## Ex-pastor faces trial on church theft charges

Priest is accused of stealing from Resurrection

**Darrell Clem**

A retired Catholic priest who once led Resurrection Parish in Canton has been ordered to stand trial on charges he stole money and property from the church. The Rev. Eugene Katcher,

71, could face up to four years in prison if he is convicted in Wayne County Circuit Court on three counts of larceny involving allegations he stole money from the collection plate and other donations parishioners made to the church.

Katcher, also accused of stealing property such as church wine, is facing trial after he voluntarily waived his right to a preliminary exam last Friday in 35th District

Court in Plymouth. He has been released on a personal bond as he awaits trial.

A message was left Monday for his defense attorney.

Katcher, banned from his former church, came under investigation last spring after the Archdiocese of Detroit was made aware of potential wrongdoing, the archdiocese has said. The probe led to authorities being contacted. The amount of money

Katcher is accused of taking hasn't been divulged, though authorities say the crimes occurred from early 2016 until

July of this year.

Katcher served as pastor of Resurrection in Canton from 2014 until July.

He already had planned to retire before his arrest in July,

the archdiocese has said. He had reached what is termed senior priest status, but after his arrest he was restricted from public ministry. That means he cannot celebrate Mass or the sacraments in a church setting, wear a Roman collar or present himself as a priest.

In its news release, the archdiocese said it "takes seri-

He saw his first stage production of "Macbeth" at age 7, played the role of a news anchor in fourth grade in "Santa Sings the Blues" and wrote a 10-minute play about astronomy and mythology in middle school.

Joe Kvorlak, 34, found his calling in the arts early in life after his older sister began taking him to plays and art

museums.

"I loved it," he said. "I became hooked."

Kvorlak's long and winding career has brought him to his leading role at the 400-seat Village Theater at Cherry Hill in Canton, where he made his debut this year as performing arts coordinator.

He's easy to spot. He's the energetic man wearing one of his 17 — and counting — bow ties.

## Race to replace Trott taking shape

Rackowski and Epstein joining the 2018 contest

**Todd Spangler**  
 Detroit Free Press

The race to replace U.S. Rep. Dave Trott, R-Birmingham, in Congress got a lot clearer Monday as two Republicans entered the field.

Businesswoman Lena Epstein of Bloomfield Hills — who co-chaired President Donald Trump's campaign in Michigan last year — said she will run for the seat, abandoning a four-month-old bid for the U.S. Senate next year.

"I cannot ignore the requests from supporters, grassroots Republicans and business leaders from throughout southeast Michigan who want to be sure that Republicans nominate the strongest possible candidate to hold this congressional seat," Epstein said in a campaign statement.

Her announcement came just hours after former state Rep. Andrew (Rocky) Rackowski of Troy tossed his hat in the ring to replace Trott, chiding those who were not more upfront about their aspirations regarding it.

"The younger version of me would have sent some post/email full of political platitudes and statements which would leave everyone guessing about my intentions," Rackowski said. "I'm running and we're going to win. Period."

# Ben Carson coming to Livonia next month

**David Veselenak**  
hometownlife.com

Santa Claus is coming to town. So is the secretary of Housing and Urban Development.

HUD Secretary Dr. Ben Carson and his wife Candy are expected to make an appearance Oct. 4 during the sixth annual St. Nicholas Institute Awards Gala at Sacred Heart Byzantine Catholic Church, 29125 W. Six Mile, Livonia.

Carson

The Rev. Joseph Marquis, priest at Sacred Heart and director of the institute, said the Carsons will be honored for their work through their foundation. The invite went out earlier this year and Marquis said he was "stunned" when he heard the couple planned on attending.

"Our committee thought he would be an outstanding person," Marquis said. "I think he's given away \$3.5 million away in scholarships."

The Carsons will be recognized with the St. Nicholas Institute Lifetime Achievement Award, the same award Mike and Marian Ilitch received last year.

The gala, now in its sixth year, takes place during the same week the

St. Nicholas Institute holds training for those portraying Santa Claus and Mrs. Claus. Begun by Marquis, who has served as Santa Claus for decades, it's designed to teach the lessons of Santa Claus and St. Nicholas. This year's class will see more than two dozen Santa Clauses and one Mrs. Claus enroll in the one-week institute, typically held at St. Paul of the Cross in Detroit.

Also being honored are:

» Richard Kughn, retired CEO of Lionel Trains who is credited with saving the brand that has entertained children and adults for years

» John Foppe, a motivational speaker born without arms

» Tom and Holly Valent, who run the Charles W. Howard Santa Claus

School in Midland

» The Livonia Police Department, for its role helping a woman and her children this past winter

» Steve Futrell, a Livonia businessman who provided thousands of dollars to give away last Christmas, distributed by the Livonia Police Department

Curtis Caid, Livonia's police chief, said those acts were just some of the ways the department has demonstrated compassion for its community.

"It really made such a positive impact on so many members of our department," he said. "It just warms your heart whenever you can help someone."

Caid said he's reserved a few tables for the gala in hopes of several officers being able to attend.

Some tickets remain for the gala and are \$60 apiece. Those interested in attending the gala can order them at [stnicholasinstitute.org](http://stnicholasinstitute.org).

**St. Nicholas Express event**

In addition to the event at Sacred Heart in October, Marquis said he's working on creating another event closer to Christmas for local disadvantaged families.

Donations are currently being accepted for the St. Nicholas Institute Christmas Express, an event taking place in December designed to give children and families down on their luck a magical Christmas experience.

Marquis said there will be a train theme for the evening, which connects the magic of Christmas with the iconic model train, reminiscent of Christmastime past. He's hoping to raise \$5,000 to bring an incredible evening for families that night.

Donations can be given through the St. Nicholas Institute for the event as well.

"We want to let them know that someone out there loves them and the spirit of Christmas is alive and well," he said.

Theatre box office. While working toward his master's degree in theater management at Wayne State, he worked in marketing, alumni relations and student management.

Despite his love of Detroit and the Wayne State area, he and wife Keara, who also has acted, moved amid the recession to Chicago, where Kvorik had an internship with the American Theater Co.

"It was a hard time to get a job with theater companies," Kvorik said.

Rather than sever ties with Detroit, though, he sold his car and kept an apartment here.

Coming home in 2010, he got a job as marketing director for the Jewish Ensemble Theatre of West Bloomfield. He and Keara had a son Sean, now 6, and Kvorik took a second job as a bartender for Park Bar in Detroit, where he also opened a second-floor entertainment venue that featured

everything from Shakespeare productions to a performance by rock band Bush.

The struggles of two jobs weighed heavy, though.

"I wanted one good job," he said.

He found it at his alma mater, Wayne State, working as an assistant to the head of theater management and coordinating special events and recruiting efforts. He continued to develop his skills, but eventually came to realize that he

wanted to manage his own entertainment venue.

Then he heard about the Village Theater job after Jennifer Tobin, Canton's former performing arts coordinator, retired last year. He applied and got the job.

Kvorik said the Canton job appealed to him because it gave him a chance to help local theater groups produce their own shows while bringing in outside talent and creating a vision for the Village Theater.

"My passion in life is running a theater," he said.

Provenzano said Kvorik's leadership is ushering in "a cool, eclectic mix of arts happenings that we're really excited about."

Consider:  
» For the 50th anniversary of The Beatles' "Sgt. Pepper's Lonely Heart's Club Band" album, The Mersey Beatles from Liverpool are performing at 7:30 p.m. Thursday, Oct. 19, accompanied by a book signing

with John Lennon's sister and author, Julia Baird.

» Celebrating the 1980s, metro Detroit band Square Pegz will perform during an '80s second-chance prom featuring music of Madonna, Cyndi Lauper, Duran Duran, the B-52s, Blondie and Bananarama, among other groups. It's coming next June 2.

"If someone had a bad prom night, they can reinvent it as an adult," Kvorik said.

» Inspired by Cirque de Soleil, "The Underwater Bubble Show" is coming Nov. 25 with a blend of drama, mime, dance, puppetry, juggling, contortionist acts and magic. It uses laser technology to create soap bubble tornadoes and snow cannons. Some performers will actually be in large, plastic bubbles on stage.

» Coming next April, "LoveFest: The Beloved Shall Not Be Named" strikes back against hate crimes with an eclectic celebration of love through the music and dance of Sikhs and Muslims. It features Souad Massi, a popular songwriter in the Arabic-

speaking world, and two-time Juno award winner Kiran Ahluwalia.

"I think this is a great choice because it reflects our diverse community in Canton and it's a beautiful way to learn about other cultures," Provenzano said.

» In January, the "Simon and Garfunkel Central Park Experience" will transport the Village Theater back to a 1981 concert in New York's Central Park as a nine-piece cover band performs a tribute called "Old Friends."

For more on Village Theater shows, tickets and other information, go to <http://www.cantonvillageheater.org>.

Kvorik is excited about things to come at the Village Theater. He wants to build on its audience and draw in new visitors to sit alongside the regulars as they watch top-tier entertainment.

And except for Kvorik, bow ties are optional.

# RACE

Continued from Page A1

The entry of Epstein and Raczkowski suggests the field to replace Trott in the Republican-leaning 11th District — which includes parts of Oakland and western Wayne counties — could be large. State Sen. Marty Knollenberg, R-Troy, and state Rep. Laura Cox, R-Livonia, are also considering getting into the race.

Trott, a wealthy lawyer and businessman, rocked Michigan's political establishment a week ago when he confirmed rumors that he was considering stepping down

after just a pair two-year terms in Congress, saying he wanted to spend more time with his family and return to private life.

His announcement, however, came at a time when several other moderate Republicans seemed to be announcing their impending departures from Congress, suggesting that Trump's poor approval numbers across the U.S. may endanger some seats that have been considered relatively safe in the past.

The Cook Political Report, which handicaps races, called the Michigan 11th a toss-up following the announcement that Trott — who will

serve out the remainder of his term — will not run again.

Meanwhile, Epstein's departure from the race against U.S. Sen. Debbie Stabenow, D-Mich., deprives Republicans of a candidate who could have self-funded her own campaign to a large degree. Of the \$460,000 in receipts she reported at the end of June, \$250,000 were in loans she made to her own campaign.

Epstein's departure means former state Supreme Court Justice Bob Young remains the highest-profile Republican in the race to challenge Stabenow, who is running for a fourth six-year term.

John James, a Detroit

businessman and Iraq War veteran, is considering getting into the race as is Robert Ritchie — the musician the world knows as Kid Rock — who as recently as last week said he has not yet made up his mind about whether to run, even though he has authorized the sale of T-shirts saying "Kid Rock for U.S. Senate."

Epstein's campaign is linked with John Yob, a well-known west Michigan political strategist who last year helped elected U.S. Rep. Jack Bergman, R-Watermeet, and had a role in both Trott's election and, before him, the election of U.S. Rep. Kerry Bentivolio, R-Milford, who won

after former U.S. Rep. Thad McCotter stepped down.

Running as Democrats for the seat are Haley Stevens, the former chief of staff to former President Barack Obama's auto task force, and Fayrouz Saad, who worked for the Department of Homeland Security and as director of Detroit Mayor Mike Duggan's Office of Immigrant Affairs. Several others are considering getting into the race as well.

Epstein's campaign, in its statement Monday, said funds raised for her Senate bid will be transferred to her congressional campaign according to Federal Election Commission rules.

Lena Epstein greets Donald Trump during a campaign stop in 2016.

## Picnic celebrates Vietnam veterans

For years, members of the Plymouth-Canton Vietnam Veterans of America Chapter 528 have hosted a special event celebrating the contributions of Vietnam-era veterans and their families and this year will be no different.

The 50th Commemorative Veteran Event, which takes place Sept. 30 at the Plymouth VFW Post 6695, 1426 S. Mill Street, is free to all Vietnam veterans and their families as a way to say "thank you for their service."

There will be valuable information for veterans, including hepatitis C and Agent Orange information, benefits information, information about veterans services and an honor and remember flag ceremony.

The highlight of the event will be a ceremony for the presentation of a 50th Vietnam commemorative pin to all Vietnam veterans who attend and a thank you to all family members.

"This is an important event for local Vietnam veterans to attend, not only to be recipients of the 50th commemorative pin, receive important veterans benefits in-

The event takes place 9 a.m. to 6 p.m. Cider and fresh-baked doughnuts will be served in the morning and the barbecue runs 1-5 p.m.

Outside, there will be military equipment on display and games for all ages. Attendees are encouraged to bring lawn chairs due to limited tables outside.

## PLYMOUTH CRIME WATCH

### Man gives up \$500, Social Security number in scam

A 24-year-old man lost \$500 in iTunes gift cards and gave his Social Security number to a caller apparently posing as an Internal Revenue Service representative, a police report said.

The Plymouth Township man was told after he contacted the IRS that he had become the victim of a scam.

The man told police he received a call Aug. 31 saying he would be arrested if he didn't provide his Social Security number and send \$500 from iTunes gift cards, the report said. He complied, providing his personal information and giving out iTunes gift card numbers to the caller.

He filed a police report to document the incident. Authorities have repeatedly warned residents to beware of such scams.

### Hit and run

A Canton woman accused of fleeing the scene of a two-vehicle accident in Plymouth Township was arrested in neighboring Canton Township for driving while impaired after police tracked her down, a report said.

A police officer on routine patrol was flagged down by a pedestrian about 8:45 p.m. Sept. 10 in the area of Ann Arbor Road and Main Street. At the scene, a 37-year-old man told police his 2015 Dodge Ram truck had been hit from behind by a 2005 Ford Escape, whose driver fled.

He told police he had stopped for a red traffic light when his truck was hit. He and the other driver agreed to pull into a nearby parking lot, but he said she then hit a pole and suddenly drove off — but not before used his smart phone to get a picture of her. The photo showed the brown-haired woman wear-

ing a long-sleeved top, smoking a cigarette and talking on her phone, the report said.

Police in neighboring Canton spotted the Ford Escape in a grocery store parking lot and approached the woman. She was taken into custody for operating while impaired.

### Reckless driving

Plymouth Township police charged a man with reckless driving after he fled during an attempted traffic stop, nearly hitting a woman and her dog as he sped away, a report said.

Police spotted the 42-year-old Plymouth man driving a 2003 Mercury Grand Marquis that matched the description of a vehicle wanted for an unrelated crime in Washtenaw County, the report said.

Police tried to stop the driver near Wilson and Jefferson, but he sped off and led police on a brief pursuit before he pulled

into a driveway. Police saw him throw a liquor bottle out the window as he was driving, the report said.

The man told police he fled because he had an expired license plate and a small amount of marijuana. He was facing charges such as reckless driving, the report said.

### Wheel thefts

Thieves made off with tires and rims worth \$23,867 from six vehicles after sneaking in at night to the Suburban Cadillac lot on Ann Arbor Road, near Interstate 275, a report said.

The car dealership reported the theft occurred between 6 p.m. Aug. 30 and 7:30 a.m. the following day. The wheels were taken from Cadillac XTS and Cadillac CTS vehicles.

The thieves left the vehicles on landscaping blocks, the report said.

## CANTON CRIME WATCH

### Dog left in Jeep for an hour as temps top 80

A couple admitted they left their pet dog in a hot Jeep for an hour while they shopped inside the air-conditioned Lowe's Home Improvement store on Ford Road in Canton, a police report said.

A witness phoned police after she saw the dog in the Jeep, with the windows partially rolled down, as temperatures topped 80 degrees about 6 p.m. Sunday.

Police arrived and found a black dog with a thick coat of hair, panting heavily with no water, the report said. Police tracked down the couple, who said they had been inside Lowe's for an hour. However, they insisted they take good care of their dog, the report said.

The incident prompted police to issue a citation for animal cruelty.

### Shot fired in home

Police confiscated three handguns after a Canton man said he accidentally fired a shot inside a home in the 42300 block of Gloria, near Lilley and Cherry Hill roads, a report said.

The 36-year-old man told police he had been cleaning one of the guns when he accidentally fired a round into the living room ceiling about 1:30 p.m. Sunday. No one was injured.

His wife notified police, however, saying her gun-owning husband had been depressed and that they have been having marital problems. The report indicated she was concerned about the situation.

Before police arrived, the wife had put three guns in a dresser drawer and placed numerous rounds of ammunition in the basement. The man told police his wife didn't want weapons in the home. He agreed to allow police to confiscate the guns for now for safe-keeping.

### Trees vandalized

An insurance company owner notified police after vandals damaged two trees on his property in the 7200 block of Sheldon, near Warren, a report said.

One magnolia tree was damaged after some type of tool, likely an ax, was used to cut into the bark. A second tree had several branches cut off and also had damaged bark, the report said.

The incident happened between 5 p.m. Friday and 9 a.m. Mon-

day. The company owner told police he has had issues in the past with teens loitering outside of the building.

### Family tussle

A 50-year-old Canton man summoned police amid claims his stepson, 21, may have pointed a gun to his head after they tussled inside a home in the 41200 block of Wyndchase, near Haggerty and Cherry Hill.

The stepson, however, said he only used his vaporizing pen when the incident unfolded about 11 a.m. Sept. 12, a police report said.

The stepfather told police he had been ironing his work uniform when his stepson told him to move, ending with the two wrestling. The stepfather then picked up a phone his stepson had dropped, the report said.

The stepfather went into his bedroom, but the stepson came up behind him, pointed something to his head and demanded his phone, the report said.

The stepson got his phone and left the room. As he walked away, it appeared he was holding a gun, the stepfather told police. The stepson does have two BB guns, the report said, but he said he wasn't using either of them.

Police took him into custody for felonious assault.

# Democratic candidate for governor comes to Livonia

David Veselenak  
hometownlife.com

It didn't take long for Democratic gubernatorial candidate Bill Cobbs to bring up the big state election news from the week during his talk Sept. 14 with the Livonia Democratic Club.

Cobbs, a Farmington Hills resident, said it's important for the party to find someone who can challenge perhaps the biggest name that's announced on the Republican side of things: Attorney General Bill Schuette.

"We, as Democrats, have to get to think about two things when selecting our next candidate for governor in this state. The first thing is: does that candidate have a solid, executable platform to deliver for the future of Michigan," he said. "No. 2 is equally important: it has to be a candidate who can go toe-to-toe with Bill Schuette and beat him."

Cobbs, a former Detroit police officer and vice president at Xerox, spoke to about 15 people during his presentation at the Robert and Janet Bennett Library in Livonia. He talked about several pieces of his platform, including education, revising the state's tax code, natural resources and infrastructure.

He talked about wanting to launch initiatives to continue replacing pipes in Flint, which continues to recover from the water crisis that left tens of thousands

without clean drinking water. Cobbs said it's imperative to be proactive about replacing lead pipes across the state, because if a similar incident took place in an area with a higher population, it could lead to millions not having access to clean drinking water.

"If you have a Flint happen in Detroit, we have a catastrophe in southeast Michigan," he said. "If you think Flint was bad, it doesn't even begin to approach the magnitude of the problem we could be dealing with."

Cobbs is one of several candidates on the Democratic side that have announced their candidacy. Also running in next year's race are former state Sen. Gretchen Whitmer, former executive director of the Detroit Department of Health and Wellness Promotion Abdul El-

Sayed and Ann Arbor businessman Shri Thane-dar.

On the GOP side, the biggest name, Schuette, announced his candidacy in Midland this past week. Also running is state Sen. Patrick Colbeck, who lives in Canton and whose district includes Canton, Plymouth, Northville, Livonia and Wayne, and Saginaw resident Dr. Jim Hines. It's widely expected Lt. Gov. Brian Calley will throw his name in the ring, but he has not officially announced his candidacy.

All are running to replace Gov. Rick Snyder, who is term-limited and cannot run again. The primary election takes place in August, with the general election happening in November 2018.

Cobbs also talked about his plan to revise the state's tax laws. Under his plan, he said he'd

introduce a progressive tax plan that would see increases for those making more than \$200,000 a year. The top earners, those making more than \$600,000 a year, would pay about 10 percent in state income tax each year.

"We will generate, by going to a progressive state income tax, an increment of \$3.4 to \$3.8 billion and we will use that money to service our infrastructure bonds," he said. "So I'm not going to have to go to the citizens and say, 'I need more money' to pay for our infrastructure projects."

The Livonia Democratic Club expects to host other candidates in the coming months: Thane-dar is expected to visit in October, while Whitmer has been invited to speak in January.

# Heritage Festival marks Northville's sesquicentennial

**Matt Jachman**  
hometownlife.com

A stilt walker and a juggler roamed the streets, community groups raised money for various causes, old-school baseball was played at Ford Field and thousands of people visited downtown Northville during the Heritage Festival last weekend.

The festival, which was Friday through Sunday, was a celebration of Northville's roots in the 1800s and a commemoration of the 150th anniversary of its incorporation as a village in 1867. The Victorian Parade — marchers dress in Victorian-era garb — kicked off the festival Friday and the Northville Eclipse Base Ball Club, which plays using 1860s rules, took to Ford Field both Saturday and Sunday.

Other highlights included the Victorian Saloon beer tent Friday and Saturday evenings, the Kiwanis pancake breakfast Saturday, horse-drawn carriage rides Saturday and Sunday and Saturday's per-

formance by the Dodworth Saxhorn band, which uses 19th century instruments and recreates the brass band con-

certs of the era.

Rocks' attack hits wall in second half as Chiefs turn close game into 45-14 rout

Tim Smith

The Salem Rocks stormed out onto the football field Friday, stoked to have a chance to get after campus rival Canton after a five-year hiatus.

But 48 minutes and 45 Canton points later, it was the Chiefs doing the celebrating at Plymouth-Canton Educational Park, hoisting their helmets after their 45-14 victory over the Rocks.

Canton (3-1) outscored Salem 22-0 in the second half, as the Rocks could not move the chains even once. Conversely, the Chiefs displayed a business-like offense with consistent running from senior backs Steven Walker (15 rushes, 132 yards, three TDs) and Colin

Troup (22 rushes 151 yards, two TDs).

"I feed off (Troup's) energy, he feeds off mine," Walker

said. "Every time I get yards, he gets yards. We keep going, 4

Victories have been hard to come by so far this season for the South Lyon varsity football team, but even a 0-4 start couldn't dampen the mood Saturday morning as everybody came away the winner during the fourth annual Victory Day.

Lions varsity players, along with their coaches, hosted 30 special-needs students from the school district.

And the weather couldn't

have been any more cooperative after three straight soggy years.

"First of all, it was the first year it didn't rain," South Lyon head football coach Jeff Henson said. "The sun was shining and it was 80 degrees."

South Lyon players and coaching staff ran participants through a series of drills to get a taste of the whole high school football experience.

## Churchill's defense, fast start stymie Franklin

Brad Emons  
hometownlife.com

The game started 13 minutes late because of some pregame festivities, but when the kick-off finally commenced, host Livonia Churchill was more than ready.

The Chargers played a near flawless first quarter, going up 17-0, and never looked back en route to a 24-10 KLAAs Gold Division win over rival Livonia Franklin.

Drew Alsobrooks threw a 12-yard touchdown pass to Tyrese Williams with 7:22 in the opening quarter. Alsobrooks also booted a 42-yard field goal to make it 10-0.

And on the first play of the second quarter, Darrell Mason Jr. ran in 4 yards for another Chur-

chill TD to give the Chargers a 17-point cushion.

Mason, who was injured in Week 2 during a 34-14 win over Northville, missed last week's game with an ankle issue in a 21-9 loss against Livonia Stevenson.

"Darrell is explosive and he was even sick early in the week, so he hasn't practiced much," Churchill coach Bill DeFillippo said. "He's only been doing half practices when he can. So he came in and gave us a little different explosion, for sure, to help us."

Mason was questionable to go, but did his part with limited carries (14), which also included a 9-yard TD run with 11:09 left in the game to clinch the win.

"It felt pretty good," said Mason, who finished with 70 yards rushing. "Off the injury, I was a little bit iffy on how I was going to play, but actually came out pretty nice. My line did a great job

tonight. They did a great job. There was no doubt about it, I was going to come back this week. I had to."

Here are four other takeaways from the game:

**CASE FOR THE DEFENSE**

Churchill (3-1, 2-0) limited the Patriots to 192 yards offense. Franklin was 4-of-15 passing for 43 yards and one interception (by Churchill's Avery Grenier, with under a minute left).

"We just practiced hard all week. We knew it was going to be a tough game, but we came out on top," Churchill senior strong safety Jaren Carble said. "We worked hard all week and it showed on the field today."

Franklin's only TD came on the second play of the second period, when Julius Simmons ran 69 yards for a TD. Simmons finished with a game-high 99 yards on

eight carries.

"Our defense was immaculate tonight, except for that one play," Mason said. "You know, we all whiff. Overall, our defense was pretty nice tonight."

**FIRING ON ALL CYLINDERS**

Alsobrooks was an efficient 14-of-19 passing for 114 yards, including 5-of-7 for 68 yards in the opening quarter. The Chargers got a great diving 28-yard catch from Martell Dooley to set up their first TD.

"I thought we started fast," DeFillippo said. "We were getting stops on defense, changed field position, so we had a couple of short fields. Our offense was mixing it up running (and) pass pretty well. And then when they hit the run, I thought the last seven or eight minutes of the half, we kind of lost momentum a little. They forced us to punt a couple of

times. And then we knew we'd have a challenge. (Franklin) are a tough team and our kids came out and played a great second half as well. Played great on defense tonight."

**SHAKY START**

The Patriots (2-2, 2-1) had just 13 total yards net in the first 12:04 while falling behind, 17-0.

Coupled with bad field position, the Patriots went three-and-out three straight times and did not pick up a first down until Simmons's 69-yard TD run just 10 seconds into the second quarter.

"Didn't come out and execute right," Franklin coach Chris Kelbert said. "That's on me. I didn't have them ready. Whatever it was, we just weren't ready to play in that first quarter."

The Patriots outrushed Churchill, 149-110, but came up 14 points short. Franklin did close the gap to 17-10 on Brad

Gibson's 30-yard field goal with 4:23 left in the third quarter, but couldn't generate enough offense on the night.

"We've got a gritty team that won't ever stop playing hard," Kelbert said. "We just went in there at halftime and made it kind of more of attitude adjustment more than anything else, but still didn't play good enough. Offensively we need to be better."

**BAND POWER**

It was senior night at Churchill and the kickoff was delayed 13 minutes because the senior marching band members were being introduced before the playing of the national anthem.

There was no delay of game penalty assessed to the host Chargers.

Ironically, Churchill's halftime show included the theme song from "Mission Impossible."

## Michalak keys Northville's 17-14 win over Glenn

Tom Morelli  
Correspondent

Northville quarterback Jonathan Michalak exudes confidence when he's out on the football field.

Playing the most high-profile position in perhaps all of sports doesn't faze the 5-foot-10, 170-pound senior, as he drops back into the pocket and hurls the ball with a vicious spiral that's rivaled only by his pinpoint accuracy.

Such swagger was apparent in the stat line for Michalak, who completed 14-of-24 passes for 189 yards and two touchdowns in the Mustangs' 17-14 victory Friday at Westland John Glenn.

Even after tossing an interception to senior linebacker Hunter Cichockin the fourth quarter, Michalak kept his poise.

This calm demeanor by Michalak worked to Northville's advantage two drives later, as he threw a dump pass in the flats to senior running back Abe Khoury for a 33-yard score with 5:22 remaining to propel the Mustangs (2-2 overall, 1-2 KLAAs Gold) to their first division win.

Such a clutch moment would usually yield much bravado, but Michalak kept his words short and sweet when describing his team's win afterward. "Momentum and con-

Glenn ball carrier Khalil McDaniel (left) tries to break free from a Northville tackler.

trol the game ... that's all we needed," Michalak said.

Pulling off the win took a massive amount of resilience for the Mustangs, who look to ride that momentum into their homecoming game this Friday against Plymouth.

"I felt like we were meaner and nastier," Michalak said. "We played our hearts out this game, which is something we hadn't done yet."

Here are four other takeaways from Friday's game:

**MOODY'S MUSINGS**

The challenge by senior Jake Moody to break the state record for long-

est field goal will have to be put on hold for another week. Moody made one of two attempts, including a 33-yarder in the second quarter to give Northville the initial lead, 3-0.

Moody showed off his range just before halftime, narrowly missing a 56-yarder in the final minute.

Mustangs coach Matt Ladach is in awe of Moody's ability to connect from anywhere on the field, as his extra points in the second and fourth quarter had enough distance to sail past the soccer nets and

## Harrison's big second quarter puts clamps on Seaholm, 49-7

Marty Budner  
hometownlife.com

Farmington Harrison charged into Maple Field a bit shorthanded for its OAA White Division battle Friday with Birmingham Seaholm.

The Hawks, playing without six suspended players due to a skirmish the week before against Stoney Creek, still rolled past the host Maples, 49-7.

"It was kind of a surprise, you know?" said veteran Harrison, head coach John Herrington, now just two victories away from tying former Brother Rice head coach Al Fracassa as the state's winningest coach.

"I'm very proud of the way they stepped up this week in practice with those guys out. I guess it's the old cliché that we've all heard: the next man in steps in and does the job. All the people who filled in just did great."

"We had a couple guys play a position that they had never played before," he added. "They all did the job."

Harrison scored seven touchdowns for the second straight week and again played with a running clock to lift its overall record to 3-1, including a White Division-leading 3-0 mark.

Seaholm fell to 1-3 overall and 1-2 in the White Division.

Following are five takeaways from the game:

**NOT BAD FOR OPENERS**

Notre Dame commit Ovie Oghoufo began the game with a bang for Harrison by returning the opening kickoff 90 yards for a touchdown.

Oghoufo also scored on a 5-yard third-quarter touchdown pass. He had a second-quarter TD pass called back because of a penalty.

"Ovie is a play maker and a difference-maker," Herrington said. "He got us started and made a lot of good plays for us. And I thought our quarterback, Noah Hendricks, had his best game."

**PIVOTAL SECOND QUARTER**

It was a strange second quarter.

Seaholm actually enjoyed more possession time and ran 21 plays to Harrison's 11,

Harrison running back Roderick Heard (right) is chased by Seaholm defender Ben Barton during OAA White Division action. DAN DEAN

but it was the Hawks who did all the scoring to turn a close game into a runaway.

The visiting Hawks registered four touchdowns that quarter, including two in the final 31 seconds.

Hendricks, a senior, tossed a 12-yard touchdown to Moet Andrews and Roderick Heard followed with a pair of touchdown runs from 27 and 3 yards out. It appeared as if the Hawks would take a 28-7 lead into halftime.

Seaholm got the ball back with 25 seconds left in the quarter.

The Maples picked up a first down and had the ball at their own 43-yard line with five seconds left. Seaholm quarterback Joel Mitchell completed a short pass to Vaishnav Siddapureddy whose attempted lateral fell to the ground. Harrison junior Vincent Rawls picked up the loose ball and raced 43 yards into the end zone for the TD as time expired to give his team a 35-7 halftime lead.

**LOOKING FOR POSITIVES**

Veteran Seaholm head coach Jim DeWald tried to find some positives in the stinging 42-point defeat.

DeWald liked the play of quarterback Mitchell and how he took charge in that punishing second-quarter drive that resulted in the team's only touchdown. He also liked the play of a pair of sophomores — running back Chaz Strecker and defender James DeWald. Strecker finished with 79 yards rushing on 13 carries.

The key for Seaholm was giving up 21 points on turnovers or faulty special teams play.

"We started a couple of sophomores who

played pretty well," DeWald said. "Our quarterback had a good game understanding the game and he had a good second quarter. The thing is, we were behind the eight-ball so much in the second half, we just didn't give him a chance to do anything."

**HARRISON OWNS SERIES**

Farmington Harrison and Seaholm have now played 10 times on the gridiron — seven times during the regular season and three more in the playoffs — and the Hawks have won every single meeting.

Their seven regular-season meetings have all been in OAA White Division action since the Hawks moved into the OAA following its move from the old Western Lake Activities Association in 2002.

The three playoff battles were in 2011, 1997 and 1984.

In the 10 games, Harrison has outscored Seaholm by a 369-93 margin.

**JUST THREE WINS AWAY**

Herrington, in his 48th season as the only head coach Harrison has ever had, is now just three wins away from becoming state state's winningest coach.

Herrington owns 428 career victories and is fast closing in on Fracassa's 430.

Herrington's Hawks will now face the most challenging part of their schedule. Harrison will host Birmingham Groves this week in a pivotal OAA game. After a game against Rochester, the Hawks must battle state power Oak Park. The good thing for Harrison is it will host both Groves and Oak Park in games which figure to decide the OAA White Division title.

**Brighton 28, Novi 14:** The host Wildcats battled back twice in the first half, but couldn't respond to a pair of second-half Brighton scores. Brighton quarterback Spencer Mykols threw a pair of first-half touchdown passes to Drew Billig, 16 yards in the first quarter and 9 yards in the second. Novi's Sean Gilliam answered each score, running for a 2-yard TD early in the second quarter and then adding a 14-yard scamper late in the half to knot the score at 14-14. Each touchdown capped an 80-yard drive. The Bulldogs (2-2) took the lead for good on Mykols' 1-yard run in the third quarter, before Rudy Ramirez closed the scoring with a 16-yard TD dash in the fourth quarter, followed by his fourth extra point. Gilliam ran 20 times for 135 yards and completed 10-of-25 passes for 117 yards. Traveon Maddox Jr. caught eight passes for 85 yards. Pinckney 45, South Lyon 30

**Plymouth 26, Wayne Memorial 20:** Carson Miller ran 43 yards for a touchdown with 5:40 left to break a 20-20 tie. Miller carried 27 times for 217 yards and two TDs. He also caught three passes for 23 yards and another TD. Plymouth opened the scoring in the first quarter on Zach Beadle's 35-yard touchdown pass to Kyle Aniol. The Zebras gained their only lead late in the half, when Donte Williams completed a 33-yard TD pass to Fred Biles and then Williams ran in the two-point conversion. But the Wildcats answered quickly, as Beadle hit Miller on a 5-yard scoring pass with nine seconds on the clock to send Plymouth into halftime with a 13-8 edge. Miller's 8-yard touchdown run, plus Mike Mathias's second extra point of the game made it 20-8 in the third quarter. Wayne responded with two quick scoring strikes: an 84-yard run by Williams and a 74-yard Williams-to-Reggie Micheaux pass that tied the game. Beadle was 6-of-11 passing for 90 yards. Ashton LeBeau led the Wildcats with nine tackles, including six solo hits. For the Zebras, Williams threw for 187 yards and ran for another 138.

Redford Thurston 45, Dearborn Heights Annapolis 0

**Redford Union 33, Livonia Clarenceville 0:** The Panthers (1-3) scored all their points in the first half and then cruised to victory. For RU, Tavian Groves rushed for 116 yards on 20 carries, including touchdown runs of 42 and 38 yards. Thornton Cain ran 11 times for 88 yards. He scored on a 48-yard run in the second quarter, courtesy of a strong trap block by Tyrese Taylor. Isaac Grant tallied RU's other two TDs, on scampers of 42 and 52 yards. Keion Brown had five tackles, including three tackles for loss, to help the Panthers score their first shutout of the season, as the Trojans managed just 65 yards total offense. Kyle Nolan paced Clarenceville (0-4) with 36 rushing yards, while Dion Turner added 20. Defensively, Will Brown had a hand in 10 tackles – including eight

solo stops – and defended one pass. Zach Jones chipped in four solo tackles, plus two assists.

**South Lyon East 42, Walled Lake Northern 35:** The Cougars racked up 465 yards total offense, to Northern's 364, to earn a shootout victory. Jake Waranaukas had another big two-way game for East, rushing 30 times for 224 yards and two scores, while adding a third TD on a reception. Waranaukas also chipped in an interception. Donovan Wright added 65 yards rushing on 13 carries, with one TD. Cougars quarterback Chris Kaminski was 13-of-19 passing for 146 yards and three touchdowns. His favorite target was Jacob Koshko, who gained 81 yards on four receptions, with three of them going for touchdowns.

**Pinckney 45, South Lyon 30:** Pinckney's Nick Cain had a night for the ages as he had seven catches for 164 yards and three TDs. He also returned a kickoff 97 yards for a TD and threw a 68-yard TD pass on a trick play. Cain also caught a two-point conversion and had an interception. Quarterback Connor Fracassi, Will Kelley and Jack Schafer had touchdown runs for South Lyon, which briefly led 10-9 before Cain's 97-yard kick return. Brenden Lach added a 2-yard TD catch from Fracassi to cap the scoring and also kicked a field goal.

Northville 17, Westland John Glenn 14

**White Lake Lakeland 22, Waterford Kettering 16:** The host Eagles (3-1) rallied from a 16-14 halftime deficit to earn a hard-fought victory. The Eagles seemed to be in control early, as quarterback Mitchell Boles hit running back Robbie Tracy for a 59-yard touchdown strike to help Lakeland race to a 14-0 lead. But Kettering took advantage of some big plays – including a blocked punt – to grab a two-point edge at the half. The Eagles' defense began the second half with a key stop and then the offense did its share, marching down the field to set up Dylan Kutzleb's touchdown run. Lakeland travels Friday to South Lyon East, hoping to push its winning streak to four games.

yards a play."

Meanwhile, senior quarterback Connor Engel orchestrated the offense to a productive night. When he needed to make a big pass, he found targets such as senior Noah Brown (two catches, 53 yards) and senior Danny Lanava, who caught a 22-yard touchdown pass in the third quarter.

"It's crazy, it's a blessing with what our O-line can do," Engel said. "I just got to give it all to them. They put up those 45 points."

Canton head coach Tim Baechler said his defense held Salem's big guns in check except for one big play — senior Andrew Davis scored on a 63-yard TD pass from senior quarterback Ryan Young.

And on offense, the Chiefs put together several long marches that took chunks of time off the clock.

"We wanted to possess the ball," Baechler said. "We thought we could just hammer our double-wing stuff. They were having trouble with it."

"Our defense stepped up in the second half and got a couple stops. We were able to consume the clock and were able to knock a couple in there."

Salem head coach Kurt Britnell, whose team dipped to 2-2, said his players performed better than the final score indicated.

"There were some things that were sloppy, coming out in the sec-

ond half like that, not being able to put a drive together hurt," Britnell said. "And they are who they are; we didn't get enough stops defensively. And we made too many mistakes offensively to keep drives going."

"But it is what is and I don't think the score is any indication of what kind of game it was."

Salem got the ball to start the second half, but Chase Meredith immediately sacked Young to set the tone.

After the Rocks punted, Canton went on a 64-yard drive in nine plays, with Engel connecting with Lanava, who was all alone in the end zone.

That made it 29-14 and the rout was on.

Davis was Salem's biggest offensive contributor, with 163 all-purpose yards. The Rocks' second touchdown was a 3-yard run by senior Cody Tapp.

Kicking a key field goal at the end of the first half was Chase Meredith, to give the Chiefs a 23-14 edge.

Canton also scored on a pair of two-point conversions and a safety.

Following are five takeaways from the Park rivalry contest:

**NO TIME TO WASTE**  
Canton quickly found the Salem end zone near the start of both the first and second quarters, with Walker and Troup both registering a TD run. Troup then scored on a two-point conversion run to put the Chiefs up 20-7 less than two minutes into the second.

**THROW THE FLAG**  
The host Rocks bounced back to score on

Tapp's TD. That closed out a 73-yard drive in 15 plays, taking more than eight minutes off the clock. Two Canton penalties kept the chains moving for Salem.

### MORE THAN A QB

One of the better defensive performers for Salem was the quarterback, Young, who ran down several Canton players to minimize damage on potentially big gainers. He registered 12 tackles, while senior linebacker Parker Selby had eight.

"He can play. He's a football player, period," Britnell said about Young (4-of-8 passing, 85 yards).

### GLAD TO SEE YOU

Canton and Salem last met during the 2012 season, with the Rocks missing a potential game-winning field goal. None of the current players were in high school when that contest took place.

### WALL OF FAME

Salem's fourth Wall of Fame induction ceremony was Saturday, but inductees were introduced to the crowd during Friday's halftime. Honorees include Bob Dasher, Brian Gilles, Jeff Roth, Jacqueline Merrifield, Fred Locke, LaTonya Wheeler, Tim Dillon, the late Scott Beaman, the 1974 boys golf state championship team and 1977 football team.

Beaman died in August after a bout with cancer. He was a long-time teacher in the district who in recent years was in charge of ticket sales at Park athletic events. He received the first Lifetime Achievement Award.

Rockets statue behind the uprights.

"That kid is phenomenal," Ladach said. "I thought that 56-yarder was good, but he didn't miss by much. Whenever we have the ball, we feel real good about having a good chance at getting points with that kid. He's

a huge weapon."

### GLENN GETS GUTSY

Down by a 10-7 margin to begin the fourth quarter, John Glenn (1-3, 1-2) appeared to be going for a game-tying 22-yard field goal, but opted for the fake instead as running back and holder Matt Nutt (21 carries, 121 yards) circled his way toward the near sideline relatively unscathed for a 5-yard score to put

Glenn back on top 14-10 following an extra point by senior Chase Kersten.

"Matt's a heck of an athlete and a great running back," Glenn coach Steve Waller said. "He can catch it, he can throw it and he can run it. He had a hot hand tonight and we just rode him. He was a beast."

### ON THE DEFENSIVE

One of the standouts on the defensive end was

Chicocki, who aside from his interception was one of three players to notch a sack against the Mustangs' massive offensive line.

Senior defensive linemen Jacorey Scott and Donald Farris combined for a sack on Northville's opening drive of the game, while Chicocki's occurred just six plays into the second half.

"Hunter's a great player and a two-year

starter for us and a two-captain" Waller said. "He runs everything out there on defense like us and is an animal."

### BETTER TO RECEIVE

Junior wide receiver Nick Prystash remained Michalak's main target during the contest, finishing with nine grabs for 115 yards, along with a 5-yard touchdown with 3:24 left in the half to give the Mustangs a 10-7

lead.

"Coming off last week, we've been working hard on the offensive and defensive game plan," Prystash said. "We went through some adversity today and didn't get the job done a couple of times, but in the end we came out with a 'W.' That was enough and we'll just keep building off of it next week and capitalize on our opportunities more and more."

goals, then each kid got an opportunity to score a touchdown," Henson said.

And the event continues to grow each year.

"We had all kinds of fans in the stands," Henson said. "The energy was great, the attitudes were great. The cheer and pom pon teams were also there to help us. The band played the national anthem for us. It was a really good day."

South Lyon running backs coach Adam Delamiellure, who works for Unilock, helped arrange for his company to sponsor the event.

Each participant received a jersey, a football and a medal.

"It was a great day," South Lyon running back and cornerback Will Kelley said. "You get to help out kids that normally don't get a chance to play football or to get to play in

game like we do. So it's just fun to help them out live out that experience. The most fun part about it was that every kid got to score a touchdown and get that feeling."

All 29 South Lyon varsity football players were there to help coach up the participants.

"With the drills, we just taught them what the coaches taught us, like how to carry the ball, how to tackle, power through everything, wrap up on the bags, scoop and score," Kelley said. "We talked to them after and asked them what was their favorite part about the day."

The event concluded with a cookout for all the participants.

"It was a good experience to help out the kids," Kelley said. "It was just about letting them play football."

The Lions will go after their first triumph Friday, Sept. 22, at home against Milford in a Lakes Valley Conference encounter. Game time is 7 p.m.

## ATHLETE OF THE WEEK

# Lakeland's Kutzleb earns weekly honor

Dylan Kutzleb considers himself a car and a boat guy.

And the 5-foot-10, 175-pound senior running back from White Lake Lakeland showed Friday that he has a well-tuned engine, running for a career-high 254 yards on just 14 carries as the host Eagles improved to 2-1 in the Lakes Valley Conference with a 34-14 win over South Lyon.

And for his efforts, which included touchdown runs of 86 and 69 yards, Kutzleb earned

Kutzleb

this week's HometownLifeSports.com's Athlete of the Week honors.

"I'm just really humbled that there's 14,000 people out there that even care about this," Kutzleb said. "I'm really surprised that I was even nominated for this award and then to win it means a lot for me."

Kutzleb, who was also a big factor in Lakeland's 29-27 LVC win the previous week against Waterford Mott, believes the seed was planted for his early season success during the off-season.

"It started in early summer," he said. "We started workouts every morning. All the team was there working hard, three hours a day, just getting at it and building

as a team and getting the offense down early."

Kutzleb had a couple of individual goals going into the season that he needed to improve upon.

"Particularly, blocking for me was a big thing that I needed to work on," he said. "but also finding the holes and hitting them with no hesitation was a big thing also."

Kutzleb also excelled in track last spring, when he was runner-up in the long jump at the KLAA Lakes Conference meet with a personal best 21 feet, 1 1/4 inches. He also placed third at the regional and was a member of the Eagles sprint relay teams.

"For track, I'm looking to make states for the long jump this year," he

said. "Maybe if I can get an offer there from some school, I'd consider that. But mostly, I'm going for education more than sports."

Kutzleb is keeping his options open as far as his future.

"I'm not really looking into football right now," Kutzleb said. "I'm looking into going to Michigan State and pursue an engineering degree."

During his spare time, Kutzleb likes to stay active.

"I like cars and just hanging out with my friends, playing sports, being outside ... fishing, stuff like that, being on the boat," he said.

"What we're going to do at each home opener for each varsity event, we're having a moment of silence for him," RU athletic director and football coach Miles Tomasaitis said. "His mom (Eleanor Rollin) also turns 100 (Sept. 17), so the family are coming to the game also to kick off the home season."

"Obviously, Jimmy will be missing his first game in a lot of years. They're coming in to try to fill in for him and say thank you (to) the community for the support they've got."

Jimmy would have loved how Friday's game turned out, too. The Panthers blanked Clarenceville by a 33-0 score.

"We have VIP seating for them (family) on the track inside the gates. We're going to play 'Happy Birthday' to Jimmy's mom at the first change of possession. The band's going to play it and we're going to his mom for her 100th birthday."

Even as Rollin neared the end, he had Redford Union and the Blue and Gold Club on his mind.

"Everything he had, his car and everything else, is being donated to the Blue and Gold and to the athletic department," Tomasaitis said.

The family also is asking that donations continue to be donated to the Blue and Gold Club and athletic department.

### Giving back

"Jimmy was at everything. You'd look up and he was there," Tomasaitis

said. "The other athletic directors around the conference knew who Jimmy was because he showed up at everything."

"He was at tennis matches, he was at swim meets, football games, basketball games, volleyball, baseball, softball, track. He showed up at everything. Coaches would drive him to games sometimes or he'd ride the bus if an event was farther away."

## COLLEGE SOFTBALL

## Hope springs eternal with All-American Jones on mound

**Brad Emons**  
hometownlife.com

Before she even graduates next spring from Hope College, Sydney Jones is already leaving quite a legacy on the softball diamond.

The 2014 South Lyon East High School grad is coming off an extraordinary junior season, as she earned NCAA Division III first team All-

Jones

America honors from Fastpitch News while leading the Flying Dutch to the regional finals at Wisconsin-Whitewater and claim a share of the Michigan Intercollegiate Athletic Association title with a 13-3 record.

The right-hander, who posted a 17-7 record with a 1.18 earned-run average, also earned all-region honors from the National Fastpitch Coaches Association and was named the MIAA's Most Valuable Pitcher.

Jones set school records with 17 wins, 11 shutouts, 23 starts, 22 complete games and 229 strikeouts in a single season. Her ERA is second-lowest in Flying Dutch history.

Jones became the Flying Dutch's career strikeout leader (482).

She also proved to be a standout defender in the infield, recording a .994 fielding percentage with just one error in 154 chances.

"It was just working hard with my teammates and, really, perfecting my pitching," Jones said. "And it's, really, taking it to that next level to be able to do the kind of things that me and my team did last year."

Hope College coach Mary VandeHoef said there are several reasons for Jones's breakout year.

"It's always great when someone puts a lot of time and energy and hard work into what they do and to see the results on the field," said VandeHoef, whose team finished 27-15 overall last season. "Syd is an incredibly hard worker, takes her position very seriously and works hard ... and so she's gotten better every year."

As a freshman, Jones went 9-3 in 88½ innings with a 1.74 ERA, followed by a sophomore season where she logged 121 innings, going 8-10 with a 2.13 ERA.

"Along with great velocity, she has a really, really good movement on her pitches," VandeHoef said. "She's a pitcher that really commands the inside part of the plate really well, but at the same time this past sea-

son, she really developed her change-up and that became a pitch that took her from her sophomore to her junior year to becoming a pitcher that could throw that change-up in any count."

Jones attributes her success to Hope College pitching coach Jeanette Olinger, whom she affectionately calls "Coach J," along with Wes Strickland, who offers softball instruction out of the Great Lakes Baseball Academy in Canton while she's home during school breaks.

"Coach J has been a great help for me," Jones said. "She's helped me mentally and physically get prepared for everything. She's just been super great."

Jones has a brother (Blake) and a sister (Taylor) who graduated from Hope in 2014 and 2016, respectively. Her younger sister Peyton, a 2016 East grad, is a sophomore who was a member of the Flying Dutch women's basketball JV team last year.

Meanwhile, younger brother Griffin, a sophomore at East, has not committed to Hope just yet.

Jones, who was a Division 2 honorable mention all-state player at East in softball, also played basketball, but decided to concentrate solely on softball once she arrived

in Holland.

"I hadn't seen her throw in games until that summer before she was here," VandeHoef said. "She was definitely a player who was on our radar, but hadn't had the opportunity to see her play. It was a great surprise to see that Syd

would be able to help us and contribute."

Jones, who is majoring in exercise science, is carrying a full 17-credit load this semester and plans to go into the nutritional field following graduation.

"There's a lot to love," Jones said about Hope

College. "The academics are amazing. My professors are amazing. I have met so many great people here and it's just been a blessing to be able to study here while still playing the sport that I love. It's really just been a great experience for me."

The Flying Dutch lose only three players to graduation and the goal for Jones is to earn a trip to the 2018 NCAA Division III national tournament. It's something she believes is within reach.

"Just to take it further and work just as hard, or harder, this off-season," she said. "And to keep pushing my teammates and having them push me so that we can go even farther at the end of the season, so we can make a better postseason run this year."

Earning All-American honors as a junior proved to be icing on the cake and it came as a surprise as she was one of five first team pitchers named and among 15 selections overall.

"I worked really hard for it," Jones said. "I was definitely excited this year. It was really a great thing to share with my teammates and everything because, obviously, I didn't get there alone."

## PREP CROSS COUNTRY

## Top duo looks to power Patriots, girls also look strong

**Tim Smith**  
hometownlife.com

Livonia Franklin boys cross country coach Pat Koelzer likes the Patriots' blend of experienced as the team looks to compete within a very competitive conference.

"We have a good pack of varsity runners who need to continue moving closer to the front of races for us to do well," Koelzer said.

Leading the Patriots will be senior Grant Rudd and junior Logan Evanchuk in the top two spots, with senior Jackson Nordbeck, junior Russell Rusnell and junior Andrew Ulaszek pushing them at the front of the pack.

"Grant was a sub-17 minute racer as a sophomore," Koelzer said. "Last year, he dealt with some injury troubles before getting his time back down to 16:42.

"This fall, he has been healthy so far and looks to lead the way for the team and finish his high school career at or below 16:00 and, hopefully, battle for a shot at states."

Evanchuk (17:20) could push his time under the 17-minute mark, while Nordbeck, Rusnell and Ulaszek "are looking to get under 17:30 as soon as possible so our pack of five can be more competitive in the bigger races."

Koelzer added that the KLAA promises to be a juggernaut again this season, led by Plymouth.

"They look dominant and are likely to be a favorite to win the conference and region," he said. "Northville is usually a top three conference and region opponent. Stevenson, Salem and Novi look like they may also round out the top conference teams.

"Within our division,

other than Plymouth and Salem, Churchill and Canton are also likely to be the toughest teams to face."

## Franklin girls

Veteran Livonia Franklin girls cross country coach Dave Bjorklund said the Patriots will be competitive again, even in the new-look KLAA division (which includes Salem).

Four of five top runners from 2016 are back, including junior Erin Seibert

(two-time state qualifier), Emily Esker, Ashley de-Guise and Hailey Kutruks. Caroline Hardy is a promising newcomer.

"I like the competition we have within the team this year and look forward to see what we can do as the season progresses," Bjorklund said.

Here's How It Works:  
Sudoku puzzles are formatted as a 9x9 grid, broken into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
