only took two plays for the Wildcats to go 80 yards and make it a 7-7 contest.

Plymouth senior quarterback Shaun Austin (5-10, 74 yards; 12 rushes, 111 yards) broke off a 27-yard run.

Fox (15-150) then went 53 yards for the equalizing touchdown.

Like a tank gaining momentum and picking up speed as it rolls downhill, he slowly bolted forward through a wave of defenders and then accelerated through the middle of the line.

He breezed on an angle into the front-right corner of the end zone.

The game remained 7-7 well into the third quarter, until Plymouth went 80 yards in 15 plays over 7:38 to take a 14-7 edge.

There were several key plays in the march. On a third down play, Austin rolled to his right and connected on a 14-yard pass down the right sideline to Janke. That gave the Wildcats a first down at the Canton 37.

A 38-yard pass from Austin to speedy junior wide-out Nate Emminger set up a first down at the Canton 6-yard line and Austin ran it in on the next snap to make it a 14-7 game.

## Answer time

But the Chiefs came right back to tie it, scoring on a 41-yard run up the middle by junior running back Malcolm Hollingsworth (8-64) with 1:22 left in the third.

Senior quarterback Kyle Adams (4-6, 51 yards) found Buford for a clutch 11-yard completion to keep the series alive.

After Plymouth couldn't move the ball, the Chiefs got it back and scored again for a 21-14 advantage.

Buford's 16-yard carry set up a first and goal from the 10-yard line and senior running back Ryan Jones (11-51) hurdled over the line for a 2-yard touchdown run with 6:46 to go.

Back came the Wildcats, however. Fox shot through the line for a 59-yard run that would have been a TD if not for a diving tackle by senior Zac Merillat at the Canton 21.

Three Fox rushes later and it was a 21-21 contest.

Canton got the ball back with 4:39 remaining and then went to work on the winning series.

# Two winners on PCEP field

By Tim Smith  
Observer Staff Writer

Friday night was going to end badly, and perhaps unfairly, for either Canton or Plymouth.

A last-second field goal by Canton's Scott Piwowar gave the Chiefs the 24-21 victory in a Division 1 pre-district game at Plymouth-Canton Educational Park.

But that field goal left Plymouth senior quarterback Shaun Austin wondering about what might have been.

"I was extremely confident," said Austin, about his team's chances if the game moved into overtime. "I was just hoping that I'd get one more chance to get the ball and do what I could with it. We had it in overtime, I guarantee it."

But Piwowar's 35-yarder kept Austin and the Wildcats from finding out. It also meant Plymouth would not be able to start on a run that might again lead to the D1 final.

"They (Chiefs) just made the plays when they counted," Austin said. "I know my guys gave it 100 percent all the time and that's all I can ask for."

"A couple plays here and there and it's a different situation. My team did what they could and I'm going to love them for that no matter what."

So does Plymouth head coach Mike Sawchuk.

"I love these kids," he said. "They played their hearts out. And my coaching staff did a great job."

Canton head coach Tim Baechler breathed a sigh of relief after Piwowar's 3-pointer. But he had high praise for Sawchuk and the Wildcats, too.

"They're a great team," Baechler said. "Everybody wants to make it the rivalry thing, but ... they're one of the best in the state. It feels good just to beat a great team."

Canton seniors like running back Ryan Jones didn't want the season to be over just yet, either.

"We thought about the seniors, we didn't want to end this," Jones said. "Everybody's got team chemistry and nobody gave up."

Baechler lamented two top-notch teams meeting in the first round, instead of down the road a bit, because of how the district draws played out.

"It's just a shame that it happened so early," he continued. "It just stinks that they're out, it would have stunk if we were out so early."

"It's just the way the playoffs worked."

# Blazers prevail in quarterfinal

Penalty strokes determined Livonia Ladywood's fate in a quarterfinal state tournament girls field hockey matchup.

And the Blazers emerged the victor Tuesday with a dramatic 2-1 win over Birmingham Marian in a game hosted by Ann Arbor Pioneer.

Ladywood improved to 15-2-3 overall with the victory and advanced to Thursday's semifinal at Dearborn Edsel Ford where the Blazers will face the Pioneer-Saline quarterfinal winner at 4 p.m.

Anna Arenhart's rebound goal in the second half staked the Mustangs to a 1-0 advantage, but Ladywood senior Kylie Birney dribbled into the circle and scored with only two minutes left in regulation to send it into overtime after 60 minutes.

The two teams were still deadlocked after playing a 10-minute seven-on-sev-

en sudden victory period forcing penalty strokes.

Marian went first with goals by Elle Flynn and Antonia Violante, but Ladywood responded with penalty stroke scores from junior Jackie Snyder, senior Claire McCarthy and senior Molly McLennan to clinch the win.

Ladywood goalie Mackenzie Holme made three saves, while Marian's Grace Lennon had five stops.

"It was a great game and both teams played well," Ladywood coach Kris Sanders said.

**LADYWOOD 1, CRANBROOK 0:** Senior Erin Cronyn's shot off a corner in the first half Saturday was all host Livonia Ladywood (14-2-3) needed to beat Bloomfield Hills Cranbrook-Kingswood in the opening round of the state tournament.

Ladywood goalie Mackenzie Holm made one save, while the Cranes' Colleen Jacob stopped 11 shots.

Josh Markey, 13, of Canton, is shown with the 5-point buck he shot recently on the final day of youth hunt in Romeo, Michigan.

## Canton teen bags 1st buck

Josh Markey is following in his older sister's footsteps in a quite unconventional way. The 13-year-old Canton youngster recently bagged a 5-point buck using a 20-gauge, single-shot shotgun. — just as older sister Amy did in 2003. Josh hit his target on the last day of the annual youth hunt, in Romeo, Michigan. It was the first buck he scored. Parents Jerry and Diane Markey said Josh

was trying to surpass what his older sister, Amy, achieved in 2003 (also at the youth hunt in Romeo). Amy Markey also used a 20-gauge, single-shot shotgun, but her deer was a 6-pointer, so the siblings didn't quite have identical scores. The younger Markey had some company when he shot his buck, as dad Jerry and uncle Darryl were on hand as witnesses.

## Mercy comeback nets title

By Dan O'Meara  
Observer Staff Writer

The resilient and indomitable Mercy Marlins did it again Monday night, to the frustration of their volleyball rivals from Birmingham Marian.

For the third time this season, Mercy overcame a 2-0 deficit against the Mustangs and won its second Catholic League championship in a row.

Marian won the first two games at Madonna University, 25-22 and 28-26. In the third, it was on the verge of winning match point twice, but the Marlins rallied for a 29-27 victory. Mercy won the next two games, 25-21 and 15-9.

"Unbelievable," Mercy coach Loretta Vogel said of the Mercy girls' ability to stay in the match mentally. "I knew they were focused because many times when we're in a timeout, they're not smiling; they're real serious, they're looking, they're listening. It's unbelievable what they did tonight."

Mercy (56-3), which also beat Marian in last year's final, has won six of nine matches between the teams this season.

Marian was in control of the first game, led by the powerful attacks of Jessica Koppmeyer and Kari Fidelholtz.

That turned in the second game as Mercy pulled ahead to a 24-14 lead, but the momentum swung back to Marian in a big way.

The Mustangs (50-12) scored the next 11 points, with Fidelholtz on the service line and despite two Mercy timeouts, to take the lead.

The Marlins regained it, but Marian scored the next three points and won the game when a Koppmeyer spike fell inside the back line.

"It was a heckuva comeback for them to be down two games," Marian coach Irick

Gardner said. "That's more impressive — and to do it three times in a row in league play. That's fine that we did that, but I can't be satisfied with that because they did what they did three times. That overshadows what we did."

Marian was on the verge of winning the match with leads of 25-24 and 27-26 in the third game, but Mercy won it with consecutive kills by Maddy Doyle and a team block.

The Marlins were down early in the fourth and fifth games, but they never trailed after taking 9-6 and 8-4 leads.

"We made some adjustments, especially in final game, against their middle and that made a big difference," Vogel said. "It's a matter of always making adjustments in a timeout. It's a matter of being patient, continuing to hit, having no unforced errors. That what we're trying to accomplish."

Gardner said he has come to the conclusion the Marlins are just a better team.

"Maybe, if we can make it to Battle Creek, we'll play them in the semis, if they make it," he said. "Maybe, we'll be better at that point. But right now they're better."

"They're small but they hit better; they're small but they play better defense; they're small but they're mentally tougher. They're just better."

Gardner was hoping Monday was Marian's turn, but he knew better than to assume anything with a 2-0 lead.

"It was not so much 'Are they going to play hard and not give up?'" he said. "I expected that because I've seen them do that. Did we learn from the first two times it happened? Are we not going to let it happen, or are they going to say 'We can do it because we've done it.' They're just better."

## Work hard, be nice

### Former Livonia student shares advice about show biz with Churchill CAPA kids

By Sharon Dargay  
 O&E Staff Writer

Mark Teich jokes that he's one of the most famous comedians "people never heard of."

The former Livonia resident sold out Carnegie Hall two years ago while touring the country with comedian Stephen Lynch in their musical stand-up act. Teich also appeared on two Comedy Central specials, made multiple television appearances and released comedy CDs and a DVD.

And that's just his stand-up comedy resume.

Teich has acted in numerous stage productions, honed his improv skills at Second City and Improv Olympic, and worked in countless commercial, voice-overs, and print ads. He plays "Principal Jenkins" on *I'm in the Band* and "Mr. Zimbaldi" on *A.N.T. Farm*, both Disney Channel productions, and has guest starred on two other Dis-

ney shows. He's been directed by George Clooney and played opposite Tony Shaloub in the television show, *Monk*.

Still, Teich isn't exactly a household name. But the Churchill High School graduate, who is known for his versatile character work on both coasts, takes it all in stride.

"You never know where your next job is and you've got to keep working. My struggle and journey is just as difficult as it is for the kids who just got here," said Teich, who lives in Los Angeles, Calif. "In every job interview or audition the key is confidence. If you go in and make good choices and try hard, be polite and pleasant...it really works."

Teich, who was in town for his 20-year high school reunion last weekend, shared his experiences and advice with students in the Creative and Performing Arts (CAPA) program at his

alma mater on Monday, Oct. 24.

He led 40-some students in an improv class, listened as they "auditioned" with cold script readings and then brought them together for a Q&A session.

Nicklas Casella, a senior, was among the students who read for Teich.

"It's really great to have someone here who is in the business, who has gotten jobs on things like Disney channel — that's huge," said Casella, who wants a career in musical theater. "It's great he's willing to share what he has learned from his experience with all of us. It was really fun to do this."

#### Former teacher

Mary Murphy, CAPA director, taught Teich when he was a CAPA student. She described him as "high energy," and a good student with a "comedic approach" to

his work.

"I'm very proud of his accomplishment and so happy that he's here to work with our kids, to share his experience and give them insight and tools that they can use in the real world. It's so vital for these kids to have this kind of information. We're blessed to have him," she said.

Teich advised students to "find their voice" and to pursue their own ideas.

"You can see what's out there and what's working for people, but you've got to do what you find funny or entertaining or what you're good at, versus your perception of what other people want."

He said confidence, hard work and an ability to bounce back after being rejected for a role are all keys to success in the entertainment field.

Teich also praised the CAPA program and urged students to take advantage of all it offers.

"You've got this amaz-

Teachers Rolfe Bergsman (background, right) and Mary Murphy, along with students in the Creative and Performing Arts program, listen to comedian-actor March Teich talk about show business.

ing environment where no one is hating on you... you've got a training facility where you can try things. That's rare to have in a school. Use it to your advantage. That's what I had and it worked out for me."

#### Staying grounded

Teich, an only child, discovered acting after being diagnosed with scleroderma, a connective tissue disease, when he was in sixth grade.

"I ended up going through a lot of physical therapy and I grew up quickly that year. Luckily for me I found an out-

let and that was performing and being in the arts."

He joined the CAPA program in his sophomore year, attended a year at Eastern Michigan University and then switched to Western Michigan University. After graduation he did a stint at Second City, in Chicago and then moved to New York, where he began auditioning for shows while collaborating with Lynch. He moved to Los Angeles in 2003.

"When I was at the reunion, people — especially people who had stayed in Livonia — asked what it's like living in L.A. It's not much different. It really isn't. Every place is whatever you make it out to be. Someone could move to Livonia and have it just as good or rough as out here.

"It's about what you do, the friends you keep and the perspective you have about every day situations. You've got to keep yourself grounded wherever you are."

# Adoptable cats go to the movies

Move over, Puss. You won't be the only adorable feline at your film premiere Saturday, Nov. 5, at AMC Livonia 20 Cinema. Almost Home Animal Rescue also will be on hand with adoptable, adorable cats and kittens.

## PET PROJECTS

"The theater actually contacted us about doing this and we were thrilled," said Lauren Anchill, an Almost Home member. "We will have as many cats and kittens there as possible, probably around 40."

The adoption event, from noon-5 p.m., coincides with the DreamWorks premiere of the new 3D animated film, *Puss In Boots*, at the AMC Livonia 20 Cinema, 19500 Haggerty, at Seven Mile; (734) 542-3191.

"There is a good chance people will be able to take cats home right then and there but it also depends on the cat," she said. "Our adoption fees for cats are usually \$100 but for special events such as these we usually do a reduced fee around \$25. We have all types of cats — short hair, long hair, blue-eyed, Siamese, polydactyl, Maine coons."

Almost Home Animal

Rescue is based in West Bloomfield and runs a shelter at 25503 Clara Lane, Southfield. For more information about its upcoming cat adoption or other adoptable animals and events, visit [www.almosthomeanimals.org](http://www.almosthomeanimals.org) or call (248) 200-2695.

### Mark your calendar

There's still time to sign up for the 22nd Annual Tail Waggers Bowl, Saturday, Nov. 5 at Woodland Lanes, 33775 Plymouth Road, Livonia. Register online at [www.tailwaggers1990.org](http://www.tailwaggers1990.org). The event costs \$25 for adults and \$10 for youth and includes three games of bowling, shoe rental, lunch or dinner and a commemorative gift. Registration is due Nov. 1.

# Learn to drum at Plymouth arts center

If you've always wanted to play drums, here's your chance to get started.

Pat Sorise, a professional drummer, will teach two four-week classes beginning Wednesday, Nov. 2, at the Artsco House, adjacent to the Plymouth Community Arts Council (PCAC) building, 724 N. Sheldon, Plymouth.

Intro to Rhythm & Drumming is aimed at ages 4-6 and runs 4:30-5 p.m. and Drum Set 100 is for ages 7 to adult and runs 5:15-6 p.m.

Intro to Rhythm & Drumming will introduce the young student to holding drum sticks, drum rudiments, how to count and play quarter and eighth notes. It also will introduce the drum set. The session costs \$60, or \$50 for PCAC members.

Drum Set 100 will identify drums/cymbals, wrist and hand techniques and basic foot patterns. Students will learn about counting, measures, time signatures, different tempos and get a chance to play a full drum set. Cost is \$74/or \$64 for PCAC members. No drumming experience is necessary. The classes are open to all skill levels.

Sorise studied at East Detroit Conservatory under Ray Park-

Drummer Pat Sorise will teach classes for the Plymouth Community Arts Council beginning Nov. 3.

er. He continued to drum through junior and high school and then attended Eastern Michigan University playing with various bands. He has taught classes at Apollo Music in Ann Arbor, Drum Shop in Dearborn and the East Detroit Conservatory. He also teaches private lessons.

Sorise also plays in the band All Directions, which performs at concerts, clubs and private parties.

Register at the PCAC Web site, [www.plymoutharts.com](http://www.plymoutharts.com), in person at the PCAC or call (734) 416-4278.

## WATCHFUL WAITING

At times a physician, after speaking with and examining a patient, will not prescribe medicine, order tests, or offer advice. He will tell the patient to return in a week or possibly a month. In the interim, the patient should carry on and observe the pattern of pain or fatigue or whatever matter caused the patient to make an appointment that day. Observation over time is as much an alternative as a non-steroidal medication for possible inflammation.

In arthritic conditions, the greatest use of watchful waiting occurs in back pain. Quick action by a physician occurs in back conditions such as spread of cancer to the spine. However, in most instances back pain from strain or sciatica will clear on its own. A physician will not turn to x-rays of the back or immediately order PT for a patient with acute back pain. Rather, he will turn to time and observation; no interference with the body's effort to right itself, but see the patient again in one or two weeks and check on the patient's progress or lack of it.

Shoulder pain presents another example. Most shoulder pain needs treatment, but not always. The physician may find on examining the patient that range of motion is intact and decide not to inject the shoulder as that procedure is itself a small but definite trauma. The alternative is to ask the patient to return in a week or possibly two weeks, and re-evaluate how the shoulder is doing.

A times, in medicine doing nothing is doing something.

## Local celebrities read at festival

The Michigan International Books Festival wraps up Sunday, Oct. 30 with a "celebrity read out loud," books for sale, children's events and seminars.

The festival runs noon to 5 p.m. at Laurel Park Place Mall, 37700 W. Six Mile, Livonia.

The celebrity read on Sunday includes Conrad P. Schwartz, Livonia City Council member, reading children's books at 12:30 p.m.; John Pastor, Livonia City Council member, with children's books at 1:30 p.m.; Pam Rossi, from WCSX and UDetroit Radio, with children's and youth books at 2 p.m.; Deborah Smith Pollard of WJLB, with youth books at 2:30 p.m. and Dr. Roderrick Claybrooks, an orthopedic spine surgeon from the Michigan Spine/Brain Association, with college prep books and mentoring at 3 p.m.

A session about ebooks at 11 a.m. kicks off the series of seminars on Sunday and repeats at 3 p.m. Other sessions are Rhonda Knight's aspiring writer's workshop at noon; Mildred "Money Doctor" Dillon with "Money 101" for personal finances at 12:15 p.m.; Patrick Schwerdtfeger's workshop on "Social Media Victories - Real Businesses, Real Campaigns, Real Results," at 1:15 p.m.; Sylvia Hubbard's "Publishing Made Easy" workshop at 2 p.m.; and free home energy consultations with DTE Energy at 4:30 p.m.

## Shop and mingle at Women's Expo

The Women's Expo will open to women of all ages for free, 9 a.m.-1 p.m. Saturday, Nov. 12, at Summit on the Park, 46000 Summit Parkway, Canton.

More than 45 vendors will be on hand with jewelry, skin care products, accessories, gifts, food and home decor items.

In addition to shopping at the annual event, women can watch Chef Paul's cooking demonstration and hear speakers talk about such topics as "Sparking Healthy Habits" and "Couponing."

Chair massages also will be available.

Premium tickets will be available in advance for \$10 per person and will include a delicious continental breakfast, deluxe goody bag, health screenings, and raffle prize tickets.

Get premium tickets at the Summit on the Park or at [cantonfun.org](http://cantonfun.org) through Nov. 7. No tickets will be sold at the door.

For more information and to view a vendor list, visit [cantonfun.org](http://cantonfun.org) or call (734) 394-5460.

# Local artists earn honors at VAAL autumn exhibit

Three Livonia artists took top honors in the Visual Arts Association of Livonia's (VAAL) fall art exhibition.

Bonita Collins won first prize for her pop art painting, American Icon Series "Hightop" in acrylic.

A member of the Livonia Arts Commission, Collins is drawn to shapes in her painting, stemming from an early interest in sculpture. She sees forms with the sculptor's eye. She often works with objects that are mundane, like the shoe in her prize winning painting, and gives them a new look.

Collins, who served on the Ontario Provincial Arts Council, lived in Toronto, Ontario, for 28 years, where she was a copy writer and editorial art director of the art magazine, Canadian Art. She has worked in ceramics, sculpting, drawing and painting and holds BFA and MFA degrees from Wayne State University.

Collins said musicians, such as Bob Dylan and John Lennon, as well as artists including Andy Warhol and Franz Kline, inspire her. She refers to her work as "serious fun" and often finds humor in it. She also considers her art to be a social commentary of our time.

*Four Seasons provides Respiratory Therapy on-call 24 hours a day, 7 days a week — a service usually available only in hospitals.*

Roger Fox, LRT, RRT

Roger Fox, a nationally Registered and Licensed Respiratory Therapist, works with Four Seasons' physicians and health care team caring for patients with breathing disorders including congestive heart failure, COPD, emphysema, pneumonia, pulmonary fibrosis, and tracheostomy. Recent renovations of the facility included installation of in-wall oxygen in patient rooms.

QUALITY CARE PROVIDED WITH DIGNITY AND COMPASSION BY OUTSTANDING STAFF

Pat Lyden, RN and Four Seasons' Administrator said, "You typically find people with respiratory therapy credentials in a hospital. Four Seasons is on the cutting edge."

"Most facilities don't offer in-wall oxygen," said Roger Fox. It's a luxury not offered everywhere and why we're able to care for some pretty special patients."

# Have a good time: Practice safety with Halloween treats, partytime snacks

The Michigan Department of Agriculture & Rural Development urges parents to take precautions and follow safe food handling tips this Halloween.

"By following quick trick-or-treat tips, parents are making sure their little monsters and princesses are going to be eating safe treats," said Kevin Besey, food and dairy division director for the Michigan Department of Agriculture & Rural Development. "It's also important to make sure the foods you serve at your Halloween get-togethers are handled safely to prevent foodborne illness."

Besey offers these quick trick-or-treat tips:

- Tell children to reject — and especially not eat — anything that isn't commercially wrapped. Avoid eating homemade treats unless you know the cook well.
- When children bring their treats home, discard any home-made candy or baked goods. Parents of young children also should remove choking hazards such as gum, peanuts, hard candies and small toys.
- Inspect commercially wrapped treats for signs of tampering, such as an unusu-

al appearance or discoloration, tiny pinholes, or tears in wrappers. Throw away anything that looks suspicious.

- Parents should wash all fresh fruit thoroughly and inspect it for holes, includ-

ing small punctures. Fruit should be cut open before allowing kids to eat it.

- Some Halloween treats may trigger allergic reactions. Read the complete label and ingredient list of products before interpreting

it is safe for all to eat.

- To help prevent children from eating uninspected treats while they're out trick-or-treating, give them a snack or light meal before they go.
- If juice or cider is served to children at Halloween parties,

make sure it is pasteurized or otherwise treated to destroy harmful bacteria. Juice or cider that has not been treated will say so on the label.

- Proper hand washing is essential to food safety. Remind kids to wash their hands before eating.
- When in doubt, throw it out!

If your Halloween celebration includes a party, remember: Halloween is spooky enough without having foodborne bacteria crash the party. The Partnership for Food Safety Education offers these safe food tips for Halloween:

- When whipping up Halloween treats, don't taste dough and batters that contain uncooked eggs.
- Scare foodborne bacteria away by keeping all perishable foods chilled until serving time.
- At serving time, keep hot foods hot and cold foods cold.
- Throw away any perishable leftovers at the end of your party that have been kept at room temperature for more than two hours.

He received a Bachelor's Degree from Defiance College in 1960 and a Master's Degree from the University of Toledo in 1961. Dave was an elementary school teacher for 35 years, including 4 years in Sylvania, OH, 1 year in Bryan, OH and 30 years in Garden City, MI, before retiring in 1992. Dave taught 3rd through 6th grades for many years with 5th grade being his favorite, though he taught Title 1 Reading and Math for grades K-6 during his last 10 years of teaching. He received the Flag of Learning Award in 1986 from the city of Garden City for his years of involvement with parents and teachers through the Lathers School PTA. He was the first teacher to receive this honor. Dave was also a baker for his entire adult life. He baked for 2500 students and staff at the Interlochen Arts Camp for 11 years during the 1960s and 1970s. At home, he baked over 40 wedding cakes and numerous birthday, shower, and graduation cakes. He was well known for his apple pies, brownies, Scotch shortbread, rolls and varieties of cookies. Dave had many other interests and activities throughout his life, including serving many years as Deacon, Elder, and committee member at his church. He sang in the church choir and enjoyed performing in musicals at church and with the Garden City Civic Players. He was the President of the North Redford American Little League and served in other positions as well. In more recent years, he served as President of the Wayne County chapter of MEA-Retired and as Director of Region 2. He enjoyed relaxing and fishing for salmon on Drummond Island during the summer months. Dave also liked to travel and visited almost all of the 50 states, including several trips to Hawaii and two trips to Alaska. He also traveled all over Canada and enjoyed trips to England, Scotland, Ireland, Wales, Germany, France, Luxembourg, Israel, and Australia. Dave is survived by his wife Judy, sons Kevin (Valerie) and Kurt, and granddaughters Jaclyn and Katelyn. He is also survived by his sister Betty (Denny) Guilford and his brother Alan (Arlene) Culler. He was predeceased by his parents, Calvin and Mabel Culler, and by his sister, Norma Culler. ## ROBINSON, GRETEL SCHINNERER

84, died on September 28 in San Francisco, California. Born in Lakewood, Ohio, Gretel was an undergraduate at the University of Michigan, and received her J.D. from The University of Michigan Law School in 1949. She met her future husband, Loren T. Robinson, of Birmingham, on the first day of registration for law school. She was one of only two women in her law school class. As her children grew older, Gretel returned to the practice of law, and became a respected attorney in Oakland County. She attributed her success to hard work and painstaking research. During their marriage, Loren and Gretel spent many vacations in northern Michigan and on Lake Nipissing in Ontario, where Gretel spent time as a child. The family spent their summers cruising Lake Huron and Georgian Bay on a series of boats, all named "Catnip" for the family's enjoyment of their cats, several of whom cruised with them. In her later years, Gretel was an active member of the Birmingham Presbyterian Church. Loren died in 2001. Gretel is survived by two children, Mark, a clinical psychologist in Northern Virginia and Elisabeth, an attorney in San Francisco, and by three grandchildren, Gretel (GG), Emma and Brendan. Memorial donations may be directed to the Michigan Humane Society.

## Poll shows children lack early dental care

Health experts recommend that children begin oral health care by age 1 or when their first teeth emerge, but a national poll found that only 23 percent of 1-year-olds had been to the dentist.

"Dental problems such as early childhood caries (cavities in the baby teeth) are the leading cause of chronic disease for young children," said Sarah Clark, associate director of the Child Health Evaluation and Research (CHEAR) Unit at the University of Michigan. "Most dental problems can be prevented through good oral health care."

The C.S. Mott Children's Hospital National Poll on Children's Health earlier this year asked parents of children ages 1-5 about dental health care for young children. Some respondents may not be aware of recommendations for early dental health care. Finding a dentist who will see young children - especially those covered by Medicaid - also can be a problem.

Pediatricians and other health care providers can help parents understand the need for early oral health care during their child's wellness exam.

"Well-child visits are critical to making sure that parents understand their role in preventing dental problems, such as how to clean the child's baby teeth and the importance of avoiding sugary beverages and bottles in the crib," Clark said. "Well-child visits are also a key opportunity for a health professional to examine the child's baby teeth and make sure that children with early signs of decay are strong-

ly encouraged to see a dentist."

However, less than half of the parents with children, age 1-2, who were polled said dental care was discussed at their child's most recent well-child visit. Less than half of parents said their health care providers talked to them about cleaning their child's teeth or taking their child to the dentist. One in three children didn't have their teeth examined by their health care provider.

"We know that not all children will see a dentist at age 1, but on the other hand, almost all children have well-child visits

with a pediatrician or other health care provider," Clark said. "The results of this poll indicate that we need to improve the way oral health issues are

addressed during well-child visits so that parents fully understand the need for good oral health care."

## MEDICAL DATEBOOK

### November

#### FATIGUE

Dr. Stephanie Rose will offer a free presentation on fatigue and explain why individuals feel fatigued and what they can do about it, 6:30-8 p.m. Tuesday, Nov. 1, at 34024 W. Eight Mile, Suite 104, in the Echo Court building, Farmington Hills. Reserve a spot by calling (248) 888-8183.

#### BEAUMONT HOSPITAL

The hospital offers Silver Lining, a five-week wellness program for women cancer survivors. The program is free and designed for women who have survived any type of cancer. It includes meditation, yoga, breast awareness/self-exam, mindful listening and expressive writing. The program helps cancer survivors explore and heal the physical, emotional and spiritual effects of the disease. The program meets for five weeks, from 6:30-8:30 p.m., beginning Thursday, Nov. 10 through Dec. 15. All interested participants must attend an evening information/registration session on Thursday, Nov. 3 at the Beaumont Cancer Institute in Royal Oak. Participants must be 18 years or older and have completed their cancer treatments. Call Pam Jablonski at (248) 551-4645.

#### HEALTH CLASS

The National Kidney Foundation presents a free workshop designed to help individuals manage long-term health conditions, 6-8:30 p.m. Monday, Nov. 7-Dec. 12 at American House, 11525 Farmington Road, Livonia. The Personal Action Toward Health (PATH) class is aimed at individuals with chronic health conditions such as arthritis, heart disease, chronic kidney disease, diabetes, bronchitis, asthma, and depression. Workshops are conducted by trained leaders who hold informal, small group

discussions and provide easy-to-understand course materials. Facilitators discuss ways to reduce pain and stress, cope with fatigue, use medications wisely, and benefit from physical activity. To register or learn more about this program, call Elizabeth Star at (734) 425-3050.

#### ST. MARY MERCY

The Michigan Bariatric Institute at St. Mary Mercy Hospital offers free monthly educational seminars, 6-7:30 p.m. in the hospital's auditorium. Dr. Tallal Zeni, director of minimally invasive and bariatric surgery and Dr. Jacob Roberts, bariatric surgeon, present information about laparoscopic bariatric surgery. Sessions are Nov. 3 and Dec. 1. For information, call the Michigan Bariatric Institute at (877) Why-Weight. It's located at 14555 Levan, Suite 311, in the Marian Professional Building, Livonia.

#### MAPLEGROVE CENTER

A free public panel discussion will address the questions and concerns parents and other family members have about young people who may be using drugs or alcohol, 7-9 p.m. Nov. 10 in the Henry Ford West Bloomfield Hospital Ravitz Atrium, 6777 West Maple, West Bloomfield. Betty Conger, Maplegrove Children and Family Program coordinator, will make the keynote presentation on how to better understand and guide young adults who may be struggling with making healthy, mature decisions. Other panelists include Judge Linda Davis with the Macomb County District Court and Families Against Narcotics; Dawn Kepler, Prevention Network College Program coordinator; Tom Ghena, administrative director of Maplegrove Center; as well as a family in recovery. Register at (248) 661-6170 or mce\_cp@hfhs.org.
