## New Mexican eatery planned

Livonia officials approve plan for Seven Mile location

USA TODAY NETWORK — MICHIGAN

A space recently known for its Chinese food could be soon known for its Mexican cuisine.

The Livonia Planning Commission reviewed plans at its Jan. 15 meeting for a new Mexican restaurant, Maya Cocina Mexicana, to occupy the space that most recently housed China House Inn, 33018 Seven Mile, in the shopping center with Joe's Produce.

Livonia resident Tim Cruz came before the planning commission at the

meeting and said this restaurant has been in the works for several years.

"My wife and I have lived in Livonia past 15 years," he said. "The restaurant is something my wife and I have been thinking about the last decade and planning for the last five years."

He described the concept to the commission as a contemporary, "farm-to-table" gourmet Mexican restaurant, something, he said, that's hard to find in Michigan.

"Everything fresh, there's nothing canned," he said. "Local providers, try-

Sub-zero wind chills and relentless snow squalls Monday couldn't keep several die-hard sledding enthusiasts from Plymouth Township's McClumpha Park.

Protected by several layers of winter garments, a steady stream of snow-day fun-seekers braved the arctic conditions for at least a few trips down the park's fabled snow hill.

## Courthouse Grille gets a fond farewell

**Ed Wright**

USA TODAY NETWORK — MICHIGAN

Whatever entity takes over the site of the recently-closed Courthouse Grille in Plymouth Township will be hard-pressed to match the good vibes the beloved eatery (and its two palate-pleasing predecessors) generated over the previous 84 years.

On Jan. 11 — nearly two weeks after the landmark restaurant served its final meal — 350 people gathered in the elegant dining facility to honor Sam Messina, who decided last year to sell the building so he could spend more time with his two daughters and his grandchildren.

Messina, who operated the Courthouse Grille, Ernesto's and the Hillside Inn throughout a decades-long stretch, admittedly was moved by the farewell get-together.

"That was the most incredibly encapsulating warmth I've ever felt," Messina said, reflecting on the night. "It's something I've been feeling for the past three or four months, ever since people found out I was going to sell this place."

"I can't tell you how many times people would come up to me and tell me they held their wedding reception here or a graduation party. One couple told me they had their wedding reception here 60 years ago and they've come back every year since for their anniversary."

Messina reflected on the unforgettable moments when celebrities would visit his restaurants to indulge in the food his staff exquisitely prepared.

"I'll never forget the time — about 20 years ago — when Paul Newman was here," Messina said. "He was such a nice, honorable gentleman. Every

# Check out these three events this weekend

Where has the time gone?  
It seems like just yesterday we were watching the ball drop. Now here we are one month into 2019.  
To celebrate, let's get out and do something fun, especially after this week's blistering cold and snowy weather. Here are three things happening in the Hometown Life area worth checking out this weekend.

## Restaurant Week in Birmingham

Hungry? If so, Birmingham is the place to be all this week and next.  
The annual Restaurant Week kicked off earlier this week and runs through Friday night. More than 20 restaurants across the city are participating, including Big Rock Chop House, Toast, Mad Hatter Bistro and more. Enjoy some of

Birmingham's finest dining with three-course lunches for \$18 and three-course dinners for \$36 at participating restaurants.

Reservations can be made by contacting the restaurants directly. And for those who may not be able to make it this week, Restaurant Week takes place again next week across Birmingham.

For more information and a full list of participating restaurants, go to [birminghamrestaurantweek.org](http://birminghamrestaurantweek.org).

## Ice harvesting at Kensington Metropark in Milford

Go back in time Saturday by heading to Kensington Metropark in Milford.

There, a program on ice harvesting — a process done before the advent of refrigeration — will take guests back to a time when keeping things cool took a lot more work than clearing out the freezer.

The program will include demonstrations and a chance for visitors to try their hands at some ice harvesting as well. Attendees are encouraged to dress

warmly.

The event takes place from 10 a.m. to 2 p.m. at the Kensington Farm Center, 4570 Huron River Parkway, in Milford. Day passes for vehicles entering Kensington are \$10 and annual Metropark passes are \$35. More information can be found on the park's website.

## Used book sale at the Livonia library

If you're still looking for that perfect book to cozy up with next to the fire, Five Mile and Farmington roads will be your first stop this weekend.

The tri-annual used book sale takes place starting Friday at the Robert and Janet Bennett Library, 32777 Five Mile, in Livonia. Benefiting the Friends of the Library, the sales attracts long lines of book hunters seeking to find something to read or something to add to their collection.

The sale runs all day Friday, Saturday and Sunday while the library is open and will feature books marked at \$1 for hardcovers, 50 cents for paperbacks and 25 cents for romance novels.

More information can be found on the library's website at [livoniapubliclibrary.org](http://livoniapubliclibrary.org).

## Students sought for spring break history experience

In 2018, the Detroit Historical Society introduced Detroit Design 2067, a youth-driven spring break immersion program held at the Detroit Historical Museum. During the week-long experience, 11 high school juniors and seniors worked with historians, community leaders and design thinkers to learn how Detroit's history impacts their communities in the present and how to use design theory to propose solutions to real-world challenges.

The hugely successful program is returning for 2019 and will take place April 1-6 at the Detroit Historical Museum (with a student orientation Saturday,

March 30). A presentation on the final day of the program is open to the public. Applications are now available at <https://detroit1967.org/team-2067-youth-immersion-program/16775-2/>. High school juniors and seniors in metro Detroit are invited to apply by Feb. 1.

Detroit Design 2067 offers 12 high school juniors and seniors the opportunity to:

- Explore the history of July 1967 in Detroit with the creators of the award-winning Detroit 67: Looking Back to Move Forward project.

- Learn and apply design theory concepts with instructor Chanel Beebe and

a host of other professional designers.

- Partner with four area businesses/community organizations to a develop solutions to resolve a problem they are experiencing.

Students who complete the program will earn a \$350 scholarship to apply to future educational endeavors.

Completed applications may be submitted to Kalisha Davis, director of community outreach and engagement, by email at [kalishad@detroithistorical.org](mailto:kalishad@detroithistorical.org). For more information about Detroit Design 2067, go to <https://detroit1967.org/team-2067-youth-immersion-program/>.

# MS&GCU offering college scholarships

Over the course of many years, Michigan Schools & Government Credit Union has helped hundreds of students and educators fund their higher education pursuits through its annual scholarship program. The 33 available scholarships recognize academic achievement, community service and an applicant's commitment to learning.

New this year, the William Cayen Skilled Trades Scholarship honors long-time MS&GCU board member Dr. William Cayen. Known for his passion of helping students during his time as an educator, the scholarship will benefit students pursuing a career in skilled trades.

"The skilled trades industry in Michigan is growing and in high demand," said Pete Gates, MS&GCU president/

CEO. "We are pleased to be able to support our state and our community with a new scholarship that will help individuals reach their educational and career goals."

Offering more than \$106,000 in awards this year, applications are now being accepted for the following scholarships at [msgcuscholarships.org](http://msgcuscholarships.org):

■ Educational Solutions Scholarship, for high school seniors planning to attend a two- or four-year college or university. Eighteen \$2,500 scholarships are offered.

■ Educator Advantage Scholarship, for certified educators and administrators of early childhood, primary, secondary and post-secondary schools who are continuing their education. Four \$2,500 scholarships are offered.

■ Larry Swantek Educational Studies Scholarship, for high school seniors who plan to major in education or current college students with an education major. Four \$2,500 scholarships are offered.

■ Rudolph Heino High School Scholarship, for high school seniors who embody the MS&GCU philosophy of "people helping people." Five \$2,500 scholarships are offered.

■ William Cayen Skilled Trades Scholarship, for students pursuing a skilled trades certificate in Macomb, Oakland or Wayne counties. Two \$2,500 scholarships are offered.

Scholarship details, eligibility requirements, selection criteria and online applications can be found at [msgcuscholarships.org](http://msgcuscholarships.org). The applica-

tion period runs through March 8.

In addition to these scholarships, MSGCU also offers annual scholarships to students in the police and fire academies at Macomb Community College, Oakland Community College and Schoolcraft College. The scholarships have been renamed in honor of the late MS&GCU board member Stephen Thomas, who served in the Detroit Police Department and retired from the Macomb County Sheriff's Department. The Stephen Thomas First Responder Scholarship program awards \$2,000 to 12 academy graduates annually. Information on these scholarships is available through the program directors of each academy.

## Don't waste your bonus money on frivolous purchases

### Money Matters

Rick Bloom  
USA TODAY NETWORK —  
MICHIGAN

It was just announced that Ford UAW workers are going to receive a \$7,600 bonus. Congratulations, the bonus was well-earned. Of course, whenever you receive a bonus, the big question is what should you do with the money?

Most people will be thinking about whether they should buy a new phone or a big-screen television. Although there is nothing wrong with rewarding yourself for a job well done, as adults we need to be smart with our money. I would suggest that, before rushing out to buy a new phone or big-screen television, you take a hard look at your personal finances to determine if you shouldn't do something smarter with your bonus. The money should be used to improve the quality of your life and, by being in better shape financially, it will enhance your life in many different ways.

Here are a few ideas that you should

consider with your bonus money. The first is for those who have charge card debt. If you carry a balance on your charge card, you should consider using the bonus to pay down your debt. The average American pays more than 18.5 percent interest on their charge card. That interest is not tax-deductible, so when you use your bonus to pay down charge card debt, you are getting a guaranteed 18.5 percent on your money. I assure you there is no investment out there that will pay a guaranteed 18.5 percent. Paying down charge card debt is a great financial move.

There is another benefit to paying down debt, particularly charge card debt, and that is to your health. There is no doubt that when people are in debt, it causes anxiety and other health issues. Paying down debt is liberating and it's something you should consider doing with your bonus.

We have all heard about the problems that government employees have had as a result of missing a paycheck. If you don't want to be in that situation if something unfortunate happens to you, you need to make sure you have an

**Remember, your emergency fund shouldn't be invested in stocks or other long-term investments, but kept in the bank so you can tap into it in case of emergencies. Liquidity is the key for emergency money.**

emergency fund. I would suggest that if you don't have an emergency fund — at least three to six months of living expenses — a great use of your bonus is to establish one. If the government employees who have missed a paycheck had an emergency fund, they would be in much better shape.

Remember, your emergency fund shouldn't be invested in stocks or other long-term investments, but kept in the bank so you can tap into it in case of

emergencies. Liquidity is the key for emergency money.

For those who have an emergency fund and are not in debt, one thing you may wish to consider is investing the money in something like a Roth IRA. A Roth IRA is a great vehicle, in the fact that you can let the money grow tax-free for as long as you choose. I have always been a believer that you cannot save too much for retirement and investing your bonus in a retirement saving vehicle will bring you benefits well into the future.

Receiving a bonus is great, but what's even greater is when you use that money wisely. If you receive a bonus, before you rush out and spend it, take some time to look at your personal finances to see if the money can be better spent. Of course, you are entitled to reward yourself, but I think you'll find being in better shape financially is a great reward.

Good luck!

snow day," said Rachel Sloan, who chaperoned a group of Pioneer Middle School students to McClumpha. "The kids usually come with their dad and I stay home and make hot chocolate, but he's working today and I'm not."

Visiting McClumpha on the first significant snowfall is a family tradition for Canton's Jagodzinski family, which was represented by dad Stan and son Jackson.

"We love this hill," Stan Jagodzinski said as he accompanied sled-pulling Jackson up the entrance sidewalk. "I used to bring my older son out here, now I bring Jackson. We've been coming here for at least eight years. We wouldn't miss it."

Winds gusted to 25 mph in Plymouth on Monday, lowering wind chills to minus-5.

The fresh coating of snow made sledding conditions prime for those who braved the cold.

# LITTLE STARS SPREAD HOLIDAY JOY

Youths from The Little Stars Foundation were busy spreading holiday joy to local seniors. The weekend of Dec. 22-23, the group visited five nursing homes and senior centers, bringing holiday concerts and gifts as their tradition. They visited Hope Health Care Center (Westland), Four Season Nursing Center (Westland), Waltonwood at Carriage Park Assisted Living and Memory Care (Canton), Waltonwood at Carriage Park Independent Living (Canton) and Halsted Place Senior Residences (Farmington Hills). This is the 12th consecutive year the foundation has been performing free holiday concerts for local seniors. The group was led by a high school senior Anna Sun, co-founder and director of the foundation. They raised the funds through fundraiser activities and brought hundreds of fuzzy socks as this year's Christmas gifts. The Little Stars Foundation is a Canton-based 501(c)3 nonprofit organization started in 2006 by a group of children. Their mission is help local children and seniors, address the issues they are facing and enrich lives in the community. # Hines Park proposal needs full, open discussion

**Terry Marecki**  
Guest Columnist  
USA TODAY NETWORK - MICHIGAN

Every day in this country, we are inundated with arguing, political fighting and grandstanding. People have lost faith in many of their elected officials. Many have seemingly lost the ability, or perhaps the willingness, to listen to each their colleagues and the result is a complete absence of productive dialogue and compromise. When this happens, residents lose out.

There is currently a proposal in Wayne County that would allow for the sale of dilapidated mills to developers to

be turned into restaurants, coffee shops, etc. I am not, today, advocating one way or another for this proposal. I am advocating simply for proper discussion and review. These historic mills have sat for decades and have been inaccessible to the public. If there is a path to rehabilitate and preserve them in a way the public can enjoy, it is worthy of our time and attention.

The end result may be the commission rejecting or approving the sale of two of these mills. Or we compromise with the executive's office an an alternative path. But either way, we would be doing Wayne County residents a disservice to not at least vet and discuss the plan. Public officials, in good conscience, cannot make educated deci-

sions without fully analyzing the proposals before them. And if we are public advocating for or against the proposal before the proper vetting has been completed, we are serving no one's best interests.

Residents want their officials to serve as diligent stewards of our community and, in this case, we can't do that until we know more. While the sale of Phoenix Mill was approved by the commission, the full Wayne County Mill Run Park proposal has not had one committee meeting. We have received a limited amount of information. There are some people who have intentionally circumvented the vetting process to rally the public against a proposal that has not seen proper discussion. In the process,

they are pushing us toward political infighting before all the facts are established.

When we let politics dictate the decisions we make, everyone loses. No matter the party, no matter the policy position, elected officials need to have the full amount of information prior to making a public decision. Our constituents deserve no less from us every day. And they deserve no less from us on Mill Run.

ing to incorporate that gourmet, the way grandma used to make it."

The planning commission unanimously approved both the waiver petition and the Class C liquor license for the establishment. The proposal will now go on to the city council for its review.

China House Inn occupied the space for several years before closing earlier this winter. That restaurant is in the process of relocating in a new space west along Seven Mile, west of the empty 7 Farmington shopping center.

There was no word on when the Mex-

ican restaurant would open.

The request includes a request to increase the number of seats inside the restaurant. Currently, only 30 seats are permitted for the space.

"It was in 2008 China House was originally approved for this location with a maximum of 30 seats," said Mark Taormina, Livonia's planning director. "Maya is asking to increase the seating count to 67."

Cruz said the additional seating won't cause problems with other businesses in the shopping center, as much of their business happens before dinner and most of his will take place at dinner.

USA TODAY NETWORK — MICHIGAN

The battle for supremacy in Michigan's Division 2 high school boys hockey ranks just got much more interesting.

Any notions that Hartland would continue steamrolling through its competition all the way to another state championship celebration were dispelled Jan. 25 by Livonia Stevenson.

Senior defenseman Austin Adamic's goal with 12:36 left in the third period gave third-ranked Stevenson a 3-2 victory over top-ranked Hartland at Har-

land Sports Center.

The loss ended Hartland's 21-game winning streak against Michigan schools. The Eagles were 15-1 this season, 21-1 in their previous 22 games, since losing 8-0 to Detroit Catholic Central in the regular-season finale last season. Hartland's only loss this season was to Cleveland St. Ignatius, 2-1, on Dec. 7.

"They can be a blessing, if you let them be," Hartland coach Rick Gadwa said. "It's all what we do with it. We learn from this stuff, yes. I called out a lot of people, including myself as a coach. We've got to prepare better. That's good. You look for these kinds of things in seasons. You want to win every game, but reality is you're probably not going to. You can learn a lot more from a

loss than you can from a win."

Stevenson is one of the hottest teams in the state, going 14-0-1 since a 4-0 season-opening loss to fourth-ranked Birmingham Brother Rice. The victory was further validation that the Spartans will be very much a factor when the state tournament begins Feb. 25.

"Every game is the same," Stevenson coach David Mitchell said. "We approach it the same way, but we know what Hartland has, we know what Hartland's done. They're just so explosive and dynamic and so well-coached and such a great program. We have the utmost respect for them. It wasn't anything we emphasized, but we knew what the task at hand was going to be to

throne once again.

The state-ranked Rockets (No. 6 in Division 1) captured individual titles in six of the 14 weight classes Saturday to earn a first-place total of 268 points, while tourney newcomer Rochester was runner-up with 198.5.

Tournament host Livonia Churchill (148) placed third, with Novi Detroit Catholic Central White (125) and Livonia Franklin (83.5) rounding out the top five in the 19-school field.

Among Glenn's individual champions were Ty Cowen (112), Caleb Meekins (125), Kyle Borthwell (135), Shawn Brown (140), Brenton Polk (152) and Graden Bowen (160).

It's like playing Russian roulette trying to stop a player like University of Wisconsin commit Lorne Bowman II on the final possession and with the game on the line.

But somehow, somehow, Novi Detroit Catholic Central's defense held tough and was able to force overtime at 45-45 Friday before going on to beat Orchard Lake St. Mary's and Bowman, who finished with a game-high 31 points, in a 54-50 Catholic League Central Division basketball victory.

With the win, Catholic Central improved to 10-3 overall and 5-2 in the division, while St. Mary's falls to 8-5 and 3-3. It was CC's second win over the Eaglets this season.

"It feels great, they're a really good team and, obviously, we're not looking forward to playing them again," said CC 6-foot-7 senior forward Davis Lu-

## McLaughlin spurs Northville to win vs. Brighton

Mustangs jump out early en route to 60-45 triumph over Bulldogs

Brad Emons  
hometownlife.com  
USA TODAY NETWORK — MICHIGAN

Daniel McLaughlin is quickly becoming Northville's version of a Swiss Army knife.

The 6-foot-3 senior forward, a three-sport athlete, can play four of the team's five positions and usually guards the opponent's top scorer. He can also put points on the board if needed.

And that was the case Jan. 22 as McLaughlin connected on 8-of-11 shots from the floor while making both free throws en route to 18 points as the host Mustangs turned back Brighton in a KLA West Division boys basketball clash, 60-45.

McLaughlin Steven Morrissey, a 6-4 senior forward, paced Northville with a game-high 20 points, including 12 in the opening half. He has now scored in double figures seven straight games and it was his fourth out-of-20 or better for the season as Northville improved to 9-2 overall and 5-3 in the division.

"We came out with a lot of energy. I thought it was good team win," McLaughlin said. "We got up-tempo right from the beginning and we didn't take our foot off the gas pedal, so I thought we had a really good tempo to the game."

Ryan Pumper, a 6-4 senior, chipped in 12 points as Northville built a 14-6 first-quarter lead and never looked back.

After Brighton (6-5, 3-4) cut it to five at halftime, 24-19, the Bulldogs were outscored 36-26 in the second half. On three different occasions, Northville led by as many as 15 points.

"We had six turnovers in the first quarter," Brighton coach Mike Griest said. "We knew they were going to trap and we were prepared for it, but it's tough to prepare for their size that they have, plus the quickness that they have. We made a couple of adjustments and handled it a little bit better, but then you're always fighting uphill and I think it took a lot out of us emotionally."

Northville shot 50 percent from the floor, making 24-of-48 shots.

"We just wanted to keep the tempo up and the faster that we played it would

be better for us, so get the ball moving up the court, try and get every loose ball and play with a lot of energy," McLaughlin said.

During the off-season, McLaughlin said he worked on his outside shooting and it paid off as he became a full-time starter. He scored a career-high 23 points in the opening round win of the Northville Holiday Tournament and put up 19 against Dearborn in the second game of the year.

"In the off-season ... just the jump shot, the same as everybody," said McLaughlin, who also plays football and runs track. "Just working on the confidence, just believing the thing is going in. Last year, I wasn't very offensive and this year I think I'm looking to score more. But as a team, I think our team chemistry is a little bit better than it was last year. I think we're playing as a more cohesive unit."

Brighton got a team-high 11 points off the bench from senior forward Shane Armstrong, while sophomore forward Owen Ehman contributed eight.

"Brighton plays extremely hard and

we knew we'd be in for a war from the opening tip," Northville coach Todd Sander said. "They defend with a lot of energy. They're tough, they're physical and I thought they had a good scheme on offense. (Keenan Stolz) hurt us early in the first half, I thought. And then they got hot and hit some open jumpers as we were changing defense."

The Bulldogs shot 17-of-42 from floor (40 percent) and just 5-of-10 from the foul line. Fourteen turnovers also didn't help their cause.

"It's tough to get a sustained run against a quality team," Griest said. "They're well-coached, they're skilled. They can handle it, they can shoot it. They're very unselfish and you've got to guard the whole floor. They're a very, very good team and we knew that. We can play a lot better and we expect to play them a lot better next time we play them."

Meanwhile, Sander was pleased with his team's effort down the stretch.

"I was really proud how we bore down at the end of the game," he said. "We were really a lot more patient on of-

fense that allowed us to get high-percentage shots and we shot the ball from the free-throw line (10-of-12) tonight, too."

And having versatility at nearly every position, the Mustangs hope to parlay that into the No. 2 slot in the KLA West Division.

"That's kind of been the story of our season is, we've had great balance and we've had different guys stepping up at different points at each individual game," Sander said. "If you want to take Steven (Morrissey) away, we've got Ryan (Pumper), Daniel (McLaughlin) and Zach (Shoemaker) that can step up. If you want to take Ryan away inside, we can spread the floor and make some shots. I thought Zach had a really good second half after kind of sleep walking through the first half. He provided us good energy during our third-quarter run after halftime."

## Shamrocks

kowski, who scored a team-high 21 points, "but having two wins under our belt against a really, really good team is an eye-opener for a lot of people outside of Catholic Central."

After a Lukowski basket tied the game at 45-45 with 1:27 remaining in regulation, the Eaglets called a timeout with 41 seconds to go to set up a final shot.

Bowman, the 6-foot-2 guard, took the ball at the left wing and made his move to the rim in the waning seconds, only to be swarmed by three CC defenders in the lane who stand 6-5 or better.

"We knew what he was going to do and we knew where help side was going to be," CC coach Brandon Sinawi said. "And we talked about that earlier in the timeout, if they (isolated) him, what we were going to do. So our guys were prepared and we jumped straight up and he didn't get the call."

During the four-minute extra session, Bowman came out and hit a triple, but CC answered with 7-0 mini-run with 6-8 senior Justin Rukat (15 points) making 4-of-5 free throws during the final 50 seconds to secure the win.

The Shamrocks also got a big rebound from Mike Harding off a missed free throw by Lukowski to keep possession and the lead for good in OT.

Catholic Central jumped out to a 17-11 first-quarter advantage before St. Mary's fought back to take a 28-23 halftime lead thanks to a circus-like layup from freshman guard Kareem Rozier (11 points) just before the buzzer.

The Eaglets went up by as many as nine in the third quarter and had a chance to go up 11 after they had held the ball for more than a minute trying to coax CC out of its zone defense, only to miss a back-door layup.

"I think after we got that stop we were able to get out and run," Lukowski

said. "It led to a lot of easy baskets and got us back into the game."

The momentum swung back in CC's favor as the Shamrocks tied it at 37-37 going into the fourth thanks to a 3-pointer off the bench from 6-2 junior Josiah Smith, who recently became eligible after transferring from Birmingham Roper.

But baskets were hard to come by during the fourth quarter, as each team scored eight points.

"This was just kind of a muck-it-up type game that whoever wanted to scrap the hardest was going to end up winning," Sinawi said. "Fortunately, we were able to make some shots late and in the overtime and hit some free throws to seal it."

But the big shot came from Lukowski, who drove the lane and scored with 1:27 left in regulation to help sent it to OT.

"They have short, quicker guards and

we're more of a bigger team, so we had to take advantage of our size," Lukowski said. "I was able to get into the lane and elevate over people and my teammates put me in good position to score at the rim."

On the final possession in regulation, Bowman said the strategy coming out of the timeout was just "trying to get a good shot." But he was met with resistance and couldn't get his shot up at the rim.

"Fortunately got in the lane, got bumped, the call didn't go our way," said Bowman, who hit 11-of-25 shots from the floor, including four triples. "But you know stuff like that happens like that sometimes. Definitely some iffy calls here and there, some calls they got, some calls we didn't and some 50/50 balls that we didn't get on the rebounds and they were able to convert. They got a couple of their long guys that were able to get in there for layups, so we've got to do better job at boxing out."

Catholic Central had two fouls to give on the final play in regulation, but elected to play it out. After Bowman's attempt, the Eaglets retained possession of the ball when Rukat, trying to grab the rebound, hit the floor and was called for traveling with 11 seconds to go.

St. Mary's tried to inbound the ball to Bowman, but it was deflected out of his hands as time expired, forcing the OT, where the Shamrocks won the battle, 9-5.

"We actually wanted to foul him a little sooner when he got to the hoop," Sinawi said. "I was hoping that we didn't foul him. He went hard to the hoop. We had three guys in place. The travel call (with 11 seconds) gave them the extra opportunity ... of course, it's a scary situation. You've got a Big Ten player and you're a little anxious and there's only so much you can do. Credit our kids. They fought through it. He had 31 tonight, but we'll take the win."

# Homrock gets tough win, Brighton beats Glenn

Bill Khan  
Livingston Daily  
USA TODAY NETWORK — MICHIGAN

It seems like Eddie Homrock never gets an easy night.

He wouldn't want it any other way.

While Homrock and his Brighton wrestling teammates are plowing through teams by lopsided scores, he has found himself matched up with a tough opponent more often than not.

The latest challenge for Homrock was once-beaten Westland John Glenn senior Kyle Borthwell, the fourth-ranked wrestler in Division 1 at 135 pounds. Homrock is ranked first in Division 1, but two weight classes lighter at 125 after being second at 130 most of the season.

Homrock fell behind 2-0, then came back to take a 6-4 decision Jan. 24 in a 135-pound match that got heated after the two wrestlers went crashing into the chairs on the John Glenn sideline.

It was the final match in second-ranked Brighton's 58-8 victory over sixth-ranked John Glenn in a crossover between the KLAA division winners. The KLAA's individual tournament Feb. 2 at Howell is the final component in determining the overall league champion.

Before losing to Homrock, Borthwell's only loss was Jan. 5 to Brighton's Zach Johnson in the semifinals of the Detroit Catholic Central Invitational. Borthwell is 31-2, while Homrock improved to 34-2.

"He's ranked pretty high a couple weights above me," Homrock said. "I knew I could handle him. It ended up being a little closer than I would have liked. A couple stupid mistakes, but stuff we can fix."

Homrock has beaten seven wrestlers who are ranked in the top four in their weight classes, going undefeated against Michigan competition. His two losses are a 3-2 decision to Drake Campbell of Brownsburg (Ind.) and an 8-6 overtime loss to Dylan Shawver of Elyria (Ohio).

"I've had a pretty tough schedule the entire season," Homrock said. "I've wrestled probably 10-plus top five kids. It's not really unusual; just go out there and wrestle."

Brighton coach Tony Greathouse hopes that the gauntlet Homrock has gone through will prepare him to move up from fourth to first on the state tournament podium March 2 at Ford Field.

"We try to get him the toughest guy every match," Greathouse said. "He likes to be challenged. I want him to get challenged. It's good for him to get in those matches, because those are the matches he's got to win to win a state title."

Host Brighton improved to 24-0 in dual meets, beating John Glenn in the first-place crossover for the second straight year. The Bulldogs won last year's match-up, 38-25.

The Bulldogs won the first nine matches, taking a 46-0 lead. In the last five matches, the Rockets got victories from Ty Cowan at 112 and Caleb Meekins at 125 and lost two close decisions.

"That's all I can ask from my team," John Glenn coach Bill Polk said. "Don't worry about the team score; just go out and wrestle hard. Worry about yourself individually. We know how good they are. That's one of the best teams I've seen in the past 20 years. They're pretty darn good. That's pretty impressive."

Rhett Newton, one of three all-staters who transferred to Brighton this season, made his debut for the Bulldogs with a 25-second pin against Livonia Stevenson and a 12-5 decision over John Glenn's Shawn Brown at 145. Newton was third in the state at 112 for Detroit

Catholic Central two years ago.

"It's just another added layer of flexibility where we can move guys around, especially as you get to the end of the year," Greathouse said. "It's always nice to have options where we can make different match-ups happen. We're going to need every help we can get. C.C. is obviously a very formidable opponent. Davison, it was really a close match the last time and they've got guys coming back."

Although John Glenn lost to Brighton, the Rockets may have improved their seeding should they reach the state quarterfinals by beating fourth-ranked Hartland, 33-30.

Hartland (20-3) led 24-14 with six matches remaining, but lost two matches by pins and one in overtime while going 2-4 in those bouts.

"We've got to do a better job with our team points, knowing how to get a major decision, knowing we can't get pinned; things like that," Hartland coach Todd Cheney said. "That can't happen in big duals. We just dropped a big dual. It's going to hurt us come seeding time."

Hartland senior Kyle Kantola improved to 27-0 with 24 pins by pinning his opponents in 15 and 53 seconds.

Brighton and Hartland both beat Livonia Stevenson by the maximum score of 84-0. Only two of Stevenson's 28 matches made it past the first period, as the Spartans brought primarily junior varsity wrestlers to battle two state powerhouses. Only two wrestlers who helped Stevenson finish second in the KLAA East competed.

come into this place and compete with them."

Adding intrigue to the Division 2 hockey picture is the fact Stevenson and Hartland will travel to Trenton to take on the second-ranked Trojans in the Michigan Interscholastic Hockey League Showcase this weekend. Hartland plays Trenton at 8 p.m. Friday, while Stevenson takes on the Trojans at 7:10 p.m. Saturday.

Stevenson, which has won its last two meetings with Hartland, will return to Hartland for the KLAA championship

game at 7 p.m. Feb. 16. The Spartans lead the KLAA East Division at 8-0, while Hartland leads the West at 7-1. Stevenson holds the tiebreaker over Plymouth (7-2) to represent the East in the title game, while Hartland clinched the West when Brighton (3-4) lost to Novi, 3-2.

The teams couldn't meet in the post-season until at least the state semifinals at USA Hockey Arena.

"They outworked us all game," Gadowa said. "It's clear as day to me and my coaching staff. When you get outworked, you lose hockey games. That's what happened today. We lost a lot of battles. We even read, 'Is Hartland unbeatable?' No, not even close, because we just got our butts beat. It's a one-goal

game, but we got beat in other ways tonight."

Hartland scored first when John Druskinis tipped in a shot from the point by Grant Briggs on the power play with 8:12 left in the second period. Stevenson took the lead with goals by Seth Lause and Ian Kimble in a 2:03 span late in the second.

Shortly after Hartland failed to generate a scoring chance during a long five-on-three power play, Gabe Anderson tied the game, 2-2, with 13:18 remaining in the third period.

Just as the Eagles were feeling better about themselves, Adamic put Stevenson back on top to stay just 42 seconds later. Hartland's Kieran Carlile passed the puck from his own blue line back to-

ward the front of the Eagles' net, where Adamic got to it first, wheeling and firing it home in one motion.

"It came right to me and I just let it go," Adamic said. "I knew I was the only one on my team in the zone, so I just decided to just let one go at the net."

Hartland pulled goalie Brett Tome with 55 seconds left but, as was the case during the five-on-three power play, the Eagles couldn't muster a threat.

"They're a good defensive team," Anderson said. "They blocked everything going to the net, even the passes. Credit to them for that. Hopefully, we can see them again and learn from our game tonight and take it into the next one."

# Novi principal Carter to serve on MHSAA Representative Council

USA TODAY NETWORK — MICHIGAN

Novi High School Principal Nicole Carter was recently appointed to the 19-person Michigan High School Athletic Association Representative Council, starting a two-year term.

Carter was appointed Nov. 30 at the MHSAA's fall meeting in East Lansing. She fills the position formerly held by Pat Watson, principal of West Bloomfield High School, whose term ended.

"As a strong proponent of educational athletics, I am excited for this opportunity to serve the MHSAA," Carter said. "Playing sports in high school and working for the athletic department as a Spartan aide at Michigan State University made a tremendous impact on my leadership skill development."

Carter, who also serves as president of the Kensington Lakes Activities Association, began her teaching career in Novi in 1999.

Carter taught civics/economics and AP U.S. government and politics for eight years prior to transitioning into administration.

She has also served as dean of students and assistant principal at Novi High.

Carter earned a bachelor's degree from Michigan State University in secondary education, majoring in political science with a minor in English. She also earned a master's degree from MSU in curriculum and instruction and holds an education specialist degree from Oakland University.

"Having Nicole Carter on the rep council for the MHSAA is great for kids and great for programs here in Michigan and school districts," said Novi athletics director Brian Gordon, who was recently

awarded Oakland County Athletic Director of the Year by the Oakland County Athletic Directors Association. "It's a feather in the cap of our community, because she'll be representing the KLAA, our conference, in being a rep member, along with (athletic director) John Thompson at Brighton.

Carter was named a Diversity Champion and earned the Michigan Lottery African American Educator of the Year in 2016. She was also nominated by the MASC/MAHS Michigan Student Leadership for its Principal of the Year award. Under her leadership, Novi High has been consistently listed on state and national lists of best high schools.

"Nicole is a tremendous decision-maker," Gordon said. "She truly cares about kids, puts kids first. She understands what educational athletics can do for the culture of a building, what it can do for the culture of a community and what it does for kids and families. We're extremely excited that Nicole is going to have this opportunity to lead and to lead the MHSAA and educational athletics across the state of Michigan."

## SUDOKU

			3		9			
		2					6	
			8		1			
	8	3			5		7	
	7						8	1

Here's How It Works:  
 Sudoku puzzles are formatted as a 9x9 grid, broken into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
